PUBLISHED ANNUALLY BY THE STUDENTS OF

Basic High School

HENDERSON, NEVADA

Our Theme Is

"Arabian Daze"

Idea for the theme was submitted by Darla Haverberg

Dedication

Mrs. Judith Warner

We, the students of Basic High, dedicate this annual, with the greatest pleasure, to Mrs. Judith Warner, for her untiring efforts and sincere guidance.

As El Lobo advisor in the past, she has done an outstanding job.

As a teacher, she has helped prepare us to go into the world as mature adults and good citizens.

But she has been more than an advisor and a teacher; she has been a good friend to all.

— THE STAFF

Connie Gorton

We, the staff, have chosen "Arabian Daze" for our theme. It was chosen for its originality and versatility. It illustrates the changes that have come about in many things, especially education.

Basic High, during the past year, has not only acquired the most modern school in Nevada, but they have acquired a higher standard of education and loyalty.

We, the Seniors, regret that we haven't been in the new school longer, but the memories of our time here shall never be forgotten.

To the teachers of Basic High School, who through their helpful guidance have caused us to become loyal citizens and better students, we, the students, owe you a sincere vote of gratitude.

Principal's Message

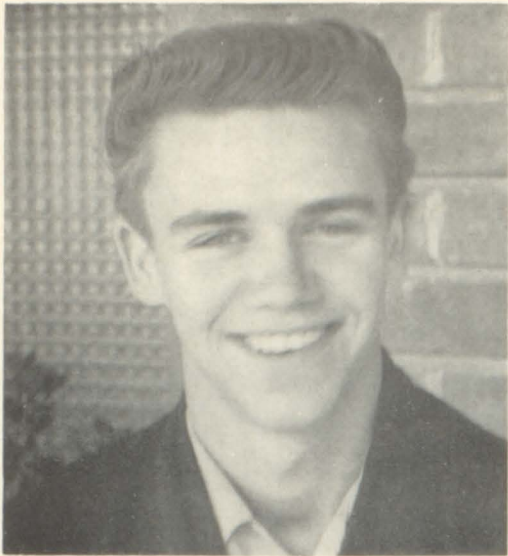

TO THE CLASS OF 1955

The class of '55 has played a major role in the development of Basic. You have helped to establish traditions which will affect the thousands of students who will follow you through this high school. You have, through your wholesome attitude, helped to build up a spirit of loyalty to Basic which will, if carried on by future classes, mean the difference between an average school and a great school.

Now that you are about to become a part of the adult world, we hope that you will expand your loyalty to include the ideals and institutions upon which the welfare of our nation depends. Do not let your loyalty be of the blind, passive type, but learn to understand the objects of your loyalty and take an active part in promoting their welfare. Through such understanding, active loyalty, you will contribute to the ever forward progress of our country in the same great measure as you have contributed to Basic High School.

The Girls Officials' Club was started this year with the thought and hope that high school girls can officiate their own games if they are properly trained. The girls started with one of the hardest sports, basketball, but they picked up the technique very rapidly. They learned the difference between fouls and violations and before the end of the year they will know a point from a side out in volleyball. They are also learning to respect the tremendous job that any official has and thereby be a better spectator.

W. Chapman Wooten
B.H.S. Band Director

Band

The band wishes to pay special tribute to Mr. Wooten, who works endlessly to better the music departments and further the interests of the students in building a finer organization for the finer arts. His personal help and guidance have given his pupils a wider interest in their own instruments, as well as an acquired knowledge of the fundamentals of music.

The memory of his warm smile and sharpened baton (used for obvious reasons) will remain with many of us for a long time, as well as a growing appreciation for the finer arts.

MOST VALUABLE PLAYER

Norman Craft

With much pride the Basic Wolves elected Norman Craft the Most Valuable Player for the football year 1954. His outstanding citizenship and sportsmanship have given him recognition as one of the most outstanding students at Basic High.

Besides being a four-year letterman in three sports, a tri-state and an all-state football man, Norman served as captain of the 1954 squad.

