Basic Underdog to Gaels For Sat. Game in Vegas

By F. ROCHA

The Basic High School Wolves will close out the season Saturday night when they tangle with a big Gorman High School club at Western High School field at 8 p.m.

The Gaels have beaten three of Basic opponents. They took Rancho by three touchdowns, split with Las Vegas, and took a 47-0 decision over the Needles Mustangs. The Gaels will outweigh the Wolves 50 pounds to the man or better depending on whom the Gaels play.

The Wolves are rated a definite underdog in the upcoming game in some circles but Coach Keegan rates his club a good chance to upset the Gaels. Keegan feels that his club has made considerable progress since the opener against Cedar City. "The progress has been slow but consistent and this is in all areas," Keegan stated.

The Wolves have a lot of incentives for this big one—they haven't crossed the Gorman goal line in five years and haven't had a winning season in that same period of time. Presently the Wolves are sporting a 4 and 4 record and a win over the Gaels would produce a winning season. Keegan's crew is in good physical shape for the contest and he hopes he can get them psychologically for this one.

Gary Smith will still be missing from the Basic lineup as will Dick O'Dell who has been sidelined since the second game of the season. The progress made by Larry Chandler since he took over for Smith has given the Basic cause a shot in the arm. Larry has gained a lot of experience that will stand him in good stead in the Gorman tilt.

In picking his players of the week Keegan couldn't pass up Chandler as "Back of the Week" for the second successive week. Larry sparked an offense against Needles lugging the pigskin some 129 yards and was equally effective on defense when he was called on for that chore. Larry, a senior, is the son of Mr. and Mrs. Roy Chandler of Basic Road, will be making his last start for a Basic 11. He would like nothing better than to repeat his performance of the last two weeks.

Two other seniors, Chris Bair and Steve Mendive, will don a Basic football uniform Saturday night. Both of these boys have been outstanding linemen for the Wolves this season. After viewing the films over and over again,

Keegan couldn't decide which of these two name linemen of the week. Joe came up with the solution and nominated them as "Linemen of the Week." Chris, son of Mr. and Mrs. L. P. Bair of Pittman, has a younger brother who shows promise of taking over his spot next season.

Steve Mendive, son of Mr. and Mrs. Peter Mendive, is no stranger to the weekly honors. He had a problem turning down Steve's candidacy for pick of the week on the three games Steve failed to make it. Keegan and his club will really miss the spirit, effort and ability of these two nominees next season.

Marc Dickens, son of Mr. and Mrs. Lester C. Dickens of Victory Road, was singled out

as "Headhunter of the Week" by Coach Keegan. Marc has been playing deep secondary on defense most of the season and has given a creditable performance in every game. In the Needles tussle Marc's performance was tops. He came in from the deep secondary to make tackles at the line of scrimmage and was deadly on covering his zone for pass defense. Marc, who has been an understudy to Mike Stewart as offensive quarterback, has been effective in that position and has 11 completions to his credit, two of these for touchdowns. Keegan is happy that Marc is only a junior and will be returning to the gridiron wars next season.

VFW Plans Yule Gifts For Local Viet Servicemen

Henderson servicemen in Vietnam will receive a package from their home town through the efforts of the Basic Post 3848 of the Veterans of Foreign Wars.

Relatives or friends of local servicemen are asked to send a post card or letter to the VFW Post Home on Boulder highway, giving the name and address of the serviceman. Mrs. Vivian Dickey, who is aiding the project, said they would prefer not to have the addresses phoned in. She estimated that there would be from 80 to 100 packages to the

local servicemen in Vietnam. A basket will be placed at Market Basket and perhaps other markets where items can be donated for the Christmas packages. A suggestion list will also be placed where people can see what items servicemen can use. One type of food which is good for Vietnam is de-hydrated foods. Home-made items to send to the boys may be left at the club on Boulder highway. Each serviceman will be sent a five-pound Christmas box.

Golden Anniversary Celebrated By Mr. and Mrs. L. Phillips

Mr. and Mrs. Lloyd Phillips celebrated their 50th wedding anniversary at a mass held in St. Peter's Catholic Church Oct. 24.

The Phillips were married in 1917 at Rushville, Neb. and lived in Hay Springs until their retirement in 1959. Since that time they have traveled all over the United States and to Alaska and England.

They are planning to spend the winter in Henderson as they have done in the past, visiting with their son, Joseph Phillips and his family. The senior Phillips have

four children, Sister M. Gemma of Daventry, Northant, England; Paul Phillips, Denver, Colo.; Mrs. Fernando Franks, New Orleans, La. and Joseph Phillips.

RUMMAGE SALE SET BY JAY-C-ETTES

A rummage sale, sponsored by the Jay-C-Ettes, will be held Saturday from 9 a.m. to 3 p.m. at the Carver Park auditorium.

There will be around 2,000 items of clothing and miscellaneous items for sale.

Tony Martinez Recovered From Long Illness

Happiness reigns in the Gilbert Marzoline home at 317 Dell Way.

Marge Marzoline states that son Tony, who is in the Marine Corps, was promoted to Lance Corporal and, most important to them, he has recovered from the illness incurred during his 16 months in Vietnam.

He was discharged from Oaknoll Naval Hospital and stationed at Camp Pendleton, Calif., but two weeks ago was transferred right to his home grounds — Lake Mead Naval Base.

Corporal Marzoline also announced to his family that his fiancée, Miss Linda Claboe, of Hayward, Calif., has set their wedding date as Dec. 26.

Boy Scout Events Set For November

The November schedule for the Lake Mead District of the Boy Scouts of America was announced this week by Chairman W. R. Hampton.

A meeting will be held tonight for district committee members at the Henderson Junior High School Room 13 at 7:30 p.m.

A Cub and Scout Leaders' Roundtable will be held at the Henderson Junior High School at 7:30 p.m. Nov. 9.

An Eagle character board of review will be held Nov. 13. On Nov. 16 there will be a District Commissioner Staff meeting at the Ocean Street LDS chapel at 7:30 p.m. On Nov. 18, a meeting has been scheduled for Cub Leaders' Pow Wow, at Nevada Southern University at 10 a.m. to 4 p.m.

An Explorer Rendezvous will be held Nov. 24 and 25 at Tule Springs. It was announced that some units and leaders have qualified as honor units and have earned their Roundup recognitions: They are Pack 8, Cubmaster Aaron Morris; Pack 11, Cubmaster Charles Daffer; Pack 22, Cubmaster Earl Rhoads; Pack 33, Cubmaster Dale Russell and Pack 7, Cubmaster L. G. Gwin.

