MORRY ZENOFFS'
MORRY'S STORY

The kids are home from college and the rest of our younger citizens are on vacation from high school and the lower grades.

Which means—we hope we can score a bulls-eye today and hit each one of them with a message.

This message:

Plan on coming back here to live, work, play for the rest of your life—when you finish your education.

We've looked over the field of futures—and be it running a company on the stock exchange, devising missiles for Uncle Sam, combining chemicals for a zillion dollar corporation, promoting the Miss America pageant in Atlantic City—playing pro football or baseball with the big leagues—be it anything big and successful sounding—there is no place you'll enjoy better than this—your home town.

First of all—your home town needs you to run its business—as a voter, as an officer holder, as a volunteer board member on some commission. You need only to drop in and listen to what goes on with a few of our present day law-makers and you realize there is a place for today's young man in tomorrow's city government. Educational background, fair and impartial judgement, sound diagnosis and study and then concerted action is needed to make a city as modern as its citizenry.

A city is only as great as the people within its borders. You fellows and girls—come back here and live—and help make us great . . . help make tomorrow as great today.

There will be jobs, magnificent futures here. Plan on it—your neighbors, your fellow townspeople need you. And look how happy you will make the rest of the members of your own family.

There's rumors making the rounds of some shenanigans in the police department. A citizens committee is silently keeping tabs and as soon as the facts are verified, if they can be verified, this paper will print them. Tho we would rather they clean themselves up with this printing.

On the official tape of the council meeting the other night, there were some comments from a real estate councilman in favor of a project the city has been asked to study. The project when built is scheduled to be sold thru the office of the real estate councilman. The project sounded fine and the builder looms as a big one—and good one for our town—but we thought personal interest automatically demands a councilman to walk out and sit in the audience.

Doc Phillips will move into his new golf course home this week . . . Joe Wells has a party who would like to build 1,000 homes if the council will sell him the rest of the land in Industrial Park . . . The Town House has been sold out solid during the Jaycee week . . . they came from all over, Hersh Trumbo reports . . . Don Yost will soon have a cute cocktail bar going right in the same building . . . Friends of Jim Gibson are urging him to run again for the state assembly . . . he was generally considered up north and by many down south as one of the state's leading legislators of all time . . . looks like this city and Boulder combined may decide the state governorship in the fall elections . . . merchants tell me business is up over last year by nearly 25 per cent . . . Bill Eggers, our city's representative on the national pro golf circuit, came home for a rest two weeks ago and his conversation was high on Nicklaus—he said, "the fellow has a concentration that is sensational. When he gets up there to hit, an atomic bomb explosion couldn't dent his concentration of each shot . . . and our man—Herb MacGregor picked Nick to win the open. . . I pick Eggers to win something big this year—cause now he feels he's found himself on the green . . . a new golf pro shop is under construction at Black Mountain for Joe Steiger . . . there is a need for one and two bedroom apartments—c'mon investors—the town's ready for several hundred right now . . . congrats to the elegant lady banker—Selma Bartlett—few have attained her station in life—at so young an age—and she will go much higher—in this old-fellow's opinion . . . congrats, too, to Kent McBeath on becoming a doctor of medicine . . . brother—that is the toughest course of all . . . Jo and Doty, his parents, deserve praise for backing the lad all the way to a degree. Hope he opens up offices here some day.

Eldorado To Open Doors On July 1

The Eldorado Casino and restaurant located at the intersection of Water and Atomic will open its doors July 1, it was announced yesterday. New operators are Paul Perry, formerly associated with the Royal, and George Crowley, a former employee of the Mint in Las Vegas. Extensive renovating of the casino, formerly known as The Wheel has taken place in recent weeks. Improve-

ments have been made in the gaming room, and the bar and the restaurant.

Paul Perry, one of the operators of the Eldorado is very well known locally. He made quite a reputation here while working at the Royal. Perry and his associate both are very familiar with casino operations. It is reported that the new casino will have more room for operations than in the past.

4,000 Feet Of Six Inch Pipe Installed

The City Maintenance Department headed by Ray "Dick" Arnold has just completed the task of installing 4,000 feet of six inch water line in the Pittman area to replace the four-inch lines installed in 1942.

This is considered a real accomplishment. Some of the old four-inch line was in very bad shape according to Arnold.

The maintenance crew has about 4,550 feet of water pipe to install before the Pittman assignment is complete. When this task is completed 95 percent of the Pittman area will have new water pipes.

The completion of the installing of the 4,000 feet of six inch pipe serviced about half of the area. Arnold indicated that the old pipe was holding up well east of Mosher Street.

Ladies Guests

Ladies will be guests at the anniversary luncheon of the Kiwanis Club next Tuesday at the Swanky Club. Perfect attendance pins will be distributed at the business meeting which will follow the luncheon.

Dick Pryor, past president of the Kiwanis Club and the historian will give a brief history of the local club since it was started three years ago.

Bill Eggers Returns To Pro Circuit

Bill Eggers, the Black Mountain Country Club pro who is being supported on the professional golf tour by local business men, makes his first start after a brief vacation for the U.S. Open in the Eastern Open at the Mt. Pleasant golf course in Baltimore, Md., today.

Eggers failed to qualify for the U.S. Open, and spent a week in the area with his family. While here Eggers tuned up for the future tournaments by playing often at the Black Mountain Country Club course.

Before the Open started last week Eggers told local golfers that he thought Jack Nicklaus had the best concentration on shots of any of the pros, and he forecast a high finish for the 1962 Open champ.

To Tell About Urban Renewal

Glenn Manley, executive director of the Urban Renewal Agency of Las Vegas, will be guest speaker at the meeting of the Chamber of Commerce at noon today at the Swanky Club.

Manley has been with the Las Vegas agency since September when he was hired for the execution of the Madison School Project.

The Las Vegas Urban Renewal Agency is aiding the City of Henderson in drawing up a program for community improvement.

Originally from St. Louis, Missouri, Manley worked as deputy director of the urban renewal program of that city. He also received his Doctorate of Law degree in St. Louis. President Phil Hubel urges all members to attend and hear Manley's very important talk.

FOREIGN VISITORS — The group of young people shown above are members of a foreign student body touring the United States. They visited local plants here yesterday and were in the Titanium plant when the above photo was snapped. A number of the foreign students stayed at homes of Titanium workers Tuesday and Wednesday nights. They are headed for New York City, and their next stop will be Salt Lake City, Utah.

Foreign Group Of Students Tour Plants

A total of 34 foreign students assembled at the Titanium Metals plant at 10 a. m. yesterday prepared to make a plant tour. Eugene Francey, assistant plant manager announced plans for the tour.

In addition to touring the Titanium facilities, the students will also visit the other industrial plants in the area. Tours of American-Potash, Stauffers, U.S. Lime and Pacific Engineering was also planned.

The foreign students have been touring the west and have been busy inspecting the plants of the far west.

Many nations were represented in the touring group of young students. The conducted tours are expected to last most of the day.

Some of the visiting foreign students of the plant tour here stayed Tuesday and Wednesday night at the home of TMCA employees. They got up early today and headed for Salt Lake City, another stop on their tour.

