Former Mayor's \$600 Water Bill Eyed By City

Former Mayor William Byrnes will be taken to small claims court by the City of Henderson in order to recover approximately \$600 worth of delinquent water bills, according to City Auditor Jim Johnson.

The bills cover quite a period of time, and according to the City Auditor, Byrnes has been notified on numerous occasions about the delinquency of the bills. The bills cover various locations and can be covered in the small claims court.

Power Plant Gains Council Approval

Approval of a resolution endorsing the action of the Colorado River Commission for the sale of land and water to the Southern California Edison Co. for 1 1/2 million kilowatt power plant north of the Ft. Mohave Indian Reservation, was given unanimously by the City Council Tuesday night.

The proposed plant is larger than the Hoover Dam complex, and the state would allocate 30,000 acre feet of water per year. The state will purchase the land from the Federal government for \$256,000 and will sell it for \$440,000. With the money earned, the state would purchase additional acreage in the area to be used for a state park.

The installation would be made on 15,000 acres of land, including a buffer zone to residential property, and the agreement would run to the year 2006.

Councilman Dale Roberts was absent from the meeting.

Tax Dollars Discussed By Don Dawson

Tax dollars, where do they go, was the subject of a talk given Tuesday to Rotary Club members by County Finance Director Don Dawson, who is also a resident of Henderson. The school receives the lions share of the tax dollars, with \$9,120,849; the state receives \$1,702,558; school bonds for the county, \$3,987,027; county government gets \$6,008,391; and other taxing agencies, \$8,034,989, to total \$28,853,814.

The money comes from the various cities, with Las Vegas contributing \$14,960,766; North Las Vegas, \$2,273,930; Henderson, \$836,416; Boulder City, \$378,165, and the unincorporated areas, \$10,404,537.

Dawson was introduced by Clae Davis, program chairman. Welcomed into the Rotary club were Fred Regetz, Robert Oseland, Walt Tabar, Larry Patterson.

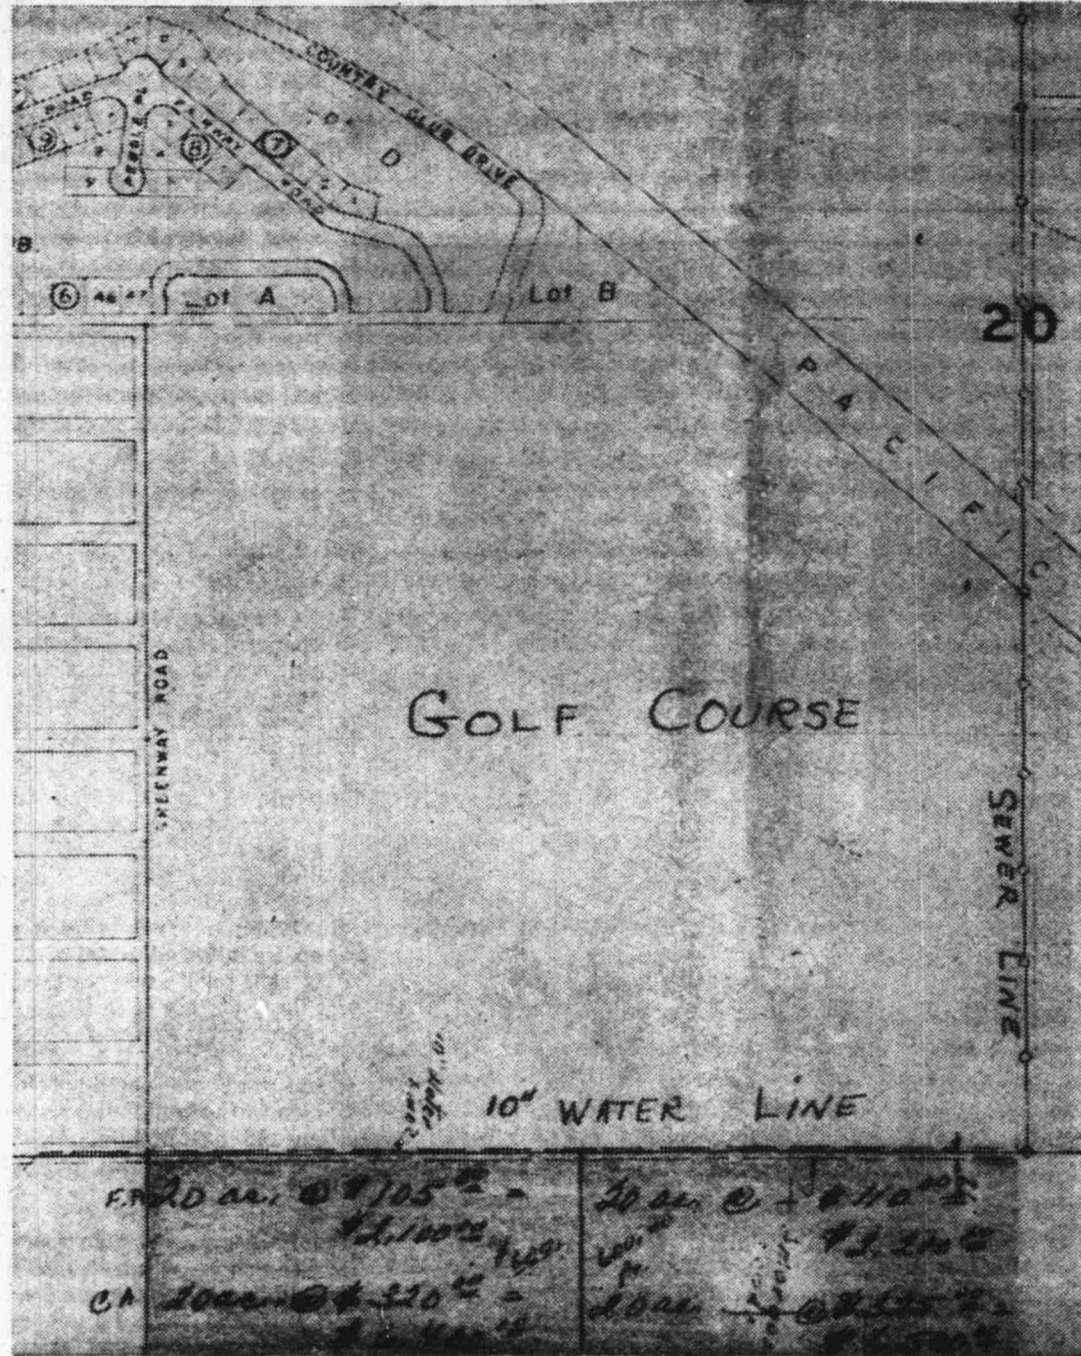

Loose Dogs Bring Owners To Court

Dogs running loose in the city were still causing trouble in municipal court Tuesday as four citizens were cited for the offense.

One resident was fined \$5 by Judge Delwin Potter, two arraignments were postponed, and one did not appear. In other court actions, Alfredo Gonzales, 33, was confined to the city jail for three months for disorderly conduct after he pleaded guilty to the charge. William Adelson, 47, was fined \$75 when he pleaded guilty to leaving the scene of an accident.

Catarino L. Rodriguez, 18, was fined \$50 for contributing to the delinquency of a minor; Joseph F. Bookman, 49, was sentenced to four days in the city jail for gross intoxication. Jimmy Lee Rollins, 34, was fined \$50 for gross intoxication and \$25 for permitting an unauthorized person to drive.

Lawrence Wiest, 34, pleaded guilty to reckless driving and was fined \$100; John Cletus Wirth paid a \$100 fine for being a minor in a gambling establishment.

LAND FOR SALE — Approximately 40 acres, in the shaded area, just south of the new nine holes on the golf course, will be advertised for sale for \$600 per acre. Art Espinosa, who sold a Townsite house to the city for \$14,000, in exchange for a like amount of city land, has requested the property shown here. Water and sewer lines border the property. Espinosa protested the price of the land. He plans to use it for development of housing as soon as the economy permits.

Land Near Golf Course Set At \$600 Per Acre

A price of \$600 an acre for approximately 40 acres of land in section 29, located just south of the new nine holes on the golf course and adjacent to it, was placed by the City Council Tuesday night.

The land was requested by Art Espinosa in exchange for property purchased from him by the city for \$14,000, located

on Water street. The purchase was made in August of 1963, at which time, the City Council agreed to exchange new city land of the same value to him.

Espinosa protested the \$600 price, stating that it was not the intention of the Federal government for the city to make a large amount of

money on the property, but to get the property into private ownership. One parcel of the land will be purchased by the city from the Federal government for \$105 per acre, and the appraisal price, by the city's three independent appraisers was \$320 per acre. The Council could not sell the land under that price. On the second parcel, the purchase price to the city is \$110 per acre and the appraised price was \$325.

Mayor W. R. Hampton said the property should be sold at a fair price, keeping in mind the city's expense incurred with the land. He also reminded the Council that other city lands had sold for \$500 per acre.

Councilman Bud Franklin, who favored selling the land at a lower price, called for a secret ballot vote for each Councilman to write down the price he thought would be fair for the land per acre. When they were turned in to Mayor Hampton, the prices ranged from \$400 to \$800.

Councilman Paul Marshall said he felt that since this is choice land and has both water and sewer to the property, it should be priced higher.

"I'm interested in the best deal for the city," he said. Mayor Hampton said that property in that area sells for considerably higher than that price, and Franklin said that if Espinosa gets it at a lower price he could sell it at a lower price.

"You think that would make it cheaper for the buyer?" Councilwoman Riggins asked. "You're funny."

City Manager Ralph Pfiffner asked the Council to forget the city's purchase price and appraisal price and think about what property in that area sells for. Hampton said he thought it would go for from \$2500 to \$3,000.

Franklin said the property should be set at \$500, Riggins and Marshall said \$600, Councilman Dale Roberts was not present, and Hampton suggested \$550 as a compromise.

Riggins made a motion to set the property at \$600 per acre and Marshall seconded the motion. Hampton voted with the other two in approval of the price, and Franklin voted no.

According to the City Charter, the property will now be advertised for sale, and after a period of 30 days, applications will be accepted on the property. It is open for application to the public, then the Council will award the sale.

Housing Board To Host City Council

City Councilmen will be guests of the Clark County Housing Board at a hotel dinner next week, it was decided after the invitation was extended by Housing Board Chairman Art Espinosa.

The invitation was extended for this week, however, some councilmen could not attend.

Councilmen, Tuesday night, approved an application for one 25 cent slot machine for Dante's, and two slot machines for Tops Market.

APPEALS CHARGE REDUCED TO SPEEDING

Richard V. Ehtee, who appealed a reckless driving conviction to district court, had the charge reduced to speeding 40 in a 20-mile zone and was fined \$20 in municipal court Tuesday.

Massage Ord. Restrained Until Monday Hearing

Because of "improper service" of a petition against a recently enacted city ordinance, District Judge William Compton did not hear a plea for an injunction brought by Chiropractor Dr. Morton Babtakis, when it was scheduled Tuesday.

City Attorney Harry Reid moved to quash the action because of the purported service

by the Sheriff's department.

Tom Purcell, attorney for Babtakis said yesterday that the hearing has been rescheduled for Monday at 9 a.m. in Judge Compton's court in District 2, and city officials were expected to be served yesterday afternoon.

The ordinance under protest is the massage parlor ordinance which was approved as an emergency measure on February 21. A temporary restraining order will keep the ordinance from going into effect until the Monday hearing.