Roundtables
Fred C. Smith and Robert D. Rowland have been named assistant District Commissioners for Cub Leader and Scout Leader Roundtables.

Another definition of hippies: Drop-puts from real life.

Dick Feists Retire, To Make Home in Our City

R. P. "Dick" and Mrs. Feist, former residents of Henderson, where he was manager of California Pacific Utilities, returned, "home" this week and purchased a home on the Black Mountain golf course where they will retire.

He was honored last month on his retirement from the company, and had served as Lassen Division manager of the company since September, 1960. He has worked for California Pacific Utilities for 32 years.

E. K. Albert, president of the company, presented Feist with a certificate of appreciation and Warren Hallum, division engineer, presented two gifts from the employees, a fishing rod and hunting jacket, and best wishes for a happy retirement. Earlier in the evening of the retirement dinner, Mrs. Feist was presented with a corsage of three orchids from the employees.

Feist joined the company on June 29, 1935, at Needles, Calif., as operating engineer in the diesel electric plant. In 1942 he was transferred to Benecia as water serviceman. In 1946 he transferred to Dunsuir as district manager of the gas property.

In 1952, he was assigned to Henderson as division manager of the electric property which the company had just purchased from the State of Nevada. During the years he was at Henderson, the city grew from 3,500 to 18,000, and the city had the distinction of being the first city in Nevada to be piped for natural gas service.

On Sept. 15, 1960, he was transferred to Susanville as manager of the Lassen division. At that time the Chamber of Commerce and friends at Henderson purchased an advertisement which appeared in the Lassen Advocate telling of their appreciation to Feist for his many years of community service, and congratulating the Susanville area on his assignment.

During his residence in Susanville, Feist has been active in civic affairs and has been particularly interested in the development of the municipal golf course which opened in July. Since that time he has written a weekly column for the Advocate, "Tee Talks," telling of activities at the course.

Spooks Behave, Police Report

Little spooks and hobgoblins apparently behaved themselves in Henderson Tuesday night as no incidents were reported to police.

The little tricksters were out in great numbers all over the city since the weather was favorable, however, in most areas the traffic slowed almost to a stop by 8:30.

Some homes reported that over 200 children came to their doors, some repeaters. Police reported some open doors, but no particular disturbance which could be attributed to Halloween.

PLAQUE OF APPRECIATION — R. P. Feist is shown at left, receiving a plaque of appreciation from E. K. Albert, president of California Pacific Utilities Co. on his retirement after 32 years with the company. He will make his home in Henderson at the golf course.

Building Figures Lag for October

Building figures lagged for the month of October, Pat Doherty, superintendent of building and safety said yesterday.

UNICEF Drive Nets Children \$362 Here

The three sponsoring churches of the UNICEF drive last Sunday for "trick or treat", received \$372.79, it was reported by Rev. Bill Roberts of the Presbyterian Church.

The money goes to aid other children.

"Personally, we think it is a good response," Rev. Roberts said. "The children said they were graciously received in almost every case. The committee expressed its appreciation to the city on behalf of the children who solicited the money and for those who will receive it."

Also involved in the drive were the Community Church and St. Timothy's Episcopal Church.

Total valuation for the month was \$47,680 as compared to \$114,014 for the same period last year.

The figures for the year to date are \$770,470, as compared to \$1,428,562 for the year to November last year.

There were 655 inspections made during the month for building, electrical, plumbing, clean-up, air conditioning. There were eight cars removed by the city, 10 violations noted and 7 compliances. There were three court cases during October. One fined, one dismissed and one extended 30 days.

LDS BAZAAR SET FRIDAY

The LDS Third Ward Relief Society will hold its annual bazaar Friday beginning at 4:30 until 7 at the Cholla street church.

In addition to the bazaar there will also be a bake sale and luncheon served.

If a public official in higher echelons of authority has a dictator complex, he unintentionally and unmistakably reveals it by cussing the news media.

Claude Evans, president of United Steelworkers Local 4856, for Titanium Metals Corp., in a letter to Nevada's Washington representatives, blamed the "dumping" of Russian titanium sponge on the American markets, as a part of the reason for the 75-man lay-off at the local plant.

Evans said, "On Sept. 13, 1967, I wrote you in regard to the purchasing of Russian titanium sponge by United States companies. At that time, we were concerned that the dumping of Russian sponge on the American market would adversely affect the employment of the members of our union.

"I am sorry to say that our fears have proven justified. On Oct. 26, 1967, Titanium Metals Corporation in Henderson, laid off 75 of our members, with a possibility of another lay-off in the near future. We are informed by management that the Russian sponge bought by Titanium Metals competitors is definitely a factor in the lay-off.

"It is very difficult to explain to 75 men and their families how the United States government can condone a practice which deprives them of employment.

"I am in receipt of your correspondence in regard to the foregoing and am deeply appreciative of your actions to investigate and rectify this problem."

Letters were sent to Senators Alan Bible and Howard Cannon and Representative Walter S. Daring.

When contacted by the HOME NEWS, Eugene Francy, assistant plant manager at TMCA said that the plant is operating at the same level and that there are no immediate changes in sight that he can see. At the time of the lay-off two weeks ago, he stated he hoped the men would be rehired soon.

"We know Russian sponge is coming into the U.S.," Francy said, "but we don't know how much, but it is believed to be in some quantities."

KNIGHTS OF COLUMBUS TO SPONSOR MOVIES

Knights of Columbus, Rosary Council, are again sponsoring movies for the children.

These movies will be shown at the Henderson Theatre every Saturday in November at 9:30 a.m.

Admission is a can of food which will go to fill the parish Christmas baskets for the needy.

The first movie will be this Saturday, and all children are invited to attend.

FIRE DEMONSTRATION — Old Administration buildings at American Potash and Chemical Corp. were burned last Friday during a fire demonstration. What looks like snow in the foreground is High X foam put out by the Kibbie Co which was used in the demonstration. Firemen kept the blaze under control as the old buildings were demolished.

RETURNS FROM VACATION — Wayne Sillitoe and family returned from a vacation to Utah where Sillitoe was successful in bagging a deer. He visited with relatives and the usual vacation activities. He works in engineering at city hall.

