HENDERSON, NEVADA, THURSDAY, JANUARY 31, 1957

FIVE CENTS

BY BILL GILLIS

Regrettable — Extremely unfortunate that explosion at Titanium yesterday which hospitalized 15 men for varying degrees of injuries and the community can rejoice that none of the employees were instantly killed by the blast.

Everyone, of course, is pulling for the more seriously injured to pull through, especially Robert Ritter.

The blast might tend to emphasize that materials vital to our nation's defense are being produced in this city.

While yesterday's explosion was regrettable, Titanium Metals Corp. of America can point with pride to an outstanding safety record at the local plant.

★ ★
Money, Money, Whose — Got any suggestions for raising some revenue, not just a couple of dollars but maybe \$200,000.

The city's finance director, Don Dawson, now in the midst of preparing the 1957-58 budget reports there's nothing wrong with Henderson's finances that a little dinero wouldn't cure.

Dawson has suggested that residents with some revenue-raising ideas write him, care of the city hall.

He's not kidding and all suggestions will be carefully scrutinized.

★ ★
Anyone for parking meters?

All That Glitters — Was this writer's privilege to meet movie stars who were at Lake Mead and Hoover Dam shooting films for a forthcoming 20th Century Fox movie, "The Way to the Gold," this week.

Anyone with the preconceived conception that all film figures are highly emotional, temperamental and possess an exaggerated opinion of themselves should meet guys like Jeff Hunter, Barry Sullivan and Neville Brand.

All play leading roles in the film and were extremely cooperative when requested to pose for pictures.

Quite naturally, they were besieged by autograph seekers but if the chore bored them, they didn't display it outwardly.

Hunter is extremely handsome while Brand, who specializes in character roles, has that outdoor manly appearance.

Not being much of a movie patron, the names of Hunter, Sullivan and Brand eluded me, and the frau, too.

"Whose this Jeff Hunter," the wife said.

So she was introduced to him Tuesday night and now she knows.

And so will you when the film, "The Way to the Gold," is screened locally.

(Continued on Back Page)

SEASON'S FIRST SNOW BLANKETS AREA THIS WEEK

The season's first snowfall blanketed the area Tuesday night and the prediction for the weekend was for recurring rain — or snow — with temperatures slightly below normal.

For a few hours Wednesday, the snow afforded the community's youngsters an opportunity to throw snowballs and make snowmen, but the sun had melted most of the snow by noon.

The last week also produced the season's coldest day, a 26 recorded the early morning hours Monday. The minimum reading was 29 Tuesday.

The minimum Monday was the lowest reading since Feb. 2 last year.

Official snowfall Tuesday was recorded by the Bureau of Reclamation as 2 1/2".

Temperatures the last week, reported by the Bureau of Reclamation, follow:

	Max.	Min.
Jan. 23	54	36
Jan. 24	54	36
Jan. 25	54	41
Jan. 26	54	43
Jan. 27	46	31
Jan. 28	43	26
Jan. 29	37	29

Qualifications For City Offices Are Outlined

Qualifications for candidates seeking offices in the May 7 municipal election were outlined this week by City Clerk Harry Parsons.

An election ordinance (No. 196) passed by the city council Dec. 3, 1956, stipulates:

"All candidates for the office of Mayor and Municipal Judge must be qualified electors and taxpayers within the City of Henderson and must be bonafide residents thereof for a period of at least one year preceding their election.

"The candidates for councilmen shall be qualified electors and taxpayers within their respective wards from which they seek the office.

"All candidates for municipal office shall file their declaration of candidacy with the city clerk not less than 30 days prior to the municipal election (May 7).

"The candidates for mayor shall pay a filing fee of \$50 and candidates for councilmen and municipal judge a \$25 filing fee."

DENTON PHARMACY OWNERS — Introducing the community's newest businessmen, George and Frank Denton, twin brothers, owners of the Denton Pharmacy. The drug store is scheduled to open Saturday though the Grand Opening will be held later in conjunction with Cornet. The Denton Pharmacy and Cornet are located in the new Crum building on Pacific. The owners of the new pharmacy are both experienced in the wholesale and retail drug business, having operated stores previously in New Mexico and Texas. (Basic Photo)

Frank Morell Announces He Will Seek Council Post Representing Fifth Ward

Frank Morrell, prominent in civic and community affairs, announced yesterday he will be a candidate for the city council to represent Ward 5 in the forthcoming municipal elections.

In making the announcement, Morrell said:

"Because of a sincere belief and interest in liberal city government and a strong desire to help Henderson be a wonderful place in which to live and enjoy an optimistic future, I have filed for the two year term of councilman for the fifth ward.

"It is not my intention to be an anti-this and anti-that can-

didate but rather my candidacy is one for progressive city government."

Thirty-eight years old, Morrell arrived in Henderson in 1946 following his discharge from the Air Force. He was born in Minot, No. Dakota and attended North Dakota State Teachers College for three years where he majored in engineering.

After moving here to reside permanently, Morrell first worked as a construction laborer in Boulder City, then as a journeyman brickmason, prior to opening Henderson's first real estate office in March of 1952. His first office was located at his home, 19 Water St., and three months later he located at 42 Water St., his present business address. He is also an insurance man.

Morrell currently heads the city's planning commission and has been twice commander of the Henderson American Legion Post No. 40, is a member and past Chef de Gare of the Clark County Voiture of La Societe Des Hommes et Chevoix of the American Legion, and is affiliated with the Elks Lodge No. 1956, VFW, chamber of commerce, Brickmason Union No. 3 in Las Vegas, Community church and the Las Vegas Board of Realtors.

Morrell has been married for 15 years and he and his wife, Evalyn, lives at 19 Church St. with their young child, Michele.

Consult Counsel On Water Rates

A request by Mayor James B. French that the Las Vegas Valley Water District directors review the district's current rate schedule for wholesale water to industry and municipalities, has been referred to the legal bond counsel.

The information was contained in a letter received by the mayor Tuesday, written by Thomas A. Campbell, president of the board of directors for the water district.

Campbell noted that he had requested the legal firm to give the matter immediate attention.

Byrne Reports Assembly Votes Per Diem Raise

(Special) — The State Assembly yesterday afternoon passed a bill — though not unanimously — which will raise the per diem expense for all legislators from \$10 to \$20, Henderson Assemblyman Bill Byrne told the Henderson Home News editor by telephone late Wednesday.

The bill now goes to the Senate for approval and if passed will become effective at this session of the legislature.

Assemblyman Byrne said a bill, which would increase daily pay of the legislators, would also be introduced at this session. It would not however become effective until the next session. Pay of legislators is now \$15 a day.

The Henderson assemblyman reported the first two weeks of the legislature have been confined mainly to reorganization and introduction of bills and no discussion of bills has yet been held.

During the present session, Byrne will head the Veteran Affairs Committee of the lower house and is a member of the Education, Taxation, State Institutions and Public Health and Morals committees.

He said he expected to travel home this weekend, returning to Carson in time to be present when the assembly convenes Monday morning.

Shorthand Course Is Being Offered

Starting Feb. 18, a complete three months course in shorthand will be held in the offices of Services Unlimited at 13 Army St.

The course is being offered due to the increased demand for stenographers and secretaries in the area and instructor will be Mrs. Lucille Walter who has owned and operated the Walter Secretarial School in San Diego for the last 25 years.

Registration for the course started this week and additional details may be obtained by telephoning FR 2-3851.

Classes will be held Monday and Friday evenings between 7 and 9 o'clock.

DOG FOOD 7 CENTS, NOT 17 CENTS CAN

In the Country Cousins grocery advertisement appearing on an inside page, a tall can of Marco dog food is advertised for 17 cents per can.

Price of the dog food per can should read 7 cents.

ROBERT RITTER SEVERELY BURNED; IS LISTED IN SERIOUS CONDITION

A blast — possibly caused when a furnace exploded in the melting area in Unit 8 — ripped the Titanium plant at 9:45 Wednesday morning, sending 15 men to the Rose de Lima Hospital.

Titanium officials immediately instituted an intensive investigation to determine the cause and for the present have listed it as "of unknown origin." No estimate of the damage was reported.

Shortly before deadline, TMCA officials reported that only Robert Ritter, 33, of 58 Victory Village, is in a serious condition. He suffered burns and eye injuries, although will not lose his eyesight, said a TMCA spokesman. Ritter is employed as an operator in the melting department.

Also still confined to the hospital last night were Cecil (Tex) Martin, 41, of 112 Ash St., millwright; Floyd Keller of Las Vegas; Dennis Willden and Weldon Wylie, both Henderson residents; and Jack Pherrigo, an employee of the Guy F. Atkinson Construction Co., which has the contract for the local plant's \$15,000,000 expansion program.