Purcell said that if the district court hearing fails, it will be taken to the federal court on a constitutionality question. He said that Babtakis protests the ordinance because the city does not have the power to regulate Chiropractic physicians, that the state has this power and has not

religated it to the city officials of Henderson.

"Their power is not unlimited," Purcell said.

Attorney Reid said that the ordinance does not prohibit chiropractors from practicing in their profession on either sex, but does prohibit workers in a massage parlor treating a person of the opposite sex.

Harry Polk Trial Set For April 1

Developer Harry Polk, who was to appear in municipal court Friday morning to answer charges of contracting without a city license and operating without a work permit, will have the trial postponed to April 1.

Former City Attorney John Manzonie, who will represent Polk, asked for the postponement since he will be out of town on Friday, he said.

Trials set for Friday include Forest Adams who pleaded innocent of speeding 35 in a 20-mile zone; Kenneth Gray and Shirley Brammer for dog running loose; Dorothy W. Silks for gross intoxication; Florence Browning for driving under the influence of intoxicants, and Berniece J. Gambrell vs. James C. Gambrell on an assault and battery charge.

Two other trials are for illegal outdoor burning for Alex Coroneos and S. B. Cohen. Court trials start at 10 a.m. after traffic citations are completed.

Ed Gubler Elected President Of Valley View School PTA

A large group of parents and students attended the art exhibit at the Valley View Elementary School Tuesday night which exhibited work of all the students at the school.

Each of the individual classrooms featured the art work of the students, and some of it was exhibited in the multipurpose room where a short meeting was held prior to the exhibit.

President Nellie Rae Jones conducted the election of officers, and Ed Gubler was unanimously elected president. Elected to serve with

him were Ruth Owens, vice president; Jane Englebrecht, second vice president; Sandra Herman, secretary; Blaine Eckman, treasurer; Burke Gillies, historian; and Charmaine McKimmes, hospitality.

The installation of officers will be held next month.

Vice President Bob Kesterson introduced the program, and the fourth and fifth grade boys were presented with a trophy for the boy's club basketball tournament championship, and Betsy Jeffery was awarded a trophy for winning the dental health poster contest.

Dick Stewart Building Helps Bolster Building Figures

A new commercial building for Dick Stewart Motors along Boulder highway not only brings more beauty to the city but also bolstered the city's monthly building figures by \$11,000 for February, according to Pat Doherty, superintendent of building and safety.

February's total building valuation of \$81,314, was within \$300 of the figures for last year for the same months of January and February.

Total so far this year is \$497,979, while last year's figures are \$114,560, to February.

A new home being constructed by the LDS church on the golf course was valued at \$29,500, and residential alterations and additions amounted to \$19,690. Two swimming pools and other minor projects, completed the month's totals.

There were 293 building inspections during the month; 37 plumbing inspections; 192 electrical, 36 health and 42 cleanup, totaling 600 inspections. A total of 25 violations were found with four court actions.

City Joins Automatic Age In Modernizing Finance Dept.

The City of Henderson is joining the age of automation and will start machine accounting, according to City Manager Ralph Pfiffner.

City Auditor Jim Johnson said that at the present time all of the posting is done by hand, and he explained that with the purchase of one machine, the time consumed by employees in that department

will be greatly diminished in order to provide time for other duties.

Once the basic information has been placed in the machine, it can be used over and over, without the additional tedious posting as is done now.

Johnson said that the city is holding its own on finances with the deletion of a number of employees, and a general reduction in expenses.

TAX DOLLARS — From a man who should know, the Rotary Club heard Don Dawson, Clark County Finance Officer, explain the Tax Dollar and where they go, at the Tuesday meeting. Seated at left is Club President Dick Stewart.

Betsy Jeffrey Wins Dental Health Trophy

Betsy Jeffrey, fifth grade Valley View Elementary School pupil, was that school's winner of the poster contest for the Dental Health Week.

Blaine Eckman, fifth grade teacher, awarded her with a trophy at the PTA meeting held Tuesday night.

Miss Jeffrey, daughter of Mrs. Clara Jeffrey, 108 Ash St., depicted dental health with vegetables and fruit being equal to a healthy tooth.

ELDORADO CLUB PRESENTS JIMMY DOYLE

Jimmy Doyle, famous for his hit recording, "One More Night With You," will be appearing at the Eldorado Club this Friday, Saturday and Sunday. Doyle previously appeared at the Eldorado about three months ago.

The local night spot will also feature dancing Friday and Saturday at 9 p.m. and Sunday from 4 to 10 p.m.

To Advertise City Vehicles For Sale

City Manager Ralph Pfiffner said yesterday that he will seek City Council permission at its next meeting to advertise nine obsolete vehicles for auction.

The cars to be auctioned are vehicles which are no longer needed by the city since the cut in personnel has made them extra transportation.

The vehicles would be advertised prior to the auction for the information of the public, and the date of the auction would also be let known.

**Filing For
Legislature
Opens June 1**

Because of the many inquiries concerning the matter of filing for Legislative offices in the 1966 elections, Tom Mulroy, Registrar of Voters, has released the following information.

The reapportionment bill, enacted by the Legislature, does not become effective until June 1, 1966 and thus filings for Senate or Assembly seats cannot be accepted until that date.

During this period, the districting plan, drawn under the Bill, is under study by the Federal Court. If they do not rule prior to June 1, 1966, prospective candidates may then file by proper qualifications and the payment of the required fee.

**Withdraw 4200 Acres of Land
In Eldorado For Intertie**

The Bureau of Reclamation has requested that 4200 acres be set aside in Eldorado Valley near Boulder City by the Bureau of Land Management for a substation and transmission line.

The land will be used in the construction of the new interstate transmission line — Pacific Northwest-Southwest In-

**Many Classes
At University's
Summer School**

The department of elementary education at the University of Nevada Reno, is offering a variety of courses for the 1966 summer session.

Undergraduate credit courses in the teaching of social studies, language arts, reading, science, the creative arts and arithmetic designed to assist teachers certify and re-certify, are being offered.

Short term workshops in science, reading, the creative arts, and arithmetic will be offered for teachers who can attend only two and three week sessions.

Courses will also be offered for persons who hold a bachelor's degree but wish to qualify for teaching.

All of the required graduate courses leading to a master's degree with a major in elementary education will be given during the summer session.

For the first time, a specialist in the area of the mentally retarded child will offer a course for teachers and qualified parents.

In addition, two clinical courses are planned for children. Dr. Melvin Dunn will conduct a class for the bright child and Dr. Rex Bolling of Los Angeles State College, will direct a reading clinic for children who wish to improve their reading.

**Scholarships
Announced For
4-H Members**

As a support to education, the Standard Oil Company of California has again made two scholarships available to an outstanding 4-H Club boy and an outstanding 4-H Club girl in Nevada.

In addition, the company also is the host for the annual banquet of the 4-H Leader's Conference.

The scholarships are awarded annually by the company in the states that they serve for a total of 38 scholarships. Each scholarship is in the amount of \$300. Those selected must be in the senior year of high school or out of high school for less than one year. The awards for 1966 will be announced in April.

The leader's conference banquet marks the sixth consecutive year that the Standard Oil Company has acted as the host. The banquet was held Thursday, Feb. 17 at Winnemucca.

The awarding of the scholarships in Nevada, and the 4-H Leader's Conference and banquet are functions of the Mac C. Fleischmann College of Agriculture at the University of Nevada under the direction of Dean Dale W. Bohmont.

There's really nothing new about actors running for public office. That has been going on since the year 1.

**PERMANENT
SHORE DUTY
IS OFFERED**

Permanent guaranteed shore duty at any one of 18 naval reserve bases in the United States is open to men with military experience, according to recruiter Bill Mitchell of the Naval Air Station at Los Alamitos.

Rate of pay for those re-enlisting will be the same as what the serviceman previously received upon discharge.

All medical, dental and commissary benefits will be the same as those offered by the regular Navy programs, but no reenlistment bonuses will be paid.

First choice of any one of the 18 bases is assured with a normal tour of duty of four to six years.

Rates must pertain to those of Naval Air service, or be changed to an aviation rating.

"Openings and advancement have never been better," Mitchell said.

For further information, call or write Commanding Officer 9.3 U.S. Naval Air Station, Los Alamitos, Calif.

BC 1st Baptist Church to Hold Crusade Mar. 6

The First Baptist Church of Boulder City announces its forthcoming evangelism crusade which opens March 6 with Arthur Blessitt as visiting evangelist. Few young men have experienced in the span of a few years what Blessitt has realized. Rev. Blessitt has been known in northern Nevada as a fearless preacher, taking firm stands on moral issues where courage was needed.

At the age of 15 he began to preach in his native state of Mississippi, where he graduated from college. His graduate education took place at Golden Gate Seminary in California where he also pastored. While in Nevada he was responsible for organizing three churches in the space of only a few months.

Pastor Oman invites all who love Christ and who feel the need for a real spiritual awakening to share in these services. If the church has been criticized for a failure to take a stand on moral issues, the people of Boulder City are invited to hear a preacher who in fearlessness stood against the rising tides of moral problems.

Arthur Blessitt has preached in many states with a special appeal to young people for he is still young himself. Services will begin each night beginning March 6th at 7:30 p.m.

Fike Explains Reapportionment

Ed Fike, Nevada Assemblyman, outlined the reapportionment plan drawn up by the Legislature, before a recent meeting of Republican Women of Boulder City. Fike is owner of Lawyer's Title of Las Vegas.

Reasons noted for reapportionment pressures in Nevada include the "one man-one vote" United States Supreme Court decision, and the fear of disenfranchisement of the urban citizen.

Under the previously used county system, eight percent of the popular vote could control the Nevada Senate. Under the present plan, 49.7 percent of the population may exercise control.

The proposed plan would give Boulder City "part of a man" out of 20 total members of the Senate. Clark County as a whole would elect eight Senators. Also Boulder City would help elect one man out of 40 total members in the Assembly. Clark County would be entitled to 16 Assemblymen.

Fike believes the difference in this system is that the states will depend less on the federal government. Urban problems should receive more attention intra-state.

List Winners In Drawing At Mardi Gras

Top prize winners in the annual Mardi Gras Ball held by the Rose de Lima Hospital Auxiliary as a hospital benefit were announced by Jackie Cohn of the publicity committee.

Sam Boyd, manager of the Mint Hotel won the \$1000 first prize and donated it back to the hospital fund.

Second prize, a vacation trip to Mexico for two, was won by Bernice Jacobs of Las Vegas.

Dr. David L. Walker, 10 Water St., Henderson, who resides in Boulder City, held the winning ticket on the third prize, a beautiful mink stole.

SPEAKS TO STUDENTS — Pictured is Shirley Sistek at her desk at Titanium Metals Corporation of America. Shirley talked at Gorman High School's "Career Days" on the subject of secretaries' jobs and responsibilities. Shirley is secretary to H. A. Paine, Cost Engineer for the Company.

Bonanza Cuts Travel Time With New Fan Jet Planes

Faster travel times have been announced for service between a number of cities on the Bonanza Air Lines System, beginning March 1, when new schedules went into effect.

Service with fan-jet DC-9's is credited for the reduction in flying time, according to Jesse James, district sales manager.

"There will be 12 round trips daily between Las Vegas and Los Angeles, six of them with DC-9's, and six with turboprop F-27's," James said. He added that

seven of the flights would be non-stop.