HOME, BUT NOT HOME — Jerry Harper, son of Genevieve Harper, city clerk, was scheduled to come home this week from a two-year mission for the LDS Church. He has spent most of his time in North Carolina.

Mrs. Harper received a call from the mission president, reporting that her son had been released and was entering college in Idaho.

Although she was happy, she was disappointed that this meant she wouldn't see him for some time yet.

REASONS FOR LACK OF DEER — Lots of people are coming up with lots of reasons for the poor hunting in Nevada this year. The game commission blames it on warm weather partly. Others claim there are too many hunters.

Paul Houglund, who recently returned from northern Nevada, said the game ward-

en and sheriff up there claimed the Copper strike has something to do with the absence of deer there. The people have to eat something.

CLEAN AIR WEEK — Sometimes it would have been hard to say it was clean air week last week.

Taken from "Numbers, Big Things, In America," by Jim Bishop, the following are some interesting statistics about our country.

The unofficial population of the nation is 199,000,000, with 7,800 persons being born every day.

Four of every ten boys flunk the draft for physical or mental reasons.

About 80 percent of our population lives in six states; California, New York, Pennsylvania, Illinois, Texas, Ohio. One percent live in three states: Alaska, Wyoming and Vermont. Sixty-four percent of Americans belong to a church. American jails have a population of 630,000.

Your chances of dying are highest in the District of Columbia, lowest in Arizona.

In 1950 there were 33,000 cases of polio. By 1964 there were 122. Nine percent of Americans are illiterate.

The U.S. averages 200,000 bankrupts per year. We produce 1,600,000 pounds of tranquilizers each year.

Pvt. Fidel Garcia Ends Recruit Work

Marine Pvt. Fidel A. Garcia, son of Mr. and Mrs. Tony J. Garcia of 89-A Victory Village, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and .45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

RIGGINS RETURN FROM FUNERAL OF RELATIVE

Mr. and Mrs. Elmer Riggins attended the funeral services of Melvin Luceford of Brawley, Calif. last week. He was a brother-in-law of Riggins. He died of a heart attack.

Curious Savage Set As Senior Class Play

Mrs. Ethel P. Savage is almost as curious as her one-eyed bear. And so should the playgoers be to see "The Curious Savage," the Basic High School's senior class play.

The three act comedy is the story of Mrs. Savage and the problems she encounters with her materialistic family and friends. If one-eyed bears seem slightly strange, it might help to know that the setting is a private sanitarium, the Cloisters.

The play, which will be presented Nov. 20 and 21, will be given in the gymnasium under the direction of David Smalley. Susan Matzke will assist him as the student director.

Mrs. Savage is played by Sheri Wortman. Her fellow inmates are Mrs. Paddy, Katherine Rasmussen; Florence, Cynthia Pagan; Hannibal, Pat Sheahan; Fairy May, Cathy Brown and Jeff, David Wheat. The Savage family includes Lily Belle, Dona Mc-

PFC. William Graham Writes Home, Would Enjoy Letters

Dear Mom and Family,
Hi and how are you and everybody? I hope you all are fine. Well, I just got out of the hospital. I had malaria, but I'm feeling a little better now. I was in the hospital for four days and I've never been so sick as I was this time. Malaria is a bad thing to get and it surely does make you feel bad.

I'm getting all your letters so don't ever worry about me not getting them. I got a letter from Otis and the address you sent me was wrong, but that's ok, because now when I write him I'll be putting the correct address on.

I've been feeling pretty bad lately, and I can't write too much cause I'm just feeling pretty low. Three persons in our company have been going to the hospital this week, but they are going to see what's going on. They think it's the food, but Mom, it is nothing to worry about.

Mom, you asked me what I need. Well, I need stuff like a big tube of McClean's tooth paste, writing paper, envelopes, and stuff like that.

The people over here are really sick. They need some kind of help. They live just like Indians or something of that nature. They're pretty bad off. They live on fish and things like that. Their houses are ugly looking—that's the way it is here. I don't know how it is in Saigon or in the towns but here it's bad.

Yes, Mom, I'm getting the paper alright, and if anything ever happens where I don't get it, I'll let you know.

Well, Mom, I'd better close for now, so keep up the writing cause it sure helps. Don't worry about me too much, cause I'm taking pretty good care of myself. You should receive some money from the Army soon.

Bye,
Love Always, Bill

The above letter was written by PFC. William B. Graham, son of Mrs. Nadine Simmons, 116 Hickory St. He was transferred to Vietnam about a month ago.

He is finishing his high school education and plans to go to college. He is sending money home for that purpose and is buying bonds.

He would appreciate hearing from all his friends, his

Freda Salamy Engaged To Jim Harszy

The engagement of their daughter Freda, was announced this week by Mr. and Mrs. Elias K. Salamy, 136 Continental Ave., to James G. Harszy, son of Mr. and Mrs. Arthur J. Harszy, 625 National.

No date has yet been set for the wedding.

The bride to be attended Henderson schools and graduated from Basic High School in 1965. She held offices and was active in the Desertaires, National Honor Society, Business Career Club, and Girls Athletic Association, Girls State Representative in 1964. She is presently employed by the Clark Co. School District as a secretary, in the attendance office at Basic High School.

Harszy attended Henderson schools and graduated from Basic High in 1965. He attended Nevada Southern after graduation from high school. He was active in the art club and El Lobo yearbook art staff during high school. He is presently an SP-4 in the U.S. Army, stationed at Ft. Carson, Colo.

mother said, as mail is what the servicemen look forward to there.

Elaine Price Funeral Set Fri. at Palm

Funeral services for Mrs. Elaine G. Price, 58 Ocean St., will be held Friday at 10:30 a.m. at Palm Chapel on Boulder Highway with Rev. Robert Nicholas, of St. Timothy's Episcopal Church, officiating. Mrs. Price died Oct. 31 at Rose de Lima Hospital.

A 16-year resident of Henderson, Mrs. Price was born July 3, 1906, in Kalamazoo, Mich. She was a housewife.

She is survived by her husband Joe, two daughters, Mrs. Beverly Fitzgerald of Las Vegas, and Mrs. Betty Poindexter, Osborne, Idaho; son William Price, Vernal, Utah; brother William Seivers, Anderson, Calif., eight grandchildren and six great grandchildren.

Entombment will be at Palm.

City Council To Meet

Breaking a holiday of two weeks without meetings, city councilmen will meet next Monday night where a number of important decisions are expected to be on the agenda.