Local families who provided lodging for the foreign students who hailed from 25 foreign countries were: R. E. Cunningham, H. M. Cresap, E. C. Haag, J. E. McMillan, Darrell Pitts, W. J. Leschig, F. E. Love, J. D. Nicholson, P. A. Dobrus, C. P. Allsebrook, A. M. Neumann, L. Zorio and L. E. Anderson.

Mike O'Callaghan Resigns Water Board Post

Mike O'Callaghan, former Basic School instructor, now serving as Chairman of the Democratic County Central Committee and Chief Probation Officer for Clark County yesterday revealed that he has tendered his resignation to Governor Grant Sawyer as a member of the Clark County Ground Water Board.

The Ground Water Board was created last year by the State Legislature to assist the state engineer in allocating water in the Las Vegas area. George Monahan is

chairman of the board.

O'Callaghan stated that he resigned because he feels he is unable to accomplish anything as a board member which would justify taking time away from his other duties.

On two applications for ground water for golf courses O'Callaghan voted with the majority in opposing such water use only to find that other board members changed their votes to favor the golf course water at subsequent meetings.

ELKS NIP NOTE BUT FAIL TO LIFT MORTGAGE

Rain and wind were held responsible for the fact the Elks didn't raise the building mortgage at the big "Nip the Note Night" at Helen Herr's Ranch in East Las Vegas.

The party, however, was a success, with a large crowd present. The Elks report that they "came within an inch" of their goal. Exalted Ruler Frank Belger and all of the Lodge members expressed their appreciation to those who attended and helped make the affair successful.

E. S. Favinger of Mercury, Nevada was the lucky winner of the television set given as a grand prize. Mrs. Ralph Lamb won a clock-radio for the closest guess on the number of beans in a half-gallon jar.

John Razmic To Resign Post As Teacher Here

John Razmic, assistant football coach and jaycee basketball coach at Basic High School last year, probably will resign his position here this week, and head back to Indiana next week. He has talked with Principal John A. Dooley about the matter, and has indicated that he will submit his resignation today or tomorrow.

Razmic was the driver training instructor at Basic. He was popular both in the classroom and on the football field during his brief stay at the local high school.

His driver training classes won National Safety recognition this spring. The format used by Basic will be copied by many schools in the nation.

"I regret leaving Basic High," Razmic told a Home News reporter yesterday. "However I am looking for professional advancement, and have several good prospects in Indiana," Razmic added.

A native of Pittsburgh, Pa. Razmic graduated from Indiana University in the spring of 1959. He coached one year at the university, and spent one year at Elkhart High School in Indiana before moving to Henderson for his year as assistant football coach at Basic High.

Razmic said that he has many friends here, and that he regrets severing these relations. The Hoosier athlete has a brother Chuck Razmic who is head coach at Rancho High in Las Vegas.

Father Of Mildred Trumbo And Meta Radley Dies In South Dakota

Funeral services for M. B. Poste, 77, father of Mrs. Mildred Trumbo and Mrs. Meta Radley, both of Henderson, were held Sunday at Phillips, South Dakota.

Mrs. Trumbo was called to Phillips on Tuesday, June 12 because of the serious illness of her father, who passed away on Wednesday, June 13, following major surgery.

Hershel Trumbo, his son Kirby and Marvin Radley flew to South Dakota for the funeral services. Mrs. Radley was unable to attend her father's services as at the time she was confined to the hospital for surgery. She is presently recuperating at home.

Mr. Poste was born March

19, 1884 in Rome, New York and had lived for many years at Phillips, South Dakota.

Survivors, in addition to Mrs. Trumbo and Mrs. Radley, include three other daughters, Mrs. Harry Paulsen of Wall, South Dakota; Mrs. Deloris Knutson, North Creighton, South Dakota; and Mrs. Leila Joyce, who is presently in Gercany; three sons Max Poste of Grantsville, South Dakota; Magnus Poste of Sturgis, South Dakota and Gene Poste of Redfield, South Dakota.

Also surviving are one sister, Mrs. Fressa Dean of Phillips; and a brother, Alison Poste of Sumner, Washington and a number of grandchildren.

Urban Renewal Tops Agenda For Special Council Meeting

Heading the agenda for next Monday's special council meeting at the City Hall will be a discussion of Urban Renewal. Glenn Manley, who serves as director for Urban Renewal in Las Vegas, and who is expected to fill the same role locally, will appear before the council. The meeting is set for 8 p.m.

Another item on the agenda for Monday is the city employees insurance plan which will become effective July 1. Under original plans, the city was to pay up to half of the premium for the coverage.

It was reported yesterday that the insurance committee appointed by Mayor William Byrne had accepted the bid of the Occidental Insurance

Company for providing insurance to city employees.

The committee on city employee insurance will make a report on the bid at Monday night's special session.

Jack Stevens, local council member who has been on vacation, and was unable to attend the regular session of the council last Monday night will be present at the special session next Monday night.

Mayor William Byrne indicated that several other matters will be discussed at the special session.

Lorin Williams one of the council members told the mayor last Monday night that he would be out of the city over the week-end, and that he might not be able to attend the special session next Monday.

Final Map Is Presented To Council

The final map of Northbrook Subdivision Unit No. 1 was presented to the council Monday night at their regular meeting at Eagles Hall. An easement which was omitted from the tentative map was included on the final map according to Hal Corbin, city administrator.

After looking over the map, the council decided to table the matter until Acting City Engineer Ted Turegun had a chance to study the map.

Rev. V. Hoffman Speaks Sunday On "Freedom"

The Reverend Vernon C. Hoffman, minister, will deliver a sermon entitled, "Freedom Rings," at the 10 a.m. service at the Community Church this Sunday. This is a special Fourth of July message based on Matthew 5:1-12. Truman Brydia will sing a bass solo and Mrs. Alenzo Newell, church organist, will play the following selections: prelude, "Still, Still, With Thee," by Mendelssohn; cf. fertory, "Nocturne Chopin" by Haydn; and postlude, "The Spacious Firmament" by Haydn. All visitors and friends are invited to join the congregation of the Community Church for this service.

