The following statement was issued to the NEWS this week by Chief of Police George Crisler:

In answer to a recent news article in one of the Las Vegas daily papers, I wish to make this comment:

Whenever you have a group of men working together you are bound to have a clash of personalities at times. Morale is very good and I do not anticipate any change in it.

True, one of the officers disobeyed an order and was therefore disciplined. Why should this be made public news? An infraction of a rule or regulation is departmental business and publication of such knowledge serves no useful purpose. All it does is put a good officer to ridicule and shame in the eyes of the general public.

I am sure the good people of Henderson are as proud of their officers as the officers and myself are proud to serve the people. Most of our officers are young men and are learning their duties. Mistakes, therefore, are being made.

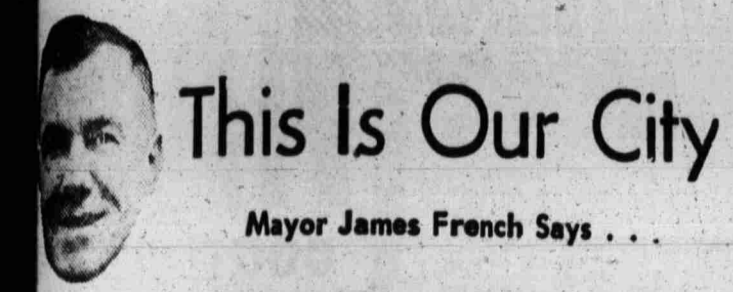

I can assure the people of this city that this department is trying to be as near perfect as it is possible to be.

Signed
George F. Crisler

This Is Our City

Mayor James French Says . . .

There have been many queries concerning the failure of the City to annex the BMI plants and thus be able to put the City on a favorable financial basis. Two years ago a bill was introduced by our assembly representative at our request that would make this possible. The bill passed the legislature but did not pass the senate. I requested that our assemblyman introduce this bill for this year in the legislature. This request was denied by the statement that it was introducing your representative in the legislature would oppose its passage. For this reason there was no legislation introduced that would make this union of the City and BMI possible.

Why a representative of this City would oppose anything so vital to the City is hard to understand, however this attitude made it useless to proceed along this program. If we could not pass such a bill, the presentation of reincorporation by charter would be almost impossible at this time.

It certainly makes one feel good to see the children on the way to school walking on the sidewalks that are in place now. When this present program of sidewalks is completed this safety factor alone for our children will be worth the entire improvement program. The light poles on the sidewalk are, I hope, a temporary measure since the plan of the Council is to replace these with metal poles as soon as the money becomes available. The cost to move them temporarily was prohibitive so they were left until we can do the right thing. 34 poles were moved at a cost of about \$8,000 for which we can thank Cal-Pacific.

The next Council meeting will discuss the problem of sidewalk construction in the areas of the city where a curb is already in place. The major decisions are:

MARION FARRELL WAS AIR POLICE IN THE SERVICE

Marion Lee Farrell, Henderson Police Officer, is one individual who just let his military duties bridge over into civilian life.

Farrell, born in Garfield, Utah, Nov. 4, 1932, joined the Air Force in September of 1951 and served for 27 months as an air policeman.

Shortly after birth, Farrell came to southern Nevada to reside, living in Las Vegas for 15 years before returning to his native state. In Utah, he attended the Wayne county high school and Bicknell.

Following his discharge from service, Farrell returned to Nevada to make his home and worked for the Lehman and Cyle Chevron Service Station and California-Pacific Utilities Co., before becoming a law enforcement officer.

He is married, lives in Victory Village and has one son.

Chamber Receives \$500 Check For Expenses of Industrial Days

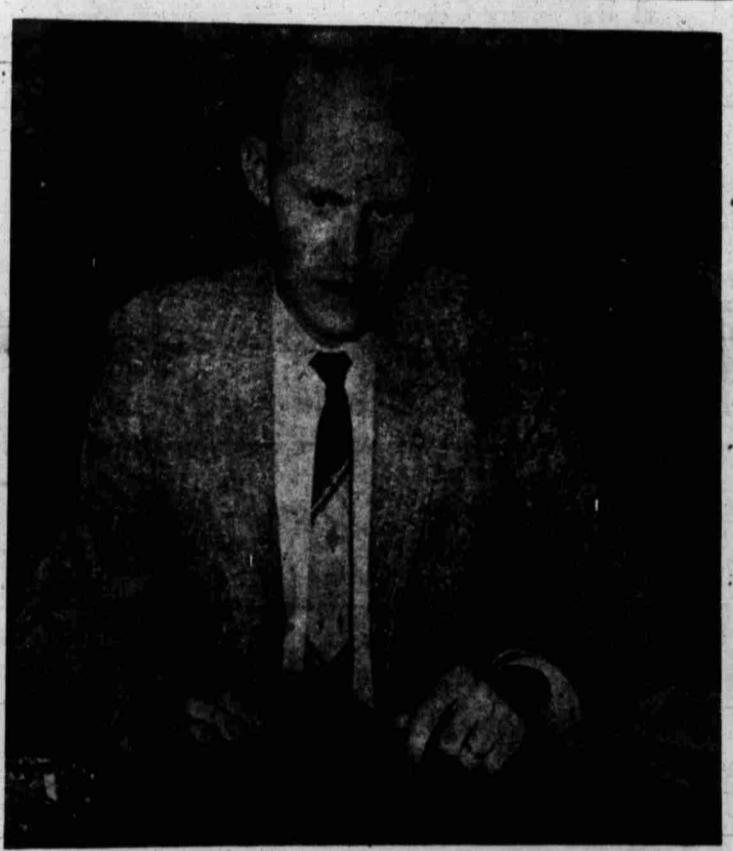

Jim Gunville, president of the Chamber of Commerce, announced that a check for \$500 has been received from Basic Management Incorporated to help defray the expenses of Industrial Days. This gift, Gunville said, will make it possible to add many things to the celebration that would otherwise be impossible.

The Pepsi Cola Bottling Company has also announced its intention to again furnish cold drinks for all the youth groups participating in the parade on April 27.

Children's Story Telling Hour At Library Today

There will be a story telling hour for children from Kindergarten through Fifth Grades, at the Henderson District Public Library.

It is indeed a treat for the children of Henderson to be able to hear Mrs. Brown, who is a graduate of the Carnegie Library School in Pittsburgh, Pa., and who was children's librarian in the Tacoma Library, Tacoma, Wash., for about six years. In keeping with the season, Mrs. Brown plans to tell some very wonderful Easter stories.

AND THEN THEY WERE MARRIED — Manager of Budget Finance Co. at 19 Army St. is John Henderson who met his wife, Thelma, while she was employed in the local office and matrimony was the result. Budget Finance is open daily from 9 a.m. to 5 p.m., Mondays through Fridays and 9 a.m. to 1 p.m. Saturdays. This is another in a HOME NEWS series introducing local merchants to the newspaper's readers. (Woodruff Basic Photo)

Romance between Boss and Secretary Turned into Wedding Bells and Rice

One of those true-to-life dramas where the boss and secretary fall in love and exchange wedding vows was enacted right here in Henderson about three years ago.