James also listed three round trips, two of them jets, to Reno every day except Sunday, and said there would be four round trips Monday through Friday to Phoenix, with a reduced weekend schedule.

Travel times aboard the jets will be 45 minutes to Los Angeles, 46 minutes to Phoenix and 57 minutes to Reno.

In addition, James said direct service from Las Vegas to the Grand Canyon is scheduled to begin April 1.

EDITORIAL

Tired American . . .

The following editorial by Alan McIntosh appeared in the Rock County Herald, Luverne, Minnesota.

I am a tired American. I am tired of being called the ugly American. I'm tired of having the world panhandlers use my country as a whipping boy 365 days a year.

I am tired of having American centers and information centers stoned, burned, and sacked by mobs operating under orders from dictators who preach peace and breed conflict.

I am a tired American-weary of Nasser and all the other blood sucking leeches who bleed Uncle Sam white and kick him in the shins and yank his beard if the flow falters.

I am a tired American weary of the beatniks who say they should have the right to determine what laws of the land they are willing to obey.

I am a tired American fed up with the mobs of scabby faced, long haired youths and short haired girls who claim they represent the "new wave" of America and who sneer at the old fashioned virtues of honesty, and morality on which America grew to greatness.

I am a tired American weary unto death of having my tax dollars go to dictators who play both sides against the middle with threats of what will happen if we cut off the stream of dollars.

I am a tired American who is tired of supporting families who haven't known any other source of income other than government relief checks for three generations.

I am a tired American who is getting madder by the minute at the filth peddlers who have launched Americans in an obscenity race who try to foist on us the belief that filth is an integral part of culture — in the arts-movies-literature-and the stage.

I am a tired American weary of the bearded bums who tramp the picket lines and the sit-ins — who prefer Chinese Communism to capitalism — who see no evil in Castro but sneer at President Johnson as a threat to peace.

I am a tired American who has lost all patience with the civil rights group which is showing propaganda movies on college campuses from coast to coast. Movies denouncing the United States. Movies made in Communist

China.
I am a tired American sickened by the slackjawed bigots who wrap themselves in bed sheets in the dead of night and roam the countryside looking for innocent victims.
I am a tired American who dislikes clergymen, who have made a career out of integration causes, yet send their children to private schools.
I am a tired American who resents those who try to peddle the belief in schools and colleges that capitalism is a dirty word and that free enterprise and private initiative are only synonyms for greed.

They say they hate capitalism, but they are always right at the head of the line demanding their share of the American way of life.
I am a tired American real tired of those who are trying to sell me the belief that America is not the greatest nation in all the world, a generous nation, a nation dedicated to the policy of trying to help the have nots achieve some of the good things that our system of free enterprise brought about.

I am an American who gets a lump in his throat when he hears the Star Spangled Banner and who holds back tears when he hears those thrilling high notes of the brassy trumpets when Old Glory reaches the top of the flagpole.

I am a tired American who thanks a merciful Lord that he was so lucky to be born an American citizen, a nation under God, truly with mercy and justice for all . . .

Harriet Hadden Passes Away

Bunker Brothers were in charge of arrangements for the funeral service of Harriet Rosetta Hadden, 82, 309 Lakeview, who passed away Feb. 24 in Boulder City Hospital.

Mrs. Hadden was born Oct. 18, 1883 in Paradise, Utah and was a member of the LDS Chapel here.

She is survived by three daughters, Mrs. Opal Ellis, this city; Mrs. Ruth Weiff, Henderson, and Violet Hadden, Ogden, Utah; two sons, John, Ogden, Utah and Arvil, Lorenzo, Idaho; 22 grandchildren and 21 great grandchildren.

Win This Racehorse For 20¢!

Just Name Him!

GRAND PRIZE: This magnificent two-year-old thoroughbred racehorse, a son of the great Globemaster, can be yours — if you come up with a winning name for him in the annual Kentucky Club

PRIZE COLT	GLOMASTER	HELIOPOLIS
	ORIENTINE	BIMELECH
		GOLDEN LEGEND

Derby Day Contest now underway. The boy colt will be presented to his new owner at Churchill Downs, Louisville, Ky., during Derby Week. He had earned \$355,423 and his mother, Orienne, is a half sister to a stakes winner. In addition to the horse, you will get \$1,000 in cash, two finish line box seats to the Kentucky Derby and hotel accommodations. Kentucky Club will pay all expenses until July 1, 1966, including feeding, boarding, training and insurance.

HOW DO YOU ENTER? Send as many names in as you like, providing each one is accompanied by either a boxtop from a package of Kentucky Club or Kentucky Club mixture or one cellophane zip-off top from the outer wrapper of one of Kentucky Club's nine other brands. Send entries to Kentucky Club Derby Day Contest, Box 9K, Mount Vernon, N. Y., 10559. Contest closes April 4, 1966. See your tobacco dealer for additional details.

WHAT DO YOU DO WITH A RACEHORSE? Well, most winners in this contest sell their horses in the five figures. Others have raced them. One contest horse earned \$60,000 and set an American track record. **ARE THERE OTHER PRIZES?** You bet! There are 250 other prizes for place, show and even fourth, including portable GE color TV sets, Kodak Instamatic cameras, and other handsome prizes.

Basic Enters AAA Zone Tournament With Gorman

By JOHN WILLIAMS
This afternoon starts the regular season of play for the seven Southern Nevada teams. They finished with Las Vegas in first place with an 11-1 conference record, Rancho holds second place with 9-3, Western has third with 8-4 and our own Basic Wolves hold fourth place with a 7-5 mark.

Southern Zone pairings are as follows:
Thursday: Rancho vs Valley at 3 p.m.; Western vs Clark at 7:30 p.m.; Basic vs Gorman at 9 p.m.
Friday: Las Vegas vs Gorman-Basic winner at 7:30 p.m.; Western-Clark winner vs Rancho-Valley winner at 9 p.m.
Saturday: Finals between Friday's two winners at 9 p.m. All games will be played at the Las Vegas Convention Center.

Basic's first conference game was played against Gorman High School and the Gaels were defeated 67-61. Basic had to come from behind to win. Guy Nallia had a terrific night scoring 32 of the 67 points. The second meet with the Gaels in the second half of conference play, also found the Gaels in the hands of defeat. The Wolves, again, had to come from behind to claim their 74-61 victory.

The Wolves second conference game found the tables turned as they lost to Clark 51-61. A low shooting percentage put the Wolves behind in the first half and the Chargers kept them there the remainder of the game. The second game, however, found the Wolves a little more confident as they defeated the Chargers 54-51. It was a hard fought game and Basic led by only one point with 45 seconds remaining. Well placed foul shots by Guy Nallia gave the Wolves their three point victory margin. This win gave Basic a 4-4 league mark.

Conference game number three put the Wolves against Valley High School. Another slow start found the Wolves behind at the end of the first quarter and tied 30-30 at the half. A desire to make another step up in conference play gave the Wolves the spark they needed as they took over the lead and kept it to give them a 69-57 victory. Basic's second tangle with the Vikings ended 58-34. The score at the end of the first quarter was 20-10 with Guy Nallia making 17 of the 20 points.

Conference game number four brought the Wolves face to face with Western High School. A hot shooting spree put the Wolves ahead in the first quarter but their downfall came in the third quarter as they were unable to score from the field and registered only 3 points from the free throw lane. The second encounter with Rancho, however, was a completely different story. The Wolves upset the Warriors 53-44 on our own home court. Basic took an early lead in the first quarter

MOBILE X-RAY UNIT SCHEDULE

Wednesday, Carver Park administration building; Thursday, Victory Village administration building; Friday, Safeway Shopping Center. The unit will be at each of these locations from noon to 7 p.m.

but found themselves behind at half-time 30-26. The Zone defense cut the Warriors to only 14 points the second half and gave the Wolves the chance they had been waiting for as they skimmed past the Warriors to end the game 53-44.

The fifth conference game starred Rancho High School and the Basic Wolves on the Wolves home court. Rancho led 36-34 at half-time, but scored 17 points to Basic's 11 in the third quarter to pull out a 73-64 victory. Guy Nallia had another inspiring night netting 29 points. Chuck Ehaltz tanked 33 points for the Rams. The Wolves second encounter with Rancho was quite a different story. Sparked by the upset over the Western Warriors the previous night, set the stage for up-set number two as the Wolves pinned the Rams 57-53. The upset minded Wolves battled back from behind and left the floor at half-time with an 11 point lead 34-23. In the third period Rancho stormed back with 16 points to Basic's two and took the lead 39-36. The Lead changed hands four times before the Wolves were able to take the winning margin to end the game 57-53.

The Basic Wolves were stopped cold by the Las Vegas Wildcats in their sixth conference engagement by a score of 80-49. It looked like a good night in store for Basic as they led 11-8 at the end of the first quarter but the Wildcats outscored the Wolves in the second half to keep the Wolves in the background. The two teams second meet was a somewhat closer game but hard as they tried the flu ridden Wolves couldn't pull down their sixth consecutive win as they dropped a 55-40 victory to the Wildcats. Never-the-less, the Wolves ended in fourth place and certainly are not a team to be ignored by anyone.

Flo Wertsbaugh High Swinger In Trio League

Flo Wertsbaugh was high individual bowler in Swinging Trio League action Feb. 25, with high games and series of 161-187-1874; Geneve Trent was in second place with 188-513.

Wilson's Furniture had high team games and series of 571-564-1674. Hartle Enterprise was second with 566-1601.

Aggie Williams converted the 5-8 split and Margie Zolzer the 6-7.

Marilyn Shehorn holds the high handicap series 649 for the season and high individual series of 541. Other season high scores are: Paramore Laundromat, high team game 215 and series 1763; Beth Weideman, high individual game 215.

Tennis Pro At Basic High

Henry Sobel, tennis professional at the Tropicana Hotel, was the guest of Mr. Ray Wilke, Basic's tennis coach, at the school's courts recently. Sobel is visiting Clark County High Schools under the sponsorship of the Tropicana Hotel to stimulate an interest in tennis at the high school level.

While at Basic High School, Sobel conducted the initial unit in a series of tennis clinics to be held at Basic High School.

Students attending the first meeting were Scott Bennion, John Stockman, Lynn Stockman, Jim Blink, Ray Coleman, Jim Stanley, Dan Drakem, Jerry Holmes, Dennis Hargrove, and Dale Denton.

GOVERNOR RECEIVES UNIQUE WINCHESTER

Gov. Grant Sawyer is the first of a long list of distinguished people to receive one of Winchester-Western's special commemorative 100th anniversary firearms — the "Centennial '66". The second copy of the unique firearm, which has a gold-plated receiver, will be given to Prince Phillip of Great Britain on March 14. Other heads of state and each of the 50 governors of the United States will receive one.

Suggested retail price of either the rifle or carbine model is \$125. Since the issue is limited to only 50,000 Winchester officials say that the new piece is already a collector's item.

O tempora! O mores! Many women are dressing to look like little girls, and many young men who let their hair grow long resemble big girls.

Eagles Aerie And Auxiliary Entertain State Officers

Banks Services Held At Bunker's Chapel

Funeral services for David Reese Banks, Jr., 48, of 203 South Texas Street were held Wednesday at 1 p.m. at Bunker Brothers Chapel in Las Vegas. Burial was at Mountain View Gardens of Memory.