UNEXPECTED GUESTS

The Wayne Pedersons of 114 Cedar street hosted two families of unexpected guests last week end. Arriving on Friday evening were Mr. and Mrs. Ross Larsen and children Royce, Lorraine, Joyce, Ronnie and Patricia of Ririe, Idaho, Pederson's hometown. The two men grew up together and the Pedersons sons dropped in en route home from Sunnyside, California where they had been visiting Mrs. Larsen's mother. Mrs. Larsen's brother and sister-in-law, Mr. and Mrs. Hoyt Phillips of Pomona, California, were away from home while the Larsens were in Southern California. Arriving home they learned that the visitors planned to stop in Henderson. Mr. and Mrs. Phillips followed their homeward bound

relatives and caught up with them at the Pederson residence Saturday evening. "A friend or a friend or relative of a friend is always welcome at our home," said Mrs. Pederson. She made room for the second couple of unexpected guests, who enjoyed visiting with their relatives and became acquainted with new friends. The Phillips remained over Saturday night and returned to Pomona on Sunday while the Larsens tarried another day and left for Idaho Monday morning. **Speak to Advertisers** Advertisers always appreciate knowing that you saw their advertisement in the Henderson HOME NEWS. Patio Unit Gardeniers Install Flora Kellar As New President

Patio Unit of Desert Gardeniers recently held its annual installation meeting on the patio at the home of incoming President Flora Kellar, 234 Nebraska Avenue. Marie Crisler officiated at the installation ceremonies. New officers who will serve for the next year with Mrs. Kellar are: Angela Dillard, vice-president; Florence Galoway, treasurer; and Florence Cutright, secretary. Other members present were Idella Bateman, Opal Davenport, Vera Mainor, Rosella Warren and Lorraine Yates. Guests were: Catherine Manning, Alice Terry and Beth Kinsley. An interesting program was presented and included an organ solo, "Beautiful Dreamer," by Rosella Warren and two readings, "Courtship of Miles Standish" and "The Monkey's Disgrace," by Catherine Manning. Flora Kellar read several poems of her own composition which included, "Grandmama of Twins" and "A Letter to my Sister." Refreshments and a social hour followed the meeting.

Everyone Invited To B. P. W. Ice Cream Social Tomorrow

Mrs. Bee Keenan, publicity Chairman for the business, and professional womens annual ice cream social, has announced that everything is now in readiness for the event which will be held tomorrow night from 7 to 10 p.m. at the home of Ruth Ball, 27 Nevada Way. Entire families are invited to attend. Tickets at 50 cent's per person are available at the gate and entitle the purchaser to all the ice cream and homemade cake he or she can eat and a choice of coffee or iced tea. The Ball home is located on the Boulder Highway access road across from St. Peter's Church. The Social will be held in the yard, lighted for the occasion by Japanese lanterns hung from the trees. The lanterns are visible from Boulder Highway.

Interclub Golf Match Set Sunday

Joe Steiger, Black Mountain Country Club pro said yesterday that a few more men and women golfers were needed for Sunday's interclub match with the Paradise Valley Golfers. Both men and women will compete. Winners will be decided on low score with handicap Steiger announced. Next month the Paradise Valley golfers will invade Black Mountain Country Club for a return match with the local golfers. Those interested in competing Sunday at Paradise Valley are urged to contact the pro shop here. The annual competition between the area golfers is very popular. In addition to the interclub match there will be a sweepstakes event for both men and women.

Presley Buys Famous Hidden Well Ranch

Sam Presley, Jr., owner of the Railroad Pass Casino, and Leslie Spencer of Jackson, Miss., have purchased the Hidden Well Ranch, home of the late Hewett S. West, president of Manganese Inc. from the Hidden Well Associates. Selling price was over \$300,000. The 88-acre estate on Paradise Road, a mile south of McCarran Air Field, was the residence of Mrs. Donald Hazekine, former wife of West, who with her sons, Hewett, Jr. and John West, comprise the corporation. The fabulous setting of extensive lawns, swimming pool and huge old cottonwood trees, has made the estate famous, and Elizabeth Taylor added to its reputation when she stayed there for six weeks while her present husband, Eddie Fisher, was obtaining his divorce. The Fishers also held their wedding reception at the ranch. The new owners expect to spend \$1 1/2 million dollars developing the 33 acres into an exclusive health spa featuring hot baths and 40 to 50 cottages. The remaining 55 acres will be subdivided into half-acre lots for a housing development. A free flowing artesian well on the property supplies more than a million gallons of 81-degree water daily. Presley established himself in this area a few months ago when he purchased and remodeled the Railroad Pass Casino, Nevada's oldest gambling establishment. He also was a resident of Mississippi before coming here.

POLITENESS IS MISSING

by Herb Mac Gregor
Ever since early February we have been covering court sessions in Municipal Court before Judge George O. Treem. We like the way the cases are handled with dispatch and firmness, and feel that the city is indeed fortunate to have a capable judge in court. There is one thing however that disturbs the writer. It is the lack of politeness of the teenagers who parade through Municipal court each session. On numerous occasions when accosted by the judge, the teenager instead of saying yes sir or no sir, will merely grunt "Yeah" or "Naw". This is very disrespectful of elders, and certainly makes an impression on those in court—a very unfavorable one to say the least. Perhaps we have too much chivalry or too much politeness, but we have always been taught to say yes sir and no sir, and we just figured all teenagers received the same kind of instruction. It doesn't hurt anyone to practice a little politeness and courtesy, especially to their elders. One thing is certain—it doesn't cost anything. So next time you're in court on a traffic citation, fellows, think before you speak and say yes sir or no sir to Judge Treem. He'll feel a whole lot better about it, and others present will also tab you as a gentleman.

War Mothers' Project Will Aid Vets At Whipple Hospital

The local chapter of American War Mothers met recently at the home of Vice-President Doris Pritchard to work on shoe bags and medical bags which are being made of ticking and canvas for the hospitalized veterans at Whipple, Arizona. A special meeting was held later at the home of Lulu Erickson to complete these items and prepare them for delivery to the hospital. In the absence of President Ann Parker, who recently underwent surgery, Mrs. Pritchard conducted the business session. Nora McGaaf, a Gold Star mother was accepted as a new member making a total of four Gold Star mothers in the chapter. Others are Julia Millis, Doris Pritchard and Bernice Peterson. Plans were made for participation in the National Board Meeting of the AWM to be held in September at the Thunderbird Hotel. Irma Stuffer gave a report on the recent meeting of local members with National AWM President Helen Kleinpeter of Harrisburg, Pennsylvania. Mrs. Kleinpeter visited here briefly enroute home from Hawaii where she represented the War Mothers at a memorial for the crew of the USS Arizona at Pearl Harbor. Other local members meeting with the National President were, Bertha Hobbs, Doris Pritchard and Clare Fisher. It was announced that the next meeting will be held July 9, at the home of Irma Struthers, 12-C Victory Village. All mothers whose sons or daughters have served in the Armed Forces during a state of war are eligible to join the group and are invited to attend.

MISS IONA HINDS HOSPITALIZED AT ROSE DE LIMA

Miss Iona Hinds, Chairman of Esther Circle of the Community Church, is in Rose de Lima Hospital where she is undergoing treatment. Her illness was announced at a recent meeting held at the home of Mrs. Truman Brydia, 160 W. Victory Rd. All members were requested to send cards to their chairman, who is still in the hospital. A buffet style potluck luncheon was served and members completed the work on their secret sewing project. It was the last meeting for Lucille Hollingsworth, who with her husband, Glen, has departed for her new home in Pueblo, Colo.

MARY DAVIS VISITS CHILDREN HERE

Mrs. Mary Davis of New Matamoros, Ohio, is visiting the families of two daughters and a son, Mrs. George R. Liggett of 109D Carver Park, Mrs. Robert Ward, 9D Victory Village, and Raymond Davis of 1D Carver Park. Mrs. Davis has been traveling between Ohio and Nevada each year for the past 10 years. This globe-trotting lady visits her family of eleven children, 46 grand children, and 17 great-grandchildren, not only in Ohio and Nevada, but also in West Virginia, Idaho, Alabama, and California.