The boss in this case was John Henderson, manager of the Budget Finance Co. at 19 Army St. and the secretary is his wife, Thelma.

The marriage broke up the business team, however, since John still manages the local finance concern, but Mrs. Henderson is now employed at the Bank of Nevada branch office here. Company rules.

Budget Finance offices were opened here four years ago last February and Henderson has been the manager for the last three. The local office is one of two in Nevada, the other being in Las Vegas.

Budget Finance has 53 offices mostly on the West Coast but other offices are located in Kentucky, Washington D.C., Ohio, West Virginia, Maryland and Honolulu.

Office hours here are from 9 to 5 daily, Monday through Friday, and from 9 to 1 Saturdays. Loans are granted on salary, cars and furniture in sums up to \$1,500 with "same day service" being offered.

In addition to the manager, other employees are June Silva, cashier, and George Ozuna, outside man.

Henderson, 33, was born and grew up in Englewood, Col., near Denver, and enlisted in the navy in 1942 while still attending high school.

He served in the Pacific, both sea and shore duty for three and one-half years, at one time being stationed on Ulithi Otal. (He admits he's not certain about the spelling of Ulithi, but that's close enough.)

Discharged in 1946, Henderson attended Woodbury College in Los Angeles where he majored in accounting and was graduated.

Shortly thereafter, he was employed by a finance company in southern California for about four years and joined Budget Finance in 1952. He has worked in company offices in southern California, Bakersfield, Salt Lake City and Las Vegas before being named manager of the local branch.

John is active in several local organizations. He's a past president of the Jaycees, and presently serves as a member of the boards of directors for the senior chamber of commerce and quartermaster in the local VFW post.

Mrs. Henderson is affiliated with the local VFW Auxiliary and a past department president. She's a native of Kansas and has resided in Henderson for about the last nine years.

The Hendersons make their home at 131 Cedar St.

Rules Set For Industrial Days Flower Show

The Second Annual Flower Show which will be held in Gilbert Hall, will be sponsored by the Desert Gardeners who have set forth the following rules:

Qualified judges have been named and Mrs. Robert Bartlett, Las Vegas, well known for her gardening proficiency, will be the head judge. If you do not enter the garden exhibit, please make an effort to go to Gilbert Hall to see it.

Seen A Saucer Lately? Let Us Know

Anyone in this area who has seen a flying saucer flying over this section since January 17, 1957, is invited to write their experience for the Henderson Home News.

Reports of flying saucers seen in this area have been sent to the Aerial Phenomena Research Group. (according to a letter received this week in our office). This is a national organization whose objectives are to investigate and determine the nature of unidentified flying objects and related phenomena.

Truman Betheram in his book "Aboard A Flying Saucer" reported one landing that appears to verify the fact that Henderson is the only city on earth which has been chosen as a landing field for a flying saucer.

If you have seen a saucer, get the report to us. We in turn will see that it gets to the Aerial Phenomena Researchers.

DAVE JAMISON VOWS LOWER CITY EXPENSES

Dave Jamison this week announced that he is basing his candidacy in the mayoralty race on honest and efficient business administration of the city's affairs. The city, like any business, must operate within its income and at the same time give the maximum of service to its citizens, Jamison says. If elected he promises to effect a reduction in the city's payroll through the elimination of overlapping jobs and the consolidation of departments where necessary for greater efficiency.

Other planks in his platform include a complete overhaul of water rates, encouragement of new business and complete cooperation between the Mayor's office and the City Council.

Jamison also stated that he is opposed to granting additional liquor and gambling licenses within the original Townsite in order that existing licensed establishments might realize a reasonable return on their investments.

Believing the city should cooperate with other governing bodies and institutions in this area in order to obtain both large and small new industry, now settling in other parts of the Southwest, he promises to work closely with the Chamber of Commerce in order to "sell" Henderson and its advantages to West Coast markets.

One of the most important planks in the Jamison platform is his firm promise to return the city to the people, he said, because "it is the taxpayer's right to know how and why his money is being spent."

A ten year resident of Henderson, Jamison is President and General Manager of Young and Rue Moving and Storage and has had 20 years experience in business management. Before coming to Henderson he served on advisory councils in two cities in California and Washington. He is affiliated with a number of fraternal organizations and is the Chairman of the Henderson Recreation Board.

MOTHER WANTED

On Mother's Day the NEWS wishes to pay special tribute to the local mother having the largest family.

Mothers of large families are asked to contact the NEWS office and let us know the size of your family in order to help us determine whose family is the largest.

Friends and neighbors of large families are also asked to cooperate by contacting us in order that we may be sure to know about these families and be able to contact them if they do not write or call us.

Maypoles??? On Water Street???

How about a maypole dance on Water Street? The poles are already in place and ready for winding with the traditional colored ribbons.

Inrate residents have been complaining in our office that the light poles on Water street are in the middle of the sidewalk.

N. D. Van Wagenen reports that such complaints have also been very numerous at City Hall also. He explains that this is a temporary measure and work on installing new metal street lighting poles should start approximately 30 days after being approved by the City Council.

The new poles will be placed on the curb. In the meantime, the old poles will be left in their present location. Van Wagenen explained that the cost of moving the old poles to the curb would amount to approximately \$150 per pole, then when new metal poles are installed, the removal of the old pole and installation of the new pole would cost another \$150.

We suggest that in walking around these sidewalk obstructions each of us should remember that "this side trip" is saving the city something like \$2,850 as there are 19 wooden poles to be replaced.

Jim Flinn Wins First Place In Marble Tournery

The city marble tournament, co-sponsored by the Henderson Recreation Department and the VFW, was concluded Saturday, April 13, at Titanium Field. Joe Flinn from the Basic Elementary school won the first place honors. Second place winner was John Winder from the St. Peter's parochial school. Third place went to Harry Putnam, representing Park Village elementary school.

The Saturday tournament was for the first and second place winners of the school tournaments to decide who would represent Henderson in the district finals. Representing Basic elementary in the City finals Saturday were Joe Flinn, 1st place winner and Robin Ryser, 2nd place winner. Representing Townsite elementary were Jimmy Bancroft, 1st place winner and Jack Miller, 2nd place winner. Park Village school was represented by Harry Putnam, 1st place and J. Arrendo, 2nd place. St. Peter's parochial school was represented by John Winder, 1st place and Lennie Hilmbolt, 2nd place. These representatives were the winners of the school tournaments in which a total of 315 boys entered.