Banks was born April 21, 1917 in Minersville, Utah and died Saturday, Feb. 26. He was a truck driver by trade. Survivors include two daughters, Joyce of Pocatello, Idaho and Beverly of Banning, Calif.; his father, David R. Banks, Las Vegas; two brothers, Max of Fresno, Calif. and Jay of San Francisco; two sisters, Mrs. Cecil Lane and Mrs. Shirley Hall, both of Henderson.

A number of foreign countries are agreed that Herbert Humphrey is the most promising Vice President the United States ever had.

Ted Carter, state president of the Eagles, and May Wentworth, state auxiliary president, and other state officers, paid their official visit to the Eagles Aerie and Auxiliary at a combined dinner meeting held recently at the Eagles hall.

Also visiting were Wanona Vanderhoffen of Las Vegas, grand conductress; Mr. and Mrs. Bud Turner, Turner is western regional president of the Eagles; Sally Boska, state chaplain; Ed Johnson, state secretary; Jack Addlesberger, president of the Sunnyslope, Arizona, aerie, and Willie Freemyer, state outside guard for the auxiliary.

Hosting the officers were Duane Ruliffson, president of Aerie 2672, and Jane Yeager, president of the auxiliary here.

Speeches were given by the state officers who complimented the local groups on their contributions to the Max Baer heart fund. They were commended for their good work.

A large crowd attended the pot-luck dinner and meeting.

OFFICIALS VISIT — High officials of the Eagles and Auxiliary, recently paid their visit with Aerie 2672. Front row are May Wentworth, state auxiliary president; Ted Carter, state president; Wanona Vanderhoffen, grand conductress. Back row are Mr. and Mrs. Bud Turner, Jane Yeager, Henderson auxiliary president; Sally Boska, state chaplain; Duane Ruliffson, president; Ed Johnson, state secretary and Mr. and Mrs. Jack Addlesberger, of Sunnyslope, Arizona.

Fire Dept. Offers First Aid Classes

Medical self help or First Aid courses are being offered by the city fire department to the public, and anyone interested may contact the fire department. Classes will be set as soon as enough interested persons are registered, and the course has a total of ten hours. There are several good films included in the course which is conducted by Wesley Adams.

Affiliation Ceremony Feature Of Eastern Star Meeting

Sunrise Chapter No. 28, Order of Eastern Star, exemplified an affiliation ceremony at the meeting on February 22, with Gertrude Perry and Frank Perry as the presiding officers.

Cartwright as sentinel. On the refreshment committee, Chairman Norma Irving was assisted by Bernyce Branchfield and Sarah Kephart.

The altar was draped in memoriam to the following Past Grand Officers of the Grand Chapter of OES of Nevada: Mrs. Ruth P. Matthews, past worthy grand matron and grand trustee; Mrs. Lena Juniper, past worthy grand matron and Ed C. Peterson, past worthy grand patron.

Introduced in the East were Grand Representatives Thelma Sturm and Helen McLeod. Also introduced was Tabitha McCabe, Rainbow mother advisor of Assembly No. 17.

The Worthy Matron announced that at the next meeting on March 8, the chapter's birthday will be observed, and all grand representatives will be honored.

Substitute officers included Lucille Kubie as conductress; Helen McLeod as Ruth; Greta Pagan as Electa and Harry

OUR HEALTH

By J. M. Amberson, M.D.
Respiratory Illness

In the United States, respiratory illnesses cause more time lost from work—and recreation—than any other disease. An estimated one-billion cases occur each year, with an accompanying economic loss of \$5 billion. The common cold, pneumonia, croup and influenza, are among the ranks of respiratory illnesses, and are most frequent during blustery winter months like these. The common cold is the most "common" of all respiratory illnesses. Rare indeed is the person who doesn't catch a cold at least once a year—and many of us have two or three in one year. Colds are spread in the acute stage directly from person to person, but in most instances the virus is carried through the air for some distance. And it's startling to realize that one person in five with an ordinary cold or sore throat comes down with some further infection before he gets well. For example, at least 75 percent of all cases of lobar pneumonia give a history of an initial cold. Many babies with a cold develop a middle-ear infection. Medical advances, such as the "flu" vaccine and penicillin, are helping to prevent or cure respiratory illnesses. It is generally agreed that the antibiotics should not be used to treat an acute cold but should be reserved for complications. Certain simple principles should be emphasized: avoid close contact with cold-sufferers, coughers and sneezers; never share a drinking glass; keep general health good—these are a few vital common sense tips. The most infectious stage of a cold is within the first 48 hours. That's when you should be in bed, if possible. You'll be more comfortable, less likely to develop serious complications and will not spread the malady to friends and fellow workers. If a minor sore throat accompanies the cold, Chloraseptic, a non-prescription oral solution, has been found very effective in relieving throat pain and discomfort. Chloraseptic usually relieves minor sore throats within seconds after spraying or gargling, clinical researchers have found. It is always sound advice to consult your physician if you run a high fever, if your cold and sore throat seem to linger on, or if accompanied by aches and pains and malaise.

"There is nothing about the middle-aged American woman that stands out," says a visiting Frenchman. It is assumed he wasn't speaking from an anatomical viewpoint.

ARTHRITIS-RHEUMATISM
Do claims and double talk make you doubt you can get any relief from arthritic and rheumatic pains? Get 100 STANBACK tablets or 50 STANBACK powders, use as directed. If you do not get relief, return the unused part and your purchase price will be refunded. Stanback Company, Salisbury, N. C.

NUGGETS FROM . . . THE GOLD MINE

All you early morning drinkers, can see "oid "Short Shot" John at The Gold Mine on graveyard now. There's more room to sleep there . . .

The Gold Mine Basketball Team got edged out 51-48 last Monday for the Tournament Championship, by Ward II. We weren't out played fellas' just slightly outscored. Well, next season—

The Ovation Park was quite a success. Everyone got a little tipsy, Gingle put on the Shaving Lotion and Jim got the spray powder in his ears, and Sam got loaded. A good time was had by all tho' I'm sure.

NOTICE: We are showing movies of some of the basketball games, next Thursday night at The Gold Mine. (In color yet!)

After talking to Marj Ivory, on Arbor Day, about city beautification in the future I became quite enthused about all the citizens and local clubs making this foremost on their project list for 1966. Let's all pitch in and at least plant a tree or two this year. Especially if you have highway frontage property. Wouldn't it be nice to drive into Henderson and see rows of pretty green trees instead of junk and dirt????

To Beauty,
BUD FRANKLIN

School Board Pares Services From Huge Budget

The Clark County School Board, of which Mrs. Eloise Blue is a member, will resume a recessed meeting tonight to consider a budget guide, attendance zoning, a report on school problems and a conference with the Director of Schools.

The board met last Thursday to tackle the overwhelming job of slicing a top heavy budget, which unless drastically reduced, threatens the whole school economy.

Three reasons were presented for reduction in the budget—salary increase for teachers and classified employees; increment raises on salary schedule for additional degrees and years of service of teachers and rise in cost of education (equal to cost of living rise).

Proposed reduction in services other than teachers, principals and school clerical personnel are: reduction of 12 percent in administrative staff and 11 percent in classified; curtailment of some programs, services and functions; reduction of 24 percent in personnel and services in

the business division; 15 percent reduction in office personnel and services as well as elimination of answering service; curtailment of personal interviews; elimination of the position and services of the Federal Project Administrator except on a consultant basis; curtailment in the pro-

duction of forms and publications; elimination of consultant services and curtailment of travel and office supplies in superintendent's office and Board of School Trustees.

Also suggested is 53 percent reduction in staff positions in the instruction divisions such as psychologists, social work-

ers, nurses, attendance officers, elementary instrumental music teachers, security officers, teachers aides, librarians (two weeks beyond regular teaching year) and counselors (two weeks beyond regular teaching year);

Elimination of psychological, social worker and health services except those directly involved in screening and serving special education students and thus charged to special education income; elementary instrumental music program, extended school library services, extended counselor services, professional growth through professional organizations, remodeling of buildings, school improvement equipment, replacement of supplies, library books, library magazines, textbooks, athletics, other student activities, consultants, and both in-district and non-district.

Curtailment in delivery schedules of supplies from the warehouse to schools will be 19 percent and maintenance will be reduced to emergency services only. Custodial cleaning will be reduced to every

two days with no school yard care except watering. Mowing will be on a two-week schedule.

Under transportation reduction—walking distance for high school students will be increased to four miles and school vehicles, other than buses to be reduced by 25 percent.

Utilities, such as air conditioning, phones and trash pickups will be eliminated during July and August.

The above slicing is expected to save 15 percent or \$155,000.

Board members, however, approved the Education TV program which will be underwritten with federal funds the first year and with bond money thereafter, a mathematics computer center at Valley High School if the district can obtain Title III funds from the federal government, Equal Educational Opportunities In-Service Project, funded from the Civil Rights Act; Headstart Project for preschool children, funded by the Economic Opportunity Act and Library Resource Project, to be funded by Title II of the Elementary and Secondary Education Act of 1965.

This will provide \$1 per pupil to every school in the county, based on last November's enrollment, for purchase of library materials.

Clark County next fall will receive five channels for education television, one of which will be available for closed-circuit concerts, band and glee club programs.

Bill Cramer, coordinator for instructional media services for Clark County, told board members that ETV is financ-

ed with matching local and federal funds. The local share, approximately \$700,000, will come from bond money budgeted several years ago for building purposes but not used.

Cramer stated the cost of hiring a staff, about \$330,000 the first year, will be underwritten by the U.S. Office of Education. Nevada is the only

state not now making use of ETV.

The county school budget summary is as follows: state aid, \$18,461,459; property taxes, \$9,840,867; motor vehicle licenses, \$670,984; federal aid, \$1,535,000; other income, \$78,960; total estimated income, \$30,587,310; estimated beginning balance, \$126,000. Total available funds, \$30,712,310.

The Henderson HOME NEWS, Henderson, Nev.

Virgil I. 'Gus' Grissom

Neighbors Host Ronald Pugh At Meeting

Royal Neighbors of America held a pot luck dinner on Feb. 18, and had as special guests the recipient of their 1965 scholarship, Ronald Pugh and his father Duffin Pugh.

Ronald came from Kanab, Utah when he was 15 years old. He attended Basic High School, where he was active in sports lettering in basketball and track.

He is attending NSU majoring in electrical engineering.

He thanked the members for the scholarship awarded him, and closed with the thought that with each honor there is a responsibility, and his responsibility is to succeed.

Mabel Newton gave an account of some of the activities of the lodge insurance.

On the "Help to Hear" program the local lodge has provided three hearing aids for needy children in our area through the local schools.

Camp mother, Marguerete Honey, was honored with a birthday cake and gift.

Members present were Rosemary Santo, Marguerete Honey, Zelma Choate, Florence Bequette, Wanda Parisente, Mamie Vincent, Tana Cicotte, Lee Ann and Dawn Marie, Frances Kisan, Maycel Morris, Lucille Virden, Opal Parker, Mary Virden, Mabel Newton, Donna Vincent, Tammy, Rickey and Vickey Vincent, John and Arlene McCarver, Elmer and Lela Buescher.

Special guests were Ronald Pugh, Duffin Pugh, Inez Rodella, and Thelma Pullen.

Astronaut Virgil Grissom To Attend Boys Club Dinner Tues.

Astronaut Virgil (Gus) Grissom, the only man who has taken part in both Mercury and Gemini programs, will be the guest of honor at the March 8 dinner of the Clark County Boys Club.