WALTER R. HONEY IN VETS HOSPITAL IN LOS ANGELES

Walter Honey is in the Veterans Hospital in Los Angeles for observation and treatment of a serious illness, according to his wife, Margaret. Honey is an oldtimer in this area and a retired Stauffer Chemical Company employee. Mrs. Honey said she is sure her husband would appreciate cards and notes from friends. Those who wish to send cards can address them to: Walter R. Honey, Veterans Administration Center, Ward D3W, Wilshire and Sawtelle Blvd., Los Angeles 25, Calif.

NECK TIE SHOWER FETES REV. STUKAS

A surprise birthday neck tie shower for Rev. Wilfred Stukas of Salt Lake City, Utah, former Nazarene pastor in this city, was given by friends in the home of Rev. and Mrs. R. E. Partain, 1420 Palm Drive. Following games and refreshments, Rev. Stukas opened gifts from the 30 guests present.

Dominy To Inspect Head Waters Of Lake Mead At Bridge Canyon

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation #10. At all drug counters.

Commissioner of Reclamation Floyd E. Dominy, of Washington, D.C., will head a boating expedition to the headwaters of Lake Mead Wednesday and Thursday for an inspection of the potential Bridge Canyon Dam site, Regional Director A. B. West of the Bureau of Reclamation's Region 3 announced today.

Director West and other leading water resources authorities of the Pacific Southwest will accompany Commissioner Dominy. The party will also include Chairman Wayne Akin and Consulting

Engineer W. S. Gookin of the Arizona Interstate Stream Commission; General Manager and Chief Engineer Samuel B. Nelson, Chief Electrical Engineer and Assistant Manager Ivan Bateman and Division Superintendent of Generation Albert Hamilton of the City of Los Angeles Department of Water and Power General Manager R. J. McMullin and Board Member Germain H. Ball of the Salt River Project.

Others scheduled to make the trip are Regional Project Development Engineer H. E. Pelham, Area Engineer C. A.

Pugh, and Electrical Engineer R. E. Bellis of the Bureau of Reclamation.

The party will get underway at Temple Bar Wednesday morning, encamp in the Bridge Canyon area Wednesday night, and return to Boulder City Thursday.

Bridge Canyon is 117 1/2 miles upstream on the Colorado River from world-famous Hoover Dam. The Bureau of Reclamation has conducted comprehensive investigations of a potential high concrete dam in the canyon.

EILEEN KAY STOKES

'Sugar' Stokes Engaged; Plans Autumn Wedding

Mr. and Mrs. Earl Stokes of 649 Federal Street have announced the engagement and forthcoming marriage of their daughter, Eileen Kay "Sugar", to Gary Ashman, son of Mrs. Ralph D. Hill of Oxnard, California and James A. Ashman of Downey, California.

A native of Redlands, California, the bride-elect "has lived in Henderson since 1954 and is a 1962 graduate of Basic High School.

At high school, Miss Stokes was active in G.A.A. and was a member of the Desertaries. She is also a member of the Henderson Assembly, Order of Rainbow for Girls.

Devil Pups Offer 25 Clark County Kids Camp Life

Any healthy, normal Boulder City boy who would like to have a chance to blow off steam will find the Devil Pups made to order; Devil Pups are younger "brothers" of the world renowned Devil Dogs, a name given the United States Marines by the enemy during World War I. Devil Pups, Inc. a non-profit group recognized by state and federal governments, has invited 25 Clark County youths to participate in Devil Pups activities August 15-25, Camp Pendleton, California.

For two adventure filled weeks Devil Pups will live in Marine barracks, they will eat Marine food and they will be included in many of the Marine-training maneuvers, be on the scene observers for other training. Devil Pups will also take part in the recreation offered on the base such as pool swimming and beach parties.

Boys between the ages of 15 and 17 are urged to make application now to be included among the 25 fortunate young men who will go to Camp Pendleton. Since the invitations are limited, selection of applicants will be made by the Devil Pups Council in Clark County.

Elbert Edwards, principal, Boulder City High School, CY 3-1171, is a council member.

Black Mt. Country Club Hosts Party For Members' Teenagers

Black Mountain Golf and Country Club is hosting a teenage party at the clubhouse on Thursday, June 21, beginning at 6:30 p.m. for

members whose children are in the teens.

All members' teenagers are invited to attend the summer outing, and each member teenager may bring 3 guests. Those attending will be from high school sophomores through college age.

The affair, from 6:30 p.m. to 9:45 p.m. will allow time for swimming, bar-b-que and dancing. The time also takes into consideration the local curfew.

For the bar-b-que, pop and potato chips will be provided so the teenagers should bring along their choice of bar-b-que meats.

Invitational admission coupons have been mailed to all members and these coupons will be used to award door prizes at the party on Thursday evening.

The affair will be chaperoned by member adult couples.

COURT ACTION

Lawrence Charles Stone was fined on two counts in Municipal Court Tuesday morning. He drew a fine of \$150 for operating a motor vehicle while under the influence of intoxicants, and was fined \$50 for resisting arrest.

Jack R. White charged with contributing to the delinquency of minors was fined \$50 by Judge Treem. The local police charged White with purchasing beer in a local store, and giving the beer to minors.

Martin W. French Jr. was fined \$150 for operating a vehicle while under the influence of intoxicants, and he received another \$50 fine on a hit and run charge. Judge Treem also ordered French to make restitution to the owners of the property he damaged.

Two teenagers paid \$10 fines for possession of intoxicants. They were involved with White who drew the \$50 fine.

Richard J. Wilk paid a fine of \$25 for gross intoxication, and Jack L. Davis was fined \$75 on a charge of reckless driving.

Oscar A. Sergeant pleaded guilty to a charge of gross intoxication and was fined \$25. A disorderly conduct charge against Frank Worden was dismissed on the motion of City Attorney John Manzone.

Japanese lanterns and streamers of ribbon were combined in the appropriate decorating theme which was centered by a large wedding bell.

Attending the affair were: Judy Duckworth, Edith Barker, Sidney Smith, Twila Allan, Betty Oakes, Kathy Foley, Linda Harris, Diane Chase, Jerry Sawyer, Thelma Rulliffson, Estelle Marriot, Norma Lehman, Laura Bellingheri, Randa Blankenship, Gayle Gee, Kristy Johns, Edna Wooten, Agnes Lytle, Edith Columbe, Maxine Swift and the guest of honor Miss Johns.