Two land items will appear on the agenda for discussion. One is the awarding of land for purchase in section 29 near the golf course area, and the other is for land for a proposed private airport near the Los Angeles highway for Arby W. Alper.

The agenda is expected to be short.

Her fiancée recently returned from a year of active duty in Vietnam where he was awarded the Purple Heart for being wounded in action.

Letters to the Editor

Resident Asks What To Do Now

A question — What would you do in a case like this? We have a problem of dogs. This concerns the cleanliness of two dogs. These people have penned up two dogs in a run that in about seven feet by about 20 feet long. The dung has become such a heap in one end of this run, that it is about three feet deep.

We have contacted the county health department in Las Vegas, the police, and our own city officials here in Henderson.

The last straw was Saturday, Oct. 28, I called the police and asked for a man to come to my house and simply look at the mess. They never showed up.

Now Mr. Zenoff, what would you suggest for me to do next? Last, but not least, the first thing I did was to ask those people to clean up this dung heap. Why is it that because a person's relation is in public office they seem to be exempt from the law as you and I.

Our neighbor could not even hold a patio party because of the potent odor.

A report was made by Judy Severson on coming programs, and the rummage sale to be held at the Carver Park Auditorium Nov. 16 and 17, from 9 a.m. to 2:30 p.m. Hand-made items and Christmas decorations will be featured along with refreshments.

Mrs. Grecco announced the pecans have arrived and will be available from any member, or at Isabelle's Beauty Salon, and the Desertwear Dress Shop. This is an annual project of the club and the price is \$1.50.

34th Wedding Anniversary Set By Bequettes

Frank and Florine Bequette will celebrate their 34th wedding anniversary Nov. 5.

According to Mrs. Bequette, they may delay their celebration until Dec. 4, which is their son Jim's wedding anniversary, so they can all be together.

Jim and his wife, Carol, are arriving the end of the month from Montana where he is stationed with the Air Force. They will spend his leave here with his parents prior to his departure for Vietnam.

Bruce Campbell Serving With Aircraft Wing

Marine Lance Corporal Bruce A. Campbell, son of Mr. and Mrs. Roy G. Campbell of 466 Rose Way, is serving with Marine Observation Squadron Two, Marine Aircraft Group-16, First Marine Aircraft Wing near Da Nang, Vietnam.

His squadron conducts visual aerial reconnaissance and observation to gain information for combat operations.

In addition to attacking enemy personnel and installations, aircraft of the First Marine Aircraft Wing airlift troops to battle zones, evacuate personnel, fly resupply missions, and provide close air support for U.S. Marine and allied ground forces engaged in combat operations.

Archery Shoot Slated For Sun., Nov. 5

All archery enthusiasts are invited to attend a shoot at the Henderson archery range Sunday, according to Ken Perkins.

Registration will be at 9 a.m., and cost will be \$1, and the shooting will begin at 10 a.m. The range is located at Sunset and Sand Hill roads.

Everyone should bring his own refreshments. The public is invited and all those interested in archery are encouraged to attend. It is hoped that the former archery club will be revived.

A Harris poll shows 58 per cent of Americans support the war effort in Vietnam, but this evidently doesn't mean they are satisfied with the way it is being waged, as everybody you hear express an opinion on it know a far better way to run it.

Basic High To Hold Open House To Observe Education Week

American Education week next week will be observed by Basic High School with open house on Nov. 7 (Tues.) from 7 p.m., according to John A. Dooley, principal of Basic High School.

Dooley announced his administrators, counselors and teachers will welcome the parents of Basic High School students at this time.

Student guides will be available to show the parents through the school. All teachers will be available in their assigned rooms until 9:30 p.m.

Parents are urged to visit the school, meet the teachers and counselors, and have refreshments provided by the Parent's Advisory Council.

A short meeting of the Parent Advisory Council will be held in the Multipurpose room of the high school at 7 p.m. to initiate the Open House Activities.

A list of teachers and their rooms at the high school for the convenience of parents will be printed in Tuesday's Home News.

VFW Offers Suggestions For Xmas Giving to Vietnam Men

A number of people have wondered what to send servicemen in Vietnam, and the VFW, Post 3848, gives the following suggestions for the packages they will send to Henderson servicemen for Christmas.

Anyone wishing to contribute any of these items to the boys, may leave them at Market Basket or the VFW home.

Fruitcakes, or a n y t h i n g home baked goes over big. So do Brownies and chocolate chip cookies, but be sure it is wrapped properly. Also popcorn, only it should not be buttered or salted.

Instant soups, cocoa, tea, coffee, s a l a m i, sausage, crackerjacks, cheese and crackers, pretzels, p e a n u t

brittle, gum and hard candies, individually wrapped. Also nuts and pre-sweetened Kool-aid.

Other suggested items are pocket combs, sewing kits, small manicure kits, soap, shaving cream and lotions, (unscented.) Stationery with self-sealing envelopes, a good pen, foot powder, toothbrushes, toothpaste, shampoo, can openers, bottle openers, pocketbook magazines, westerns and comics.

Servicemen themselves also suggest razor blades, terry cloth washcloths, athletic sox, insect repellent, metal mirrors, tweezers, underwear, shoe laces, inflatable pillows, pillow cases, and handkerchiefs.

CIRCUS DAY IN BOULDER TOMORROW!

Oldsters and youngsters alike will be in for an afternoon or evening of fun tomorrow when the DeWayne Brothers circus presents a full roster of great performers in the old American tradition.

Shows are scheduled opposite the ballfield at 4 and 8 p.m.

Ted DeWayne, owner and manager of the circus, is the head of one of the greatest acrobatic troupes in the world.

His motto is "as long as there is a child there will always be a circus" and each year he has enlarged and improved his acts until he has one of the largest tent shows following the circuses.

DeWayne is still in charge of putting up the big top, moving the show and working in the acrobatic performances.

Tickets are available from any Lions Club member, sponsors of the circus, and various business places.

Proceeds after expenses will be used for the Lions Club favorite project—helping the blind.

The voice. Anybody's voice. Your voice. It has a special quality and timbre all its own. But... If it should become hoarse or if a cough should persist, find out what the reason is. Promptly. It could be a warning signal of cancer. And cancer is easier to cure when it's detected early.

Ella Fitzgerald knows the seven warning signals of cancer. Do you?