Chairman Gabe Vogliatti said the annual Founder's Banquet will be held at the Mint Hotel Convention Center starting at 7:30 p.m. Tickets are \$7.50.

Grissom, who will be accompanied by U.S. Senator Howard W. Cannon of Nevada, will be on a one day tour of Clark County. He and Senator Cannon will also make a series of talks at a number of area high schools.

The world-famous astronaut, a Colonel in the United States Air Force, is currently responsible for the Gemini program for the Astronaut office. He was command pilot for the Gemini 3 flights and also command pilot for the backup crew for the Gemini 6 flight.

He is also expected to take a prominent part in the just beginning Apollo program, which is expected to take three Americans to the moon within the next three years. Grissom, who received his wings in March, 1951, flew 100 combat missions in Korea before becoming a jet instructor at Bryan, Texas. In 1955, he entered the Air Force Institute of Technology at Wright Patterson AFB, Ohio, to study aeronautical engineering.

In October, 1956, he attended the test pilot school at Edwards AFB, California, and returned to Wright Patterson in 1957 as flight test pilot.

Grissom was named as one of the seven Mercury astronauts, in April 1959. He was the pilot of the Mercury-Redstone 4 (Liberty Bell 7) sub-orbital mission in July 1961. This flight attained an altitude of 118 state miles and traveled 302 miles down range during the 15-minute and 37-second flight.

He was also command pilot of the first Gemini flight in March of last year which lasted 63 hours and 41 minutes.

Reservations for the banquet can be made by calling the Clark County Boys Club at 642-0966.

A considerable improvement in nature is made by the fellow who does the illustrations for seed catalogs.

NOW, Our Hospitalization Plan Guarantees You:

\$1,000 cash per month

while you are hospitalized from any accident, even for life!

Here is an accident policy you can count on! There are no limits to the number of times you use it, even if you are hospitalized for life! Designed for "active people", this policy pays \$33.33 for every day you are confined in a hospital as a result of accidental injury — from the first day. You own this policy. It cannot be cancelled by the company after you have been accepted. The benefits cannot be changed and the premiums are fixed forever!

Our Contract with you is quite simple

If your Doctor sends you to a hospital (other than a government hospital) for care or treatment, after you have been injured accidentally, your policy benefits begin immediately! Whether you are hospitalized for one day, one month or forever we will pay you cash at the rate of \$1,000.00 a month.

You can pay any bills you wish or keep the money — it's yours. We pay you in addition to any hospital plan or compensation you may have. Our contract with you is direct by mail — no middle men — simply ask us for a claim blank and enclose a copy of your hospital bills, we do the rest.

No one wants or plans accidents, yet they happen — to all of us. Send in the attached application and we will mail your policy at once. After looking it over, send in your first premium and coverage begins immediately thereafter.

Only U.S. Residents to age 80 are eligible. Accidental coverage is World Wide and you can keep and use it forever! Apply today and feel secure with hospitalization coverage for only \$5.00 each month — remember, benefits are \$1,000.00 a month. The cost of hospital and medical care gets higher every day, but your premium CANNOT be increased!

Apply today and see the policy for yourself. Of course, you are under no obligation at all.

Sincerely,

Guy M. Wood

Bible Fights \$2 Million Drop In Nevada School Aid

ADMINISTRATION ATTITUDE SCORED

Sen. Alan Bible opened action in three fronts in a renewal of his campaign to block cuts in federal impact assistance to schools.

Following meetings in Reno and Las Vegas with Nevada school officials, Bible contacted Senate and House leaders for support on supplemental funding for the current year, an extension of school construction assistance payments for next year and opposition to general reductions proposed by the Administration.

Bible urged members of the House Appropriations Committee to add up to \$5 million in impact funding to the supplemental money bill requested by the President for current fiscal year. That is the approximate amount needed to provide full school district entitlements.

"If it isn't tacked on over there we'll do it over here," Bible said, a member of the Senate Appropriations Committee. "This money is badly needed, and I'm deeply disappointed that it isn't supported by the Administration."

The supplemental funds involve some \$300,000 in assistance to Nevada school districts this year. School superintendents told Bible at the Nevada meetings that there would be severe operating problems without the full assistance.

Bible again contacted Senator Lister Hill, chairman of the Senate Labor and Public Welfare Committee, regarding extension of school construction assistance and continuation of full operating and maintenance assistance next fiscal year under the impacted areas program.

Nevada's more than \$3 million entitlement would be slashed by nearly \$2 million if Administration cutbacks were approved, he noted.

Bible said he had received assurances of early action on both phases of the program.

In turn, he pledged to support full funding of the program as a member of the Senate Appropriations Subcommittee handling education funds.

Bible has consistently opposed attempts to reduce the impacted areas assistance, designed to aid school districts whose enrollments are increased because of the Elementary and Secondary Education Act last year on the continuance of impact assistance.

"When the net result is a \$2 million loss to Nevada," he said, "it becomes difficult in my state indeed to understand the advantages of any new school assistance programs."

School district superintendents or their representatives from Elko, Mineral, Ormsby, Churchill, Lyon and Washoe counties attended the Reno meeting with Bible, along with officials of the State Department of Education. George Harris and other officials of the Clark County School District met with Bible in Las Vegas.

All contended that any significant loss of impact assistance would create serious problems, particularly in areas of fast growing populations.

CANNON SAYS
Proposed cutbacks in funds for the Federal impacted area program and land grant colleges "would result in a great setback for education in Nevada and the nation," Senator Howard W. Cannon charged today.

In a speech on the Senate floor, Cannon said there is "no justification for reducing our commitments to progress in education." He added that to reduce education programs "solely because it was decided that money must be saved somewhere is the worst form of false economy."

Nevada will lose about \$2 million a year in impacted area funds if the proposed cut is carried out and another \$156,781 per year under the requested reduction in funds for land grant colleges, of which the University of Nevada is one.

The impacted area program authorizes money for operation and maintenance, construction and teachers' salaries for school districts attended by a high percentage of

children of federal employees. Thirteen of the state's 17 counties presently are authorized \$3.1 million a year in impact funds. Superintendents of all 13 districts oppose the planned reductions.

Cannon said the impacted area programs had a dual purpose:

—To compensate for the weakened tax base which results when much of the real property in a school district is federally owned, and thus not subject to local property taxes; and

—To help local school districts to manage the increased outlay necessary for mailing good schools available to children of federal workers.

Cannon declared that if the budget cuts were approved, "little or no more federal assistance for Nevada education would be available this year than there was before enactment of the great education programs of the last few years."

Cannon said the impacted area programs "have been hit upon as a likely area for an 'economy' drive." He said such a move was "neither justifiable nor advisable."

Sharon Jeffrey Wins Annual Toastmistress Speech Contest

Sharon Jeffrey was first place winner in the annual Toastmistress Club speech contest held Thursday evening at the Bank of Las Vegas.

Miss Jeffrey's subject was "Circumstance" and the title of her winning speech, "Make Circumstances Work For You."

Rae Von Dornum was runner-up with a speech on "Resources" entitled, "You're the Boss." Other speakers were La Vonne Rico, Verla Purdy and Ellen Shirley.

Judges for the contest were Asa Morrison and John Burns of Sunrise Toastmasters; Joe

BOB FLEMING

Income For American Potash Over \$6 Million

Peter Colefax, chairman and chief executive officer, today announced that net income of American Potash & Chemical Corporation in 1965 totaled \$6,811,991, compared to \$6,158,394 in the previous year.

After deducting preferred dividend requirements, earnings were \$2.90 per share on 2,290,242 shares of common stock outstanding as against \$2.61 per share in 1964 on 2,290,302 shares then outstanding.

Keely of High Noon Toastmasters; Rosemary English of KTOO Radio; and Dick Pryor, President of the Chamber of Commerce.

Guests were introduced by Verla Purdy and Nita Neal was Toastmistress. Timers were Artie Cannon and Jeri Green; tellers, Paula Saragoza, Beverly Charlesworth and Bernadette Friary. Julie Elkie led the pledge of allegiance to the flag and gave the opening inspiration.

Miss Jeffrey will represent the local club in the area speech contest which will be held in Barstow, California Saturday, March 26.

Basic, Boulder High Schools Schedule Zone Track Meets

The southern zone track schedule for Basic High School and Boulder City High School was released this week by Clark County school officials.

Basic and Boulder City will participate in a track meet on March 25 with Gorman and Las Vegas at Las Vegas High School at 4 p.m.

On April 1 they will both participate in Western relays at Rancho at 4 p.m.

Clark will meet Basic at Basic on April 7 at 4 p.m.

Both schools will participate in the Rancho invitational on

April 16 at 9 p.m.

On April 22, Basic will meet Boulder at Boulder City at 4 p.m.

April 29 will be the Basic invitational at Basic at 7 p.m.

May 6, Basic will host Gorman at 4 p.m.

May 13, the zone track meet will be held at Boulder City High School.

May 21, the state track meet will be held in Reno.

Coach for the Basic track team is Ken Reber, with Estes McDoniel athletic director, while Ken Andree coaches for Boulder City, and Don Taylor is athletic director.

WESTMINSTER CHOIR

The last concert of the current season of the Southern Nevada Community Concert Association will be given on Monday evening, March 7. At this time the Westminster Choir under the direction of Dr. George Lynn will perform at the Las Vegas High School Auditorium.

Known all over the world, including the Orient, as the unsurpassed exponent of choral music, the choir comes to Las Vegas with reviews that speak glowingly of their tonal texture, their musical understanding, and their evident joy in singing.

The Westminster Choir sang at the dedication of the New

York World's Fair and 26 years later again participated in the opening ceremonies of the second World's Fair held in New York City. Naturally the personnel of the choir was not the same throughout this span of years. The choir is made of students at the Westminster Choir College, Princeton, New Jersey, and it is only at a certain time of the year when they are on tour. The Community Concert Association of Las Vegas was fortunate enough to be able to book them.

The concert by this choir on March 7 starts promptly at 8:15. Admission is by membership card only.

Bob Fleming, LBJ's New Press Secretary, Used to Cover Sports With Our Publisher

By MORRY ZENOFF

As the years go by, one of the thrills you can still get out of life is when you learn of its good news and tidings happening to some old friend, associate or school-mate.

Such happened to me recently with the news that Bob Fleming had been made press secretary to President Johnson.

Bob Fleming attended Wisconsin U. when I did, covered the Wisconsin Badgers every night at practice and then their games, in all sports, when I did.

We were friendly rivals searching for scoops, interviews, different angles for tomorrow's story.

I graduated and went to the Wisconsin News in Milwaukee. He graduated and went to the Capital Times in Madison, then to the Milwaukee Journal. We met several times at the Milwaukee Press Club, exchanged many where is he now comments about mutual friends.

Then Bob started going up the ladder — to the White House.

Only once during his climb was I fortunate enough to run into him for more old time discussions, that was last year at the Republican National convention in San Francisco. He was an ABC commentator and we met in the press section. I have a snap shot of him somewhere on my Minox camera and I hope to find it in time for the running of this story — so you can get a good look at a goer — a comer — a strong man in the world press field.

I did see him on tv years back during the famous Nixon-Kennedy debates. You remember each network had a man present covering the event and asking the candidates questions. Bob was the ABC man then and though only the back of his head showed mostly, you knew it was Bob if you knew him.

This all doesn't mean I have an open sesame to the White House—but it does mean I can get a thrill by association, and maybe a letter thru to him or from him from time to time on something that may be important to us out here in the West.

