

School board decides zoning for new high school

Kevin Ferguson
News Staff Writer

See zoning map, Page 6

The Clark County School District Board of Trustees last week approved the attendance zone for the new unnamed Henderson high school to open in the fall of 1999, taking 1,613 students from existing school zones.

The new high school, at the corner of College and Heather Drives, will take 178 students from the current zone of Silverado High, with the boundary set as Eastern Avenue up to Lake Mead Drive. Basic High will lose 1,435 students

as a result of its border being pushed east from Gibson Road to Boulder Highway. All students living south of Lake Mead Drive will be in the unnamed high school's zone.

The zoning recommendations affect students currently in grades seven through nine. Students who will be seniors during the 1999-2000 school year will not be affected by the re-zoning. The new school will open the first year with only grades nine through 11.

The vote was 5-0, with Trustees Shirley Barber and Judy Witt absent from the meeting.

Before voting in favor of the school boundaries, Trustee Lois Tarkanian voiced concern over the new school's proximity to Basic High.

"I never felt we should have a high school so close to Basic (about two miles)," she said. "I know it's a tremendous savings because we're sharing the campus with the community college but I have concerns of [future overcrowding]. I'm going to vote for it, but I just wanted my concerns stated for the record."

The CCSD is saving about \$20 million, not

needing to purchase additional land for a campus because it's already owned by the school district. The college, across the street from the proposed site, plans to extend its night courses on the new high school campus upon completion.

Trustee Mary Beth Scow, who represents the southeast school zone, said it [the proximity of the two high schools] probably will create some attendance problems in the near future.

"Our growth in that area is so explosive that we're going to need another high school within the next four years somewhere south of Lake Mead Drive," Scow said.

A Bear of a job

Artist works to spruce up Brown JHS with painting

News Staff Reports

Perry J. Burke has been volunteering to renovate the painting of the bear in the Brown Junior High School gymnasium for the past month.

Burke, 38, a Las Vegas resident, was recruited for the project by Cindy Oswald, a parent-volunteer at the school.

"It's been a quest of mine," Oswald said. "It took four years to find this guy and he's wonderful."

Burke filled in holes and sanded the wall in the gym before touching up the art. After renovating the school's mascot inside the gym, Burke will tackle the roof of the school to touch up "Bear Country" and the bear artwork.

Air brush art is Burke's favorite medium. He has been working seriously in art for just more than two years. He will open a T-shirt booth at Circus Circus's Grand Slam Canyon Memorial Day weekend.

His murals can also be found at the Stratosphere Hotel and Casino.

Rob Weidenfeld/News Staff

BEAR OF A JOB — Artist Perry Burke does some detail work on a bear painting in the gymnasium of Brown Middle School on Saturday. Burke and his partner have put nearly 30 hours of work into the painting of the school's mascot.

Trucks a concern for Old Vegas

D.B. Marciniak
News Staff Writer

The theme park operated during the 1970s.

A truck stop is not welcome at Old Vegas.

Those were the sentiments echoed by residents and planners during the Henderson Planning Commission's meeting Thursday night.

Planners approved use permits for a gas station and convenience store and non-hotel casino at the Old Vegas site, 2440 S. Boulder Highway, in the River Mountain planning area. Planner George Bochanis cast a dissenting vote regarding a use permit for gasoline sales.

A casino coming to the site was met with little discussion, but when residents revealed the neighborhood was approached about a truck stop, many voiced their concerns.

"Nobody wants to see a truck stop," said Diane Booker, a member of the River Mountain Homeowners Association.

She said at a homeowners' meeting a few weeks ago, developers from Flying J Truck Stops spoke about how they would like to bring a truck stop to the area. Booker said she recalls residents being angry and the developer leaving before his presentation was complete.

"I happen to live in River Mountain and I have to tell you, I'll fight a truck stop if it ever comes here," Planning Chairman Danny Sanders said.

The Old Vegas site, an 1800s-style old Western town theme park and movie studio, was torn down because of safety concerns.

Now owned by Anthony Marnell II, chairman and CEO of Rio Hotel and Casino, Inc. and Marnell Corrao Associates, the site has been left vacant for the past several years.

Residents and planners expressed concern about how well the new developer would work with residents when the project is sold by the applicant. Those concerns were heightened when residents continued to mention a possible truck stop at the corner.

Planners determined a gas station on three acres may be appropriate, but if more free-standing pumps similar to a truck stop are brought back before the panel with gas station plans, planners would likely not approve the idea.

The casino, located on 20 acres, could operate between 75 and 199 slot machines and nine live games without a hotel. Though no architectural plans are before planners, design guidelines will allow for a 36,000-square-foot facility. The convenience store will be located at the corner of the project, off Wagon Wheel Drive.

In other news, planners: • Approved 4-3 a request for a one-year extension of time for expansion plans at Triple J Bingo Hall and Casino. Planners Bochanis, Sanders and Russell Wheeler cast dissenting votes.

Firefighter gives girl a special night

Sharon Jackson
News Staff Writer

Eighteen-year-old Melissa Perry had been looking forward to her high school prom for a long time and it was made even more special when Henderson Firefighter Bodi Wallace, 36, asked her to be his date.

Perry, who lives in Las Vegas and is a student at Advanced Technologies Academy, has muscular dystrophy but didn't want that to stand in the way of having a great prom night.

"She mentioned some names of who she wanted to go with and she mentioned Bodi," said Debbie Schap, Perry's respiratory therapist at Emmanuel Health Care.

Wallace, who has been on the Henderson Department for about six years, met Perry while he was a camp counselor at the Muscular Dystrophy Association summer camp in Lake Tahoe. They had known each other about two summers.

The director of the Muscular Dystrophy Association's Southern Nevada region told Wallace that Perry wanted to go to the prom and Wallace said he would be her date.

"I was honored to take her," Wallace said. "We firefighters know these kids from camp and knew she would [really like] going to the prom with one of us. It was just a neat thing to know and it was fun to do." And the evening had its highlights. A

local limousine company donated a limousine for the entire evening. The Top of the World Restaurant in the Stratosphere donated dinner for Perry, Wallace and Schap and the photography company taking the prom pictures donated a set of photographs.

"We wanted to roll down the window on the top [of the limousine] but there was no window," Wallace said jokingly.