These outstanding characteristics have gained him recognition as not only the most valuable senior, but the most valuable player on Basic High's football team.

Row four: Rupert Sendlein, Eddie Johnson, Rodney Blue, Don Detomasi, Norman Craft, Sheridan Gilbertson, Tom McGinty, Raymond Ware, Donald Vincent. Row five: Charles Razmic, head coach; Don Smith, assistant coach; John Tartan, junior varsity coach.

These men brought the tri-state trophy to Basic after a past season play-off with Palo Verde High which the Wolves won 14 to 6.

Representing tri-state in the California Interscholastic Federation, Basic defeated Bellermino-Jefferson High 33 to 0 in the semi-finals. The C.I.F. finals saw Basic fall to Hawthorne 39 to 14.

Four wolves also placed on the All-Tri-State first team. They are: Norman Craft, end; Rodney Blue, fullback; Ken Harris, Rupert Sendlein, center.

Junior Varsity Football

Row one, left to right: B. Huhn, D. Wilson, R. Vincent, V. Johnson, H. Foster, B. Nye. Row two, left to right: Coach J. Tartan, L. Perryman, R. White, H. Reid, G. Lindsey, D. Ware, P. Horne.

Basic's junior varsity football squad handed in a very impressive 5 - 1 record at the end of the 1954 season. These boys are gaining the experience and technique necessary for playing varsity football.

They defeated Rancho High twice, Needles junior varsity, Boulder City junior varsity, and Gorman High. Las Vegas junior varsity gave them their only defeat.

Perhaps the highlight of the season was the 7-6 win over Gorman High. Until Basic invaded the scene Gorman had been undefeated.

Coached by John Tartan these boys did an excellent job and are to be commended for their efforts.

Junior Class Play

"Rest Assured," a three-act comedy by Donald Payton, was presented by the junior class on April 4th. As the first dramatic activity to be held in the new gym, it was a smash success. The story concerns old money-mad Morlock, a nervous, grouchy old goat, who doesn't like anything but money, won't let his family do anything, always gripes about his aches and pains, feuds with everyone and he won't let his daughter Mary, 20, become engaged to Joe Lanconi because Joe's papa, Luigi, is poor. So when Joe's papa comes over to plead his son's case, he's practically booted out of the house. Right here the two old fellows start a feud that puts the Hatfield-McCoy fracas to shame. They go round and round and Luigi's bad heart just can't stand the strain. He dies but saves the day by coming back and haunting Mr. Morlock, the old boy finally changes his mind only to discover it was all a dream.