"IKE'S" PLAN FOR WORLD PEACE

The following 12 suggestions were prepared by officials of People-to-People for anyone who wants to participate:

- ➔ 1 Get acquainted with foreign students. Call high schools or colleges for the names of exchange students. Invite them to your home.
- ➔ 2 Write to people in other countries. Enclose magazine or newspaper articles about the real U. S. Send a book they can read and pass on.
- ➔ 3 Get acquainted with foreign visitors who come to your town. Arrange to meet them. Entertain them in your home.
- ➔ 4 Meet your foreign-born American neighbors. Encourage them to write "home." They can win friends there for international understanding.
- ➔ 5 Encourage schools to correspond with classrooms aboard. People-to-People HQ can supply names and addresses of classrooms overseas.
- ➔ 6 Support foreign-language teaching. Particularly in grade schools.
- ➔ 7 Visit other countries when you can. Travel by yourself, with your family or a small group.
- ➔ 8 Be a good "ambassador." Study the cultures and customs of the countries you plan to visit. Learn at least a few words of the language.
- ➔ 9 Invite persons from other lands to visit you. Correspond with people aboard, encourage them to visit the U.S.
- ➔ 10 Exchange hobby ideas. People-to-People can give you the name and address of a person overseas who shares your hobby.
- ➔ 11 Collect books — especially children's. People-to-People can advise you where to send them.
- ➔ 12 Join People-to-People, urge friends and neighbors to join. Fill out the coupon below!

Sports Here and There

By Herb MacGregor

A Henderson junior baseball team was forced to forfeit a scheduled ball game Monday afternoon when a manager or a coach failed to show up at game time.

We were informed of the incident by the father of one of the Las Vegas nine's players. Both teams and the umpires were on hand, but the game could not start without an adult to handle the local team.

Since both teams had been stepping high in the junior loop it was surprising that the city team failed to have an adult coach on hand. It was also reported that the high school baseball diamond was in poor shape for the contest.

City recreation director Dalby Shirley had city workers busy whipping the diamond into shape Tuesday for a ball game there.

A week ago there was some talk at Black Mountain Country Club of the formation of a Twi-Light Golf League.

We think such a league would prove very popular. Playing in the late afternoon, the loop members could get

in some real competitive golf and brush up their game for the late summer and fall tournaments.

We know of a city that used the Twi-Light golf plan with great success. In this mid-west loop four players made up a team. One junior player was on each four member team. Often the junior players outshot the senior members of the team. We hope such a league is formed here.

Just what is it that transforms a mediocre pitcher into a world-beater? Take the cases of Bob Shaw and Bob Purkey. They have been good in years past, but of late they are just plain unbeatable.

Purkey has won a dozen games already, and is certainly headed for a 20 game season. Shaw also looms as a possible 20 game winner with nine games already on the

right side of the ledger. Often it is an experiment with a knuckle ball, a slider or the development of a good change of pace that

makes a pitcher blossom out suddenly. Then improved control also could have an important role in the improvement of a pitcher.

Speeder Gets \$30 Fine Here

Judge George O. Troom handed down a fine of \$30 against Don Richard Barker in Municipal Court Tuesday after the young man was tried on a speeding charge.

Officer Earl Moore of the local police force testified that he chased Barker's car from the Vegas Wash-Boulder Highway intersection

Council Gives Baker Approval

The city council in their regular session last Monday night at Eagles Hall voted to vacate a portion of an easement for Gerald Baker, 110 Ocotillo.

The matter had been brought before the planning commission before and was referred to the council. Baker planned an addition at his home the council was informed.

PRINCIPALS TURN STUDENTS — Among the 24 educators attending a special Elementary School Principals' Workshop Monday through Friday were, from left, Annamae Riiff, Powers Grade School, Powers, Ore.; Robert L. Taylor, Park Village Elementary School, Henderson; Dr. George C. Kyte, professor emeritus of the University of California at Berkeley who directed the workshop; Dr. Leslie McClellan, ISC assistant professor of education and coordinator for the workshop; Leo Wright, Twin Falls Junior High School; Willis R. Wells, Tyhee School, Pocatello, and Maxine Smith, Whittier Elementary School, Boise.

Picture That

BEFORE YOU GO AWAY

Over the years we've stockpiled a few bits of tried-and-true advice on vacation picture-taking. And as Oscar Wilde once drily observed, "What can you do with good advice but pass it on?"

DO take your camera along on vacation, and DO keep it loaded, ready for every picture opportunity that pops up. But DON'T leave a loaded camera in your car's glove compartment or on the rear window deck. Heat can play havoc with the film.

VACATION BOUND?
SAVE THE FUN IN PICTURES

DO send your color film in for processing as soon as it's all exposed. Heat and dampness can spoil your pictures — but good. (We have Kodak Prepaid Processing Molders that solve this problem. Use 'em to mail your film to Kodak. Kodak then returns your processed film right to your home.)

DON'T ever put your camera down on the beach without at least wrapping it in a towel. Sand does a fine job of scratching your lens and sifting into the working mechanism.

DO take along a flash holder on your vacation. Remember there are plenty of after-dark picture possibilities at parties, hayrides, cookouts, etc.

DON'T forget to use a yellow or green filter when shooting black-and-white film outdoors in sunlight. The filter will not only add snap to your pictures — it will also keep your lens clean and safe.

DO drop in here before you leave, to stock up on plenty of film and anything else you may need at the last minute for your gadget bag.

past Stuckey's before catching him. He said that he was forced to travel 80 miles per hour to overtake the speeding car.

In his defense Barker introduced a witness who said that he thought Barker was traveling about 55 miles per hour. Barker denied on the witness stand that he had passed three or four cars on the right side during the chase.

**Carol Stapp and Jack P. Norris
To Wed July 7 In Albuquerque**

Mr. and Mrs. Davis Stapp of Albuquerque, New Mexico have announced the engagement and forthcoming marriage of their daughter, Carol, to Jack Pope Norris, son of Mr. and Mrs. Jack T. Norris of 234 Platinum Street.

The bride-elect was graduated from Highland High School in Albuquerque and is presently a student at the University of New Mexico, majoring in education. At the university she is a member of Pi Beta Phi, Angel Flight, Spurs and Waterlout.

Norris is a 1954 graduate of Basic High School and in 1961 received his degree in civil engineering at the University of New Mexico where

he was a member of Sigma Phi Cultural Committee, Concert Band and American Society of Civil Engineers.

He is presently employed by the California Division of Highways at Long Beach.

The couple will be married July 7, at 10:30 a. m. at the First Congregational Church in Albuquerque and after a honeymoon trip to the World's Fair in Seattle will make their home in Long Beach.

The prospective bridegroom will arrive here July 2, and his parents, Mr. and Mrs. Jack T. Norris, will accompany him to Albuquerque for the wedding.

Other N-S winners were Sally Phillips and Bob Taylor, second; Earl Davis and

**Duplicate Bridge
Winners Listed**

Mr. and Mrs. A. E. Hamilton were first place winners in the North-South position at Friday's meeting of the Duplicate Bridge Club. High honors in the East-West position went to Mr. and Mrs. Ross Salter.

Other N-S winners were Sally Phillips and Bob Taylor, second; Earl Davis and

Sam Cooper, third.

Gwen Hardwood and Miriam Giles took second place in the E-W division with Mr. and Mrs. Carl Henatsch, third.

**Alice Sullivan Awarded 2-Year
Scholarship By Alumni Club**

Alice Sullivan, 1962 Basic High School graduate, has been granted the two-year tuition scholarship of the Southern Nevada Alumni Club of Western State College State College of Colorado, the HOME NEWS learned today from Mrs. Luie Ammerman, Secretary-treasurer.