"I really enjoyed the Stratosphere, it was really nice and elegant," Perry said, adding that she was a little surprised when Wallace asked her to go to the prom, then looked

"We've always had critical times," McGee said. "We will survive." Page 3.

Ann McGee

OVERVIEW

PAUL SZYDELKO

Live coverage of parade was a winner

A little about a lot:
Heritage Days Parade a winner: KVVU-Fox 5 did a good job with the live telecast of the Heritage Days Parade on Saturday, April 25. Those who stayed home were treated to some nice camera work and commentary from Jack London and Lillian McMorris. The weather threatened rain, but stayed dry. The only slightly uncomfortable moment came with the parade ended. The commentators had to fill for about 15 minutes before going off the air. Prominent in the chatter was mention of the station's newscast to begin airing June 1.
ArtFest coming: Next weekend's ArtFest, sponsored by the city of Henderson, KTNV Channel 13, KBGO Radio, Las Vegas Life and the Henderson Home News, among others, should be a terrific example of what downtown Henderson can become.
 More than 150 local and national artists will display their work along Water Street and in the Civic Center Plaza.
 Hours will be from 10 a.m. to 6 p.m. Saturday and Sunday. In addition to fine art, music and food will be featured. The Events Group, Inc. is the producer. This is the first of what could be an

annual tradition and a preview of the future of Water Street. More restaurants, shops, galleries and high-quality office space are needed to re-vitalize the downtown area.
 Events such as this will plant roots for a new look. The city is taking steps to provide incentives, but businesses have to step up to the plate to make redevelopment work.
Officers direct traffic: A traffic signal has been installed at Eastern and Serene Avenues, but the lights are not functioning yet. So two Metro cops directed traffic Sunday afternoon. Wal-Mart, and now Home Depot never should have been allowed to open without the signal in place. Coming out of Serene onto Eastern is a frustrating and dangerous experience. I'd rather have officers directing traffic than speeding to an accident scene.
Jordan's last hurrah? There's no real need to remind basketball fans that Michael Jordan and Chicago Bulls are defending their NBA championship in playoffs this month. Jordan's retirement has been the subject of speculation for several months, and this could be the Bulls' last hurrah.

They have been as close to a dynasty as can be managed in these days of free agency. When Dennis Rodman behaves, they are very good ambassadors of the sport. After all these years of dominance, it's still hard to root against them.
Time slot speculation: The anchor of NBC's "Must See" Thursday night line-up, "Seinfeld," will leave the air during the summer. Its last first-run episode will be May 14. Many inside the television and advertising industries are speculating on what show will be installed at 9 p.m.
 "3rd Rock From the Sun," "Frasier," and "Friends" are the leading candidates, with "Just Shoot Me" and "Mad About You" the dark horses. No one's asked me, but "3rd Rock" appears to be hitting its stride creatively and would probably be the best choice.

Teen shot near Fox Ridge Park

Sharon Jackson
 News Staff Writer

A teenager was shot at about 12:44 a.m. Sunday in the area of Valle Verde and Fox Ridge and the suspect is still at large.
 Henderson Police officers responded to the call near Fox Ridge Park when someone reported hearing shots fired.
 Police patrolled the area in an attempt to locate victims, witnesses or suspects but were unsuccessful.
 Officers responded to another call regarding a shooting at Sunrise Hospital Medical Center at about 1:57 a.m.
 A preliminary investigation revealed the victim, a 17-year-old male, and two other friends were in the area of Valle Verde and Fox Ridge when they observed a grey four-door Honda parked on the east side of Valle Verde next to Fox Ridge Park.
 One of the people involved told the police the suspect produced a rifle-like weapon and fired upon the victim's car striking him in the back of the head.

Henderson Capt. Monty Sparks described the incident as the aftermath of the fight. He said the incident was between two groups of people, but at this point the conflict doesn't appear to be gang-related.
 The victim was taken to the hospital.
 Officers responded to the area of the incident, but were unable to locate the suspects who had since fled the scene.
 The suspect is identified as a Hispanic or Filipino male, 16-18 years old, 5 feet 5 inches, 120-125 pounds with short dark cropped hair. He was wearing a dark jersey with white letter on the front and baggy blue jeans with a black cap.
 The suspect's vehicle is described as a grey late model Honda (four-door) lowered with chrome rims, with unknown Nevada plates.
 Anyone with further information on this incident is requested to contact the Henderson Police Department Investigations Bureau, 565-2009, or Secret Witness, 385-5555.

11 homes evacuated in bomb scare

Sharon Jackson
 News Staff Writer

Eleven homes were evacuated just after 1 p.m. Thursday after a citizen found a possible explosive device in a shrub in his front yard at 2801 Mayfair.
 No one was injured in the incident and there are currently no suspects.
 Henderson Fire Department units arrived and inspected the device in the homeowner's garage where he placed it.
 The department then contacted the Las Vegas Fire Department Bomb Squad which rendered the device harmless and disposed of the components.
 The Henderson Police Department provided traffic and perimeter control. The Bureau Alcohol, Tobacco and Firearms (ATF) also responded in addition to HFD's one engine, one paramedic rescue and one battalion chief.
 Six of the 11 homes evacuated were occupied.
 The Henderson Fire Department would like to stress to everyone that any explosive is extremely dangerous. Anyone who finds something they believe is explosive should not handle the device or move it in any way, Henderson Battalion Chief Gene Belin said. Instead, call the local police or fire department and evacuate the area.

Miracle Flights continues to survive

D.B. Marciniak
News Staff Writer

Thirteen years ago, Ann McGee had a burning desire to help provide families access to out-of-state health care.

With skyrocketing medical costs, she felt families deserved free transportation. Starting out of her apartment, her idea for the non-profit Miracle Flights booked flights for these needy families.

She closed the books on another year April 30 and realizes the numbers of those who need her services have increased, while donations and cash flow have decreased.

"We've always had critical times," McGee said. "We will survive."

Sometimes surviving means using her own credit card to book flights for needy families, she said, but the program will survive.

The Henderson resident, who

operates Miracle Flights with the help of a small staff and many dedicated volunteers, said the number of phone calls for flight assistance in the last month has increased significantly. Last month, the program saw 56 flights for those in need of specialized out-of-state medical attention.