Earlier Wednesday, Martin, who suffered fractured ribs, had been reported as in serious condition, but is now listed as only "being under observation."

Martin and Willden, who sustained burns and lacerations, were expected to be hospitalized for possibly several days, along with Ritter, but Wylie, Keller and Pherrigo probably will be released this morning. Exact type of injuries suffered by the latter three was not announced.

The nine other men taken to the hospital and treated for varying degrees of contusions, shock and burns included Dick Lauffer, Earl Moore, Jim Davis, Bill Wells, Grant Allan, Jim Nicholson, Legrand Bywater, John Downey and Vincent Tanner.

All nine were released a short time after being admitted and receiving treatment, TMCA officials reported.

Yesterday's explosion was the worst in the Titanium plant's history here.

Residents residing in the vicinity of the plant reported they felt the explosion and first thought it to be a jet breaking the sonic barrier.

Morry Zenoff's Morry's Story

You've heard of the gold-plated Cadillac, but wait'll you hear this — Henderson will have a gold-plated telephone booth! Hersh Trumbo picked up a bargain on the phone exchange the other day — a phone booth as above described, which was used for exhibition purposes at some convention in San Francisco.

The Trumbo bargain will now become the McBeath Phone-Phantasy as the thing becomes an installation inside Joe's remodeled drug emporium.

I saw the two gents going over rules and regulations this week — as to how you and I can use that phone. You see, the phone itself will be of white enamel.

So — we'll have to have manicured nails. We'll have to deposit our cigarette butts on the outer floor emporium.

We'll have to write only clean words on the golden walls. We'll have to say — Please Madam, will you kindly give me a number in the distant city of Las Vegas — instead of saying — Long distance, Please.

And when the operator answers — she's liable to speak with an Oxford accent — because, you see, England is on the gold standard — and gold goes with the gold walls.

But, there is one saving feature — says Hersh — the price of the call remains the same. You don't have to put in a gold dime. A lead one will still work.

Congrats to the two men for beautifying our city.

Talking about phones, we overheard Joe telling how Hersh called him the other day, saying, "Get the coffee hot, I'll be over in 20 minutes for a cup." And Joe saying, "where are you calling from Hersh."

And Hersh answering, "I'm out in the middle of Lake Mead!" Then Joe remembered that telephone chief Trumbo has one of those new-fangled portable phone deals which you can use in cars, boats, planes, bikes, trikes and even on roller skates.

Yup, Hersh had called from Lake Mead — his boat is equipped. He dials. His Henderson operator answers and gets him the number in a jiffy.

Congrats to Hersh for modernizing phone service hereabouts. That's more than the rest of the country can crow about.

CONGRATULATIONS TO YOU!

HAPPY BIRTHDAY TODAY: to Weldon LeFevre, Terrill Blair Clove, Ernie Pantuso, and Harold Boone. On Friday, Feb. 1, greeting to Gary Briggs, Michael Southern, Leslie Hardy and George Wittern; and the same on Sat., Feb. 2, to Dosela DeBerry, Joane Stevenson, Maryann Neilson, and Mae Johnson. On Sunday, Feb. 3, a Happy Birthday to Roland Platt, Joy Littlefield, Sam Corenson, John Tapps and Jean Smith. On Monday, Feb. 4, Ann Kuykendall, Nona Snider, Roxanne Glass,

Kay McAllister, and Jill Thompson will be celebrating birthdays, and on Tuesday, Feb. 5, a greeting to Jeanne Hill and on Wednesday, Feb. 6, greeting to Rosette Coe.

HAPPY ANNIVERSARY to Mr. and Mrs. Harvey Jackson on Monday, Feb. 4, and a belated 1, greetings to Gary Briggs, Mi and Mrs. Erich Baker, 185 BMP Road, who celebrated their 38th anniversary on Jan. 8. Mr. and Mrs. Baker were married in San Francisco, and have one son, John Baker, who now resides in San Francisco.

JOYCE LITTLER NAMED FASHION SHOW CHAIRMAN

General chairman of the fourth annual Vesper Circle Fashion Show will be Joyce Littler who was named to coordinate the event when members met recently at the home of Mrs. Margie Leoni, 126 Continental. Ramola Burk offered the opening prayer; Joanne Lea presented the devotional; Edrie Hansen, president of the Women's Association, announced a ham dinner would be held Feb. 19 and a rummage sale early in March; and Rev. Ford Gilbert gave a report on a cancer movie that was shown at the last association meeting.

During the business meeting, others named to serve with Mrs. Littler in preparing the show included:

Joanne Lea, decorations; Dorothy Augspurger, kitchen; Barbara Lochridge, tickets; Margie Leoni, publicity; Lillie Parry, door prizes; Beth Stewart, modeling; Nina Newell, music; and Carol Fuller, program.

Members of Joy Circle will assist with the show, including Mary Knappenberge and Pat Ramaciotti. They will join Joyce Littler, Beth Stewart, Dorothy Augspurger, Margie Leoni, Carol Fuller, Gladys Newash, Mary Jo Oakley, Ada Moore, Joanne Lea, Lillie Parry and Barbara Garvey in modeling.

ECONOMY RUN SLATED FEB. 23

Students in Basic and Boulder high schools have been invited to participate in a Clark County Safety-Economy Run, Saturday, Feb. 23. According to Stuart C. Oakes, secretary of Moose Lodge No. 1763, the coordinator, a boy or girl must be at least 16 years old, possess a Nevada driver's license and drive either his or his parents' car. Each car entered will be subjected to a rigid safety inspection.

Cooperating to make the economy run possible are the Moose Lodge, General Petroleum Corp. (Mobilgas), Nevada division of the California State Automobile Association (AAA), Nevada Highway Patrol and Henderson, Boulder City and Las Vegas police.

HENDERSON HOME NEWS THURSDAY, JANUARY 31, 1957

Rev. Bob Cochrane Is Guest Speaker At Cub Meeting

Cub Scouts of Pack 36 opened their January meeting with the Pledge of Allegiance, when they met at St. Timothy's Episcopal church, Monday, January 28th.

John DeForest, Cubmaster, presided over the business session, assisted by Herman Hagen. After the business portion of the meeting, The Rev. Robert Cochrane, vicar of St. Timothy's gave an impressive speech and urged all boys to attend the church of their choice during Boy Scout Week.

A new Den Mother, Mrs. A. T. Jenkins, was introduced to the pack and the new Webelos Den under the leadership of Herman Hagen and H. E. Wilber will hold its first meeting on Feb. 12, at the home of Herman Hagen, 98 Arkansas.

A Blue and Gold dinner will be held the evening of Feb. 22, at the Swanky Club banquet room.

Advancement awards for the month were issued by Leon Elkins to the following boys: David Jenkins, bear badge. Richard Lannen, bear badge. Jack Cosins, silver arrow on bear badge. Richard Stapleton, silver arrow on bear badge. David Elkins, silver arrow on bear badge. Curtis Compton, one year service pin and two silver arrows on the wolf badge.

Each den gave short talks on stars, outer space, and zodiac constellations in keeping with the theme of the month, "Eyes in the Sky."

Attendance award was won by Den 1. Refreshments were served by Den 2.

Mrs. Harry West Shower Honoree

Mrs. Harry West was honored last week with a stork shower given by Mrs. Rubylee Derrick, Mrs. Louella Chandler and Mrs. Pearl Froman at the Froman home.

After the gifts were opened, games were played and winning prizes were Mrs. Inez Hall and Mrs. West. Refreshments were served from a table centered with flowers and a stork motif prevailed in the napkins.

Honoring Mrs. West were: Dolores Hullum, Elva Lea, Lassie Mae Finch, Eula McCullough, Ruby Reeder, Phyllis Zander, Ethel Pfeiffer, Mollie Burk, Inez Hall, Betty Clark, Virginia Hart, Frances Murchison, Marjorie Walters, and the three hostesses.

LEGAL NOTICE

CITY OF HENDERSON NOTICE TO BIDDERS
NOTICE IS HEREBY GIVEN that sealed bids for furnishing and delivering two (2) horizontal-shaft, single stage, double suction, centrifugal-type, motor driven pumping units for the EXTENSION AND IMPROVEMENT OF THE WATER DISTRIBUTION SYSTEM will be received by the City Council of Henderson, Nevada, at its regular meeting, until 8:00 P.M. on February 18, 1957, and at that time publicly opened and read.