Could be Bob may some day want to take the Prez on a fishing jaunt, to get away from it all, on Lake Mead—and could be he'll want your boat or mine for a few days.

Let's watch him go—Bob Fleming, who is married to another Wisconsinite I remember so well the former Jean Heitkamp.

We sure wish him luck and happiness in a big, big job.

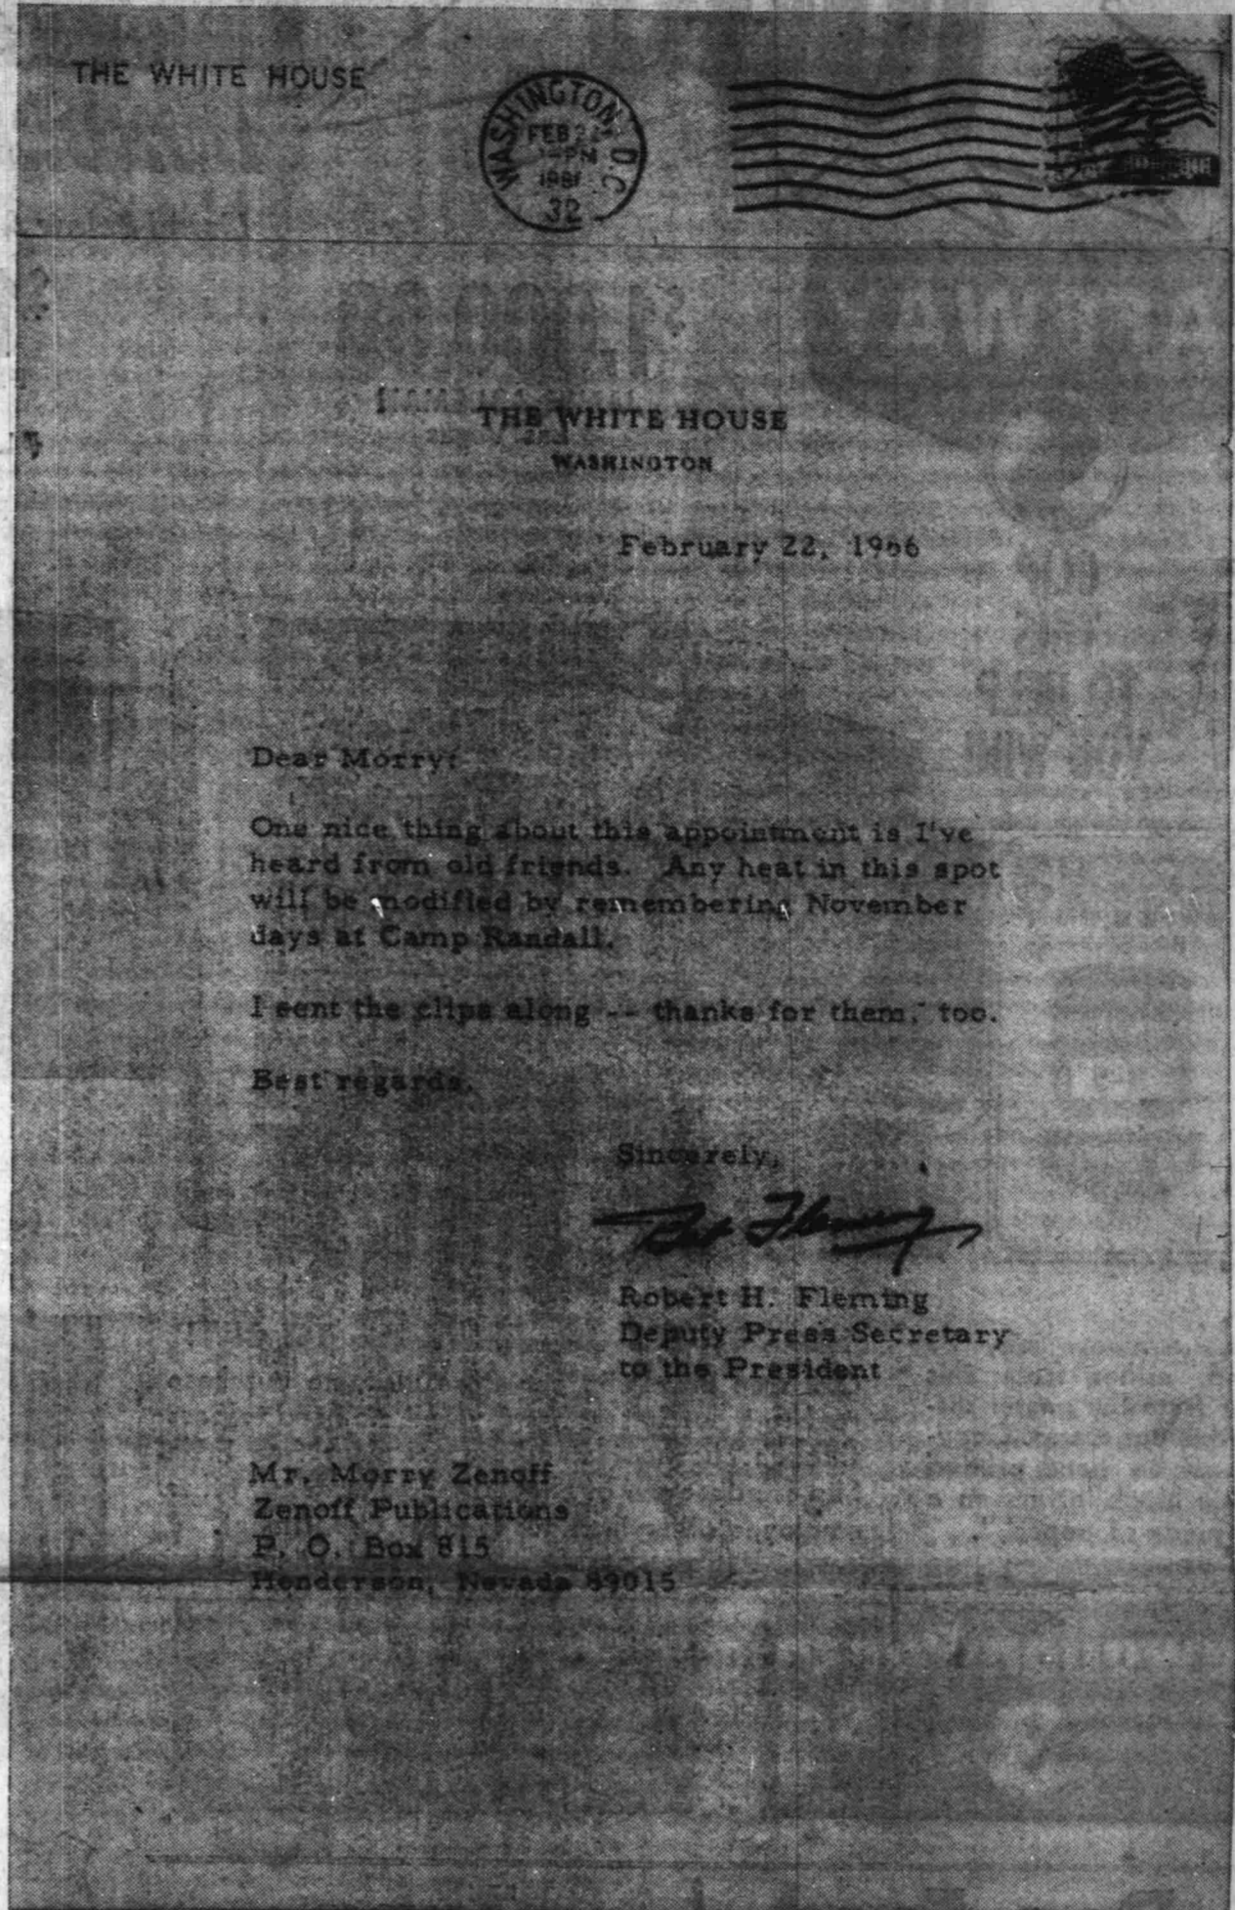

Note — while I was writing the above story, I sent a note of congrats to Bob and enclosed a recent headline stories from this paper where we had polled our citizens on the question of what they would like to see done in Viet Nam. In my note to Bob I suggested he might send the clippings along to Mr. President, giving this communities thoughts to him.

Well, lo and behold, as we were going to press we received an answer from Bob (which in toto alongside this story) and by golly—he reports he sent the clippings on—to the President! Boy—everybody is reading this paper these days —and what a thrill for us.

Publication Tells of Grass Production

A new publication which provides some answers to raising productive grasses on Nevada's saline-sodic soils has just been released by the Max C. Fleischmann College of Agriculture.

Title of the new publication is Forage Production on Saline-Sodic Soils. Senior author is Dr. Edwin H. Jensen, agronomist, who says "the experiments described in this bulletin have demonstrated that it is possible to establish desirable forage species on saline-sodic soils where salt-grass is the native vegetation".

This letter came to us this week in answer to a congratulatory letter Publisher Morry Zenoff sent along to a fellow journalist — Bob Fleming — new press secretary to President Johnson. Fleming's mention in the letter to "the old days at Camp Randall" — referred to the days when he and Zenoff covered Wisconsin football team practice daily — and Camp Randall was the name of the stadium and practice field. The letter also refers to clippings which Fleming got and said he sent along — which means sent along to the President. They were clips of the article in this paper recently of a survey of our readers thoughts as to what to do in Viet Nam.

Odd Fellows And Rebekahs Plan Annual Tri-State Meeting Here

The 16th annual Tri-State meeting of the Independent Order of Odd Fellows and Rebekahs will be held Saturday, March 19, in the Henderson Eagles Hall with IOOF Lodge 50 of Boulder City and Sunshine Rebekah Lodge 41 of Henderson as host and hostess lodges.

Participating in the program will be the Needles, Calif., Kingman, Ariz., Las Vegas, Boulder City and Henderson Odd Fellow and Rebekah Lodges and all members in the jurisdiction are invited to attend.

All meetings will be held at The Eagles Hall on West Pacific street except the Odd Fellow meeting at 1 p.m. which will be in the Victory Village Administration building.

Registration opens at 10 a.m. and registration fee will be \$1. Luncheon will be served at 11:30 a.m. for a \$2.50 donation and reservations must be sent in not later than March 12, to Mrs. Carol Doolin, secretary of Sunshine Lodge, Box 2052, Henderson, Nev., 89015; or Mrs. Alice Smiddy, 11-A Money St. (chairman) Henderson, Nev. 89015.

Afternoon meetings will convene at 1 p.m. and a joint public meeting will open at 4 p.m. with a welcome to Hen-

derson by Mayor Robert Hampton. Mrs. Ione McCauley, PPLARA, of Arizona will be the main speaker of the day.

The evening will be free so out-of-state guests may enjoy the Nevada activities.

DIRECTOR OF UNITED FUND ELECTED TO NATIONAL BOARD

Arlan J. Hoffman, executive director of the United Fund of Clark County has been appointed to a national committee of United Community Funds and Councils of America; the national association representing local United Funds, Community Chests and Community Health and Welfare Councils in the United States and Canada.

Hoffman will serve on the United Fund Advisory Board. This group's primary purpose is to advise the national association on the latest trends in fund raising administration and program developments of local United Way organizations.

This information is then sent out to association members to help them improve their services to their communities. The committee is drawn from leaders in business, labor, and professions from all over the United States. Earlier this year, Harold Wadesford, vice president and manager of the Title Insurance and

Offers \$750 Fellowship

The Nevada Division of the American Association of University Women is offering a \$750 fellowship to a woman college graduate interested in working toward an advanced degree at the University of Nevada.