A network of private plane operators nationwide donate their time to serve as mission pilots for patients. Although most planes are private, commercial plane arrangements are also made.

Those who use the program tend to be middle class families whose child is in need of specialized medical attention. Generally the family has no means of transportation to get from a hospital at one end of the country, to a clinic or hospital outside of the state.

McGee said, with the recent flood of calls for flights, Miracle Flights is scrambling to find more

resources to keep the planes flying.

"We're hoping we don't have to say 'no' to anybody," she said.

If flight requests continue to increase, it will be a struggle for the staff to find ways to meet the demands for medical flights, she said.

"It really is a grass roots effort that has gone international," McGee said.

Miracle Flights, which started as blood flights from Boulder City to Pahump, has built itself into a national organization drawing recognition from the U.S. Congress and citations of merit from various organizations. Several international flights for treatment has also been requested, she said.

Its success began in Henderson, she recalled.

"We do it simply from the support of the pilots and the community of Southern Nevada," McGee said.

To help her staff meet increased

demand for flights, she will be visiting with heads of the airlines to develop a program to use frequent flyer miles for tickets. United Airlines used to have a program where someone could donate unused frequent flyer miles to the Miracle Flights program, but the program has since been stopped.

Other possible solutions may be an agreement with Alaska Airlines for discount flights or other alternatives to help save costs for Miracle Flights. In the last year, there have been 17 flights booked for needy families in Alaska. Many of these were done using commercial airlines, something which is costly for Miracle Flights.

No matter what happens, she said, the program will continue to help those in need.

"Even though we are stressed, call us," McGee said. "We are here to help."

Adams enters felony child neglect plea

Sharon Jackson
News Staff Writer

Henderson resident Marie Adams, 18, thought she had a plan to deal with her pregnancy but her plan went wrong.

She will be sentenced in District Judge Don Chairez's courtroom June 29 for the Feb. 9 death of her eight-pound baby girl.

Adams entered a plea of felony child neglect before Chairez Tuesday. Under the plea, she could be sentenced to either probation or eight to 20 years in prison.

She was originally charged with

second-degree murder.

Her defense attorney Chip Siegel said the plea suggests an act of omission, meaning she did not take care of her newborn baby, an act which has criminal consequences.

According to Siegel, Adams was afraid her parents would condemn her if she told them about her pregnancy so she was going to hire a midwife and place the baby up for adoption without them knowing. Adoption literature was found in Adams' bedroom, Siegel said.

"She had sought some prenatal care," Siegel said. "This is not a situation where she purposefully tried to harm the child. Her actions show just the opposite."

"I'm trying to show that she is just an 18-year old kid who had a baby and [the baby] died," Siegel said. "She is going through the natural grieving process, but it's even more complicated because people are calling her a criminal [and] private grieving has become a media sensation."

Adams, who graduated from Silverado High School, was overcome with emotion during her testimony.

In a letter to Chairez, she wrote, "I know what I did was wrong and I was not thinking ... When I first found out I was pregnant, I had looked into adoption because I did not think I was ready to be a mother."

In the letter, she also explained some of the events surrounding the Feb. 9 birth of her baby.

"I had gone to the bathroom at about 7:30 a.m. and out came the baby. I froze. I did not know what to do so I acted very stupidly and put the baby in a bag. There was no movement whatsoever, then my mother [asked] if I was OK [when] she saw me covered in blood and rushed me to the quick care not knowing what had happened."

Adams didn't tell the doctors at the clinic she gave birth and she said they didn't examine her. She said she was gone about 45 minutes to an hour. When she arrived home, she confessed to her parents who immediately took her and the baby to the emergency room.

Siegel said Adams has been seeing a psychologist since the incident.

Adams also wrote, "I am a good person, I did not mean for any of this to happen. I am terribly sorry."

Man drowns at lake

Sharon Jackson
News Staff Writer

Paul C. Duncan, 25, of Las Vegas, drowned at Lake Mead after his wheelchair went into the water at Las Vegas Bay Marina at about 11 a.m. Friday.

Divers pulled him from the water and performed cardiopul-

monary resuscitation, said spokeswoman Karen Whitney.

The National Park Service was notified at 11:15 a.m. and emergency medical personnel responded. Flight for Life airlifted Duncan to Valley View Hospital where he was pronounced dead at 12:17 p.m.

Cinco de Mayo kicks off

Ray Brewer
News Staff Writer

"Viva Mexico, Viva Mexico." This famous Mexican saying, meaning "Long live Mexico," symbolizes the struggle of Mexico to gain its independence from France and overcome the French occupation of their homeland back in the 19th century.

Today, Cinco de Mayo (May 5), is the day the country and its people finally gained its independence.

This cry of freedom that Mexicans celebrate can be compared to the Fourth of July for Americans.

And no matter what part of the Southwest you are in, there is a huge population of Mexicans celebrating.

That holds especially true for Southern Nevada.

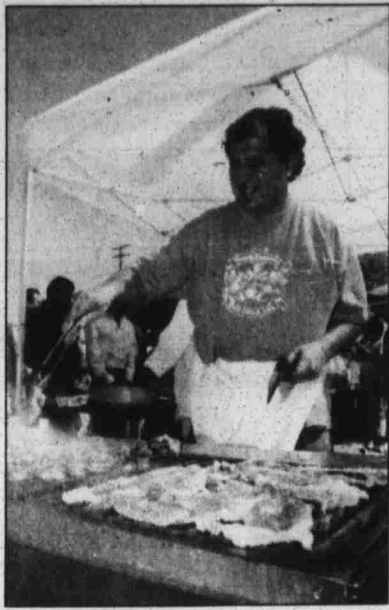

Several Mexicans got an early start with the celebration on Saturday, as thousands of residents gathered at the Timet Field for a day of food, games and family.

The free event, which is believed to be the largest gathering of the year for Southern Nevada's Hispanic community, was sponsored by La Super Q AM 870 and featured entertainment from top Latino recording artist El Puma and superstar Tatiana Bolonas, only nine years of age.

All of the proceeds from the event go to the Latino Chamber of Commerce Scholarship Fund for Henderson.

But, in all of the celebrating, several Mexicans agree that remembering their heritage is the most important.