The first and second place winners of the city tournament will participate in the district tournament to be held at Squires Park in Las Vegas this Saturday, April 20th.

lief pitcher Alex Weber went in at the fourth inning.
 An interesting sidelight of the games was the fact that the catchers, of both the Redskins and the Mustangs hit like Yogi Berra. Catchers are notoriously poor hitters, however the Redskins' David Bryant hit a grand slam homer scoring four of the nine runs for his team. The Mustangs' Gary Bates, got two home runs that were kept out of Gorman high's swimming pool only by the fence.
 The week before, pitcher Mike Erling of the Mustangs, scored the only runs of his team by hitting two home runs.
 The Redskins are coached by Dick Madsen and the Mustangs by Carmel Calderon and Frank Hernandez. These teams are playing under regular Midget League rules.
 Saturday the 20th, the Redskins take on the St. Anne's Bulldogs at Titanium Field and the Mustangs journey to St. Joseph's to meet the Fighting Irish. Game time at Titanium Field is 3 p.m. and 9 a.m. at St. Joseph's.

DISTRICT FEDERATION CONVENTION HELD AT NEW PITTMAN CENTER

The Pittman Women's Club entertained the Nevada Federation of Women's Clubs, District Three at the second Biennial Council of the District, held on April 9, at the Pittman Community Center.
 Mrs. Carl Foster, president of the Pittman club, gave the welcoming address, followed by the invocation by the Reverend Ford Gilbert of the Henderson Community Church.
 Mrs. Zelvin Lowman, District Three president, conducted the meeting which was attended by sixty-eight delegates and guests. Committee chairmen for the Council were: Mrs. Ben Lindsey, general chairman; Mrs. James Brown, credentials; and Mrs. Jack Weisberger, by-laws. Mrs. Josephine Bearden was in charge of entertainment and Mrs. John Von Dornum in charge of decorating.
 Mrs. John E. Beaupeurt, president of the Nevada Federation, was the guest of honor and addressed the Council during the afternoon session. She reported that every federated club in the state has entered the community achievement contest making Nevada the first state in the Union to have all its clubs entered which makes the Nevada Federation eligible for a \$500.00 prize.
 The largest club in the state, Mrs. Beaupeurt said, is the Reno Civic Club which has more than 900 members. The smallest is the Manhattan Women's Club of Manhattan, Nevada with only four members. In the Manhattan club, one member lives in Reno, one in California, and one in Round Mountain. The fourth member of the group resides in Manhattan.
 Also in attendance were Mrs. Ernest Brown, first vice president of the Nevada Federation and Mrs. Carl Mac Phee, president of the Reno Women's Civic Club and Nevada legislature chairman.
 Mrs. Mac Phee gave a brief report on her work during the recent session of the State Legislature. She spent a full month in Carson City working for the Community Property Law and Minimum Wage Law for Women. Both of these bills were passed.
 The District organization elected a new slate of officers and adopted a new set of by-laws. Reports were made by the presidents of each of the nine federated clubs in the district.
 Memorial services for deceased members were conducted by Mrs. Herbert Dixon of the Mesquite Club.
 Mrs. Mary Jane DeCrane of the Las Vegas Business and Professional Women's Club presented a workshop on leadership at the close of the afternoon session.
 In the future, District Three will hold a Council each year with election of officers every second year. The Council unanimously adopted a resolution presented by the Mesquite Club to invite the National Federation of Women's Club to hold its convention in Las Vegas in 1959.
 Luncheon and an evening banquet were held at the Swanky Club. During the banquet, newly elected officers were installed by State President Mrs. John E. Beaupeurt.
 Mrs. Robert Bartlett was installed as president of District Three for the next two years. Officers installed to serve with her were: Mrs. Jack Weisenberger,

Nancy Lou Zinski, Wm. J. Scott Wed at Little White Chapel

Nancy Lou Zinski, daughter of Mr. and Mrs. Austin J. Barnhurst, 53 East Pacific, and William Jerry Scott, son of Mr. and Mrs. Frank Gerstner, 111 Constitution, were married on Saturday, April 6, at the Little White Chapel in Las Vegas. The Reverend W. Wallen Layton officiated.

The bride chose light blue for her wedding gown and wore a corsage of white carnations. Attending the bride was her sister, Sally, as bridesmaid. She wore a white dress with a corsage of red roses. Ronnie Weaver served as best man.

Following the wedding a reception was held at the home of the bride's parents where the newly married couple cut the wedding cake.

Present at the reception were Mr. and Mrs. Melvin Barnhurst, Mr. and Mrs. Lawain Isom, Mr. and Mrs. Frank Gerstner, Mar-

lyn Pearson, Jack Woodward, Judy Zinski, sister of the bride; Mr. and Mrs. Wendell Johns, sister and brother-in-law of the bridegroom, and Mrs. Ava Jemison, grandmother of the bridegroom.

After the reception and opening of the wedding gifts the new Mr. and Mrs. Scott left on a honeymoon trip to California.

P-TA STYLE SHOW HUGE SUCCESS

The Townsite elementary P-TA held its annual fashion show last Thursday evening in conjunction with the installation of new officers. Mrs. James Arkell was installed as president; John Winlow, vice president; Mrs. Lloyd Sager, second vice president; Mrs. Ralph Glass, 3rd vice president; Homer Bennion, secretary; Mrs. George Stewart, treasurer; Mrs. James French, historian; Mrs. Dan Green, parliamentarian. Installing officer was Mrs. William Compton. "Easter Parade" was the theme of the fashion show and the clothing modeled by the students was made in the Home Economics department under the direction of instructor Mrs. Billie Danley.

The program started with ushers appropriately costumed as Easter Bunnies, passing the programs and getting the guests seated. Following the installation of officers, the fashions were exhibited by a number of students from the school.

Refreshments were served to conclude this very entertaining evening.

Mrs. Ed Jackson Returns From Mother's Funeral

Mrs. Ella Mae Owens, mother of Mrs. Ed Jackson, 158 Magnesium, passed away March 17 at Wallace, Idaho, two days before her 65th birthday. Mrs. Jackson has just returned from Idaho where she has been staying the past month. Her father, Conley P. Owens has returned to Henderson with her, and plans to make his home here.

Mrs. Frank Newby of Las Vegas, sister of Mrs. Jackson, also made the trip to Idaho, but returned to Nevada two weeks ago.

Mrs. Owens, who was a retired nurse, became ill on March 13, and death occurred due to a heart attack. Many people in Henderson were acquainted with Mrs. Owens.

VFW Junior Girls Hold Meeting

The VFW Junior Girls met on April 5 at the VFW Hall in Victory Village. Rebecca Kenworthy was winner of the sunshine gift. Reba Chandler presided at the meeting.

Following the business session refreshments were served. Those in attendance were: Norma Shaw, Reba Chandler, Frances Chandler, Marion Chandler, Luwen Kenworthy, Rebecca Kenworthy, Pamela Love, Judith Anne Lunsford, Sandra Mac Achem, Gail Ann Pfeiffer, Elizabeth Romanoski, Pamela Romanoski, Clara Stephens, Linda Stephens and Patty Stephens.