- 1. Unusual bleeding or discharge. 2. A lump or thickening in the breast or elsewhere. 3. A sore that does not heal. 4. Change in bowel or bladder habits. 5. Hoarseness or cough. 6. Indigestion or difficulty in swallowing. 7. Change in weight or moles.

If a signal lasts longer than two weeks, see your doctor without delay.

It makes sense to know the seven warning signals of cancer.

It makes sense to give to the American Cancer Society.

TEE TALK

with **KATIE SHANKLAND**

Junior Tournament
About 40 juniors, ages 6 through 17 will compete in a ribbon tournament Sunday at 3 p.m. Some will play 3 holes, some 6 holes and the more advanced 9 holes. These tournaments will be held monthly. Bill Farkas is doing an excellent job with these youngsters. He needs help for the tournament since scorers need to go along with each group. Any one who can help, Sunday at 3, please contact Bill at the Pro Shop.

Rotarians at Play
The North Las Vegas and Henderson Rotary Clubs fought a battle on the fairways last Sunday. This is a yearly tournament for a traveling trophy. Dan Taylor of Henderson lead his team to victory with a net 71. The event ended with a dinner at the clubhouse for about 90 people. Congratulations to the Henderson club.

Eclectic Day
The third round of the members' Eclectic Tournament will be this Sunday. It will begin as usual at 8:30 a.m. at the clubhouse with coffee and donuts, and the shotgun teef-off will be at 9. At present the teams to beat are: Do Stiver and Tony Carrado with a net 57; and the following three teams with a net 59 — June Zenoff and Rod Stebbins, Hank Maguire and Jess Meyers, Harvey Stiver and Don Meighan. There is only one more chance after Sunday to better your score, so do your derndest.

Pro-Ladies Day
It was gratifying to have such a good response to the Pro-Lady team tournament at Black Mountain last Monday. The Pros from six other clubs entered the competition (Paradise Valley, Desert Inn, Stardust, Winterwood, Municipal, Tropicana) and brought a team of three women from their respective country clubs. We are proud of our team — Bill Farkas, Margaret Jamison, June Zenoff and Mary Meyers.

Barbara Lauer and Katie Shankland won individual tournament awards. A team award was presented to the team of Barbara Lauer, Barbara Bagley, Gladys Meyers and Teddy Bice. Marge Pitts won the medal of golf award for October, and Ruth Smith was the best golfer for the month.

Halloween Frolic
The Arabs, Hippies, Chinese, clowns, bums, farmers, Phyllis Diller and Old King Cole all mingled in a night of hilarity last Saturday night at the Halloween party. "The old Okie," Morry Zenoff, even brought his privy along, and guess who was in it? — June Zenoff. Dan served his usual good eats at midnight.

Smiles
Doc Bagley was all smiles last Saturday night after shooting a 74, his lowest score to date. He attributed his success to his good putting and chipping that day, which

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common kidney or bladder irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSLEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by soothing pain relief. Get CYSLEX at drug stores. See how fast it can help you.

CANCER'S WARNING SIGNALS

- 1 Unusual bleeding or discharge
- 2 A lump or thickening in the breast or elsewhere
- 3 A sore that does not heal
- 4 Change in bowel or bladder habits
- 5 Hoarseness or change in voice
- 6 Indigestion or difficulty in swallowing
- 7 Change in a wart or mole

These signals do not usually mean cancer, but they are warnings. If one lasts more than two weeks, it is important to go to your doctor.

AMERICAN CANCER SOCIETY

again proves the old "saw" — "Drive for show and putt for dough!"

Wedding Bells
Mr. and Mrs. Jack Shankland left last week to attend the wedding of their daughter, Ann, to Kurt Wehring. The

wedding was at Saint Paul's Church in Mount Vernon, N. Y., Oct. 28.

Ann has been in Europe the past six months, part of the time vacationing and part of the time working in the European offices of Stanford Re-

search Institute, for whom she works in California. Kurt also has been traveling and studying in Europe. They will stop in Henderson for a brief visit on their way to California where they will make their home.

Improvements Made In Cub Scout Program To Be Made

Major improvements in the Cub Scout program of the Boy Scouts of America go into effect after a five-year study, and the revisions are expected to increase Cub Scouting's natural appeal for boys and provide more help for volunteer leaders.

"The study findings brought out very clearly the vitality and soundness of the Cub Scout program," F. O. Gardner, Scout commissioner, told the executive board of the Boulder Dam Area Council, Boy Scouts of America, this week. "There is evidence of genuine enthusiasm for the program on the part of boys,

Henderson Home NEWS, Henderson, Nevada
Thursday, November 2, 1967

leaders, and parents." The Cub Scout program was formally launched in 1930, and the last major changes were made in 1958. There are now over 2 million Cub Scouts in the United States.

One of the early steps before starting the series of studies and surveys was to prepare a "statement of purpose" related to Cub Scouting for the present day, Gardner

said. "The Cub Scout Study Committee wanted a yardstick to measure Cub Scouting's outcomes and to provide leaders of Cub Scout packs with criteria for judging their work," Gardner said.

The basic statement that resulted is that "Cub Scouting is a program of the Boy Scouts of America for parents, leaders, and institutions to use with boys 8, 9 and 10 years of age."

Then the purposes of Cub Scouting were listed: to influence the development of character and encourage a spiritual growth; develop habits and attitudes of good citizenship; encourage good sportsmanship and pride in growing strong in mind and body; improve understanding within the family; strengthen the ability to get along with other boys and respect other people; show how to be helpful and do one's best; provide fun and exciting new things to do and prepare boys to become Boy Scouts.

Highlights of the improvements include a new and different experience for Cub Scouts in their 10th year (the Webelos Scout program), a new leadership position of Den Leader coach in Cub packs, revision of achievements and electives in the advancement program so that the eight-year-old Wolf and nine-year-old Bear advancement patterns are no longer so similar, recognition through registration of assistant Den Mothers, and provision for a boy to enter Cub Scouting any time after he is eight years of age or in the third grade.

SCIENCE SERVICE

"Adam and Fallen Man" is the subject of this week's Bible Lesson to be read in all Christian Science churches on Sunday.

The Golden Text is from Isaiah: "Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?"

Tuesday is the safest day on highways, but it is a bit too late and somewhat too early to set out on a weekend trip.