During the five years in which this small alumni organization has granted scholarships, Miss Sullivan is the first Basic High School student to be so honored. She is an honor roll student, according to her Counsellor and has been working for Mr. & Mrs. Ammerman at the A & W Drive-In on Frontier Highway.

Mrs. Ammerman who is a teacher in the Clark County

School System and has served her club's Scholarship Committee for two years, reported herself "delighted" at the selection of the Basic graduate. "Mr. Ammerman and I intend to have a special Alice Sullivan Day in August in which all net profit will go toward her scholarship."

Other officers of the Alumni Club are Clarence Hilburn and E. Bruce Cullings of North Las Vegas. Serving on the Scholarship Committee with Mrs. Ammerman were Cullings of North Las Vegas, Mrs. Gerald Lamb of Las Vegas. The recipient lives with her mother and four brothers and sisters at 139 East Pacific.

Boost For Stock Cars

Development of the Thunderbird Speedway as a testing site for General Motors cars would be another big boost to the city. It would not only bring in scores of cars but also mechanics, engineers and other personnel.

With the kind of weather prevalent here this testing could take place almost 12 months of the year.

It may be that the speedy stocks Pontiacs and Chevrolets especially will need a better track for the test series. The new section was torn up a bit by the sports cars, and stock cars are expected to be tougher on the track than the sports cars.

If GMC did recommend a better track to match the fine straightaway (formerly the drag strip) this could be done in a short time. We doubt very much if any more work would be needed on the drag strip. Not those who have driven over the new section claim that this section is not good enough to take stock car racing or testing.

If General Motors does use the local race course for car testing it would really publicize the track. And it also will make local race fans stock-car conscious.

Personally, we would like

to see the stocks race here. On a course like the Thunderbird Speedway which has banked curves, the stock cars could operate very efficiently.

If good stocks and good drivers are brought in for a weekend card here, fans will want them back again and again. Making Thunderbird Speedway a testing site here would really be a boost for stock car racing.

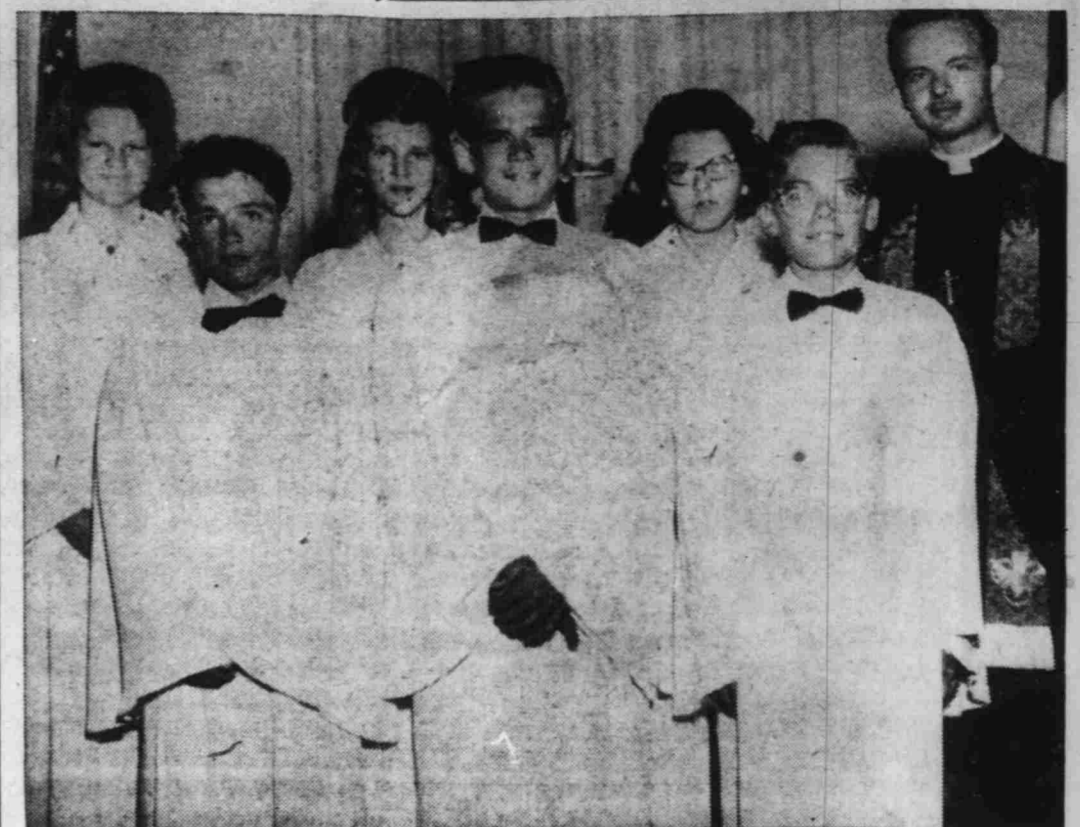

Some of our top race drivers drive stock cars at tracks scattered about the nation. It would be quite a drawing card here for a big stock car race for some of the star performers in the Memorial Day classic at Indianapolis.

The Home News feels like so many car racing fans that stock car racing would click here. In the event Thunderbird Speedway becomes a testing site for the stock cars, rest assured that we still will have some good stock car races here.

**Best Insurance
Plan Sought
By Committee**

Frank Morrell, a member of the Insurance Committee appointed by Mayor William Byrne, made a brief report on the matter at the regular meeting of the Council last Monday night at Eagles Hall. He said that all members of the committee seeking a policy to cover city employees after studying the various bids felt that the item hospital care should have more coverage.

The committee sent letters to the companies which bid on the insurance coverage asking for new bids with hospital care coverage more complete. It is hoped that the city employees will be able to have full coverage by July 1, Morrell told the Council last Monday night.

CONFIRMATION — Six young people are shown at confirmation rites performed Sunday by The Reverend Terrill Kramer, Pastor of Our Savior's Lutheran Church. The confirmants, from left, front row, Wallace Hopkins, Randall Davis and George Akers; back row, Hattie Woodworth, Susan Fritz and Susan Brown.

**Paty Keenan
Feted At Two
Bridal Showers**

Miss Patricia Wilma "Paty" Keenan was feated at two bridal showers given in her honor during the week prior to her wedding Saturday, June 16.

The bride-to-be was entertained Monday evening, June 11, at a shower given in her honor by Mrs. Ruth Ball of 27 Nevada Way.

Centering the serving table was a blue net umbrella from which hung dozens of crystal drops which shimmered and glowed in the candlelight; and a statue of Cupid with a base of blue net and pink and white sweetpeas. Milk glass candelabra and pink candles flanked the unique centerpiece decorations.

Punch was served from a milk glass punch bowl with pink petit-fours and individual lemon umbrella cakes which complimented the serving table decor.

In addition to the many personal gifts bestowed upon Miss Keenan by the more than 20 friends present; she was presented with a gold-embossed ivory recipe file and each guest present wrote her favorite recipe on a file card for her bride-to-be.