The Other Side

By BETTY BATES

APRIL IN NEVADA

Spring, ironically brings beautiful flowers to brighten the countryside and devastating winds to destroy the fragile blossoms about as fast as they open. One of the finest rose gardens in town is that of Dick and Betty Pryor who live on the corner of Burton and Federal. The vicissitudes of the past weeks have wrought havoc with the beautiful blossoms. One week the Pryor's went and picked up arm loads of roses that had been torn off of bushes.

Just across the street, Mrs. Ralph Folks has some luscious orchids for man's orchids," Iris to me. Needleless to say delicate blossoms can stand up to the blast." Everyone is just about losing their flowers in this manner, but there doesn't seem to be anything that anyone can do about it.

Speaking of the wind, didn't you have a small tornado last week? It tore down a large section of the Pryor's fence and broke a number of windows out in this area.

NERVES?

Maybe that's all it is but Margaret Smith and this columnist lost ten years of our lives in a few minutes ago when one of those confounded Jets went into a dive right over our heads. The medical men say that it keeps a young man to have your adrenals stimulated. If that's the case, be back to the crawling stage in a long time. Those Jets scare me to death on an average of a dozen times a day.

NEXT STOP

Betty Winn is all excited about her forthcoming trip to the National Bowling Meet next month. She and Ernie plan to combine their vacation, and go on to Pennsylvania and then back to her former home in Minnesota. Ernie's mother has just recently returned to her home in California, after having been on a visit for quite an extended time.

TICKETS PLEASE

Angie Monahan acted as bus driver for a carload of boys to take them to see the Indians and play at Cashman field. Bob and Jean DuBravac did the same thing. Now with the All Stars Basketball Game coming May 1st, the kids will be hitting us all up for rides again.

BUSY GAL

Mary Jo Todd is just about the busiest gal in town, what with her activities in the VFW Auxiliary, Community Chest and as registrar for Henderson. She was in the grocery store the other day and thought she was bringing down on me for some reason — found out that I was merely between her and the door for whence she was headed concentrating on her next objective.

NEW ADDRESS

John and Rosemary Rose, formerly of 533 Federal have recently moved to their new home at 101 Burton. The Rose's have lovely children, the newest set of cute twin girls born last week. Visiting their home is Rosemary's brother, Michael Power, who is combining this visit with looking for a job in this area.

FLOWERS FOR SALE

That's the sign that Margaret

Smith anticipates in the near future if all of the varieties that her husband Ted keeps bringing home, produce anything compared to the ads accompanying them. The Smith's live at 669 Burton.

HAVE A STORY?

Now being readied by this columnist is a feature article about the meeting and eventual marriages of a number of our localities. If you have an unusual story, or even one that is heartwarming in its very usualness, please give me a ring, we'd love to have it. Telephone number is FRontier 45954.

DO-IT-YOURSELFERS

Dick and Jeanette Weller have just joined this group, what with putting a cinder block wall around their back yard. Dick was recently moaning about the fact that even after he gets the wall around it he's going to have to buy the back yard. His place is one of those that drops off so much that all he has is a place to put it.

Ted Smith spent last weekend finishing off his front porch. It really is going to be a great help this summer when that ole sun comes beaming down.

AN OLD PRO

That's just what we found, most unexpectedly in our midst this last week Carmel Calderon is coaching the Mustangs, one of St. Peter's baseball teams, and everyone was amazed to find out that his wife is just as adept at it as he is. In fact Jerry once played league ball. So you see mothers are just as helpful as fathers. The kids were simply delighted.

The schedules for these teams have been set up now, and run like this: One team will play every Saturday Morning at Titanium field at 9:00, and the other one will travel to Las Vegas. Transportation will be needed each morning, so if you can take a load of boys in to Vegas please show up by 8:30 A.M.

The names that the teams have chosen for themselves are the Redskins and the Mustangs.

The league started off with a game between these two teams on Saturday, April 6, with the Redskins winning 7 to 2. Pitchers and Skupa and Erling. One of the highlights of the game were two home runs hit by young Mike Erling, the losing pitcher, the only runs chalked up for his team, incidentally.

SPEECH CONTEST

On April 10th the Henderson branch of the Southern Nevada LDS Seminary had their contest, with two young ladies walking off with top honors. They

Harold Foster

In Calif. Hospital

Harold Foster, Basic high school senior, will undergo major surgery for a kidney ailment this week in Los Angeles, it was reported by his parents, Mr. and Mrs. Carl Foster of Pittman.

Young Foster was taken to California more than a week ago and will be in the hospital for at least three more weeks, his mother said. Friends are advised that they may address "get well" cards in care of The Good Samaritan Hospital, Los Angeles, California.

were Lynn Rhees and Judy Price. On April 27th they will go to the finals in Las Vegas.

ATTENDANCE AWARD

On April 17, Bishop Walker of the LDS church will take a group of young men to Old Mexico as an award for perfect attendance at priesthood meetings. The trip will be for three

days, the return date being set for Saturday, 20th.

Prior to this trip is one scheduled for the weekend of April 13th, to the Temple in Los Angeles. Two bus loads of young people will leave early Saturday a.m. with plans to inspect the Temple Grounds and a side trip to Anaheim, to see Walt Disney's

Twentieth Century Wonderland, Disneyland, and then back home.

CHILDHOOD MEMORIES

Fawn Rhees says that is just what was stirred up by her recent trip to the Salt Lake City Tabernacle. After having been used to seeing and hearing the huge organ housed in this magnificent edifice all of her youth,

she had not seen it for 15 years and had somewhat forgotten the marvelous tone and awe-inspiring spectacle that it is.

As a child, she remembers such artists as Lily Pons and Marian Anderson perform there.

HOW COME?

In a conversation this week someone came up with the ques-

**Xi Sigma Exemplar
Plans Founder's
Day Banquet**

The members of Xi Sigma Exemplar chapter of Beta Sigma Chapter held their regular monthly meeting Tuesday night at the club.
Plans were announced for the annual Founder's Day banquet which will be at Lake Mead on Friday, May 3, 1957, and a dance will be held following dinner. Xi Sigma is in charge of favors for the affair which will celebrate the 26th anniversary of this international organization.
Preliminary plans were made for a ritual to confer the Exemplar degree on those eligible on May 24 or 25.
Officers were elected and will be installed at the May meeting. Betty Pelletier was elected president and serving with her will be Mrs. Jack Barquist, vice president; Mrs. George Stewart, recording secretary; Mrs. Ernest corresponding secretary; Miss Mary Jo Parker, treasurer.
Mrs. John Fielding, formerly Boulder City, was welcomed to the chapter as a new member. Present at the meeting were Eugene Baird, Mrs. Jack Barquist, Mrs. Joseph Klenke, Ernest Lea, Mrs. Raymond

**Birthday Dinner
Plans Made By
Desert Aux. IAM**

Plans for their 2nd anniversary birthday dinner to be held on May 18 were discussed last Thursday when the Desert Auxiliary IA of M met at the home of Marie Thomas. All Machinists and their families will be invited, and are asked to bring one covered dish to supplement the ham, rolls and coffee which will be furnished by the Auxiliary.
It was announced that the Blue Side of the membership drive teams under Florence Rowden was leading, and Mr. F. L. Keegan presented the Auxiliary with a gavel made by the Local 845 president, W. R. Hardy.
The next meeting will be held on April 18 at the home of Marie Thomas.
Present were Leona Helms, Opal Hargett, Angeline Slingerland, Christine Brecheisen, Ida Belle Riggins, Bernice Boone, Florence Rowden, Richard Keegan and Marie Thomas.
Ley, Mrs. Gordon McCaw, Mrs. Larry Odell, Miss Mary Jo Parker, Mrs. Betty Pelletier, Mrs. Larry Rostine, Mrs. George Stewart.
The next regular meeting will be held May 14 at the home of Mrs. Baird, 501 National Street.