The fellowship is for a graduate who is not studying in a university or serving on an elementary or secondary school, college or university faculty.

The grant will be awarded to a female college graduate who is interested in a career in teaching, research or administration in elementary or secondary schools, in colleges or universities, and who will need assistance for the graduate work.

The project will be a one-year demonstration program, supported by a \$500 grant from the Sears-Roebuck Foundation and a \$250 grant from the Nevada Division of AAUW.

Information about the fellowships is available from the chairman of the Sears-Roebuck Foundation Fellowship Committee of the Nevada Division of AAUW, Mrs. Eugene Pieretti, 207 Winters Drive, Carson City, Nevada. Completed applications must be received by Dr. Robert McQueen, chairman of scholarships and prizes, University of Nevada, no later than April 10.

Cannon Protests Needless Cost Of Re-Routing 66 Thru Needles

A U.S. Senate subcommittee has demanded that the Bureau of Public Roads justify completely a recent decision against routing Interstate Highway 40 through Searchlight, Nevada. The action, announced today by Nevada Sen. Howard W. Cannon, followed a demand by Cannon two weeks ago for a "full Congressional investigation" of the decision to construct the highway from Kingman, Ariz., through Searchlight, Nev., to Barstow, Calif.

In calling for the Congressional probe, Cannon charged that Rex Whitton, director of the Bureau of Public Roads, "completely reversed his previous position" that the highway should be located through Searchlight.

Cannon said official maps and statistics revealed that the decision to construct the highway along the southern route through Needles will cost \$45.6 million more than the northern route through Searchlight. The Senator said the southern route would also require an "additional and unnecessary 114 miles of construction."

Referring to Whitton's "thorough reversal of his announced support of the Searchlight route," Cannon made available to a Public Works subcommittee correspondence between Whitton and Nevada State officials.

The letter, written less than a year ago and signed by Whitton, said the northern route, through Searchlight, "would result in an arrangement much superior" to the southern plan.

Whitton's letter, Cannon

TEE ... Talk

By VIVIAN PHILLIPS

Black Mountain Country Club was quiet and cluttered Monday morning after the big \$2000 Invitational Tournament. Reflection on the sudden playoff for number one position in flight 4 between Al Wengert and Earl Parker, however,

said, also stressed that the Searchlight route was justified "because of the important reductions in dollar costs for construction in the area, and the significant reduction in required system mileage, with no loss of travel directness."

Subcommittee Chairman Jennings Randolph, D-W. Va., in a letter to Whitton asked for "a clarification of your reasons for reaching a decision to revise the routing of Interstate 40."

Randolph said there was "considerable question regarding the prudence of the recent decision, especially in view of your early statements."

brought a grin to some tired faces. The playoff drew quite a gallery down fairway No. 1. Nervous Al took Del Seleska in his cart with him for moral support. A flip of the coin put Al on the tee first. With a mighty swing, Al's ball went 15 yards down the fairway. It was off the tee box, but well short of the gallery. This was clearly a moment for moral support.

When Al looked at Del Seleska, he had fallen out of the cart with laughter. It's rough, but a sense of humor is all that could save this situation. Earl Parker was a little shook up too. He won the hole, but after six strokes.

Black Mountain Country Club is happy to welcome the following new members: Virgil Meyer and wife, Rita, who runs "Ye Old Fishing Hole" on the Boulder Highway in Pittman.

Dr. John L. Holmes and wife, Janet. Dr. Holmes started a medical practice here about a year ago after completing his training in Washington, D.C. Janet is the daughter of Marion and Jim Van Valey.

Dallas Bossard and wife, Jeryce. Bossard is manager of the Palm Mortuary on the Boulder Highway.

John A. Dooley and wife, Mary. Dooley is principal of Basic High School.

Edwin J. Dotson who is the attorney for Black Mountain Country Club and is practicing in Las Vegas. Ralph Purdy and wife, Vera, who have the Desert Sporting Goods on Lake Mead Drive.

George Monahan and wife, Angela. Monahan is the Clark County Engineer.

Cal Merrill and wife, Gara. Merrill works at the Basic sub-station, Bureau of Reclamation, and Gara works for the Chamber of Commerce.

Frank Rocha and wife, Jean. Rocha is a counsellor at Basic High School.

Earl Taylor and wife, Dorothy. Taylor is manager of the grocery department, Vegas Village, at Sahara and Maryland Parkway and was president of the board of directors of Black Mountain before they moved to Las Vegas.

Now hear ye, new members! March 17, is not only lucky for the Irish, but for you. Dan Furse is going to throw together a stew and you are all invited to a free cocktail party at 6:30, and free stew at 7:30 at the clubhouse. Everyone come out so we can get acquainted. The old members are snake bit. They have to pay.

The Ladies' Association will hold its monthly dinner meeting on March 9, at 7 p.m. Various games of cards are played afterwards, so everyone can find a game to her liking. Wives of new members make a note of this date. We want all of you there.

The girls taking swing lessons on Fridays look

healthy and determined. They are: Jerry Rosenberg, Alice Truworth, Marjorie Hamilton, Kay Parker, Betty Mallory, Peggy Nyden, Elsie Butler, Clare Voorheis, Bonnie Turner, Marion Love, and Agnes Williams. Where were Fran Corbin and Arlene Rubek?

Barbara Bagley shot a net 71 on February 24, and won the Henderson Home News Medal of Golf Tourney. She gets to use the silver ice bucket for the next month and will be a tough competitor in the June final playoff.

With this good round, Barbara also pushed Marge Pitts from the top of the ladies' ladder tournament.

Marge Pitts, however, played the best golf consistently during the month of February and so won the Golfer-of-the-Month trophy.

John Fielding is a good man to have around the house — the clubhouse that is. He is busy on week-ends doing odd jobs which wife, Marylou, can't get him to do at home. But the golf course is so handy from the clubhouse.

Jack Miller, John Henderson, Ralph St. John, Tom Steele, M. L. Chauncey, Steve Kezywicki, Dick Chase and Bill Phillips last week kept the new addition moving ahead.

We look for Eleanor and Eugene Slavin to join festivities more often at Black Mountain. Unfortunately Eleanor had some "ticker" trouble the first part of the year. We are glad that she is getting back to normal.

Starting March 11, dinners will be served at the clubhouse on Friday nights 6 to 9 p.m. instead of Saturday nights.

Keep the following dates in mind: March 19 and 20, Eldorado tournament; March 23, Ladies' Association buses to Death Valley; March 26, Mad Hatters' party at the clubhouse; March 27, members' tourney to be followed by a champagne luncheon; March 30, starting of ladies' spring Medal of Golf Championship tourney.

SCIENCE SERVICE

The absolute equality of all men in the sight of God is the theme of this week's Lesson-Sermon on the subject "Man," to be read in all Christian Science churches on Sunday. Bible references include Paul's interpretation of this fundamental spiritual premise: "For ye are all the children of God by faith in Christ Jesus. . . There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus" (Galatians).

United Fund Sets Agency Monies

1966 United Fund Allocations to its 24 member agencies were announced, totaling \$478,122, an increase of \$40,000 over the amount given to the health, welfare and character building agencies in 1965.

Most agencies received increased operating funds for 1966 as a result of the successful United Fund campaign last fall, with the average increase amounting to more than 9 percent.

The Boy Scouts received the largest allocation, \$64,350, a 5.5 percent increase over the previous year. The next largest was the Clark County Chapter of the American Red Cross with a 5 percent increase of \$54,000.

Other allocations, and their percentage increase over 1965 are as follows: YMCA, \$46,000 — 3.4 percent; City of Hope, \$45,000, same; Nevada Catholic Welfare, \$45,000 — 4.7 percent; Frontier Girl Scouts, \$44,100 — 6.7 percent; Salvation Army, \$33,100 — 4.7 percent.

L.V. camp fire girls, \$25,267 — 10.7 percent; Clark County Mental Health Assn., \$21,275 — 4.3 percent; Family Counseling Service, \$20,580 — 5 per-

cent; Boys Club of Clark County, a new agency, \$16,800; National Conference of Christians & Jews, \$16,500, same; Henderson Boys Club, \$10,000 — 14.9 percent; Southern Nevada Military Council, \$8,052 — 0.9 percent; Clark County Legal Aid Society, \$7,984 — 10.8 percent; Dependent Youth Council, \$5,000, same; U.S.O., \$4,125, same; Henderson Community Services, \$3,500, same; Boulder City Welfare, \$1,000, same; American Social Health, \$495, same; National Travelers Aid, \$285, same; and American Hearing Society, \$235, same. The only agency to receive a decrease in funds over the previous year was the PTA Nutritional fund which was reduced from \$650 to \$1,000, in order to eliminate a cash surplus in the Nutritional Fund which had existed for several years.

The balance of the funds raised in the campaign were allocated as follows: Agency reserves, \$3,693; Pledge shrinkage was set at 8 percent or \$40,943; United Fund Administration, \$41,813 and the United Fund Campaign costs at \$31,687.

The total of these figures equals the campaign total, which was \$586,768.

Black Mountain Invitational Tournament Is Big Success

In a field of over 100 players, Harold Sutfleif, with a net 134, won the tournament low net trophy and prizes. Many ties in the four flights brought the number of winners to 32.

The winners are as follows: Flight 1 — Chuck Von Taggen 141, Don Spear, Jr., 144, Chris Torres 145, Bob Taylor 145, Ernie Manuel 145, Denby Wade 146, Luke Melchione 146, Doug Dedeaux 146.

Flight 2 — Joe Keller 136, Mac McCallum 143, Ken Kendall 144, Dave Jamison 144, Roy Nyden 145, Jim Chivers 145, Frank Ramondi 145.

Flight 3 — Babe Parisi 138, Frank Muniz 140, Lewis Higbie 144, C. C. Norris 144, Jay Arnoldson 145, Curley Ashworth 145, O. L. Raney 146, Walt Porter 146.

Flight 4 — Earl Parker and Al Wengert tied at 143 and Earl Parker won the sudden death playoff for first place, Al Wengert second, Morry Zenoff 145, Del Seleska 145, Russell Taylor, 146, Stu Wagner 146, Glen Pickett 146, and Joe Visculiga 148.

The car, donated by Dick Stewart Motors, to be given away for a hole-in-one during tournament play, unfortunately had no takers.

They're here!

First Bonanza Funjets
to Los Angeles, Phoenix,
Reno

They're the spectacular new Douglas DC-9 Funjets you've heard about, read about. The first to fly here in the West. We've named them Funjets because they've brought the fun back to flying. Like quiet you can hear. Smoothness that doesn't raise a ripple in your fresh-brewed coffee. Seats so cushiony they give a new meaning to softness. And 565 miles-per-hour nonstop speed that gets you there quicker than you can spell Bonanza. Catch a Bonanza Funjet soon. Have fun.

THE MOST BEAUTIFUL GIRLS IN THE WEST

ORGANIZE ABWA HERE — Shown are officials of the American Business Women's Association who assisted with the chartering of a Henderson chapter recently in ceremonies held at the Eldorado Club. Polly Torres, third from right, was installed as president of the Henderson chapter. A tea is being planned for March 20.