"It's the celebration of the battle between the French and Mexican armies in Puebla," said Rosemary Flores, who brought her two daughters to the festivities. "The Mexican army fought with women

SOMETHING'S COOKING — Jose Montano, of Carniceria Montano, grills some beef at the festival held in honor of Cinco de Mayo

Rob Weidenfeld/News Staff

HAVING A BALL — Seven-month-old Robert Ibarra plays during the celebration.

and children."

Flores believes that educating her family about the past is a great way to carry on the tradition.

Her daughter is already picking up on the meaning of the holiday.

"She (her mother) tells me about the past history," said Amy Flores, 15. "I'd like to do that with my kids ... the same things

Rob Weidenfeld/News Staff

TRADITIONAL DANCE — Diana Gallegos, of the Mexican dance group Ballet Tepuchcalli, performs at a celebration held in honor of Cinco de Mayo at Titanium Field on Saturday. The free event, sponsored by La Super Q AM 870, featured family-oriented fun, including exhibits, prize giveaways, traditional Mexican food and live entertainment.

we do now, come to events like this."

Other people at the event agreed.

"We've got two special days," Adam Gardea said. "This day is second most important. It's when the French tried to impose their dictatorship."

The other important day is Sept. 15, the day when Mexico began its quest for independence from Spain.

On Sept. 15, 1810, a Creole priest named Miquel Hidalgo Y Costilla started the Mexican War

for Independence against the Spaniards. In the town of Dolores, he called for help from Indians and mestizos and started the push for independence.

In current day Mexico, late on Sept. 15 each year, the President of Mexico rings a bell and repeats the "Grito de Dolores" to signal independence.

There was plenty of food, live music and family-orientated games in Henderson Saturday.

"It's real nice out here, the first time they have had anything out here for us," Gardea said.

SAM'S TOWN

Council examines bondsmen

Kevin Ferguson
News Staff Writer

Phasing out bail bond brokers from Water Street and the surrounding commercial district will once again come before the Henderson City Council at 7 p.m. tonight.

This item was expected to be ruled on two months ago, but was pulled from the March 3 agenda. The Council will meet in City Hall, 240 Water St.

If the item is approved tonight, the plan would allow the existing bail bond brokers in that area five years to relocate to a limited industrial district. The city has less than a half of dozen such locations, none of which are near the jail.

Those locations include north of Sunset Way, near Mountain Vista; east of Gibson Road on Sunset Road; east of Gibson, north of Warm Springs; Sunset and Pabco Roads; and south of Warm Springs, between Stephanie Street and Gibson.

Bail bond brokers do not fit in with the rest of the commercial businesses, according to Title 19 of the Henderson Municipal Code. Such brokerages are businesses associated with the judicial system, rather than dependent on impulse shoppers, spontaneous walk-in trade, or cross-traffic from neighboring stores.

The application to be presented tonight further states, "Although bail bond brokers provide a service to families in the community, they may not present the upbeat image desired for a lively, successful town center."

The Council is recommending that all existing bail bond brokerages presently operating in commercial zones relocate to an industrial limited zoning district by Jan. 1, 2003.

The Council also plans to consider:

- Plans for a new 8,600-square-foot classroom and 9,000-square-foot outdoor stage and amphitheater on the campus of McCaw Elementary School in the Townsite planning area.

- Plans for a third building to be built on the Henderson campus of the Southern Nevada Community College of Southern Nevada. The proposed 87,986-square-foot building will provide space for a high tech computer program, four science labs and 17 classrooms.

- Plans for a 25,000-square-foot computer training facility at 2290 Corporate Circle in the plaza at Corporate Center, in the Green Valley South planning area.

- A restaurant liquor license and gaming devices for Pasta Bella, 1640 W. Warm Springs Road.

GIRL: Prom night

From Page 1

forward to it for a few weeks before the event.

The prom was at the Liberace Mansion.

"She and I danced to a couple songs," Wallace said.

Perry has an electrical wheelchair that she moved from side to side to dance.

"For someone who had been in a wheelchair for a long time, that's just how it is for them," Wallace said. "People look at them differently [but] like anybody else, she [Perry] likes to dance, she just dances in a wheelchair."

Perry said the evening was everything she thought it would be.

Wallace agreed. "It was great. It couldn't have been better," he said.

Wallace took Perry to the prom simply because she wanted to go.

"This was something that should happen," Wallace said, when he heard she wanted to go to one of the biggest events in any high school student's year.

PLANNING: Old Vegas

From Page 1

planning area, the commissioner said the project may need to have new plans submitted because the area has developed significantly since its opening in 1993.

Expansion would include a 57-foot high building with a hotel tower and additional gaming. A representative for applicants Joseph and Elaine Pellar said the property needs the improvements to remain competitive. He also indicated more financing is needed

and the Pellars may sell the property.

Planner Guy VanWyck said the time extension is the best thing to do but the city needs to come up with more stringent guidelines on how long items can be extended. Extending projects annually should be avoided because areas tend to change and when projects are finally built, they may not suit an area.

- Approved plans for a commercial shopping plaza with a health spa on seven acres at 9300 S. Eastern Avenue, in the Westgate planning area.

The center will involve a health theme with retail stores catering to health needs.

Items ruled on by the Planning Commission will appear before the Henderson City Council May 19 for final consideration.

Hospice presents Serenades of Life Concert

The fourth annual Serenades of Life concert will be held at 7 p.m. Wednesday, May 13, in

UNLV's Bayley Theatre. The performance will be followed by a coffee, cocktail, wine and dessert

reception at 9 p.m. Proceeds benefit the Nathan Adelson Hospice, Southern Nevada's only not-for-profit hospice.

The unique fund-raiser showcases the musical talents and vocal abilities of local physicians, who volunteer their time to raise awareness and funds for the hospice.

The Big Kahuna and Larry Martino from KOOL Radio 105.5 will serve as emcees.

Tickets prices are \$35 VIP seating, \$25 general admission, available through Nathan Adelson Hospice and the UNLV Box Office. For more information, call 796-3133.

Townsite homes demolished

News Staff Reports

Ten of the original Townsite homes were recently demolished by the city, leaving nothing but a vacant lot and a day care center on the corner of Basic Road and Water Street. The day care center will also get the wrecking ball once the business relocates, a city official said.