**WINNERS NAMED
IN TRACK MEET**

Approximately 100 boys participated in the various contests at the track meet for boys, sponsored by the Recreation Department on Saturday, April 6, at the high school athletic field. Ribbon awards were presented to the winners and a plaque is being prepared to be displayed at the Youth Center, bearing the names of all winners. Boys entering next year's meet will have an opportunity to 'break' the records made in 1957.
Despite the windy conditions at the track, a large number of spectators turned out to watch the event which it is hoped will become an annual event in the city.
Winners in the various games in Division A were: pentathlon, Maddix, Trumbo, Hartle; 50 yard dash—Hartle, Maddix, Woodruff; 75 yard dash—Maddix, Hartle, Stout; high jump—Rodgers, Stout Maddix; broad jump—Trumbo, Maddix, Lofland; shot put—Lofland, Maddix, Stout; pole vault—Neville, Woodruff; 100 yard dash, Trumbo, Hartle, Woodruff; 300 yard dash—Trumbo, Maddix, Neville.
Winners in division 8 were: pentathlon—Dickens, Ware Benson; 200 yard run—Ware, Dickens, Benson; 50 yard dash—Dickens, Benson, Ware; 75 yard dash—Dickens, Ware, Benson; broad jump—Benson, Burton, Ware; high jump—Spearman, Charles, Valdez; shot put—Benson, Burton, Dickens; pole vault—Dickens, Ware, Rudsille; 100 yard dash, Ware, Dickens, Ullom.
Division C winners were: pentathlon—David, Bondurant, Carrol; high jump—Davis, Carrol, Schreck; 100 yard dash—Davis, Weber, Bondurant; pole vault—Bondurant, Davis, Carrol; 75 yard dash—Davis, Bondurant, Carrol; 50 yard dash—Davis, Bondurant, Carrol; broad jump—Carrol, Weber Jamison.
The City Recreation Department expressed appreciation to everyone who helped during the track meet. The cooperation shown and the interest in the event, as shown by the attendance, was also deeply appreciated by the students participating.

DESERT DIGGINS

By MARJE IVARY

Where do weeds come from? A garden or lawn may be under cultivation for a year and suddenly in spring an invasion of weeds sprout. These volunteer weeds come from the soil. Agricultural research has proven that seeds may live in the soil 25 to 50 years.

Sometimes weeds are introduced and at a high price. Manures, top-soil, native peats, black dirt, and blow sand — any of these carry a substantial weed seed content just the same as any object will carry germs. Seeds like dandelions are airborne for translocation. Others are carried from one place to another by birds.

Regular feeding is one of the greatest aids to better turf. To maintain a good lawn, it is a wise practice each year to over to each 1000 square feet. The seed about two pounds of seed new seed should NOT be covered over a quarter of an inch. Also, sprouting grass needs moisture constantly.

Have you looked at the moon lately? Maybe the failure in the flower garden was due to the wrong time of the moon. Maxine Holberg who lives on Victory Rd. has a very interesting book on the subject. Maxine is growing herbs and many of her seeds are direct from England.

ing rose. If you train the canes in a figure S on a trellis or fence you will have more blooms. Don't leave faded flowers on the plant. Once the plant has gone to the seed stage its function is over. Mayor Jim French had an interesting card from Newton, Kansas inquiring about hardy cactus in Nevada, especially the Opuntia Chlorotica. The card was passed on to the Gardens and the particular species is one of the Cholla cactus which are quite plentiful in our area. The catch is — how to mail one to the gentleman!

I would like to suggest an interesting book to have handy which is — Flowers of the Southwest Desert by Natl. H. Dodge. It deals with the cacti and our native desert plants. Many of the weeds which take over a new lawn are described as annuals. These generally grow faster and more prolifically as they must mature a crop of seed in a very short time if the species is to survive. These annuals have extensive root systems enabling them to get more than their share of moisture when the soil is dry.

The desirable grasses are perennials, slower to get started but longer lived. The contrast is not unlike the flower garden. Annuals develop fast and make a showing in a hurry while the perennials start slowly and require extra months to reach maturity but each year bring satisfaction in beautiful flowers and foliage.

In the case of crabgrass and Bermuda grass, cross rake and mow short, catch the clippings and destroy. This keeps the seed from developing. For broad-leaved weeds, dandelions, plantains, bur clover etc., use a chemical spray.

Happy Birthday
 Marie Gillins, 117 Cedar St., entertained several friends, April 5, in celebration of her fourteenth birthday.
 The guests listened to records and made a game of calling friends at random, from numbers which they drew from a box. Marie served cheese and crackers, ice cream, soft drinks, and floats.

Attending the party were Sherril Sampson, Fritzie Louis, Merle Goff, Julie Jones, Dana Frook, Wayne Gillins. Marie received some very nice birthday gifts.

Thursday, June 6th, will be the BIG day, for at 11 a.m. promotional exercises will begin. The eighth grade class day exercises will be held at 1 p.m., June 3, and will take the form of a track and field meet, supervised by the physical education staff of the Townsite school.

Report cards will be issued to students June 6, marking the closing of school — and the beginning of the long summer vacation!

ERIC IS FIVE
 A birthday party was held for Eric Walker on April 6, at 551 Blackmore Drive, by his mother, Mrs. Ramona Walker.

The guests participated in games, and were served refreshments of hamburgers, ice cream cones, and decorated cup cakes. The Easter theme was carried out in the decoration of the birthday cake and the favors. (The party began at 11 a.m.)

Eric's guests were Margaret, Toni, Vicky, Jeanie Turnbeaugh, Christine and Sherri Watkins, Margurete, Thomas, Christopher, Shiela and Kathleen Kentwell, Bobby Bradford, Chrissy and Ricky Heitert, Gregory Larson, Carol Stapleton, Karma Rae De Mille, Diane and Marie Turnbeaugh, Jeffrey Joyce. Also attending were Lolita Turnbeaugh, Betty Golden, Idonna Truman, Geneva Turnbeaugh, June Bradford.