Specifications are now on file with the City Clerk, City Hall, Henderson, Nevada. Bids must be accompanied by a bid bond in an amount not less than 10% of the amount of the bid and shall be submitted in sealed envelopes and plainly marked "BID PROPOSAL-EXTENSION AND IMPROVEMENT WATER DISTRIBUTION SYSTEM-CENTRIFUGAL PUMPING UNITS."

The City of Henderson, Nevada, reserves the right to reject any or all bids or waive any informality in a bid. No bidder may withdraw his bid within sixty (60) days after the opening thereof.

Dated this 28th day of January, 1957.

THURSDAY, JANUARY 31, 1957

Pat Finch Leaving
A surprise coffee party was given for Pat Finch who will soon be leaving Henderson. Friends gathered at the home of Regina Metz at 104 Ash St. and hostesses for the party were Donna Fisher and Mrs. Metz. The group presented the honor-ree with a set of costume jewel-

By VIRGINIA JOYCE.

ry. Florence Galloway, Louise Madsen, Betty Hillis and Elva Lee attended. Mrs. Finch makes her home with her son Leroy Patton, and grandson Jimmy, at 106 Ash St. Corpus Christi, Tex. will be their new address.

Stork Shower for Eileen
A stork shower was given for Eileen Hawkins at the home of Mary Blake, 117 Yucca St. A beautiful floral centerpiece was presented by Lucy's Children Shop for the shower. Games were played, refreshments served and Mrs. Hawkins received many lovely gifts. Guests present were Janet Howard, Kay Smith, Goldie Lowman, Alice Brown, Margaret Gates, Bae Kazangi, Nona Snider, Pauline Heil, Helen Richard, Kathy Weese, Helen Lunzman, Nina Newell, Eileen Hawkins, Florence Galloway and Mary Blake. Those unable to attend but sending gifts were Ruth Campbell, Margaret Kennedy and Phyllis Leschig.

Frank Erickson in Hospital
Frank Erickson, 260 Tungsten, is still confined to Rose de Lima Hospital, (as of this writing) having been injured in the new Titanium construction. He is reportedly getting along good. Erickson is very active with the Boy Scouts and serves as the district commissioner. He has certainly appreciated the cards and flowers from both the Scouts and from other friends.

Polio Coffee Parties
Many Henderson women have been having "coffee" parties to aid the March of Dimes. The

list on this would be endless, if we could get such a list, but the women are to be congratulated on their efforts — and we know that each is happy at having contributed in their own way to this worthy cause.

Still Hanging On
Yours truly is still hanging on after five months still hoping you will call in news items. We need news! Noticed there were some complimentary papers at the hospital, presented by Lou La Porta. Where did they get the beautiful (and I do mean beautiful) double horseshoe floral piece near the entrance of the hospital? Greetings to all patients. We sometimes forget the importance of the hospital to a community until we make a visit there — and see what a busy place it is.

Sgt. Joyce to Inglewood
M/Sgt. Ivan Joyce was one of a group of Nellis personnel who flew to Inglewood, Calif., Monday morning. The purpose of the trip was to study equipment and the maintenance of the F-100F at the North American factory in Inglewood. Col. James McGehee, base commander, was one of the group making the trip.

Church Social Hour
The adult Sunday School class of the Community church is extending an invitation to all adults of the community, who might be interested in attending Sunday School, to attend a social hour Saturday night at 8 o'clock, at the home of Mr. and Mrs. Gilbert Allsebrook, 19 Ari-

zona Way. Teachers, married and single, new residents, former members of the class, and all interested persons may attend. This group is noted for their ability to create lively discussion, and this should be an entertaining evening. Lou Gunn is teacher of the class. Katy Butler, Jean Arkell, Beth McCallum, and Mrs. Allsebrook are on the refreshment committee.

79-Year-Old Skier
John L. Anderson father of Mrs. Gilbert Allsebrook, planned to return to Henderson this week for another visit with his daughter. Mr. Anderson is 79 years of age, but from all information is a very remarkable man. He has been enjoying skiing in Idaho — that is only one of his many interests. He seems to be an engineering genius — and maybe one day we can get a real story about him, which will be a truly great story!

An ideal gift — the wonderful stories of early Nevada — in the book PIONEER NEVADA — on sale at the NEWS office — \$2.

The Lobo Limelight

By COOKIE SCHRECK

Well now that we've stuffed our head full of learning things we haven't paid much attention to for our semester tests, we can relax again.
School seems to be flying by so fast — Seniors, did you know we only have 94 school days left till graduation on June 6? Let's really make the most of it. Soon we'll be out and some of us will be wishing we had done a little more.

Our polio shots Friday showed who the graver ones were. Anybody got an itch? Well, see Mr. O'Callaghan — he's got plenty scratch paper. Mrs. Carpenter deserves a medal for thinking up those English tests. She really used her imagination on them — Una Kellar wrote a poem about everyone in first period English 4. Harry Reid impresses her as quite a monster. By the way, Harry, did you ever get the gum out of your hair Tom McGinty stuck in it Sunday at the show.

The Peppers (Basic's female basketball team) beat Gorman 31 to 24, January 17 and lost to Boulder City 17 to 23 Saturday. Maybe we'll have a little better luck next Saturday, huh gals?

Mona Hartle seems to be attracted to the "Dry Creek Kid" from White Pine again. Hey Tom — Colleen was really sick last Saturday, still is. — Lynn and

Mike are going to be more careful at parties — Reno sure has some cute boys, huh Mary C? Rupert Sen. loves to tease girls, who sit in front of him — just ask Linda and Sandy — The Sophomore class has just lost one lovely little jewel — Judy Godwin, but she will be back next year, so somebody cheer up Jerry K! Jerry Lofland and La-Rae Thorne still getting along "real" fine — Linda Somerton is now going steady with Randall Sloan. Too bad, Rance, but you had your chance. (poet?) — The White Pine - Lincoln trip last week-end, leaves a lot of memories for some. Alan Stanz and Pat Elam have split up again. How long this time? — Lorin Elvis Lomprey seems to like a certain Lincoln girl? Marlowe Williams likes a freshman gal. Lucky Girl.

The pep band is going to play for the Desertaire's routine tomorrow nite at Rancho. Russ Williams and Madelon Sullivan going steady again — Sandi De-tomasi and Don Wilson have split up for the 1st time in the 2 years they've been going together. They will probably be a twosome again soon — Ron Mich'l recently corrected an item on the sports page in the Las Vegas Sun. There are 5 players on a team, not one and four. Sandi Neighbors still loves to put up a good battle for the South — P-TA took individual pictures Mon. Everyone eagerly waiting to see their mug shots — Friday nite, we play Rancho in their gym, so everybody come out and really support our team.

What's Doing in Henderson

Thursday, Jan. 31

7:30 P.M. — Frank E. Sturm, Order of De Molay meets at Masonic Lodge.

Friday, Feb. 1

5 P.M. — VFW Junior Girl's Unit meets at VFW Hall.

Saturday, Feb. 2

7 P.M. — Do Si Dont's square dance class meets at Basic elementary school.

7:30 P.M. — Do Si Dont's square dance held at Basic elementary school.

7:30 P.M. — Spinning Stars square dance at Royal.

Monday, Feb. 4

8 P.M. — Nevada Chapter R, PEO, meets at home of Mrs. A. Robertson at 36 Laswell St.

8 P.M. — Eagles Auxiliary board meeting at home of Kathy Weese.

Tuesday, Feb. 5

Noon — Rotary Club meets at Swanky.

8 P.M. — Henderson Elks meet at Swanky.

8 P.M. — American Legion Auxiliary meets at Victory Village Auditorium.

5 P.M. — Rainbow Girls hold Potluck Dinner at Masonic Temple.

Wednesday, Feb. 6

This game "could" give us the lead in the conference. Let's give with the royal cheers, and encourage the team on to victory.

If you know anything, tell me about it.

CHERRY PIE SUPREME

- 1/2 cup Pet Evaporated Milk
- 3 Tablespoons cornstarch
- 3/4 cup sugar
- 1-lb. 4-oz. can sour, pitted cherries
- 2 Tablespoons butter or margarine
- 1 Tablespoon lemon juice
- few grains salt
- 1 cup powdered sugar

Have ready a baked 9-in. pastry shell. Chill milk in ice tray until almost frozen around the edges. Mix in a 1-qt. saucepan the cornstarch and sugar. Drain cherries, saving syrup. If necessary, add water to syrup to make 1 cup. Stir syrup into cornstarch mixture. Cook and stir until very thick and clear, about 7 min. Cool thoroughly and then add drained cherries. Put into pastry shell. Meanwhile, melt butter in small saucepan. Take from heat and mix in until smooth the lemon juice, salt and powdered sugar. Cool thoroughly. Put ice-cold milk into a cold 1-qt. bowl. Whip with cold rotary beater, or with electric beater at high speed, until stiff. Whip in cooled powdered sugar mixture just until mixed, about 1/4 at a time. Do not overbeat. Arrange around edge of pie. Chill an hour before serving.