"We Service Everything We Sell"

Morry's Story

... by Morry Zenoff

They spend thousands of dollars every year selling Southern Nevada via hotel press agents, chamber of commerce live wire funds, city news bureaus, advertising on billboards, tv, radio, out of town media. Maybe hundreds of thousands of dollars.

Believe you me, we have a way in our town to sell us without the grandiose multi-thousand dollar routines that you see and hear about.

And that is thru you—John Q. Citizen.

No one believes anyone more than they would a citizen of a community.

Mr. American wherever he may be will believe the word of another average Mr. American before he will believe a display ad on tv, a commercial on any media known to man.

And that is why I hasten to urge you—of our community—to initiate projects to sell this community as only you can—better than anyone else.

You can do it by letter writing campaigns back to your neighbors, friends, relatives in your own home towns, be it Oshkosh, Waterloo or Podunk.

Tell them via your letters about this town and why they should hurry up and pack their bags and come here. Tell them about the weather, the scenery, the educational systems, the freedom of enterprise, the opportunity for the young man and woman.

Tell them about the relatively low cost of living, the fun on lake mead on sundays, the way you build a barbecue in the backyard in November. Tell them how jobs are a dime a dozen and how your governor is in his early thirties. Tell them how fortunes are made all around you, how doctors are the greatest specialists in the nation who came here to live out there lives because of the beauty of the way of life here.

Tell them how you shot a 90 Sunday while they were freezing and how your son hasn't worn a top coat in five years—winter, spring or fall. Tell them how you're still waiting to get a glimpse of snow, how seldom are the muggy rainy days you had back home.

Tell them how this is the best town in America, bar none, and if you believe it when you write it, they'll believe it as you wrote it. They'll be willing like so many of us did—to invest in our area and our town—placing it on the line for a future that won't stop.

Tell them—you're the best media known to man.

Tell them—and you'll see the results in a hurry. You'll see the great horizon that you saw when you came here months, years, decades ago... just as we have lived it so.

Interstate Telephone Calls To Cost Less After Nov. 1

A \$100 million savings to telephone users across the nation is the realistic estimate resulting from a decision by the Federal Communications Commission in adjusting downward the Bell company's interstate rate structure.

The lowered rates on interstate calls, effective from Nov. 1, 1967, will be realized by Continental customers, as well, reports District Manager Wm. D. Smith, for Continental's Henderson subsidiary.

The new rate structure affects only long distance calls as they apply to interstate service, i.e., calls between different states. Major changes relate to enlargement of the time segment that night rates are applicable, plus revisions in rates respecting certain mileage intervals.

Both station-evening and person-night rates will start at 5 p.m. instead of at 6 p.m. as now established. Station-night rates will start at 7 p.m., instead of 8, and extend along with person-night to 7 a.m.—a two and one-half hour extension over the 4:30 a.m. night rate deadline currently in effect.

In addition to Sundays, the new schedule makes night rates effective all day Saturdays and on Thanksgiving, Christmas, New Year's, July 4th and Labor Day, as well. Customer dialed traffic assumes a further reduction in establishment of a special late-night rate for distance-dialed, or DDD, calls between the hours of midnight and 7 a.m.

Mileage influences the new rate schedule with short calls of one to 24 miles in length receiving a small increase, while decreases are in store for calls between 469 and 3,000

miles distance. Additional changes in the rate structure touch other, more specialized service areas.

Summer Jobs To Be Open For Students

Summer Jobs in November? In announcing a new program today, the U.S. Civil Service Commission advised high school students and graduates to make plans now for next summer's job. Commission officials indicated that early applicants would have the best employment chances for the limited number of federal jobs available next summer.

Under the 1968 summer job program, most of the jobs will be filled through the Summer Employment Examination. Application deadline for the first written test is Nov. 8. Additional tests will be given later in the school year, with Feb. 1 set as the final deadline for the written test.

Successful candidates in the exam may be hired in positions ranging from GS-1 (\$1.74 per hour) to GS-4 (\$2.30 per hour), depending on experience and training, or as Seasonal Assistants at U.S. Post Offices at \$2.56 per hour. Minimum age for these jobs is 18 or 16 for high school graduates.

For further information, interested students may obtain a copy of Announcement No. 414 available at the Basic High School Counseling office.

The judge who doesn't allow girls wearing mini-skirts to enter his courtroom must be rather young for a judge, as most judges are old enough to be able to concentrate on matters at hand even when there are mini-skirted girls in view.

President Johnson says the war in Vietnam is worth the price. It seems difficult for some people to believe it's that valuable.

Fire Workshop Conducted At Rose de Lima

The Henderson Fire Department recently sponsored a Fire Workshop at Rose de Lima Hospital, attended by 161 employees.

Assistant Fire Chief Dale Starr reviewed the hospital's fire regulations, after which

a safety film was shown. Lt. Wesley Adams and Fireman Dick Webb explained the various types of fire extinguishers and their specific uses.

Lt. Adams instructed in techniques for the evacuation of patients; and assisted Hospital employees in return demonstrations. It is felt that participation by employees in such programs is of great value in the promotion of greater safety in the home, as well as in the hospital.

Judy Ann Fisher To Wed Alf Birkby In November Rites

Mrs. Leora Van Wagenen, 169 Lake Mead Drive, announces the engagement and

forthcoming marriage of her daughter, Judy Ann Fisher, to Alf Birkby of Las Vegas. Miss Fisher's father was the late Joseph L. Fisher.

The bride-elect is a 1965 graduate of Basic High School and attended Nevada Southern University. She then studied at Rose de Lima Hospital to become an X-ray technician. She is presently employed by Doctor George L. Abrams in Las Vegas.

Birkby is the son of Mrs. Marie Birkby, 166 Magnesium St. He graduated from Basic High in 1960, and is employed as the service manager of Federal Sign and Signal Corp. of Las Vegas.

The couple set Nov. 22 as the wedding date.

WHAT A LOSS!

Last year more than 52,000 Americans were killed in traffic accidents. This frightful toll is only part of the story. During the same period, economic losses which include lost wages, medical expenses, property damage, and the cost of litigation amounted to more than ten billion dollars. This represents a bill of approximately \$65 for every man, woman and child in the U. S., and is a "dollars and sense" reason why La Porta Insurance Agency, Inc., urges you to drive safely!

Bimbo, Jr. To Perform At B. C. Circus

One of the few circuses which perform under the big top, DeWayne Brothers Circus, will be in Boulder City for two performances at 4 and 8 p.m. Friday, Nov. 3, sponsored by the Lions Club.