OH, MY ACHING BACK
 A group of eager Boy Scouts took an overnight trip to Ring Bolt Rapids, leaving a week ago Friday, and returned the next evening. The Scouts of Troop 22 are sponsored by the LDS 1st Ward. The boys did some fishing, climbing, and caught various specimen such as rattlesnake, toads, squirrels — even catching some fish. Since the Scoutmaster, John Coe, was unable to make the trip. Mr. Hill accompanied the group.

Mr. and Mrs. Thomas Jones provided part of the necessary transportation. Tommy Dodd, and Steve Shroyer also made the trip. The campers with sore muscles from carrying packs and bedrolls are Joey Hill, Gary O'Dell, Frank Callahan, Alvis Fawcett, Calvin Fawcett, Eugene Moritz, Terry Sullivan, David Cottam, Larry Jones, Richard Jones, Barry Gardner, Charles Thomas, Larry Day, Ivan Joyce, Jr.

DEMILLES TO CALIF.
 Mrs. Loraine DeMille, 312 Regina, with Mrs. Geneva DeMille, a visitor from Rockville, Utah planned to leave for California on Monday, for a week of visiting. Karma Rae will also go, since she will be having her Easter vacation from school. Loraine DeMille will meet them in Calif., Thursday, and the group will return to Henderson on Sunday.

WALKERS HAVE NEW SON
 Bishop and Mrs. Marlan Walker, 442 Republic St., are parents of a son born at Rose de Lima. The baby weighed 6 lbs., 5 ozs. at birth. The Walkers are parents of three other children, namely, Marly, Randall, and Lori. Bishop Walker is the teacher of Latin and Spanish at Basic high school.

PAUL WEIR RECOVERS
 Paul Weir has returned to his studies at Townsite elementary, where he is an eighth grade student. Paul was hospitalized at Rose de Lima for approximately a week, and was confined to his home for another week.

BACK TO CALIF.
 E. L. Simpson, father of Mrs. Ed Maulding, 22 Brown St., has gone to visit his son in Auburn, Calif., where he plans to stay for a couple of months. The Mauldings drove him to Auburn the latter part of March, returning immediately. The weather was favorable, contributing to a pleasant trip. Simpson recently celebrated his 93rd birthday.

THIS 'N THAT
 Welcome back, Betty Bates! Betty has written for the paper before starting this time — so is getting to be an "old hand" at it. The paper has improved lately, don't you think? Heard a young lady remark, "All the boys are either conceited, dirty minded or GOING STEADY!" — One of our neighbors is managing editor of the "Oasis" the Lake Mead Base paper (He answers to "Bud" De Vilbiss.)

An item which seemed of interest to me in a recent edition of the Oasis, concerned a family in Boulder City. It would not be wise for the Paul Mercer family of Boulder to begin throwing dishes, if they happen to get into an argument. The point is that Mercer is a Lapidary en-

thusist. He has collected rocks from all parts of the United States — and has a complete set of dishes made from ROCKS!

Rae Von Dornum stepped in to pinch hit for the paper when it lost it's "Skipper" . . . We survived the critical period — and stayed afloat! Dorene still has a puppy to GIVE to anyone — says she will even throw in some free cans of dog food.

We have seen a number of misprints, but this one isn't — "Lura Winall" — and we always thought it was "Laura."

Did you know you can grow cotton-wood trees by planting limbs, being certain to keep them moist until rooted? The Hutchins on Blackmore have some of the proof — naturally, we are trying it now!

Many people have spoken of some legislation to prevent further tragedies at Black Mountain. If these persons would form some kind of committee, they might be able to make some progress. The only suggestion at this time, is to make it mandatory that children be accompanied by at least one adult, al-

Marie Thomas Is Elected President Eagles Auxiliary

Marie Thomas was elected Madame President last week when the Eagles Auxiliary held its regular meeting at the Eagles Hall. She will be assisted by Jr. Past President Thelma Ruliffson; Vice President Erma Powell; Chaplain Arlene Carter; Conductress Mildred Wieder; Secretary Hazel Rita Miller; Treasurer Lucille Kubic; Inside Guard Tillie Fourong; Outside Guard Madolyn Harris and Trustees Kathy Weese, Christine Brecheisen and Alice Watts.

Mildred Brooks was elected to membership, and Alice G. Watts and Josephine Maxwell were initiated.

The membership drive has ended and it was announced that Team One under Hazel Rita Miller won. Team Two, under Winifred Fisher, will provide entertainment for a social meeting to be held on April 22 in honor of the winning team. At this meeting a kitchen shower for the benefit of the Eagles Hall kitchen will take place.

It was also announced that the retiring officers' dinner will be held on May 11, at 8 p.m., at the Eagles Hall. It will be a planned pot luck dinner with the Aerie and the Auxiliary participating. Winifred Fisher was appointed chairman of the committee for the event with Jane Yeager, Marie Thomas and Mildred Wieder to assist her.

March 22 or after April 25th. In 1761 and 1818 it fell on March 22, but this will not happen again during the 20th century. Easter occurred on April 25th in 1886 and in 1943.

At least one island is named for this day, that being Easter Island. It was discovered on Easter by the Dutch Admiral Roggeveen, in 1772. This island is the site of one of the unsolved mysteries of the modern world, that being the huge stone statues that abound on it. It also is the subject of a recent book by T. Hyerdahl, KON-TIKI.

EASTER

Sunday celebrates the resurrection of Christ — the triumph of man over death, the release of earth and nature from the bonds of winter. As the earth begins to bud again, as grass and flowers push through the brown earth, the customs and traditions of the season complete the enchantment of the season.

More than Christianity is the history of the earth's awakening — the myth of Demeter and Persephone. According to legend, Demeter, sometimes Ceres, was the sister of Zeus, whom she became the goddess of Persephone. In art she is generally represented as a woman with a garland of ears of grain round her head, in her right hand a scepter, corn ears, and a poppy.

Some of the popular observances of Easter are pagan in origin. The church endeavored to give Christian significance to the pagan rites as could be proved out.

At the rising of the sun on the springtime awakening, the pagan festivals, had their counterpart in the "paschal" sometimes weighing in.

Easter egg and Easter bunnies are also pagan in origin. The ancient goddess of fertility also figure in a Druidic legend.

In a noblewoman dyed Easter eggs. Children, when in the woods, they were left by a hare. Hence the Easter bunnies are similar to the crosses which were used by the Vestal Virgins in Rome. Vesta, Roman goddess of hearth.

In many countries people exchange an Easter kiss with the words, "Surrexit," meaning "risen."

The proper time to celebrate has been a subject of controversy. In the second century a dispute rose on this between the Eastern and Western churches. Most of the Christians celebrated on the 14th day of the Jewish month, or moon, giving it to be the equivalent of the Jewish Passover. To the controversy the Councils ruled in the year of 325 that Easter should be observed on the first Sunday following the first full moon after the vernal equinox.

It is the fact that Russia uses the Gregorian calendar, the Eastern Church uses the Julian calendar, and the Easter dates of the Eastern and Western churches rarely coincide. The influence of having a moving feast has long been recognized and never occurs before.