MARWOOD A. DOUD'S
Mad About Dogs

What determines the degree of intelligence that an individual possesses? What are the ingredients of intelligence? Who are we — to call an animal dumb? If dogs should ever learn to talk, (of course they never will) — we might be surprised to find out what they think of some of us.

Webster says that intelligence is the power or act of understanding; the power of successfully meeting a novel situation. We've all seen this sort of brain exercise in action to a greater or lesser degree in man and beast.

An article in my current copy of The Lion, entitled "Can your senses deceive you?" caused me to make some experiments — both on myself and the family pup. It was the puppy that had the power to meet the novel situation, and it didn't rely on the training it had received.

Of course, it's a known fact that dogs rely on their sense of smell more than they do sight, because their olfactory nerves are sixty times more sensitive than man's.

We fear infection from the bite inflicted by a canine. As a matter of fact, the saliva of a dog is antiseptic, and the only time that science has been able to prove that a dog's bite is infectious, is when the biting dog has rabies. A well dog can do much toward healing man's wounds, just by licking. I talked to a lady last Friday night, whose husband had sustained a burn which, because of an infection, refused to respond to treatment. One night, when he couldn't sleep, he sat in a chair by the fireplace. His dog stood by to comfort him, and as he looked into his master's eyes, he licked

the painful wound. The man, comforted, dozed off. The dog continued to lick the wound, and by morning there was a marked improvement. When the doctor saw the progress of healing, he told the patient to continue to let the pet treat the wound. It healed rapidly. I call this — "Power to successfully meet a situation."

You can sometimes hide medicine in food to fool the children — but try it on your dog sometime. Unless he's one of those animals that gulps his food he'll either eat around the medicine — or he won't touch his food.

If you've ever watched dogs handle livestock on a ranch; do prison-guard work; hunt game; entertain on the stage; lead the blind and a hundred or so other chores as though they enjoyed every minute of it, I'm sure you won't be one of those who calls the canine "dumb."

NEW BASIC STUDENTS
New students recently enrolling at Basic high school included Brema Cook of Reserve, N. M., Frank Darling of Gardiner, Mont., Linda Blaimires of Jerome, Ida. and Jim Chalmers of Upland, Calif., freshmen; Billy Gerald Craig of Ely, junior; and Carol Osborne of Venita, Okla., senior.

KESSLER IS NAMED PRINCIPAL SPEAKER AT METAL CONGRESS
Harold D. Kessler, supervisor, metallurgical research division, technical department, Titanium Metals Corporation of America of Henderson, will be a principal speaker at the 10th Western Metal Congress, March 25-29 in the Ambassador Hotel in Los Angeles.
Kessler will talk on new alloys at a special titanium session to be staged by the American Society for Metals March 28. The Congress is sponsored by American Society for Metals and 37 cooperating technical societies. The 10th Western Metals Exposition, a non-profit educational affair under the same sponsorship, will be held on the five days of the Congress in Los Angeles' Pan-Pacific Auditorium.

NEW FORD TRUCKS for '57

The Ranchero! More than a car, more than a truck—it's a completely new kind of vehicle. A real pack horse that handles more than half a ton.

Totally new Tilt Cabs! America's lowest-priced,* most modern Tilt Cab line. Six complete new Series, up to 60,000-lb. GCW.

New pickup with Styleside body, standard at no extra cost, gives you stunning style and the biggest capacity of any half-tonner. Available in 6-ft. and 8-ft. body lengths.

LOOK again!
They're modern through and through

The boldly modern styling you see in the new Ford trucks for '57 just hints at how deep-down modern they really are!

The beautiful new Ford Ranchero rides, handles and looks like a modern car. Deep down it's a rugged truck—carries over half a ton, more than many standard pickups. Ford's all-new Tilt Cab Series brings a new kind of modern design to the big-truck field. It's America's lowest-priced* Tilt Cab line.

New Ford pickups back up their sleek modern styling with higher power, completely new cabs, a new kind of pickup ride. Styleside bodies are biggest of any pickup.

The three trucks shown here give you just an idea of the sweeping changes in the new Ford line for '57—ranging up to tandems with 65,000-lb. GCW. See your Ford Dealer for complete details on the truck to fit your job.

NEW cabs—completely new—stronger, roomier, smarter! New wider full-wrap windshield. New inboard cab step, new Hi-Dri ventilation.

NEW hydraulic clutch standard in all models, pickups to tandems. Easier to operate—works like hydraulic brake. Clutch and brake pedals are modern suspended type!

NEW Styleside pickup bodies, standard at no extra cost. America's biggest pickup bodies! Side loading's far easier with full-width body.

NEW riding comfort! Big roomy cabs, new chassis suspension, and increased visibility combine to greatly improve riding and handling ease.

NEW chassis strength! New frames, up to 135 stronger. New sturdier front and rear axles! New higher capacity springs!

NEW power enhanced! Higher horsepower, freer breathing, higher compression ratios, new Super-Filter air cleaners, Short-Stroke engine design—V-8 or Six, in every model!

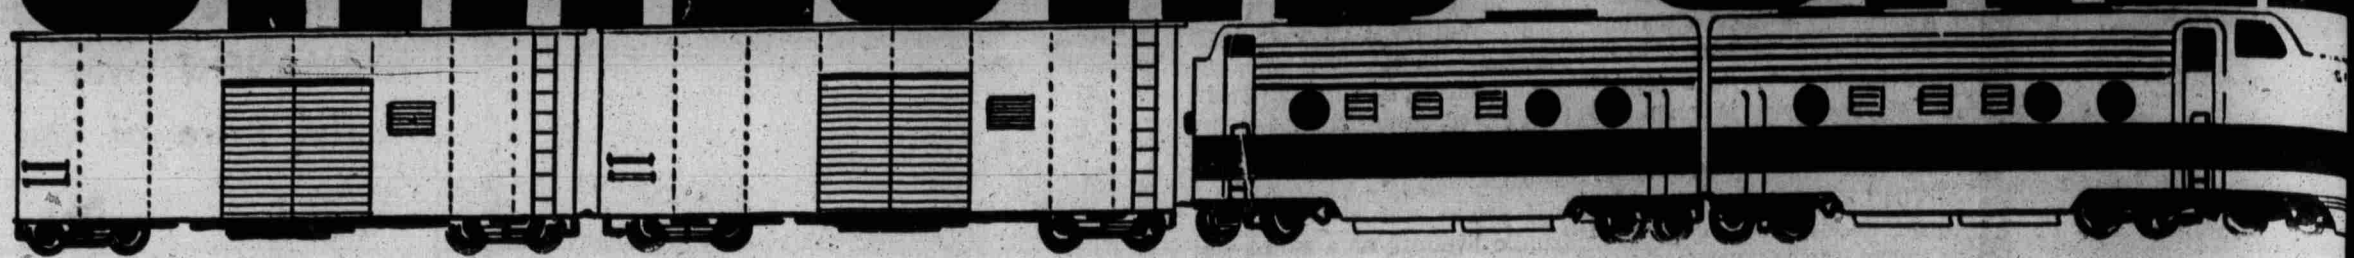

For '57 and the years ahead—
FORD TRUCKS COST LESS
LESS TO OWN... LESS TO RUN... LAST LONGER TOO!

Her Work is Important
Our lady attendant has a most important function in our organization. She meets people and makes them feel at home.
At times when only a woman's sympathy and understanding can help, our lady attendant is always present to offer her assistance.
Perhaps the work of our lady attendant is not the most important feature of our service, but it most certainly is a feature of Bunker Brothers service which is tremendously appreciated and commented upon frequently.

Officers of Emblem Club Installed; Ann Elsea Takes Over as President

Honored by the presence of the supreme president of the Emblem Clubs, an installation of officers for the coming year for the Henderson Emblem Club No. 272, was held Jan. 18.

Installing officers were Supreme President Mrs. Louise Shea, and Supreme Marshal Mrs. Lillian Nolan, both of New Haven, Conn., and Mrs. Peggie Morrison, organist and past president of No. 114.

Officers installed were Ann Elsea, president; Bea Keenan, junior past president; Nancy Clay, vice president; Evelyn Fields, financial secretary; Lucille Hollingsworth, treasurer; press correspondent; Irma Hardtner, recording secretary; Mary Lou Wilcox, corresponding secretary; Rosemary Rose, one-year trustee; Nancy Eaholtz, three-year trustee; Juanita Adams, two-year trustee, Nancy Watson, marshal; Gerrie Mahaffie, first assistant marshal; Kay Murphy, second assistant marshal; Marcella Freed, chaplain; Rose Davis, organist; Tillie Fourong, historian; Betty Janes, first guard; and Sue Butler, second guard.