Boys' State

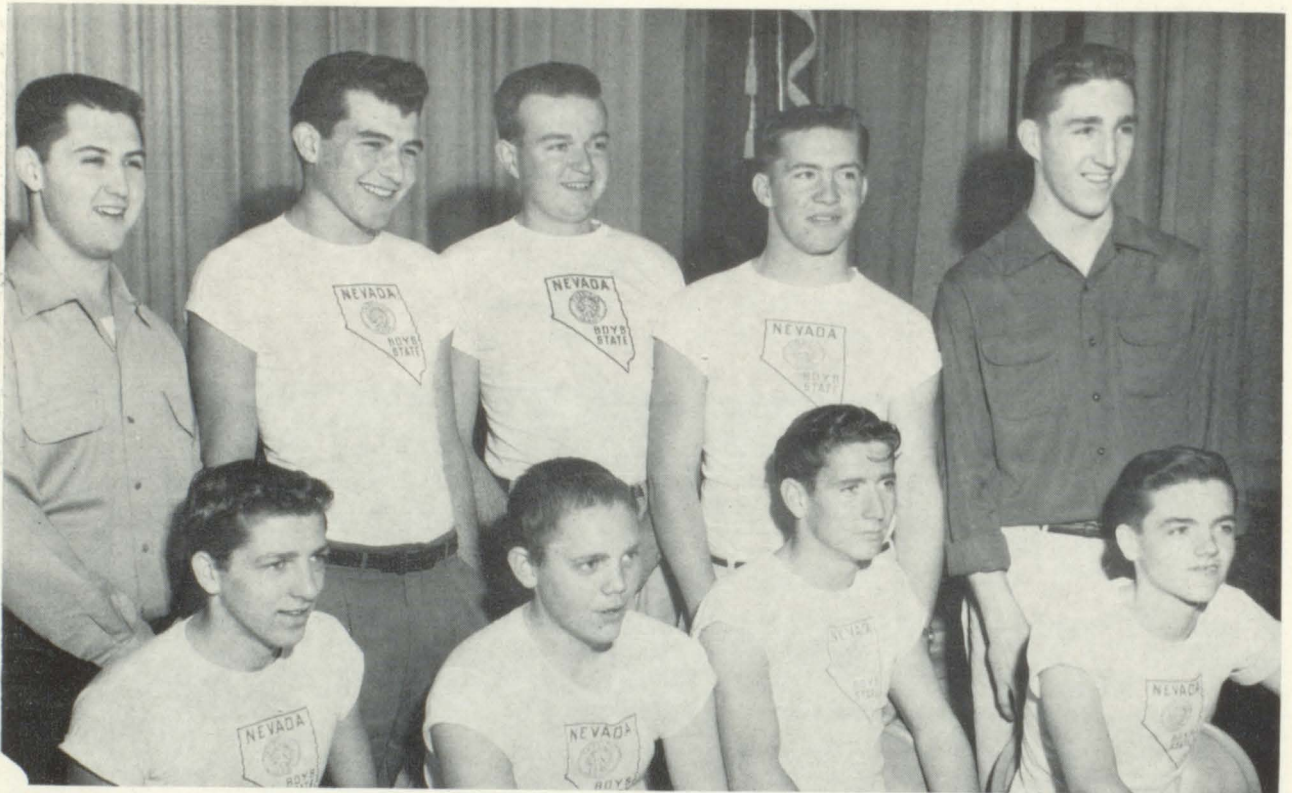

One of the highest honors accorded a Basic High School student is that of being chosen as a representative to Boys' State. Candidates are selected from the junior class by popular vote. The highest ten are then rated by the faculty. Among the factors considered in this rating, citizenship, scholarship, leadership, and sportsmanship, are of prime importance.

As its main objective, Boys' State has set up the development of a better understanding of local, county, and state government. In addition to actual practice in the functions of the various governing bodies, a spirit of friendship and understanding is furthered among the various schools represented.

In the 1954 session of Boys' State which is sponsored by the American Legion, Basic representatives literally had "control" of the government.