Fire Chief Advises Inspections To Protect Life and Property

Cleanup Week, says Chief Richard, is a good time for people to correct many of the worst fire hazards in and about their homes. The cleanup habit is one of the surest ways to keep fire from harming your residence and family and improves the general appearance of the entire city, he said.

During this week everyone is advised to completely get rid of all old magazines, newspapers, clothing, rags, mattresses, and broken and unused furniture. Oily rags, old paints and oils should also be eliminated from the premises.

Chief Richard also advises more folks to take advantage of our fire department's training and experience which he believes would eliminate half the danger of fire to homes and families.

It is simply a matter of permitting the fire department to inspect your home in order to help you spot the fire hazards in your house, he says.

Experienced firemen are able to recognize defects in construction and dangerous conditions in heating systems and electrical wiring that untrained householders would not otherwise notice.

The saving of lives is the first and most important reason for home inspections by firemen, Chief Richard reminds everyone.

During the last two years four Henderson residents have died as the result of fires in their homes. Fire inspections also guarantee the safety of your property.

Old bottles are also a great fire hazard during the summer, in this area. The sun makes a magnifying glass of empty bottles and many disastrous fires have been started in this way. He advises all householders to take returnable bottles back to the store frequently and recommends that fruit jars and other bottles should be stored in

Holy Week Services at Henderson Boulder City Lutheran Churches

Services during this week, called Holy Week, will prepare the worshippers at the Lutheran Churches in Henderson and Boulder City for the resurrection message of Easter, announces Rev. S. A. Quebe, pastor of both churches.

Maudy Thursday, which is today, will emphasize the administration of and the purpose of the Lord's Supper, while the Good Friday services will center around the Cross of Christ and what that Cross means to people.

The schedule of services is as follows: Maudy Thursday, services begin at 7:30 p.m. in Our Saviour's Chapel in Henderson. The Lord's Supper will be served. On Friday, services will again begin at 7:30 p.m., however this service will be held in the Boulder City Chapel, 5th and B Streets. The Lord's Supper will be served.

On Easter Sunday, services will be held at the regular Sunday morning hours. In Boulder

St. Timothy's Church Announces Schedule of Easter Week Services

Three celebrations of the Holy Communion will be held today, Maudy Thursday, at St. Timothy's Episcopal Church to commemorate the Institution of this service by Christ on the night before He was crucified. The services will be held at 7 and 9:30 A.M. and 5:15 P.M.

Tomorrow, Good Friday, there will be a service of Morning Prayer and Ante-Communion at 9:30 A.M. From 12 noon until 3 P.M. the traditional service of "The Preaching of the Passion" will be held. During these three hours the Rev. Robert Cochrane will deliver a series of addresses based on the Seven Last Words of Christ on the Cross. Between each address there will be prayers and hymns and other devotions.

Fr. Cochrane has extended an invitation to everyone in the community to share some part of this Three Hour Service. "Many people will crowd the churches on Easter morning,"

Community Church Announces Easter, Good Friday Services

The Community church will observe Good Friday with a Service of Meditation and Communion from noon until 3 p.m. Those who attend may enjoy Meditation and Prayer with soft organ music in the background, they may also take Communion if they so desire.

Easter Sunday services will start at 6 a.m. with a Service for Youth. All seventh and eighth graders and high school students are invited to attend. Ben Prime will sing "The Holy City" with Mrs. Nina Newell at the organ. The minister will speak from the subject, "Christ is Forever." This service will be followed by a breakfast for the young people attending, prepared by Ray

Temple Baptist Church Dedication Ceremonies on Easter Sunday

Easter Sunday the Temple Baptist Church in Victory Village will dedicate its new building which is valued at \$55,000. The new building will enable the church to properly care for 250 children in Sunday School and contains four modern nurseries.

The Easter morning worship service will be followed by a pot-luck dinner. Bro. Troy Brooks, general missionary of the Southern Baptist work in this area will deliver the dedication sermon at 2 p.m. Baptismal service will follow.

Musical Program At Baptist Church

A varied musical program is being offered by the First Baptist Church of Henderson. During the morning service, Lois Davis and Betty Hansen will sing, "When I Survey the Wondrous Cross"; Walter Duncan will sing "The Holy City," and the choir will bring a special number. The pastor's message is entitled, "The Sign of the Prophet Jonah."

During the evening service, the choir will present the cantata "Calvary" with Walter Duncan directing, and Ruth Emery accompanying.

NEW RESIDENTS

Mr. and Mrs. H. W. Semmler recently moved their residence from Las Vegas to Henderson and are now residing at 9 Hansen Street.

Semmler is employed by California Pacific Utilities Company as sales manager.

QUICK ACTION

There is no room for complaint in the action of the City Council in compliance with a request made by Mrs. Robert Swift, representing the Parent Teacher Association, that cross walks be marked off at the intersection of Market and Pacific. Mrs. Swift made her request at the Monday evening meeting and the cross walks were painted on Tuesday.

Mrs. Swift also inquired as to whether any plans had been made for summer recreation for the younger children in Park Village, stating that letters had been sent by the P-TA to Recreation Director Shirley and Dave Jamison, chairman of the recreation board, with no replies received.

Mayor French said the pre-teen center in Victory Village had been closed because of lack of cooperation on the part of the parents and explained that without resident help the city could not afford to keep such centers in operation.

The P-TA, Mrs. Swift said, was interested in knowing what had been done toward establishing a Civil Defense headquarters in the city and if the money which was set aside for the purpose had been used to erect a tower for the Ground Observer Corps.

The American Legion, Mayor French said, was designated by President Eisenhower for Civil Defense work throughout the nation. He said the local Legion Post had been requested to head Civil Defense in the city but so far had not cooperated. \$300 has been set aside for the building of the tower.

MINNIE BEESLEY SERVICES FRIDAY

Memorial services will be conducted tomorrow for Minnie Amy Beesley at 2 p.m. at the Henderson Church of Jesus Christ of Latter Day Saints. Bishop Owen R. Bunker will officiate. Interment will be at Woodlawn cemetery.

Mrs. Beesley, a resident of Henderson for the past four years, died on Tuesday at Rose de Lima Hospital after an illness of one week. She was 74 years old and was born September 29, 1882.

Surviving are her husband William, 143 Constitution Ave.; two sons, Hibbert, who resides here; and Zenas, of Nampa, Idaho; two daughters, Mrs. Nora Marler of Wapato, Washington, and Mrs. Sara H. Hammond of Las Vegas; one brother, John Norman of Blackfoot, Idaho. She is also survived by 17 grandchildren and 19 great-grandchildren.

MASS MEETING

The voters of Ward Five are invited to attend a mass meeting at the Pittman Community Center on Wednesday, April 24, at 8 p.m. No candidates have been invited to attend. The meeting is sponsored by a group of Ward Five voters.

City Tournament Bowling Scores

Women bowlers from Boulder City and Henderson knocked down the timber for high scores at the Boulder Bowl Friday, Saturday and Sunday, in the Boulder City Association Tournament.