Guests included Mayor James B. French of Henderson; Exalted Ruler Darrell Pitts of BPOE No. 1956; Emblem Club members of Las Vegas, No. 114; Emblem Club members of Phoenix, Ariz., No. 301; and members of the Las Vegas and Henderson Elks Lodge.

Nevada supreme officers present were Mrs. Bunny Harris, supreme fourth vice president; Mrs. Bea Keenan, supreme press correspondent, and Mrs. Margaret Lee, supreme district deputy.

Serving on the refreshment committee with Chairman Lucille Hollingsworth were Nancy Clay, Betty Janes, Evelyn Fields and Kay Murphy.

The refreshment table was arranged by Marcella Freed of the Henderson Flower Shop and members of the committee.

Tips on Touring

By Carol Lane
 Women's Travel Authority
 Car Telephones

For motorists interested in car telephones, here's a brief report on who uses them, how you get one, how they work.

About 17,000 Americans have telephones in their automobiles. Country doctors, real estate men, contractors - folks who spend a lot of time in their car yet must keep in touch with a central office - find them most useful.

To own and maintain your own car telephone, you'll have to get a permit from the FCC. But most folks rent the equipment; the telephone company will install and maintain the set. For this, no permit is needed.

The equipment is usually installed in the trunk compartment with a control unit on or near the instrument panel so the phone is within easy reach.

The telephone company has divided the United States into about 250 "Mobile Service Areas" located in the various centers of population. A monthly maintenance and service charge for calls includes a certain number of "message units" when calling within your Mobile Service Area. For calls to another area, it's long distance - an additional charge.

To call from your car, just dial operator and give her the number. You will be billed monthly, just as with your home phone.

When someone calls you while you're on the road, a bell rings. If you're driving through traffic, the set can be locked and no calls will come through to disturb you. The set can also be locked when you park so no one else can use the telephone.

If you receive a call when you're away from the automobile, a red signal on the control panel lights. When you return, dial the operator and she will connect you with the caller.

Square Dance Class For Beginners Starting Saturday

A beginner's square dance class, sponsored by the Do-Si-Dont's Square Dance Club, is now being formed and first class will be conducted Saturday evening at 7 o'clock in the Basic elementary school multi-purpose room. Anyone interested has been invited to enroll in the class.

During the course of the classes, which will be held every Saturday evening, the new dancers will be given instruction by local caller and teacher Ralph Cramer. At the close of each class, they will have the opportunity to practice their dancing with help from the members of the Do-Si-Dont's Club.

BASIC HIGH STUDENTS TAKE COLLEGE EXAMS

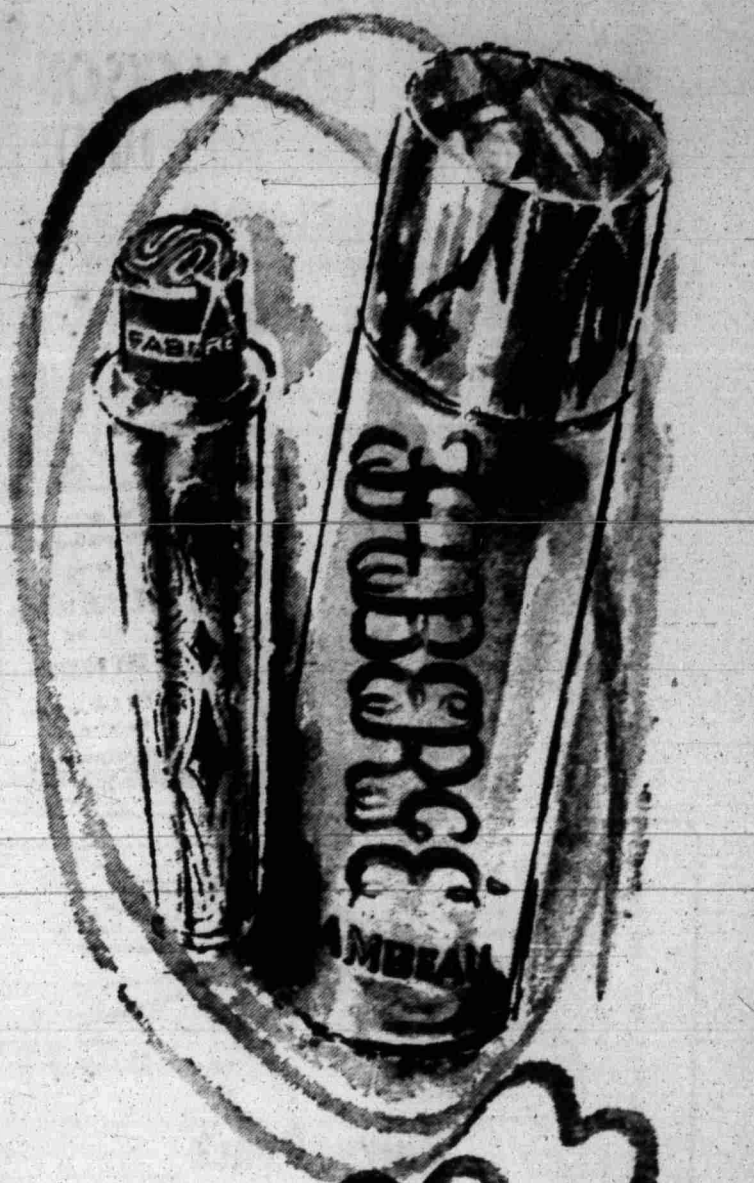

Basic high school senior students recently taking college entrance examinations in Las Vegas were Jeff Blake, Bernard Cannon, Larry Coleman, Harry Edwards, Rayburn Haddon, Sue Ann McClanahan, Bartis Nordloh, Jim Pitts, Jan Reck, Don Roberts, Margaret Sherrill and Russ Williams.

The same test will be given in Las Vegas in March and students planning to take it at that time include Harry Reid and Cookie Schreck.

Tips on Touring

By Carol Lane
Women's Travel Authority
Turnpike Travel

New York to Chicago without a red light? It's possible, thanks to an 830-mile unbroken chain of turnpikes. Joined in one continuous route, the New Jersey Turnpike, Pennsylvania Turnpike, Ohio Turnpike, and the Indiana Toll Road offer the longest stretch of four-lane, divided highway in the world.

Recently I made this trip. Here's some information I picked up on the Ohio Turnpike, a typical link in this modern magic carpet:

There are 16 Service Plazas, open 24 hours a day, offering food, gasoline, oil and service.

Separate parking areas and fuel pumps for automobiles and trucks are provided at each Service Plaza. Special "speed change" lanes let the driver slow down gradually when approaching a Plaza, and pick up speed when going back onto the turnpike.

Changes in weather and other factors affecting road conditions are posted promptly at the entrance toll booths.

Special officers of the Ohio State Highway Patrol cruise the turnpike night and day, to help any motorists in trouble and insure the safety of all drivers.

Emergency vehicle service is available all the time. If you need help, park on the outside (right-hand) paved shoulder, reserved for emergency parking only. Hang a handkerchief from the window or raise the car's hood (or both) as a signal. A two-way radio system links all official turnpike vehicles, maintenance buildings and toll plazas, and help is on the way in a jiffy.

AREA'S POTENTIAL IS SPOTLIGHTED BY WALL STREET JOURNAL WRITER

(The following is an excerpt from a story appearing in the Wall Street Journal written by Charles N. Stabler, the paper's staff reporter. It appeared in the Jan. 22 issue of the Journal. Editor's note.)

The Atomic Energy Commission has been quietly asking for engineering bids, due today, on a liquid hydrogen plant near Henderson, an industrial city near Hoover Dam to the east. If built, the plant would cost between \$8 million and \$10 million.

U.S. Lime Products Corp. part of Flintkote Co. is considering a \$1 million expansion of its quarrying facilities at Apex, a few miles north of Las Vegas. And a subsidiary, Tri-State Cement Co. has completed engineering surveys for a \$5 million cement plant here.

Despite its reputation as a modern Gomorrah, the Las Vegas area already has some other sources of income than gambling. It has, for example, nearby Nellis Air Force Base, with a \$15 million annual payroll, and a huge industrial complex at Henderson.