Six commercial businesses are also gone from the site, all of which is part of the Downtown Redevelopment Project.

City Councilman Jack Clark said the city is looking for a buyer and the land is prepped to sell.

"We're looking for quality businesses or developers to help improve the area and attract other quality businesses. The redevelopment program is a 30-year plan. We don't want to jump at the first offer and mess up the rest of the long-term plan."

All the homes, which were built in the 1940s for the BMI plant workers, had been vacant for at least six months. The city had been assisting in relocating those residents for the past two years.

The parcel of land will remain as a vacant lot until it is sold, said Brad Percell, redevelopment officer. In the meantime, it will be used as a parking lot during certain city events, such as the ArtFest this weekend, expected to draw about 200 artists.

EDUCATION

Gibson ES recognized for helping at-risk school

Kevin Ferguson
News Staff Writer

Gibson Elementary School recently received a national award for community service for collecting clothing, toys and other items for the children and families of an at-risk Las Vegas school last October for "Make A Difference Day."

Gibson Elementary was one of 10 national finalists among 5,483 entries. Paradise Elementary School, the at-risk school, is expected to receive a check for \$2,000 soon from *USA Today Weekend* magazine and The Point of Light Foundation, the co-sponsors of "Make a Difference Day."

Also part of the project, Gibson Elementary students were encouraged to do a good deed each day, resource teacher Mindy Pretner said.

"After doing their good deed,

they had to write about it and keep it in their journal. The journals were then collaborated in a book and sent to the sponsors as part of their entry," Pretner said.

The donated items went toward Paradise Elementary's "Star Bucks" program, in which a micro-society is created for a day on their campus. Paradise Elementary students have been earning Star Bucks, their local currency, throughout the semester for doing homework, respecting teachers and behaving during class. Then, on a particular day, the students purchase the donated items with their Star Bucks.

"The kids [of Paradise] were so grateful for the donations," said Lore Carrillo, the vice principal of both schools. "The kids' faces were full of smiles ... they were just elated. You had to see it [expressions]."

Starting Oct. 1 and continuing even after the contest entries were submitted Oct. 24, Gibson students brought items to school to donate to their less-fortunate Las Vegas sister-school.

Items included a piggy-bank full of pennies, 200 pairs of baby booties knitted by a student's grandmother and formal clothing for Paradise parents.

"Some [Gibson Elementary] parents donated suits for Paradise parents to wear for job interviews," Carrillo said.

Everything in the "Star Bucks" store was priced to sell, Carrillo said, so students buying their parents a suit didn't deplete their earnings. "Many bought things for their moms for Mother's Day," she said.

The Paradise Elementary PTA recently sent a letter thanking

the Gibson student body for the donations. Included with the letter was a poem, a portion of which read:

"You should have seen the first grade girl snuggling with a new teddy ... You should have seen the tears of joy in many young eyes... You brought rainbows to our Paradise Island!"

OPENING 1999-2000 SCHOOL YEAR • GRADES 9-11

New home for LMCA scheduled

Kevin Ferguson
News Staff Writer

After nine years of holding classes in portable buildings on a dusty dirt lot, administrators of the Lake Mead Christian Academy say they're hopeful they will finally be moving into a new 41,000-square-foot building this fall.

The school's 250 students, ranging from kindergarten to 12 grade, are currently spread out on three campuses. Fourth through 12 grades are held in portables at 540 E. Lake Mead Dr., just east of Boulder Highway.

The new facility is being constructed behind those portables, on a 5.6-acre parcel of land, which was donated by Basic Management Inc./Victory Valley Land Co. in 1995.

Administrator Sue Blakeley founded the school in 1989 with the support of several parents.

"It's so exciting to see it all finally come together and be able to have the entire program under one roof," she said.

Constance Morton, LMCA's development director, reiterated similar sentiments. "Having the kids all together will be great because the older kids at our school tend to serve as role models for the younger ones and they tutor them, too," she said.

Eighth-grader Elizabeth Ingram has been attending LMCA since kindergarten and said the LMCA offers many benefits.

"I've probably been able to learn more [at LMCA] than I would have at a public school because the classes are smaller and you get more attention from the teachers," she said.

The largest class has 20 students and the smallest, a kindergarten class, has 8.

Louis Cervantez, whose fifth-

grader Brittany attends LMCA, said he was impressed with the school's teaching methods. "What struck me was the way they teach kids to diagram sentences," he said. "That's the way I was taught. It has improved her [Brittany] reading and writing skills tremendously."

HOUSING AUTHORITY — From left are John Simmons, construction manager, city of Henderson, Dorothy J. Kidd, chair, Housing Authority and Mayor Jim Gibson, who marked the Housing Authority's annual payment to the city.

Housing Authority makes annual payment

The Clark County Housing Authority recently made its annual payment in lieu of taxes to the city of Henderson for the fiscal year ending June 30, 1997, in accordance with an agreement dating from 1968 covering Authority properties in the city.

A check in the amount of \$31,951 was presented to Mayor James Gibson by Authority Chairman Dorothy J. Kidd, who said, "Our residents depend on the city of Henderson and its services, such as fire and police, and our payment helps cover the cost

of such municipal activities as street repair and cleaning, parks and recreation, and similar services."

Payment is for services provided by the city and other public agencies to the residents of the Authority's three Henderson developments and scattered-site homes:

- Espinoza Terrace (100 apartments for the elderly),
- Landsman Gardens (100 apartments for families)
- Hampton Court (80 family and 20 elderly).

• 45 single-family homes located in various neighborhoods.

As a public entity, the Authority is not required to pay property taxes. However, the development agreement with the city provides that the Authority make payments to the city in an amount equal to 10% of rents paid by residents.

The authority also makes direct payments to the city for water, sewer, and refuse collection services, at the same rates paid by other local residents.

'An Evening with Galileo' comes to UNLV

"An Evening with Galileo," a one-man production about the life and times of Galileo Galilei, the famous 17th-century Italian scientist and philosopher, will be held at 7:30 p.m. May 6, in room 109 of the Dungan Humanities Auditorium, on the UNLV campus.

The 90-minute production is a dramatic, musical, and intellectual presentation by performer and Galileo expert Mark Thompson, who portrays "the father of

modern science." His material is based on actual correspondence and writings of Galileo, as well as those of his many biographers.