Among the many attractions on the program will be Bimbo, Jr., the only water skiing elephant, who has appeared on the television series "Circus Boy." She just finished a picture with Mickey Rooney. The elephant, which attracts hundreds of kids even before performances, is gentle and loves them.

Other attractions include the Disneyland Ponies, Miss Yvette and her Canine Cuties, Bob Johnson, and his juggling.

Tickets are available from members of the Lions Club and they will be sold door-to-door in Boulder City, or they can be obtained at the door.

The performance is located at Fifth and Ave. B.

Funeral Thurs. For Mother Of Lorin Williams

Funeral services will be held Thursday, Nov. 2 at 11 a.m. at Bunker Brother Mortuary for Mrs. Wilma Nettie Hardy, mother of former Councilman Lorin Williams, who died early Sunday morning at her home at 120 Kola St.

Rev. John Osko will officiate and interment will be at Memory Gardens Cemetery.

Mrs. Hardy was born Jan. 30, 1900 in Kentucky and had lived in this area 23 years. She was 67 years old and had been in ill health.

Besides her son Lorin, she is survived by another son, Monte Williams of Ontario, Calif., three daughters, Dora Sawyer of Henderson, Leona Moore of San Bernardino, Calif., and Lorraine Archuleta, Riverside, Calif.; 19 grandchildren and 26 great grandchildren; five sisters, Lucille Harper, Detroit, Mich.; Mrs. Era Harper, Detroit; Mrs. Ann Ahrens, Myrtle Point, Ore.; Mrs. Cleo Caid, Long Beach, Calif., and Mrs. Beatrice Fink, Vallejo, Calif., and three brothers, Jack Hollowell, Portland, Ore.; Hugh Hollowell, Vallejo, Calif. and Truman Hollowell, Woodland, Calif.

Basic Girls Lose To Valley High

Basic Varsity girl's volleyball team lost to the Valley girls in a three-game match, and Manchie Cole was named the outstanding player of the week by Coach Barbara Tyson.

In the first game Valley won by a score of 15-4. Basic took the second game by a score of 2-15, and Valley came back to win the third game by a 15-3 score. Manchie Cole and Joan Sommers each made 5

points. Cindy Phillips made 5 points, Charline Wesson 2 and Terri Boyd 1. Also playing was Kathy Larson.

The Basic JV's won over Las Vegas in a three-game match, and Mary Ann Cowen, who gained 11 points was named outstanding player.

Vickie Lehman racked up 9 points; Martha Sheahan, 7; Diane Hedland, 7; Doristine Wesson, 5; Laura Pagan, 4 and Freddie Bergmeyer, 2.

The freshmen from Basic won over St. Joseph in three games. The scores were 15-11, 14-16 and 15-16. Chris Barthmus was picked as the outstanding player of the week with 11 points. Cool-Teer also made 11 points. Other point-

**County Adds
New Election
Precincts**

An announcement was made this week of the alteration and addition of new precincts by the County Election Department.

Registrar of Voters Thomas A. Mulroy, in making the announcement, said, "Some 9,000 Clark County Voters are being affected by the reconstruction of a number of voting precincts and all voters, so affected will be notified by mail."

The changes and additions result in an increase of precincts in most areas of the County. Las Vegas precincts increase from 162 precincts to 196 precincts; North Las Vegas from 39 to 42; Henderson from 23 to 24 and Boulder City from 9 to 10.

In the out-lying, un-incorporated area, Country Club precincts increase from 11 to 15; Desert Hills from 4 to 6; East Charleston from 8 to 10; East College from 2 to 3; Eastland Heights from 3 to 4; Paradise from 6 to 9; Stewart from 1 to 2; Sunrise Manor from 5 to 6; University from 6 to 8 and Winchester from 17 to 22. "At the time of notification of the next election," Mulroy added, "all voters in all precincts will be further advised of their precinct number and polling place."

**Quail Season
To Close
Here Dec. 10**

The Quail season in Clark County originally scheduled to close Jan. 15 has been shortened and will close on Dec. 10 according to Commission spokesman. The action was taken at the request of the Clark County Game Management Board by the Executive Board of the Nevada Fish and Game Commission at its monthly meeting held Tuesday in Reno.

The balance of the state's counties will adhere to the Quail seasons as outlined in the 1967 Upland Game Hunting Seasons brochure which is available at all license agencies.

Rebekah Assembly of Nevada Officers Visit Sunshine Chapter

State officers of the Rebekah Assembly were hosted by the Sunshine Rebekah Lodge 41 in Henderson recently with a banquet at the Community Church, followed by a meeting at the Victory Village auditorium.

Corsages of nylon apple blossoms were presented to the dignitaries present, and the decorated tables carried the President's theme and colors of pink, green and gold.

Mrs. LaVerne Pettis, president of the Rebekah Assembly of Nevada, was welcomed as

an honored guest. DDP Maxine Pulse, assisted by DM Melba Caesar, introduced the following dignitaries.

La Prete Fields, Alice Smiddy, Rebekah Assembly of Nevada; John Shipp, Grand Master of the Grand Lodge of Nevada; Mary Lou Hopper, Alma Dean Shafer, Letha Weaver, and Esther Shipp, Rebekah Assembly of Nevada.

Bill Walker, D.D. Grand Patriarch Militant and Grand Conductor of Grand Lodge of Nevada; Bill Smiddy, Grand

Lodge of Nevada; William Anfield, D.D. Grand Master of District 3.

Lady Mildred Walker, Lady Mildred Mann, Lady Ione Slater and Lady Effie Quimet, L.A.P.M.

Lady Lily Myers, P.P. of Arizona and Nevada L.A.P.M.; Mildred Mann, Lucille Chisholm, Oasis 31; Lola Jensen, Cactus 40.

Grand Master, John Shipp, welcomed Mrs. Pettis and spoke of the true meaning of Oddfellow and Rebekahship. Mrs. Pettis, told of her pet project, the home for Friendship. She expressed her pleasure of having so many of her officers present for the evening and expressed thanks

Noble Grand Clara Millsap, urges all members to be present at the next meeting, Nov. 7, for nomination of officers.

Deer Hunters Success Only Fair

Fair and warmer weather continues to harrass Nevada for many courtesies, gifts and program extended to her on this visit.