Five companies at Henderson share a \$135 million plant built during World War II by the Government to make magnesium. Biggest of the plants is Titanium Corp. of America, owned jointly by Allegheny Ludlum Steel Corp. and National Lead Co. It employs 980 persons and is engaged in a \$15 million ex-

pansion program. The other plant occupants are Stauffer Chemical Co., 304 employees; Western Electro-Chemical Corp. (owned by American Potash Corp.) with 476 employees; U.S. Lime Products Corp., 51 employees, and Manganese, Inc., 151 employees. Total payroll: Close to \$1 million monthly.

DESERT DIGGINS

By MARJE IVARY

We will discuss briefly root rot. Seems each year a number of elm trees are lost. Probably some of our shrub losses can be attributed to this fungus. More than 1,700 plant species have been listed as susceptible to this disease.

Siberian elm, privets, several grape varieties, fruit trees, cottonwood, lombardy poplar and many ornamental trees and shrubs top the list in susceptibility.

The disease confines itself to roots of the host plants and no above sign is noticed until the tree is dead, as in the case of the elm. Some shrubs there will be a slight yellowing and droop or wilt of the leaves.

The home gardeners may treat suspected area each Spring on equal mixture of ammonium sulphate, sulphur and copper sulphate. Apply a pound of this mixture for each square yard of soil under affected tree or shrub. Watering is necessary to penetrate deeply to the root zone and prevent burning a mulch of manure or peat around trees and shrubs will reduce root rot infestation. We recommend orthorix applied according to direction which will be beneficial.

The John Jilberts of 573 Federal St. and the Wagners at 564 Federal St. were seen doing an excellent job of soil conditioning by using the new sulfasol. Their fertilizing dollars will stretch twice as far with this product which we call the "key" to unlock the minerals necessary to healthy plants.

In discussing roses and composting with Jay Ingram of 516 Federal St. we found he has a short cut between the rosebed and a compost bind.

Jay composts right around roses, result rich, lush soil and healthy roses. He's a firm believer in the liquid fish fertilizer for continued growth.

Have you noticed the patch of yellow blooms against Reta Arbelo's home at 206 Atlantic St.? Roses and bulbs are Reta's favorites. Liberal handfuls of bone meal are a must in bulb planting.

Be sure to check before using animal fertilizers. Some bulbs are fussy.

Tips on Touring

By Carol Lane
Women's Travel Authority
Alert Night Driving

Chances are you do more after-dark driving — and so are more vulnerable to drowsiness — in winter than in other seasons.

Here are some tips on staying alert when motoring at night:

1. Eat lightly if you're to take off on a long after-dark trip. A heavy dinner and heavy eyelids go together.
2. Take frequent "coffee breaks" along the way. The black brew will pep you up. Getting out of the car into the cold air will sharpen your reflexes for further driving.
3. Keep the car well ventilated. Always have one of the side vent windows open, and go easy on the heater.
4. Get as comfortable as possible when driving. Poor steering posture can drain needed energy, add to fatigue.
5. When you stop for gasoline, visit the restroom to splash cold water on your face. Run some on the inside of your wrists for a minute or two.
6. Eye strain can make you sleepy. Don't look directly at lights of on-coming cars; look more to the right side of road ahead.
7. Turn up the car radio. Lively music, interspersed with news and weather reports, is best.
8. And finally—if you're fighting a losing battle against fatigue — drive completely off the road and take a nap.

PICTURE THAT with BOB WOODRUFF

We at Basic Photo are asked for many strange items and if it is at all possible, and the items are not available at a nearby store, we try to find them for our customers. One of the labs at Titanium needed clear cellophane bags, for instance, and now they have them. The man who sold them to us called them "Peanut Bags" but they were just what Titanium needed.

We like it best, however, when someone comes in and asks for something we have in stock that they expected to have to wait for. We are continually surprising people with both merchandise and services.

We sell cameras on time payments:

We take trade-ins:

We rent projectors and screens:

We develop and print your film: (In as little as four hours)

We make photostats, almost while you wait:

We take studio portraits:

We sell reprints of the news-photos that appear in the Review-Journal and the Sun:

We sell picture frames, and have large or odd-sized pictures framed:

We repair cameras:

We are open until 6 p.m. every day, except Sunday:

We have free maps of Henderson:

That last little "s" on our SNAPS man stands for service, and we provide the most and the best that we know how. Try us and see if we left anything off this list.

Woodruff Named Better Business Bureau Treasurer

Robert (Bob) Woodruff, leader in civic affairs in Henderson, was unanimously chosen as treasurer of the Better Business Bureau of Southern Nevada at the election held by the Board of Directors Jan. 24. Woodruff has served as a member of the board since the Bureau was established Feb. 1, 1955.

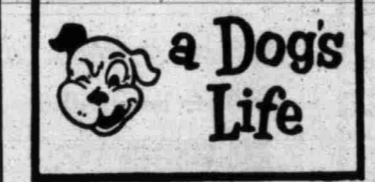

The second anniversary of the Bureau will be celebrated tomorrow night by a banquet in the Palomino Room of the Hacienda Hotel. Woodruff announced that Bureau members, non-members and the public are invited to celebrate the occasion, which will feature an address, "Make Mine America!" by Robert R. Gros, world traveler and commentator. A special entertainment feature will be the staging of a scene from the comedy, "The Solid Gold Cadillac," by members of the Theater Guild.

Tickets may be secured for \$3 each from the Victory Theatre or Woodruff's Basic Photo in Henderson, or by calling at the office of the Bureau, 213 East Charleston Boulevard, Las Vegas.

EMERA CLUB MEMBERS ENJOY SOCIAL NIGHT

Members of the Emera Club enjoyed a social evening Jan. 18, held at the Masonic Temple. Games were played and prizes won by Marion Love and Dorothy Augsperger. In charge of the entertainment were Helen McLeod and Evelyn Sager and refreshments served by Mildred Cline and Thora Alverson.

Members attending were Evelyn Sager, Ruth Compton, Mabel Turner, Helen McLeod, Edith DeMontague, Mathilda Hillis, Marian Love, Madge Ryan, Kay Dawson, Mildred Cline, Thora Alverson, Berneice Gaither, Helen White and Alice Beaumont. Guests in attendance included Dorothy Augsperger, Ruth McClelland, Violet Reynolds and Lorene Harris.

THE DOGHOUSE
by Bob Bartos
Prominent Dog Authority

A home of his own can be as important to a dog as it is to a human. It gives him a refuge from the hustle, bustle and noise of man's world. It is his castle.

An indoor doghouse may be a simple crate that can also be used in transporting the dog.

Dog of the Week: CHOW CHOW

Average weight: 60 pounds; Height at shoulder: 20 inches; coat: soft, woolly undercoat and dense, coarse outercoat that stands away from the body; color: any solid color.

Or it may be located in the basement, with an entrance through the basement window, or in a garage with a special door for the dog.

In most areas, an outdoor dog house is ideal, since insulation and heating can be added in cold climates. A lightbulb, from 40 to 100 watts, can be installed (protected by a shield) and a simple thermostat in the power line will turn it off and on to provide even heat in the house.

Whether plain or fancy, a doghouse should be of proper size and be correctly ventilated without draftiness. If made portable, it can be placed in a shady area in summer and a sunny area in winter. A removable roof will make it easy to clean.

Unless it is intended for warm climates where airiness is vital, it should not be made too large. A good working formula is to allow 36 square inches of space for each inch of shoulder height in the sleeping quarters. The inside height should accommodate the dog in a sitting position with his head up.

The general plan of a doghouse should consist of an entrance passageway on one side of the house, and sleeping quarters on the other side. Access to the sleeping quarters is thru an opening in the inside wall of the passageway at the rear. In this way, the sleeping quarters get maximum protection.

Feeding Tip: There may be times when your dog is not getting enough fat in his diet - particularly if he is using up a lot of energy. Safest and easiest way to be sure he gets the proper amount of fat is to use an all-purpose dog food such as Friskies.

LUCERO - To Mr. and Mrs. Steve Lucero, 41-A, Victory Village, Jan. 18, 1957, a daughter.

PHILLIPS - To Mr. and Mrs. Joe Phillips, 275 Nebraska, Jan. 22, 1957, a daughter.

The fond hopes of this newspaper is to be able someday to serve you everyday... you can help us get there faster by shopping with the home town merchants.

Changes in Teaching Assignments Reported by Supt. Lyal Burkholder

First semester of the current school year ended Jan. 25 and Supt. Lyal Burkholder has announced several changes in teaching assignments for the Spring semester which opened Monday.

In making the announcement, the superintendent said it had been anticipated enrollment in the public schools last Fall would be increased by 215 more students, but actually the figure was only 78. Therefore, as teachers have resigned, they have not been replaced.