Thompson — dressed in authentic Renaissance attire — will share the wisdom and life experiences of Galileo, lacing narration with original lute songs.

Thompson, who has done all the research and writing for the production, has presented the production to California audiences for the past two years.

A cantor at Temple Beth Shalom in Santa Ana, Calif., he holds a master's degree from California State University, Long Beach, and a bachelor's degree from the Hebrew University of Jerusalem.

His presentation, which is free and open to the public, is sponsored by UNLV's departments of philosophy, history, music and theatre.

For more information, call the UNLV philosophy department, 895-3433.

ANC's Traub to retire

Brian Greenspun, on behalf of the Greenspun family, announced Monday that Eric A. "Tony" Traub has resigned as president of American Nevada Corp.

Traub said that he is leaving the company in order to pursue new opportunities in the development industry. Traub, who joined American Nevada in 1992, said his role in the expansion of American Nevada has been gratifying and he looks forward to the continuation of his development activities in the Southern Nevada market and other areas of the U.S.

"I was hired to guide the overall direction of American Nevada's

growth into a larger and more diverse organization and complete Green Valley," Traub said. "That goal has been accomplished and today the company is flourishing. Green Valley is nearing completion on the residential side and Seven Hills is progressing very well. On the commercial side, American Nevada is expanding rapidly and has become a major commercial developer."

Brian Greenspun, CEO of the Greenspun Corp., parent company of American Nevada, recognized Traub's participation in the success of the company. "We appreciate Tony's tremendous

contributions toward the development of Green Valley, Green Valley Ranch and Seven Hills and we look forward to maintaining a professional relationship with him in the future," Greenspun said. "We are very happy to hear that although Tony will soon move on from American Nevada, he will remain a resident of Southern Nevada and explore new business opportunities here."

Traub has more than 30 years of experience in the development and management of master-planned communities, office building, shopping centers, hotels and resorts, country clubs and

industrial and office parks.

Prior to joining American Nevada, he had developed throughout the U.S. with two of the largest development companies in the industry and has been a partner in his own development company.

Greenspun also announced that Phillip C. Peckman, chief operating officer of the Greenspun Corp. has been named interim president of American Nevada. Brad Nelson will continue as the chief operating officer of the community division, and Alan Perlmutter will continue as the chief operating officer of the commercial division.

The parents and teachers have raised \$1.4 million in donations, but need an additional \$2.6 million to open the doors this August. A large portion of the additional funds are needed for the school's electrical system, plumbing, heating, doors, paint, sound system and air conditioning.

"The parents, grandparents, relatives, friends and contractors have been really great in helping to raise money for the school," Morton said. "Most of it has been coming in small donations, but it's been having a multiplying effect."

Whiffleball challenge set

The Henderson Parks and Recreation Department will sponsor a free whiffleball challenge from 1 to 3 p.m. May 16, in the gym at the Black Mountain Recreation Center, 599 Greenway Road. Participation is open to those aged 8-13.

Whiffleball games generally follow the rules of baseball. The most obvious difference is the plastic ball full of air holes and a lightweight bat. The game can be played with as few as two players or as many as 18.

"Whiffleball is an exciting game for youth because they can hit the ball farther and are not afraid of being injured," said recreation coordinator John Sefton. "It can be played just about anywhere, a playground, backyard or a gymnasium."

Like baseball, one of the most important aspects is learning how to hit the ball. Although players can bat with different styles, balance and timing are important elements.

Learning to pitch a whiffleball can be as challenging as pitching with a baseball. Whiffleballs thrown hard are subject to more air turbulence and curve later than balls thrown at slower speeds. The path can be determined by the spin and speed of the pitch, which is why advanced players make a special effort to learn the physics of the game.

"Proper pitching motion allows the pitcher to get maximum movement, velocity and location with each pitch," said Sefton. "And an effective pitcher means the batter will really be challenged."

Since children do not have to wear gloves to catch a whiffleball, many learn how to play before attempting softball or fast-pitch sports. For many young players, the confidence they gain will help prepare them for center baseball-

related sports. Youth who are already involved in baseball and softball can still benefit by focusing on specific skills.

For registration or more information, call 565-2880. Registration will be filled on a first-come, first-served basis.

Nevada Power and Sierra Pacific Resources agree to \$4 billion merger

Service at Henderson's Nevada Power Co. office, 227 Water St., will remain unchanged following a pending merger of power utilities.

"Both Nevada Power and Sierra Pacific will maintain their names and services offered," said Tom Henley, a spokesman for Nevada Power.

"You'll still be able to pay your check to Nevada Power," he said.

There are no plans to close the Henderson service office, Henley said. However, about 250-300 jobs will be lost at Nevada Power's W. Sahara Ave. office, he said.

Nevada Power and Sierra Pacific Resources announced that their boards of directors have unanimously approved an agreement providing for a merger creating a company with a total market capitalization of about \$4 billion.

The merger is conditioned upon the approvals of the Public Utilities Commission of Nevada, the Federal Energy Regulatory Commission, the Securities and Exchange Commission and the approval of both companies'

common stockholders.

The combined entity, which will be named Sierra Pacific Resources, will serve a total of more than 800,000 electric, 100,000 gas and 65,000 water customers living in Southern and Northern Nevada, and the Lake Tahoe area of California.

Nevada Power provides electric service to more than 1.2 million residents in Southern Nevada. Customer growth in 1997 reached 6.4%, the highest rate of growth for any investor-owned utility in the U.S. Last year's revenues were nearly \$800 million. Nevada Power has about 1,900 employees.

Sierra Pacific Resources, headquartered in Reno, provides electric service to about 287,000 customers in a 50,000-square-mile region in Northern Nevada and the Lake Tahoe area of California. The company provides natural gas service to 100,000 customers and water service to 65,000 customers in the Reno-Sparks area. Sierra Pacific has about 1,500 employees.

Combining Nevada Power, the

fastest-growing utility in the country, with Sierra Pacific creates a company with annual customer and kilowatt-hour sales growth of 5% and 7%, respectively, the highest in the industry.

Based on 1997 results of Nevada Power and Sierra Pacific, total annual revenues for the combined company would be approximately \$1.5 billion, with annual earnings of about \$160 million, and assets of \$4.3 billion.