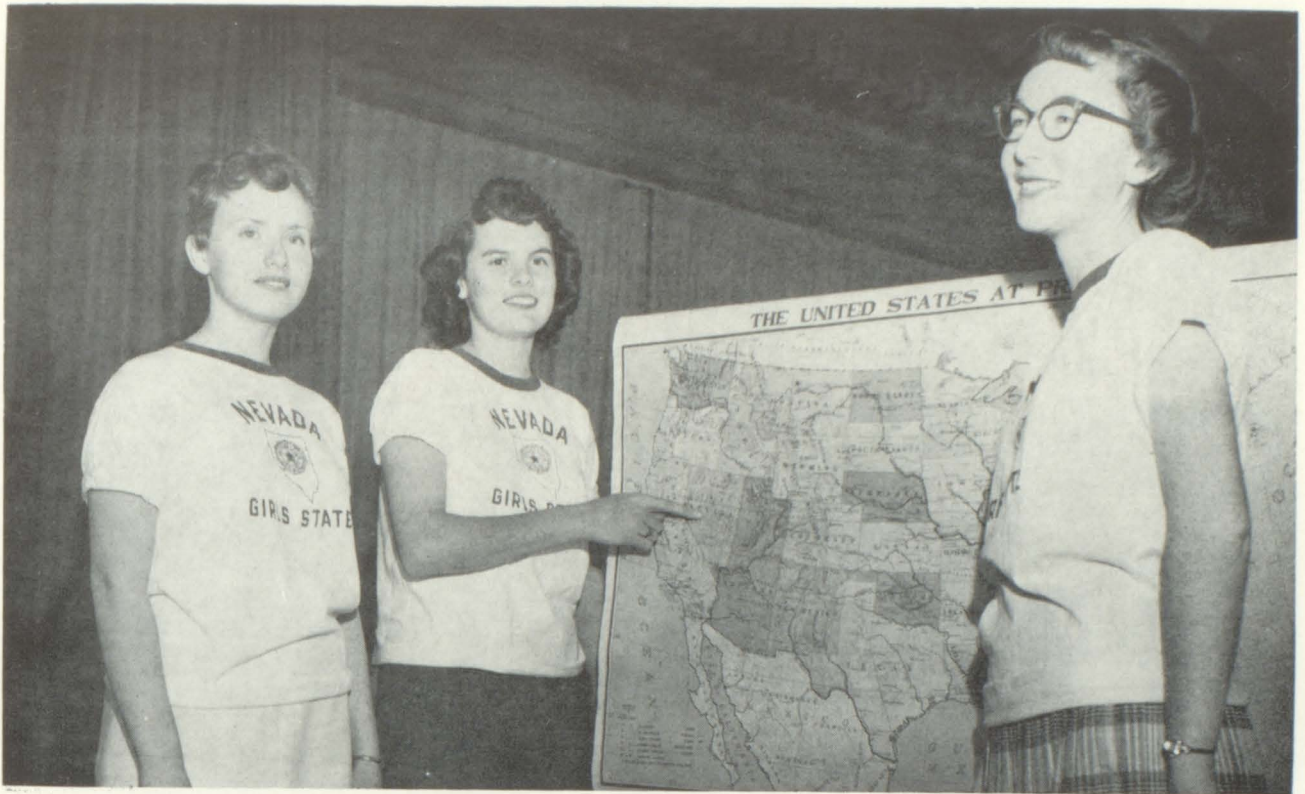

Don Detomasi was elected lieutenant governor. This office also carries the position of speaker, of the senate. Norman Craft was the state's highest legal authority, chief justice of the supreme court. John Korthuis and John Staley served in the house of representatives and senate, respectively. Korthuis was speaker of the house of assembly, and Staley was secretary of the senate, and one of the authors of the 1954 constitution. Bob Riggins was county clerk of Prueit county, Rod Blue, district judge of Prueit county, and Dwain Smith served as special secretary to the governor and his officers.

As a climax to the eventful week, John Korthuis and John Staley were chosen as alternates to Boys' Nation.

Row one, left to right: John Korthuis, Robert Riggins, Gordon Weese, John Staley. Row two: Dwain Smith, Don Detomasi, Tony Bastenchury, Rodney Blue, Norman Craft.

Girls' State

Penny Crane, Sandra Smith, Sheila Brancfield

Chosen to represent Basic High School at the eighth annual session of Nevada Girls' State, Sandra Smith, Penny Crane and Sheila Brancfield spent June 11 to 18 learning the fundamentals of our government.

Sandra served as a state assembly-woman, and on city council. Penny was chosen secretary of state and city clerk. Sheila was elected mayor of her city, county public administrator, and party vice-chairman.

Besides learning and practicing government, the girls made many friends. While most of their time was spent in classes, much fun was had by all!

Side trips, such as a journey to Reno to watch a civil trial and go shopping; and a tour of the state capitol and offices at Carson City added enjoyment to the trip.

Sandra, Penny, and Sheila all agree that Girls' State is an opportunity for which every girl should strive.

Seniors Freed for Ditch Day, February 22

"Will he fall? Or does he actually know how?"

"Want Some?"

"Soft landing?"

"Was the hill so steep he needed five nurses?"

"Small boots."

"Mustn't talk with your mouth full, Mrs. C."

"Free as a bird."

"Was this a posed photo?"

"Noon at Charleston. Will the food feed the starving seniors?"

"Yes, but can she steer?"

"Getting ready for the ice."

No more, Mrs. R."

"Gordo renews his energy"

"All tuckered out"

"They didn't make it."
Who did?

"They began cheerfully"

"Louie takes the gals in his stride."