He said many pupils will have new teachers for the Spring semester or have been shifted to other classrooms.

He listed the following teaching changes:

In the case of the resignation of Mrs. Mona Faye Ritter, teacher in the first grade in the Townsite school, a replacement teacher is not being employed. The children in this room will be transferred to the other three first grades taught by Mrs. Harriet Treem, Mrs. Audrey Russell and Mrs. Esther Quaintance.

With reference to the resignation of Mrs. Jennilee Thayer, teacher in the fifth grade of the Basic elementary school, Elizabeth Everley, teacher of the sixth grade, will be transferred to Mrs. Thayer's position in the fifth grade. The pupils of Miss Everley's sixth grade will be combined with the two remaining sixth grades in the Basic elementary school taught by John Coe and Harold Call.

With reference to the resignation of Mrs. Evelyn Morgan, teacher in the third grade at Park Village school, the large size of the classes in this school make it necessary that a teacher be employed to replace Mrs. Morgan. Mrs. Marguerite Riddle, a former teacher in the Henderson schools, has been employed to fill this position.

Robert Schoonmaker, teacher in the fifth grade, Townsite school, is being drafted into military service. The fifth grade enrollments in the Townsite school are already 30 pupils per class. For this reason, Mrs. Pearl Sorenson, a former teacher in the Henderson schools, has been employed to fill this position.

In the Basic high school Miss Nancy Jane Benfer, a mid-term graduate of the University of Idaho, has been employed to re-

place Mrs. Joanne Zorio, resigned. Miss Benfer will teach ninth grade English.

Every teacher resignation suffered by the Henderson schools, has been brought about because of approaching motherhood, call for military service or child adoption, the superintendent reported.

The overall enrollments of the Henderson schools, kindergarten through grade twelve, increased by 70 pupils since the beginning of the school year in September, he added.

Best way for you to help build this model city of the West — shop with the merchants in your home town — their ads display the latest top quality merchandise at prices to fit your pocket book.

Nevada's History Subject of Talk

Members of the Covillea Club met last week at the home of Carroll Peebles, to hear an interesting discussion of Nevada history by Mrs. Blackman of the Las Vegas Mesquite Club.

Mrs. Blackman suggested that the history of Nevada can be traced in a study of its waterways, since the industries and even the livelihood of the agricultural workers was dependent on a location near Nevada rivers.

A nominating committee for the February elections was selected with Mary Colette Smith as chairman. Serving with her are Kay Godbe and Ione Martin. Members who attended the meeting were Kay Barnhill, Bubbles Webb, Maryon Hebert,

Mary C. Smith, Audrey Kenworthy, Ione Martin, Edythe Hillsinger, Guest Joan Hooper, Liz Rich, Bernadine Gobel, Mrs. Johansen and Mrs. Blackman.

BPW Hears Talk On Civil Defense

"Civilian Defense depends upon the individuals," was the theme of the discussion which was presented to the members of the Business and Professional Women's Club by Gerri Palmeri, third vice president of the State BPW Federation, at the meeting of the local group Wednesday.

Miss Palmeri told the group how we "as American citizens will assimilate and put into effect civilian defense action programs is left up to the individuals." She mentioned the importance of a ground observation post, which is the first line of defense of the civilian population and that it is manned by volunteers and everyone should take an interest in it.

Prior to Miss Palmeri's speech, dinner was served at the banquet room of the Royal. A large, low bowl of red, white and blue carnations was used as the centerpiece with the national colors used in the other table

appointments.

Mrs. Marjorie Forshee, President of the Henderson BPW, presided and Miss Palmeri was introduced by Mrs. Velta Shay, program chairman.

Guests at the meeting were Afton Dunn from Caliente; Genevieve Sutton, Boulder City BPW president; Mrs. Maller of Boulder City; Opal Tucker, North Las Vegas; Marie Thomas, Alice Wheeler, Louise Reed and Glenda Quick, also of North Las Vegas.

Members present were Mesdms. Marjorie Forshee, Velta Shay, Ruth Ball, Lucille Henderson, Isabelle Pearson, Marjorie Chambers, Frances Edwards, Edith de Montabue, Trudy Davidson, Lean Cataline, and Louise Swift.

LEGAL NOTICE

NOTICE OF SALE OF HENDERSON, NEVADA ASSESSMENT DISTRICT NO. AD-100 SIDEWALK IMPROVEMENT BONDS

NOTICE IS HEREBY GIVEN that the City Council of the City of Henderson, Clark County, Nevada, will on Monday the 4th day of March, 1957, at the hour of 8:00 o'clock P.M., at the Council Chambers in the Eagle's Lodge Hall at Basic Road and Pacific Avenue in Henderson, Nevada, receive sealed bids and publicly open the same for the purchase of City of Henderson, Nevada, Assessment District No. AD-100 Sidewalk Improvement Bonds, to be issued for the purpose of paying part of the cost of constructing sidewalks together with work necessary and appurtenant thereto, in and along certain streets and parts thereof in said City.

Said bonds shall mature serially in equal annual installments, except the first installment which may be for a greater or lesser amount than the remaining installments, all of which installments in so far as practicable will be in substantially equal amounts, in regular numerical order, on the anniversary of the date of issue, in each of the years 1958 to 1967, both inclusive, and shall bear interest payable annually at a rate not exceeding the rate of seven per centum (7%) per annum, all bonds being subject to prior redemption without payment of a premium on any interest payment date in inverse numerical order at the option of the City whenever funds are available therefor, after fifteen days' published notice, upon payment of the principal amount thereof with accrued interest to the redemption date both principal and interest being payable at the office of the City Treasurer at Henderson, Nevada.

Said bonds and the interest thereon shall be payable from a special and separate fund, which fund shall contain the receipts upon the collection thereof from the special assessments to be levied against and to constitute a lien upon property in Assessment District No. AD-100 in said City, and the interest thereon, less the amount of assessments which will be paid, at the owner's option, within fifty days from the levy of such special assessments. Said assessments so to be deposited in said fund shall bear the same rate of interest from the end of said fifty-day period as that provided for in the bonds, and shall be payable in ten substantially equal annual installments of principal, in each of the years 1958 to 1967, both inclusive, or, at the owner's option, the whole of the unpaid principal, with interest accruing thereon to the next paying date, being payable at any time provided, however, that in the event said fund shall be insufficient to pay said bonds and interest thereon as they become due, the deficiency shall be paid out of the City's general fund.

The principal amount of the bonds will be equal to the amount of the assessments so levied in the District remaining unpaid by the owners of the assessable property therein at the end of said fifty days. The estimated total cost of making said improvements, including all incidental costs, is \$72,989.51, the estimated total of the assessments to be levied against the property is \$80,000.00, and the estimated principal amount of the bonds is \$38,730.29. Such estimates shall not be construed as minimum or maximum figures for purposes of bidding on the bonds hereby offered for sale.

Bidders are required to specify:

- The lowest rate of interest and premium, if any, above par, at which such bidder will purchase said bonds; or
- The lowest rate of interest at which the bidder will purchase said bonds at par.

All of the bonds shall bear one rate of interest, but said interest may be payable by one or more sets of coupons.

Said bonds shall be sold to the bidder making the best bid, subject to the right of the corporate authorities to reject any and all bids and readvertise. It is not permissible to bid different interest rates for the issue of bonds, and none of said bonds shall be sold at less than par and accrued interest, nor shall any discount or commission be allowed or paid on the sale of said bonds. The best bid will be determined by deducting the amount of the premium bid, if any, from the total amount of interest the City would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the City. The lowest net interest cost will be computed without reference to the possible redemption of the bonds prior to maturity, the purchaser must pay accrued interest from the date of the bonds to the date of delivery.

All bids shall be unconditional and sealed in an envelope marked on the outside "Proposal for Bonds" and addressed to Harry E. Parsons, City Clerk, Henderson, Nevada, and, except for the bid of the State of Nevada, if one is received, shall be accompanied by a deposit of five per cent, either cash or certified check, of the amount of the bid, which shall be returned if the bid is not accepted. The City Council will take action awarding the bonds or rejecting all bids immediately after the expiration of the time herein prescribed for the receipt of bids. The good faith deposit will be credited to the purchaser at the time of delivery of the bonds, and if the successful bidder shall fail or neglect to complete the purchase of said bonds within fifteen days following the offer of said bonds for delivery, the amount of his deposit shall be forfeited to the City, and, in that event, such corporate authorities may accept the bid of the one making the next best bid, or if all bids are rejected, such corporate authorities shall readvertise said bonds for sale in the same manner as herein provided for the original advertisement. If there be two or more equal bids and such bids are the best bids received, and not less than par and accrued interest, the corporate authorities shall determine which bid shall be accepted. It is estimated, but not warranted, that such offer for delivery will be made on June 1, 1957. If such offer is not made on or before December 1, 1957, the purchase may be deemed null and void at the purchaser's option without placing obligation on either said person or the City, and the deposit will then be returned forthwith.