The companies anticipate closing in about a year, given Nevada's 180-day approval process and the transaction's consistency with Nevada's utility restructuring efforts.

The structure of the merger will allow both companies to retain and build upon existing brand identities and customer loyalties while enhancing services, a spokesman said.

Drawing on the strengths of both companies, they anticipate net merger savings of about \$350 million over 10 years, realized from elimination of duplicate corporate and admin-

istrative programs and greater efficiencies in operations, business processes and purchasing. The transaction creates the opportunity to offer Nevada customers stable prices while continuing to increase shareholder value.

The companies will seek to minimize the impact to the existing workforce through a combination of a general hiring freeze, employee re-training, relocation and appropriate separation packages. All union contracts will be honored.

Under the merger agreement, the headquarters of the holding company will be in Reno. The utility subsidiaries, Sierra Pacific Power and Nevada Power, will be headquartered in Las Vegas, with gas and water operations in Reno.

Women's Role Model Awards announced

In recognition of Women's History Month, Attorney General Frankie Sue Del Papa announced the names of five Southern Nevada honorees selected to receive the fourth annual Nevada Women's Role Model Award.

"These women have been chosen to receive the Role Model Award because they are making a difference in the lives of others through their contributions to our community," Del Papa said.

"They were chosen from among a distinguished group of women nominated for the award by their peers. The selection was extremely difficult since those that were nominated are among the most active and motivated citizens of our state," she said.

Diana Byrd

Teacher, coach, community leader and poet. Byrd's dedication and involvement with the students, staff and community of Cimarron-Memorial High School

inspired her nomination for this award by school counselor Brendolyn Black.

Ann Casados-Mueller

Among her responsibilities as director of diversity initiatives for UNLV, she conducts training in diversity, discrimination and sexual harassment issues. She also works to recruit under-represented groups such as women and minorities for faculty and professional positions.

Mary Heine

Heine supervises the Three and Under Unit for the Child Protective Services Division of Clark County Family and Youth Services which provides critical child abuse/neglect investigative and intervention services for children ages 3 and under who may be at substantial risk of injury or death within their current environment.

Genevieve Kucan

Born the first of 10 children on a farm in Farming, Minn., Kucan

attended school in clothing her mother made from flour sacks. Her love for education and her determination helped her complete high school and be the first in her family to graduate from college. She recently became a founding member of the Partnership at Las Vegas Program which helps introduce Las Vegas High School students to the working world by visiting a job site one day a week.

Conee Spano

Director of the Jean Nidetch Women's Center at the University of Nevada, Las Vegas, Spano was the subject of numerous nomination letters.

The Southern Nevada recipients will be recognized during the 1998 Eye on Women Expo in Las Vegas. The presentation will be at 12:15 p.m. Saturday, May 2, at the MGM Grand Convention Center.

DEATHS

John R. Henderson

John R. Henderson, 74, died Tuesday, April 28, 1998, in Henderson.

Born Jan. 18, 1924, in Colorado, he had been a resident of Henderson for 45 years.

He was a retired finance company manager, and was a founding member of the Black Mountain Golf Course & Country Club. For many years, he served on the Henderson Planning Commission, was a member of the Henderson Rotary Club and the Henderson Chamber of Commerce. He was a veteran of the U.S. Navy, having served in World War II.

He is survived by two daughters, Carol Vella of Las Vegas, and Renee Ladner of Henderson; a son, Randy Henderson, also of Henderson; five sisters, Mary Disney, Ruth Krantz, Charlotte Curtis, Eileen Booth and Mildred Garber; two brothers, William and Robert; eight grandchildren and nine great-grandchildren.

Services were held. Entombment is at Palm Mausoleum-Henderson.

Arrangements were handled by Palm Mortuary-Henderson.

Bernard Moss

Bernard Moss, 75, died Saturday, May 2, 1998, in Las Vegas.

Born April 14, 1923, in Crysler, Ontario, Canada, he had been a resident of Las Vegas for 16 years.

He was a retired construction electrician.

He is survived by his wife, Norma of Las Vegas; a daughter, Linda Jones of Bermuda Dunes, Calif.; two sons, Gerry of Las Vegas and Marcel of Garden Grove, Calif.; three sisters, eight brothers and three grandchildren.

Arrangements were handled by Palm Mortuary-Eastern.

Anne Toth

Ann Toth, 80, died Saturday, May 2, 1998, in Las Vegas.

Born July 19, 1917 in New Jersey, she was a homemaker, and had resided in the area for six months.

She is survived by a son, William Toth of Henderson; a daughter Candace Toth of New Jersey; two grandchildren and two great-grandchildren.

Services were held. Arrangements were handled by Hites Funeral Services, Henderson.

Ruth M. Hayes

Ruth M. Hayes, 81, died Sunday, April 26, 1998, in Lake Havasu, Ariz.

Born May 4, 1916, in New York, she had been a resident of Henderson for 10 months, coming from Schenectady, N.Y.

She is survived by her nephew, Russell Hammond of Henderson. Services were held in New York. Interment is in Schenectady.

Arrangements were made by Hites Funeral Services, Inc. of Henderson.

Lillian M. Townsend

Lillian M. Townsend, 85, died Tuesday, April 28, 1998, in Boulder City.

Born Sept. 4, 1912, in Des Moines, Iowa, she had been a resident of Henderson for six years and Boulder City for seven years.

She is survived by one son, Kenneth Howe of Des Moines; two daughters, Virginia Hollingsworth of Pahrump, Nev., and Dolly Wood of Henderson, and 10 grandchildren.

Arrangements were handled by Palm Mortuary-Henderson.

Mae M. Wirth

Mae M. Wirth, 82, died Wednesday, April 29, 1998, in Fallon.

Born May 18, 1915, in Cedar City, Utah, she was a former resident of Henderson.

She was a retired hospital housekeeper.

She is survived by a daughter, Terry J. Jaeger of Harahan, La.; two sons, John of Henderson and William F. of San Antonio, Texas; and a sister, Verla J. Faulkner of Bountiful, Utah.

Visitation will be held from 9 to 11 a.m. today, with graveside services following at Palm Mortuary-Henderson. Arrangements were handled by Palm Mortuary-Henderson.