A large group of friends also attended a shower given in Miss Keenan's honor the evening of Wednesday, June 13, by Mrs. Cindy McClanahan of 51 Lowery Street.

Miss Keenan, daughter of Mr. and Mrs. Earl Keenan, 59 Church Street, was married on Saturday to Wendell A. Johnson of Phoenix, Arizona. The wedding was held at St.

**Mirabelli Files
For Office Of
State Treasurer**

Michael A. "Mike" Mirabelli Thursday morning filed for the office of state treasurer. Mirabelli is chairman of the Board of Washoe County Commissioners; chairman of the Board of Equalization; vice-chairman of the Board of Trustees, Washoe Medical Center; and vice president of the American Cancer Society.

This candidate was graduated from the University of Nevada in 1950, where he was quarterback on the football team. He was football coach of the Manogue High School in 1948 and taught school in 1951 and 1952.

Michael A. Mirabelli

He has been in business since 1953 and for the past six years has managed his own business.

Mirabelli was Born June 2, 1922 in Union City, New Jersey and attended elementary school and high school in West New York, New Jersey, later attending LaSalle Military academy at Sayville, Long Island. He and his wife, Betty, recently celebrated their 19th wedding anniversary.

During World War II, Mirabelli served from 1942 to 1945 in the Armed Forces. He is presently serving as Master of Ceremonies for the Teenage T.V. program and is a member of the Reno Chamber of Commerce, Elks, Lions and YWCA.

His father, Charles Mirabelli is the owner of Valet Cleaners in Las Vegas, where a brother, Phil Mirabelli is serving as City Commissioner. Three other brothers also live in Las Vegas, Frank Mirabelli is manager of Showboat Lanes; Dante Mirabelli, cashier of the Calif. Club; and Armand Mirabelli, a laundry owner. Mrs. Thomas Davies, his sister, also resides in Las Vegas.

tions Thursday at lunch as Kenneth Lyons and his teacher Dale Foreman, spoke to the Kiwanis Club of Uptown Las Vegas, at the Thunderbird Hotel.

"The Frog's Eye", a study in bionics, was the exhibit which Lyons took to the National Science Fair. He was hampered there by the failure of a transistor which could not be replaced in time to receive full benefit in the judging. A number of Boulder City groups plus the Schoolmasters Club of Las Vegas Rotary, a Las Vegas newspaper and Edgerton, Germeshansen and Grier in addition to Kiwanis were financial sponsors of the trip by Lyons and Foreman.

Lyons has completed his sophomore year at Boulder City High School. He is currently attending the University of Oklahoma on a summer science scholarship as one of 50 boys chosen under the National Science Program. One of the prizes he won in the local fair was a one year membership in the Nevada Academy of Science.

Thursday's program was under the auspices of the Kiwanis Public and Business Affairs Committee and was introduced by Zelvin Lowman Chairman. President Verle Lee presided.

**Project Men
Marksmen
Recipients**

At a ceremony held recently at Hoover Dam, awards were presented to guards and guides on the Boulder Canyon Project who, through a display of superior marksmanship, had successfully qualified in firing the United States Army Dismounted Pistol Course.

Ross E. Salter, Range Master and Public Relations Officer on the Project, acted as Master of Ceremonies upon this occasion. He congratulated to 10 participants upon having passed the rigorous test given by W. A. Jonaseh of the Boulder City Rifle Club, a qualified Range Officer who represented the Department of the Army in conducting the qualification course at the local pistol range.

Those receiving award certificates for meeting the required scores were, for Expert — Leonard Cameron, Paul Lytle, Richard Stephenson, and Roy Wood; for Sharpshooter — Charles Ernest, Harold Lampsa, and Joseph Hayes; and for Marksmen — John Micklovich, John Weiler, and John McKay.

Project Manager L. J. Hudlow commended the participants for their having maintained a high level of small arms proficiency and encouraged others to make greater use of the facilities provided for pistol practice.

Oregon Group Holds Concert At First Baptist Church June 27

The Ambassadors, a talented musical group from Multnomah School of the Bible in Portland, Oregon, will present a varied program of vocal and instrumental music the evening of Wednesday, June 27, at the First Baptist Church, Atlantic and Kansas.

The concert will open at 7:30 p.m. and the public is invited to attend, it was announced by the Reverend John Osko, pastor.

The student musicians, four men and three women, will offer a variety of refreshing gospel music and spirituals.

No less than four musical combinations are offered by the Ambassadors in addition to vocal and instrumental solos. The program includes numbers by a men's quartet, women's trio, mixed ensemble and a trumpet trio.

The Ambassadors are on a 6000 mile summer concert tour that will take them thro-

ugh seven western states. They have appearances scheduled in more than 50 churches in Washington, Oregon, Idaho, Utah, Nevada, Arizona and California.

The group left Portland June 12, and are scheduled to return August 6.

Man Found Guilty In Court Here

J.C. Harrison was found guilty of reckless driving after a trial in Municipal Court Tuesday, and was fined \$5 by Judge George O. Treem.

Police Sgt. Wilbur Jack Perkins testified against Harrison in the trial. He said that Harrison crossed Boulder Highway at Basic Road, and almost hit his truck as he was coming out of the road in front of Safeway.

Harrison testified that the police sergeant failed to stop at a yield the right of way, and that he had to swerve to keep from hitting Perkins' truck.

In handing down the fine, Judge Treem pointed out that there was some doubt in his mind. He therefore assessed the minimum fine.

"What can I do about this pain?"

Customers often ask questions like this. And every year we sell perhaps a ton of pain relievers. Relievers. That's the point. We can sell simple analgesics, but we can't prescribe drugs to eliminate the cause of pain. Diagnosing and prescribing are in your physician's province. We, as professional pharmacists, work with doctors, providing the drugs they order. So, if you have any kind of a persistent pain, see your physician. We shall be pleased to provide any medication which may be prescribed.

Odd Fellows And Rebekahs Celebrate Centennial Order in Nev.

The Grand Lodge of the Independent Order of Odd Fellows, and the Rebekah Assembly I.O.O.F. of Nevada, have been meeting this week in Virginia City, to celebrate the 100th birthday of the founding of the Order in Nevada.

Wildy Lodge No. 1 was instituted at Gold Hill on April 1, 1862, in the old Veazy House, and erected their own hall within the first year. Parts of the hall are still standing behind the monument at Gold Hill, where a commemorative service was held Tuesday morning.

Ted S. Ede of Reno, grand master, was chairman of the service. The history of Odd Fellowship was given in two parts by Charles Henderson, past grand master and grand secretary of the Grand Lodge of California; and Philip N. Orth, past grand master and grand secretary of the Grand Lodge of Nevada. W. T. "Bill" Mathews, past grand master, gave the commemorative address. Oakford A. Schlick, deputy sovereign grand master, was also a speaker.

In 1862, three other lodges were instituted: Silver City Lodge No. 2 on April 14; Mt. Davidson Lodge No. 3 at Virginia City, April 23; and Carson City Lodge No. 4 on April 15.