An emblem-shaped cake in the form of three links (this confection was 5'7" long, 24" wide and 3" high and was topped with the bluebird of happiness) and coffee was served to 43 members and guests.

Locker plants and deer processing establishments report that fewer deer have been processed to date

deer hunters as the season continues into the second week of the 1967 season. Lush range conditions, water everywhere and warm weather are all in the mulies' favor and deer hunting is difficult.

Open weekend success compares favorably with past years however, since the opening, it has slowed considerably.

BELKNAP TO SPEAK ON BASQUES

The American Association of University Women will meet Nov. 8 at 7:30 p.m. in the home of Janette Smith, 203 Ranier Court.

The group will continue its study of the area with William Belknap as guest speaker.

The nationally-known photographer and author will talk on the Basques of Nevada. Those familiar with the National Geographic Society magazine are also familiar with Belknaps filmed stories in that periodical.

If the officials and delegates of the United Nations were paid on a peacework basis (effective peacework, that is), they'd have to go on relief.

REBEKAH TREASURER HONORED

Loretta Woodrum, treasurer of Cactus Rebekah Lodge No. 40, IOOF, was guest of honor at a surprise baby shower following the meeting of the lodge, Wednesday night.

The refreshments featured an appropriately decorated cake, and tiny diaper nuptials made by Carol Hodge, Thelma Clow and Dolores Gatlin. During the business session, certificates of perfection were presented to Clara Turner and Mildred Foresman by DDP Maxine Pulse.

Florence Courtney reported that tickets are now available for the president's banquet, Nov. 8. They are \$2.50 for adults and \$1 for children. The meal will include ham, turkey, and all fixings. Phone Jeanne Choate (293-1224) for reservations.

All Rebekahs in the area are invited to the dinner at 6:30 p.m. and to the president's official visit which will begin at 8 p.m., both in the Elks hall.

STATE DIGNITARIES VISIT REBEKAHS — Shown at the meeting held in Henderson for the official visit of state officers are Dist. Deputy Pres. Maxine Pulse; Grand Master John Shipp; Vice Grand Edith Rogers, Noble Grand Clara Millsap; President LaVern Pettis, and Vice President Alice Smiddy.

Ann Shankland, Kurt Wehbring, Married in N.Y. Church Rites

Ann Shankland, daughter of Mr. and Mrs. Jack Shankland, 506 Fairway Road, and Kurt J. Wehbring, son of Mr. and Mrs. Leon A. Wehbring, 29 Wayne Ave., White Plains, N.Y., were married Saturday, Oct. 28 at 4 p.m. at Mt. Vernon, N.Y.

Father Beverley Karsten of St. Paul's Eastchester Church, performed the double ring ceremony before around 50 guests.

The bride was given in marriage by her father. The altar was decorated with white daisies.

Following the ceremony a reception was held at 29 Wayne Ave., White Plains, where autumn flowers provided the decorations.

A white cake decorated with yellow, pale orange and pale green frosting carried out the autumn theme.

The bride selected a gown of gold wild silk with white lace at the cuffs bell sleeves and on the hem. She carried a bouquet of white daisies and baby's breath.

A second reception will be given by the bride's parents Nov. 4 at the Black Mountain

Country Club.

The bride received a Bachelor of Arts degree in 1960 at Scripps College and is presently employed as an editor with Stanford Research Institute in Menlo Park, Calif.

The bridegroom received a BA degree in Philosophy from Dartmouth College in 1959, and a Masters of city planning from Columbia University in

1963. He is also working for Stanford Research Institute.

The church where the young couple was married is over 200 years old and has been classified as an historic shrine because of its connection with events before, during and after the Revolutionary War.

They will be at home in San Francisco, Calif. after Nov. 1.

Mental Health Chairmen Appointed by Judge Wartman

Judge Alvin Wartman, president of the Clark County Mental Health Association, announced the appointment of the following committee chairman to implement the current program of the Mental Health Association, under the direction of executive director, Scotia Mozingo.

Chairman of Public Affairs and Legislation, Sister Marie Bridgid, O.P., supervisor of Psychiatric Services, Rose de Lima Hospital.

Sister Bridgid will confer with local legislators from the area so they will be aware of what constitutes sound mental health legislation. She will also assist in modernization of local ordinances and codes which concern the mentally ill and the procedure for their commitment.

Dr. Robert Foster, principal of Helen J. Stewart School, chairman of Forums.

Dr. Foster will bring nationally known speakers to discuss current and various aspects of mental health to broaden the public knowledge in this field. Chairman of Public Workshops, Rev. Melvin Pekrul, will be responsible for various workshops, seminars, and institutes will be offered periodically for more intensive concentration of mental health principals. Some of the workshops will be directed to business executives, school counsellors, ministers, and peace officers. Personnel will be chaired by Morrison Beatty; law enforcement, Lt. Richard Dunn who will train new recruits in the proper approach to mentally disturbed persons. Membership will be directed by Byron Miller, Boulder City; Selma Bartlett, Henderson; Thelma Tomes, West Las Vegas.

VISIT THE GOVERNOR — Mrs. Don Cooper, right, chairman of Gov. Laxalt Day to be observed in Boulder City Nov. 15, made a recent trip to Carson City to consult with Gov. Laxalt about plans for the event. Accompanying her were Mrs. Ted Burtak, left, and Mrs. John Connolly. The women were guests of the Laxalts who will be co-hosts with the Coopers the evening of Nov. 15 when a party is slated for those who worked for the Governor's election. An open house that afternoon from 4-6 p.m. for the public is also scheduled at the home of Mayor and Mrs. Robert N. Broadbent. Earlier plans include a breakfast at the Elks Lodge at 8:30 a.m. given by the Chamber of Commerce, a visit to the elementary school and an assembly for high school students and the public at the B. C. Memorial Auditorium.

Louise Erickson Engaged To Daniel Wittern

The engagement of Louise Erickson of Lompoc, Calif., to Sgt. Daniel Wittern, of Henderson, was announced this week.

Miss Erickson is a 1964 graduate of Villisca High School in Villisca, Iowa. She is presently working as a

beautician in California.

Her fiance is a 1962 graduate of Basic High School, and is currently serving in the AF at Vandenberg, Calif. The young couple is planning a Dec. 30 wedding in the Church of Jesus Christ of Latter-day Saints.

"A college is planning a study to ascertain why people buy things." In many cases it seems they do so because with them buying is compulsive.