AWBA Chapter Organized Here

A Henderson chapter of the American Business Women's Association was chartered in recent ceremonies held at the Eldorado Club with representatives and presidents of the five Las Vegas chapters. Polly Torres was installed as president; Joyce Sanders, vice president; Jeanette Cajka, recording secretary; Lois Rowley, corresponding secretary; and Eunice Schroeder, treasurer. The chapter will hold its first "Hand of Friendship" tea at the Eldorado Club on March 20, the date set by national headquarters for all chapters across the nation for the spring tea.

Barlow, Barton Marriage Set March 11

Kay Barton, the bridegroom whose appendix kept him from keeping a date at the altar last week-end, has been released from the hospital. Barton, son of Mr. and Mrs. Joseph Barton, 140 Fir Street, was planning for a marriage to Carol Barlow in the St. George LDS temple when his appendix cancelled the plans, and nearly 1,000 people had to be notified of the change. The wedding and reception have been re-set for March 11, and the reception will be from 8 to 10 p.m. in the Unolia street church.

"Single people have more headaches than married ones," says a physician. Now, tell us, Doc, which bunch has more pains-in-the-neck?

WINNING TROPHY — Larry Evans, right, coach for the Celtics junior basketball team, is shown receiving the first place trophy from Recreation Director Alex Callahan, after his team won the play-offs, beating the Jets 33-23. The Celtics was tied for second place at the end of league play, then beat the undefeated Jets.

MY TWO CENTS WORTH

... by RAE VON DORNUM

Man, since his advent on earth, has used every expedient at his command in the search for a better life, but few individuals have made use of their natural resources. What are we searching for? The preamble to the constitution sums it up as "Life, Liberty and the pursuit of happiness." The pursuit of happiness. This is as misleading a phrase as was ever propounded by man. Happiness is not something to pursue, or catch, like a bluebird. Happiness is a built-in commodity... a natural resource. People sometimes feel that they are sailing the sea of life and are often swamped and sometimes completely sunk. Are you one of these? If so, it is probably because you are using the wrong equipment. If you are charting your course by the North Star and using a ruler in the wind to set your sails, YOU are courting disaster. You need modern equipment. Set yourself a high goal

map your course and use a computer to keep you headed in the right direction. And where would YOU get a computer? Let's think about that. Thirty or 40 years ago men started talking about building a "thinking machine." The first conception of this was some sort of tank which you could think into and it would give you the answers to your problems. Our first glimpse of the machine that evolved from this beginning was Univac. A winking, blinking monster of a machine which gave us the national election results before the votes were half counted. In building his first thinking machine or computer, man used his conception of the human brain as a pattern. The computer has a memory bank where it stores facts which are fed into it and it uses this memory to do the jobs it is expected to do, but it can only give out the information that man puts into it and it is incapable of doing anything without a human at the controls. Now that the computer is a success, the experts reason that if a computer works like a human brain then it is a reasonable conclusion that the brain works like a computer... and it does. Not the conscious mind, but the sub-conscious or subjective mind. Like the computer, the subjective mind stores the facts you feed into it and uses them in accordance with what you appear to want. It is an adept slave and doesn't care whether your thoughts are positive or negative, good or bad. Every man has a self image and the subconscious works like magic to make him into whatever he imagines himself to be. Success or failure are not due to fate or chance, but to the thoughts men have of themselves and whether they are ruled by faith or fear. If you want to change your circumstances... change your thinking. New circumstances cannot abide with old trends or thoughts. Use that wonderful computer when you call your subconscious to bring you every good thing you want in life. Think positive thoughts. Thoughts of success, health, happiness, abundance. Don't worry about past mistakes, sickness, poverty... and remember that we are never affected or disturbed by happenings... it is only our opinion or things that happen which disturbs us. Never underestimate the power of your subjective mind. If men were to build a computer to hold all the information stored in the mind of any normal person, it would require two million cubic feet of space to set it up... and that's without a single inch of wiring. The operation of this mammoth machine would require one billion watts of electricity... and no one can push the buttons but you. So, you see, Henley was right: You ARE the master of your fate! You ARE the captain of your soul!

Dr. Kermit Ryan Receives Variety Club Heart Award

Dr. Kermit J. Ryan of Las Vegas was honored by Variety Club, at a recent banquet held at the Sands Hotel, when he was presented with the annual Variety Club Heart Award for his outstanding contribution to underprivileged children.

Dr. Ryan has contributed many hours of work to aid students of the Variety School in Las Vegas and for a number of years has been in charge of the Special Children's Clinic.

Dr. Ryan's wife, Frances, is the daughter of Mr. and Mrs. Frank Price of Pittman. They have resided in Southern Nevada since 1954 when Dr. Ryan opened his practice here. They have one daughter, Christy, who is attending San Francisco State College, specializing in language.

Sauerwein gave an interesting talk on "Confraternity of Christian Doctrine." He stressed the point that each Catholic is a teacher of his or her actions and that faith, unless it has words, is dead of itself. Father Vouten gave a talk on guilds and the work they do for the parish. Plans were made for a rummage sale to be held later this month and anyone having articles for the sale was asked to call Marge Martinez or leave their donations at the parish hall. The Altar Society meets once each month and all Catholic women are invited to attend.

Russia's instruments on the moon reported the night temperature there is some 300 degrees F. below zero. Anyone planning a trip to the moon is advised to take along some thermal underwear and several electric blankets and hot water bottles.

Sandin Scores High Game

Dave Sandin of the Palm Mortuary team bowled a 275 game this week, upsetting Frank Averett's long-standing high season game of 273 in the Sunday Nite Mixed League competition.

His 632 series was also high among the men this week, although Frank Averett still holds the high season series of 699.

Ruth Soehlke took double honors when she bowled the

James Sauerwein Addresses Altar Society

James Sauerwein of St. Christopher's parish in Las Vegas was guest speaker at the Feb. 23 meeting of St. Peter's Altar Society, it was announced by President Marion Lee.

Sauerwein gave an interesting talk on "Confraternity of Christian Doctrine." He stressed the point that each Catholic is a teacher of his or her actions and that faith, unless it has words, is dead of itself. Father Vouten gave a talk on guilds and the work they do for the parish.

Plans were made for a rummage sale to be held later this month and anyone having articles for the sale was asked to call Marge Martinez or leave their donations at the parish hall. The Altar Society meets once each month and all Catholic women are invited to attend.

OBSERVE BROTHERHOOD WEEK — Shown, from left, are A. A. McCollum, Executive Vice-President, Del E. Webb Corp., and President, Sahara - Nevada Corp., guest speaker at the Annual Brotherhood Dinner of the Clark County Chapter of the National Conference of Christians and Jews; J. R. Crockett, Chairman, NCCJ State Board and Project General Manager REECO; Dr. Donald C. Moyer, Chancellor, Nevada Southern University and NCCJ Co - Chairman; Rabbie Aaron S. Gold, Temple Beth Shalom and NCCJ Board Member; and Sam Boyd, General Manager Mint Hotel and NCCJ Board Member. Winners of the 1966 Brotherhood Awards in Nevada are: Jerome D. Mack, Judge John C. Mowbray; Dr. Charles I. West, and E. Parry Thomas.

Government-Owned Vehicles Offered for Sealed Bids

Forty (40) Government-owned vehicles and one (1) in-board boat are currently being offered for sale by the General Services Administration.

The wide variety of motor equipment offered includes sedans, station wagons, 4-wheel drives, pickups, 3/4 ton's, and carryalls. Chevrolets, Fords, Plymouths, Studebakers, Ramblers and GMC vehicles are among the models available. Some are equipped with 4-speed transmissions. The Smithcraft 17 Inboard Boat has a 100 HP engine and trailer.

Thirty-seven (37) of the vehicles are located at 301 Stewart Street (next to the Post Office building) in Las Vegas. They may be inspected there on weekdays between 9 a.m. and 5:30 p.m. and until noon on Saturday, March 5.

The boat and 2 of the vehicles are located at the National Service facility at Boulder City, and the remaining vehicle is at the National Park Service installation at Caliente, Nevada. Inspection at these locations may be daily between 8 a.m. and 4 p.m.

This property is being offered for sale by sealed bid on an individual basis. Complete descriptions, including bid forms, are available from Mr. Jackson, GSA Interagency Motor Pool, Las Vegas (Tel. 382-2692). Bids will be opened

Dale Clark Aerospace Expert To Speak to Chemical Society

Dr. Dale A. Clark of the USAF School of Aerospace Medicine at Brooks Air Force Base will talk before a meeting of the Boulder Dam Section of the American Chemical Society. The subject of Dr. Clark's talk will be "Problems of Biochemical Analyses in Space Vehicles."

Dr. Clark is a research biochemist in the United States Air Force School of Aerospace Medicine, Brooks Air Force Base, San Antonio, Texas. He received a B.A. degree from Hastings College in 1944, a Masters degree from the University of Colorado and a Ph.D. degree from the University of Utah in 1950.

From 1950 to 1954 he served the Medical School of the University of Oklahoma as an assistant, then associate professor of biochemistry. Thereafter he spent five years in biochemical research at the Veterans Administration Hospital, McKinney-Dallas, Texas, with a simultaneous appointment as Clinical Associate Professor of Biochemistry in the University of Texas Southwestern Medical School. Since 1959 Dr. Clark has been associated with a longitudinal study of serum lipid levels and development of cardiovascular disease. Other

research interest include steroid metabolism and the effects of selected chemicals on lipid and lipoprotein metabolism.

Dr. Clark will discuss problems of biochemical analyses that might be desirable for purposes of biomedical monitoring of astronauts. Limitations imposed by the closed

cabin atmosphere and the condition of weightlessness dictate that many procedures used in laboratories on earth either could not be employed or would require adaptation before they could be used in a space vehicle. Principles such as surface tension, capillary attraction, etc., presumably can be used successfully. A novel apparatus illustrating application of some of these principles will be described. Adaptation of this system to a determination of levels of calcium in urine or serum under conditions of weightlessness will be discussed. The meeting will be at 8 p.m. Thursday, March 3, in Room 102 of the Science and Technology building of Southern Nevada University. All interested persons are invited.

Military Contracts Awarded In State Reach New High for 1965

Military prime contracts awarded in Nevada reached a new high during fiscal year 1965, Senator Howard W. Cannon said today.

Cannon said the value of military procurement actions in Nevada climbed to \$19.1 million in fiscal 1965, compared with \$6.4 million in the previous fiscal year.

Outlook for the present fiscal year is for an even higher total of prime contracts, Cannon said. He stated that during the first six months of the year more than \$16 million in military procurement had been awarded to Nevada contractors.

The Air Force accounted for \$14.2 million in contracts for July through December, 1965, with the Navy and Army responsible for \$1.2 and \$1 million, respectively.

Another \$296,000 in contracts were awarded in Nevada by the Defense Supply Agency, Cannon said.

RED CROSS TRAINING PAYS OFF

"Quick-acting Marines save buddies at beach" was a headline in a Da Nang, Vietnam newspaper not long ago, as reported by Sgt. Robert Keister, a recently returned United States Marine.

Two off-duty Marines swimming in the South China Sea bordering their airfield, were pulled seaward by an undertow. Four alert buddies inflated rubber mattresses and reached the exhausted men.

Making a raft of the mattresses they lifted the men onto them. One lost consciousness just as they reached him, so, as the raft was pushed shoreward, artificial respiration was applied until the man revived.

The four Marines performing the rescue received Life Saving and Combat Swimming while stationed at the United States Marine Corps Base in Twentynine Palms, Calif. It is a small world—another case where training paid off.