Financial and other information concerning said City may be obtained from the City's fiscal agent, Lauren W. Gibbs, Zion's Savings Bank Building, Salt Lake City, Utah.

Delivery of the bonds will be at the office of the City Treasurer, or at some Henderson bank, or at the successful bidder's request and expense, at some other bank or trust company in the United States of America.

The legality of the bonds will be approved by Messrs. Dawson, Nagel, Sherman & Howard (formerly Pershing, Bosworth, Dick & Dawson), Attorneys at Law, Equitable Building, Denver, Colorado, whose opinion, together with the printed bonds and a certified transcript of the legal proceedings, will be furnished the purchaser without charge.

Dated at Henderson, Nevada, this 21st day of January, 1957.

Mayor

LEGAL NOTICE

NOTICE OF SALE OF HENDERSON, NEVADA ASSESSMENT DISTRICT NO. AD-200 STREET IMPROVEMENT BONDS

NOTICE IS HEREBY GIVEN that the City Council of the City of Henderson, Clark County, Nevada, will on Monday the 4th day of March, 1957, at the hour of 8:00 o'clock P.M., at the Council Chambers in the Eagle's Lodge Hall at Basic Road and Pacific Avenue in Henderson, Nevada, receive sealed bids and publicly open the same for the purchase of City of Henderson, Nevada, Assessment District No. AD-200 Street Improvement Bonds, to be issued for the purpose of paying part of the cost of constructing paving, curbs and gutters in and along certain streets and parts thereof in said City.

Said bonds shall mature serially, in equal annual installments, except the first installment which may be for a greater or lesser amount than the remaining installments (all of which installments in so far as practicable will be in substantially equal amounts), in regular numerical order, on the anniversary of the date of issue, in each of the years 1958 to 1967, both inclusive, and shall bear interest payable annually at a rate not exceeding the rate of seven per centum (7%) per annum, all bonds being subject to prior redemption without payment of a premium, on any interest payment date in inverse numerical order at the option of the City whenever funds are available therefor, after fifteen days' published notice, upon payment of the principal amount thereof with accrued interest to the redemption date, both principal and interest being payable at the office of the City Treasurer at Henderson, Nevada.

Said bonds and the interest thereon shall be payable from a special and separate fund, which fund shall contain the receipts upon the collection thereof from the special assessments to be levied against and to constitute a lien upon property in Assessment District No. AD-200 in said City, and the interest thereon, less the amount of assessments which will be paid, at the owner's option, within fifty days from the levy of such special assessments. Said assessments so to be deposited in said fund shall bear the same rate of interest from the end of said fifty-day period as that provided for in the bonds, and shall be payable in ten substantially equal annual installments of principal, in each of the years 1958 to 1967, both inclusive, or, at the owner's option, the whole of the unpaid principal, with interest accruing thereon to the next paying date, being payable at any time provided, however, that in the event said fund shall be insufficient to pay said bonds and interest thereon as they become due, the deficiency shall be paid out of the City's general fund.

The principal amount of the bonds will be equal to the amount of the assessments so levied in the District remaining unpaid by the owners of the assessable property therein at the end of said fifty days. The estimated total cost of making said improvements, including all incidental costs, is \$107,432.89, the estimated total of the assessments to be levied against the property is \$120,224.77, and the estimated principal amount of the bonds is \$49,000.00. Such estimates shall not be construed as minimum or maximum figures for purposes of bidding on the bonds hereby offered for sale.

Bidders are required to specify:

- The lowest rate of interest and premium, if any, above par, at which such bidder will purchase said bonds; or
- The lowest rate of interest at which the bidder will purchase said bonds at par.

All of the bonds shall bear one rate of interest, but said interest may be payable by one or more sets of coupons.

Said bonds shall be sold to the bidder making the best bid, subject to the right of the corporate authorities to reject any and all bids and readvertise. It is not permissible to bid different interest rates for the issue of bonds, and none of said bonds shall be sold at less than par and accrued interest, nor shall any discount or commission be allowed or paid on the sale of said bonds. The best bid will be determined by deducting the amount of the premium bid, if any, from the total amount of interest the City would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the City. The lowest net interest cost will be computed without reference to the possible redemption of the bonds prior to maturity, the purchaser must pay accrued interest from the date of the bonds to the date of delivery.

All bids shall be unconditional and sealed in an envelope marked on the outside "Proposal for Bonds" and addressed to Harry E. Parsons, City Clerk, Henderson, Nevada, and, except for the bid of the State of Nevada, if one is received, shall be accompanied by a deposit of five per cent, either cash or certified check, of the amount of the bid, which shall be returned if the bid is not accepted. The City Council will take action awarding the bonds or rejecting all bids immediately after the expiration of the time herein prescribed for the receipt of bids. The good faith deposit will be credited to the purchaser at the time of delivery of the bonds, and if the successful bidder shall fail or neglect to complete the purchase of said bonds within fifteen days following the offer of said bonds for delivery, the amount of his deposit shall be forfeited to the City, and, in that event, such corporate authorities may accept the bid of the one making the next best bid, or if all bids are rejected, such corporate authorities shall readvertise said bonds for sale in the same manner as herein provided for the original advertisement. If there be two or more equal bids and such bids are the best bids received, and not less than par and accrued interest, the corporate authorities shall determine which bid shall be accepted. It is estimated, but not warranted, that such offer for delivery will be made on June 1, 1957. If such offer is not made on or before December 1, 1957, the purchase may be deemed null and void at the purchaser's option without placing obligation on either said person or the City, and the deposit will then be returned forthwith.

Financial and other information concerning said City may be obtained from the City's fiscal agent, Lauren W. Gibbs, Zion's Savings Bank Building, Salt Lake City, Utah.

Delivery of the bonds will be at the office of the City Treasurer, or at some Henderson bank, or at the successful bidder's request and expense, at some other bank or trust company in the United States of America.

The legality of the bonds will be approved by Messrs. Dawson, Nagel, Sherman & Howard (formerly Pershing, Bosworth, Dick & Dawson), Attorneys at Law, Equitable Building, Denver, Colorado, whose opinion, together with the printed bonds and a certified transcript of the legal proceedings, will be furnished the purchaser without charge.

Dated at Henderson, Nevada, this 21st day of January, 1957.

This Is Our City

Mayor James French Says . . .

I feel that it is time to give a little credit where it is due. Your City Council, as soon as it was formed, adopted some policies that are now being adopted by our neighboring leaders.

Over three years ago the Council adopted the policy of obtaining some federal land. This was pushed until now it is almost a reality some years ahead of the effort being made by the State at the request of the leaders in Las Vegas.

The City Council felt that a broader base of economy was needed than that of legalized gambling. They decided that it would be better to establish Henderson economy on a business and industrial basis. This concept was also a few years ahead of the efforts of the rest of the valley who are now realizing that there is a limit to growth on a strictly tourist basis and are anxious to promote expansion of industry in this area.

I am sure that every one must know what the policy concerning water has been from the time that the City was incorporated. We felt that there was sufficient water available but that the distribution, leaving out any for industrial expansion, was wrong and also that the Water District was set up with too much power.

We now see a move on foot that is being given much publicity in some way more equitably distribute water at a feasible price, and to curb the supreme power of the water district.

The first major cooperative effort made in this valley was the combined flood control project that the City Council had been pointing out for two years before it became a reality. Over three years ago a smog control committee was set up in Henderson and this year a combined committee for the entire valley was set up by your City Council.

I bring up these facts for one reason. We have increased our population considerably and many new citizens are not aware of our past efforts along the policy lines that are now being adopted by the area as a whole. Notably absent is any mention of the part played by your City Council when reports are made in the neighboring papers who have reported these policies as new ones that are being fostered by other groups.

We welcome the idea of all of us working together toward the same end and feel that the moves are good ones. We want to cooperate with all of the various groups, with all of these projects in the hope that this area will grow and continue to become a good stable area with more than one main economic base.

I merely wanted to point out that these moves we read about so much in the Las Vegas papers were started by the City Council of Henderson.

I see by the Last Time magazine that the average number of city employees in America is 10.4 per 1000 population. Henderson has an average of 4 per 1000 which is considerably below normal operations for a city that

is already set up and does not have the many projects working that we have. Only the efficiency of the employees together with their interest in getting the job done regardless of time involved made it possible for us to complete the immense amount of work necessary.