In the "A" team event, Boulder Drug led with 2389 pins. Nevada Drug and A-I Beer tied with 2385 pins each. Tyree Insurance followed in fourth place with 2362 pins and Maryemma's and Boulder Bowl No. 1 tied with 2362 pins.

"B" team Boulder Bowl No. 2 led with 2406 pins followed by Bowlerette's with 2317 and Country Cousins with 2262.

In the "A" doubles Jarecki and Wilson bowled 1084, Goreski and Knepper 1080, Tornabene and Franks 1041, Lorentz and Simonton 1035, and Wideen and Calhopp knocked down 1002 pins.

In the "B" doubles Hill and Mitchell tied Strong and Sherrick with 1094 pins. The other couples followed with Goudie and McDaniels 1079, Boyce and Dunagan 1048, and Hargrove and Heitert 1040.

Industrial Days Buttons

Elks Innovation

Industrial Days booster buttons were put on sale for the first time in the history of the event when the Elks Lodge presented them on Saturday morning. The bright yellow buttons will be sold here and in other cities throughout the county, according to George Ulom, Exalted Ruler of the Henderson Lodge.

Also on sale with the local merchants are ticket books for the rides in the carnival area.

The books sell for \$1 each and contain \$2.40 worth of tickets. Not only are these books a bargain for the kids, they also will aid the Industrial Days committee who will receive a percentage of the money collected for the books.

Another promotion for the annual celebration is the distribution of advertising posters, not only in Clark County, but in nearby California and Arizona cities.

Finance Director Lists Assets of City

The estimated general fixed assets of the City of Henderson now amount to \$1,982, 148.00 according to a report prepared this week by Director of Finance Don Dawson.

The following assets were listed on Dawson's report: buildings, \$295,600; land, \$43,200; mobile equipment, \$91,100; stationary equipment, \$8,100; street equipment (non-automotive), \$3,700; maintenance materials, \$6,000; office materials, \$2,000; utility equipment, \$12,598; engineering equipment \$5,000; office equipment, \$14,085; recreation equipment, \$2,900; office furniture, \$8,301; public safety equipment (non-automotive) \$7,000; municipal utilities, (public owned) \$1,482,564.

CITY LOSES BID ON C.P. SCHOOL

At Monday's meeting of the City Council Mayor French announced that the City had placed a bid of \$50 on the former Carver Park school building, but the building went to a higher bidder.

A letter has been written to the General Services Administration office asking that the city be allowed to buy the building on a preferential bid. If the city is successful in its attempt to purchase the building, the various rooms will be designed as meeting places for various groups such as Girl Scouts, Civil Air Patrol, and other organizations who have no meeting places, Mayor French said.

The city is also interested in purchasing the plot of ground on which the school building is located. This plot is about five acres in area and would probably be used for recreation purposes.

Laverne Pool, James Butler Wed In Impressive Church Ceremony

LaVerne Pool, daughter of Mr. and Mrs. Thomas P. Pool, 59 E. Texas St. was united in marriage with James Ray Butler, son of Mr. and Mrs. J. W. Butler of Washington, at the Henderson Community Church, April 6, with Reverend Ford Gilbert performing the double ring ceremony.

Wedding music was played by Mrs. Miriam Burkholder. Sharon Staley sang "Oh Promise Me" accompanied at the organ by Mrs. Burkholder. T. P. Pool escorted his daughter to the altar.

The young bride was attired in a full length white bridal gown, the skirt of which was fashioned in tiers of French lace over satin. Her veil of net and French lace was attached to a crown of seed pearls. Her bouquet was of roses and white orchids.

Mrs. Patsy Yeager, sister of the bride, served as matron of honor. She was attired in a white French lace gown over pink satin, and wore a tiara of pink. Her bouquet consisted of white carnations tied with pink streamers.

Bridesmaids were Sharon Staley, Sherry Trent, Edith Head, and Rosemary Ballew. They were attractively dressed in pink, green, blue and yellow nylon gowns with taffeta overskirts, and carried matching bouquets.

The best man was Gene Peacock, while Robert Clausen, Sherman Ludwig, Robert Lux and John Taney, Jr. served as ushers.

CARNIVAL WILL FEATURE DAILY TALENT SHOW

One of the highlights of the Industrial Days carnival area will be a three hour show presented each evening starting at 7 p.m. These will feature mostly local talent and are under the direction of Dr. Earl Gould assisted by Josephine Bearden and Millard Burcham.

Included in the three performances will be: The Swing Willies, Jerry Kizzia, Don Paquette square dancers, American Legion Post Bugle Corps, St. Peter's school band, Dave De Soto, LDS mothers quartette, Basic high trio, Basic trumpet quartet, Kathy Di Nordi, Martha Schlotthauer, Pamela Lane, Lynn Loveland, Paul Sloan, Parer Sisters, Paul Cayton, Lee Lamareaux, Mrs. Getts, Blacky Biker, Gary Cooper, Andy Alvarez, Kitty Hatch, Linda Lou Carter and Mrs. Leon Sullivan.

Mitzi will also be present to entertain the children.

COUNCIL SLATES PUBLIC HEARING ON SIDEWALKS

A public hearing will be held the next meeting of the City Council.

The greatest "bone of contention" is whether there should be a three foot strip between the sidewalk and curb or whether the sidewalk should be seven feet wide and meet the curb.

This question was discussed at length in the last meeting of the planning board with the final vote favoring the wide walk and no parking strip. Residents having opinions on the subject will have an opportunity to state their views at the public hearing.

Another big street problem is the access road to Hillcrest Manor. This problem was sent back to the planning board for further study.

The Council followed the recommendations of the planning board and accepted for dedication as a city street a road between the property of C. F. King and Frank T. Price in Pittman. The new street, which runs from Boulder Highway to Pabco Road will be numbered in accordance with other streets in the Pittman area.

The vacation of the fire lanes between Pacific and East Texas and Devlin and Wyoming was discussed. A letter from Police Chief George Crisler was read and stated that the police and fire departments felt that the vacation should be denied as the fire lanes might be needed in the future and if vacated the city might someday find it necessary to buy them back. Another letter was received from the planning board in which it recommended the vacation with easements for utilities retained. This matter was also returned to the planning board for further study.

Marianne Cumings Wisteria Queen In Sierra Madre

Marianne Cumings, 16, began her reign Saturday as Queen of the month-long Wisteria Vine Festival being held in Sierra Madre California. She is the daughter of Mr. and Mrs. Roy E. Cumings, 34 Arkansas, Henderson. Cumings works at the Bureau of Mines in Boulder City.

The Queen was chosen from 16 contestants on the basis of beauty, photogenic qualities, and charm. Miss Cumings, who lives with an aunt while attending high school in Pasadena, has already appeared on radio and TV programs. Her awards include a tour of the movie studios, attendance at a premier, dinner at the Brown Derby, a visit at the House of Westmore, and a screen test.