Other lodges instituted in the next few years were Harmony No. 5 at Dayton, June 2, 1863; Nevada No. 7 on Jan. 15, 1864; Virginia No. 10 on May 5, 1865; Olive Branch No. 12, Dec. 4, 1867; and Parker No. 13 at Gold Hill, Oct. 8, 1868. They had a membership of 792.

Several of these were consolidated in later years, into Virginia No. 1 shrine of Odd Fellowship in Nevada. The Grand Lodge of Nevada was instituted Jan. 21, 1867, by Daniel Norcross, P.G.M. of California, who had been commissioned district deputy grand sire for the occasion.

Colfax Rebekah Lodge No. 1 in Virginia City was institu-

ted March 4, 1869, only four months after the first Rebekah Lodge in the world was started in October 1868 in Iowa.

June 24 and 25, 1865, Virginia City and Austin were visited by Schuyler Colfax, founder of the Rebekah Degree. He was at that time Speaker of the House of Representatives on a transcontinental visit to the west, explaining the laws passed by the 38th Congress of the United States. He was a special emissary of President Lincoln to deliver to the Comstock the thanks of President Lincoln for the financial support which Virginia City had given to the nation during the Civil War.

The monument erected by the Grand Lodge of Nevada was dedicated June 16, 1936, in commemoration of the 75th birthday of the Order in Nevada. The Board of County Commissioners of Storey County gave the Grand Lodge permission to use, permanently, the land occupied by the monument.

The information for this article was taken from an article by Ted S. Ede, the grand master.

STAUFFER NAMES GUNDER CHEMICALS DIVISION HEAD

Roger W. Gunder has been appointed Vice President and General Manager, Industrial Chemicals Division Stauffer Chamber Company, it was announced today by Hans Stauffer, President. Mr. Gunder was previously the Division's Vice President Sales.

EDITORIAL

GOOD ADVICE: LEAVE YOUNG WILDLIFE BE

Spring is a time of birth. Plants bloom and grow, the countryside turns green and among the wildlife community, infant members are making their debut. During the months of May and June, the young of a goodly number of wildlife species are born. These young face many hazards during the first few weeks of their existence. Among these is the well-intentioned but misguided person who, believing young to be abandoned, picks them up and takes them home.

All persons who venture into the out-of-doors during this time of year are urged to leave either nests or wildlife young alone, even though the young may appear to be abandoned. In most every case, the mother is not far away and the young are being given proper care. Take deer, for example, during the first few days of a fawn's life it does little traveling, preferring to occupy one general area where it nurses and hides. This is because it is still too young and weak to do much moving around. The doe seldom beds down during the day right with the fawn but, rather, may bed down a considerable distance from it, though probably close enough to hear it, should it squeal. She goes to the little fellow when it is time to feed, then leaves it while she is either feeding or resting. This being the case, people often happen onto fawns lying still and motionless in protective cover, and assume that they have been abandoned since they do not see the doe anywhere around. When they pick up the youngster to take him home the doe may be near enough to watch them cart her baby away. Even though the doe may be bedded fairly close to the fawn she likely will, upon hearing or smelling someone approach, sneak off through the brush or trees without being seen.

As far as raising wildlife young is concerned, no one does this better than the animal's mother. Many times, captive young die because of lack of proper food or other essentials in their environment. Leave those wildlife youngsters alone. You'll be doing them a favor.

As an afterthought, while it is detrimental to wildlife, young to spirit them away from their natural haunts, it is also illegal if the young are game or protected species. A person can be prosecuted to the extent that he would be if he poached these species out of season.

Fawns make it better in wilds than in suburbs.

HERE'S SOMETHING NEW FOR YOUR BARBECUE

If you'd like something special for your next outdoor menu try Beef Stroganoff made with tangy buttermilk. Buttermilk contains all the nutrients of whole milk except those found in butterfat.

This dish virtually cooks by itself. For two hours it can simmer in an electric frypan either in the kitchen or on the patio. Or it can be pre-

pared and served on the patio in a chafing dish or casserole with warming candle.

BUTTERMILK STROGANOFF
¼ cup flour
1 teaspoon salt
½ teaspoon pepper
1½ lbs beef cut in cubes
2 tablespoons butter
1 cup sliced onion
1 clove garlic, minced
½ cup water
1 teaspoon Worcestershire sauce

Nevada Band To Perform At 49'er Contest

Reno, Nev. — The University of Nevada marching band will perform at the San Francisco 49'ers December 15 game at Kezar stadium, according to Joe McTigue, band director for the football team.

The Nevada band will be the only half-time band appearing at the 49'er-Cleveland Brown game. The Nevada show will consist of the marching band and the new all-girl drill-dance unit being formed as an auxiliary to the band. Dr. John Carrico, director of bands, and Mary Lee Prumter, assistant drill instructor of the all-girl unit will plan the half-time presentation. Audrey Chambers, University of Nevada drum majorette, and currently Miss Reno, will lead the Nevada units on the field.

Science Services

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

Scriptural selections will include this passage from Genesis (1): "And God said, Let us make men in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 295): "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them."

4-oz can button mushrooms
¾ cup buttermilk
Combine flour, salt and pepper. Coat cubes of meat with this mixture and brown slowly in butter in a large pan. When brown on all sides add onion, garlic, water, Worcestershire sauce, catsup and liquid drained from mushrooms.

Cover and simmer for about two hours. Stir in mushrooms and buttermilk and cook only until heated through. Serve over noodles or rice.

Serve with tossed salad teamed with sour cream blue cheese dressing; and hot French bread or rolls.

Also, you might try tenderizing your barbecue steaks by marinating them for one or two hours in buttermilk. Dry off with paper towels, season and cook as usual. Buttermilk also adds a special spicy tang to fried chicken. Marinate unjointed chicken in buttermilk for a few minutes, drain, season to taste, roll in flour and fry.

Veterans Of World War I Name R. W. Nichols Vice-Commander

Robert W. Nichols of 303 Tungsten is the newly-elected junior vice commander of the Nevada Department of the Veterans of World War I.

Nellis Sarge Is Winner Of Pistol Match

Sgt. Malcolm Baker, a sharpshooting airman from Nellis Air Base, showed up as the top contender last Sunday at the "Boulder N. R. A. Approved Outdoor Pistol Tournament" at Boulder City by winning the Grand Aggregate with a score of 810. Baker also won the Center Fire National Match with a 261 and the 45 Caliber National Match with a score of 272.

S. L. Ware of Boulder City won the 22 Caliber National Match with a 282, also the high score of the day. Dr. Jose Vidal of Las Vegas took sharpshooter class honors in this match with a 279 while Captain James Powell of N. A. B. was high marksman with a 269.

In the Center Fire National Match, Raymond Nichols of N.A.B. scored 256 to top the sharpshooter class. Ware was high expert in the 45 National Match with a 263 while Powell received the marksman class award with a 251. Powell also received the sharpshooter class award in the Grand Aggregate with his score of 722.

The tournament was sponsored by the Boulder Rifle & Pistol Club Inc. with President E. A. Vigus serving as Supervisor for the National Rifle Association. Ken Hall was Range Officer, Ware was Executive Officer and Wally Jonasen the Statistical Officer.