TIME CAPSULE — THIS WEEK IN HENDERSON

The following is a list of the top news stories for this week in the history of Henderson. We're turning back the clock to remember the special people and events that helped shape this city. For the Henderson residents who have been in town for many of these happenings, here's to the memories. For the Henderson residents who have just moved to town, this is what your city is all about. Either way, enjoy.

May 4-10 Last year

Attorney Jim Gibson wins the mayoral seat in the primary election by pulling in 51.8% (6,445) of the votes ... Also in the primary election, Jack Clark and Dave Kallas advance to the general election in the City Council Ward 3 race with successful results in the primary ... John Provost won a two-year term to the Municipal Court Department 2 bench with a win in the primary over Ann Small. Provost collected 6,386 votes

(53.61%) ... Parks and recreation facilities received voter approval on a \$54.5 million bond.

Five years ago (1993)

Only 589 votes came between first- and third-place finishers in the mayoral primary. With 2,866 votes, Jim Jensen came out on top and Robert Groesbeck took second with 2,561 votes. Jensen and Groesbeck will square off in the primary ... Councilman Michael Harris will face Jack Clark in the general election. In the primary, Harris picked up 4,284 votes (42.9%) for first place and Clark finished second with 2,681 votes (26.8).

10 years ago (1988)

The Pepon plant is leveled with a series of explosions that affected the entire valley. Two people died and more than 300 others were treated for minor

injuries.

20 years ago (1978)

Non-classified employees of the city, including the city manager, city attorney and city clerk, are approved for a 5% raise by City Council ... The building in Henderson continues to be almost four times over that of last year at this time, according to John Quinn, superintendent of building and safety. For the first four months of 1978, the total is \$14,704,839 ... Genevieve Asy Smith is awarded the official certificate as 1978 state Mother of the Year for Nevada.

40 years ago (1958)

The attractiveness of the city is shown with the purchase of the first block of \$239,000 worth of sewer bond to the firm of Kirchner, Ormshell and Weisner.

Students celebrate DARE Day

News Staff Reports

Henderson students in grades five through eight and their families celebrated their commitment to stay drug- and violence-free Saturday at the fourth annual Henderson DARE Day.

The event, held at Black Mountain Recreation Center at Horizon and Greenway, has become a city-wide tradition.

Star Transit, a new valley bus company, donated transportation, picking up and dropping off DARE students at designated sites around the city.

In addition, several other volunteers donated time and resources to the event, including local PTA groups, teachers, school administrators and individuals from the community.

Nellis Air Force Base personnel from the Nellis Social Actions office, the Office of the Staff Judge Advocate, as well as the Thunderbirds, attended the event.

The Nevada National Guard brought a helicopter and a hummer.

Many local organizations and businesses have come together to make this a fun-filled day for Henderson DARE students and their families, said Gloria Finley, administrative secretary for the Henderson Police Chief Tommy Burns.

Other characters roamed the party such as Splish from Wet n' Wild, Boom Boom from the

Rob Weidenfeld/News Staff

DARE DAY — Seven-year-old Felicia Gianini operates the controls of an OH58 Army Helicopter while Lt. Kris Kirkland looks on at the fourth annual Henderson DARE Day on Saturday. Fifth- and eighth-grade DARE students from Henderson schools attended the event, held at the Black Mountain Recreation Center and Aquatic Complex, with their families, and enjoyed a day of drug-free information, free refreshments, swimming, attractions and more.

Thunder Hockey Team, UB from United Blood, Slurpie, McGruff from the Police Department. Darren the Lion, the DARE mascot, made a special appearance to congratulate Henderson's DARE students.

Many local youth organizations entertained party-goers in dance,

song, karate, hula hooping and jump roping.

Donations from the community included everything from food to savings bonds.

Educational and fun activity booths provided parents and children with healthy activities.

A committee was established four years ago which includes the

Henderson Parks and Recreation Department, the Henderson Police and Fire Departments, the Clark County School District, Boyd Gaming Corp., St. Rose Dominican Hospital, the Yost 7-Eleven stores, DARE Inc., Mountasia, Sports Club of Las Vegas and Elks Helping Hand.

Wolves win to earn playoff spot

Rob Weidenfeld/News Staff

OUT AT THIRD — Silverado's Vincent Valiente is thrown out at third in Friday's game against Valley. The Skyhawks crushed the Vikings 13-3 to close out the regular season.

D.J. Allen
News Contributing Writer

For the graduating seniors on Basic's baseball team, Friday's season finale at home against Eldorado meant everything.

Last season, the Wolves — needing just one win in their final four games to clinch a playoff berth — lost four straight games to end the season, including falling to three non-playoff teams.

With that memory still fresh in their minds, the Wolves knew a win over the Sundevils would make them the final seed in the Sunrise Division for this year's zone playoffs, which begin on Thursday.

However, it wasn't just the seniors who had a say in whether they'd make the playoffs.

Too young to understand the pressure, freshman first baseman Jesse Craig drilled a one-out, bases-loaded double in the second inning to erase a 1-0 Eldorado advantage and give the Wolves the lead for good in their 5-1 playoff-style win.

"I want to help them out the best I can," said Craig, who has seen time at both first and third base this season at the varsity level. "But, it works both ways. They help me out a lot, too."

When it came to the pitching on Friday, it was

senior leadership which led the way.

Scrappy senior lefty Pete Alder got the nod for the start and allowed just the one run — an unearned run in the second inning — while striking out seven and scattering five singles.

"I just relaxed and visualized," said Alder of his preparation for the playoff-clinching win. "I went out after them. This has been our goal since we were freshmen and I was going to make sure we got it."

Alder struggled with his control at times — walking six Sundevil batters — but he always found a way to get the timely out.

"Pete hasn't really pitched his best this season, but I have faith in him," said Basic coach Anson Jones, who clinched his second playoff berth in five years heading the Wolves. "He's always been a competitor. He's a battler. He kept coming at them."

And, that's just what the Wolves needed on Friday.

At the plate, Basic (7-7 Sunrise, 13-13 overall) managed just four hits on the afternoon, singles

Gator boys, girls swim past Blazers

Adam Hill
News Staff Writer

The Green Valley boys and girls swim teams coasted to wins over Durango this past Friday, completing their undefeated dual meet season and setting themselves up as the favorite in the Sunrise Division Championships this weekend.

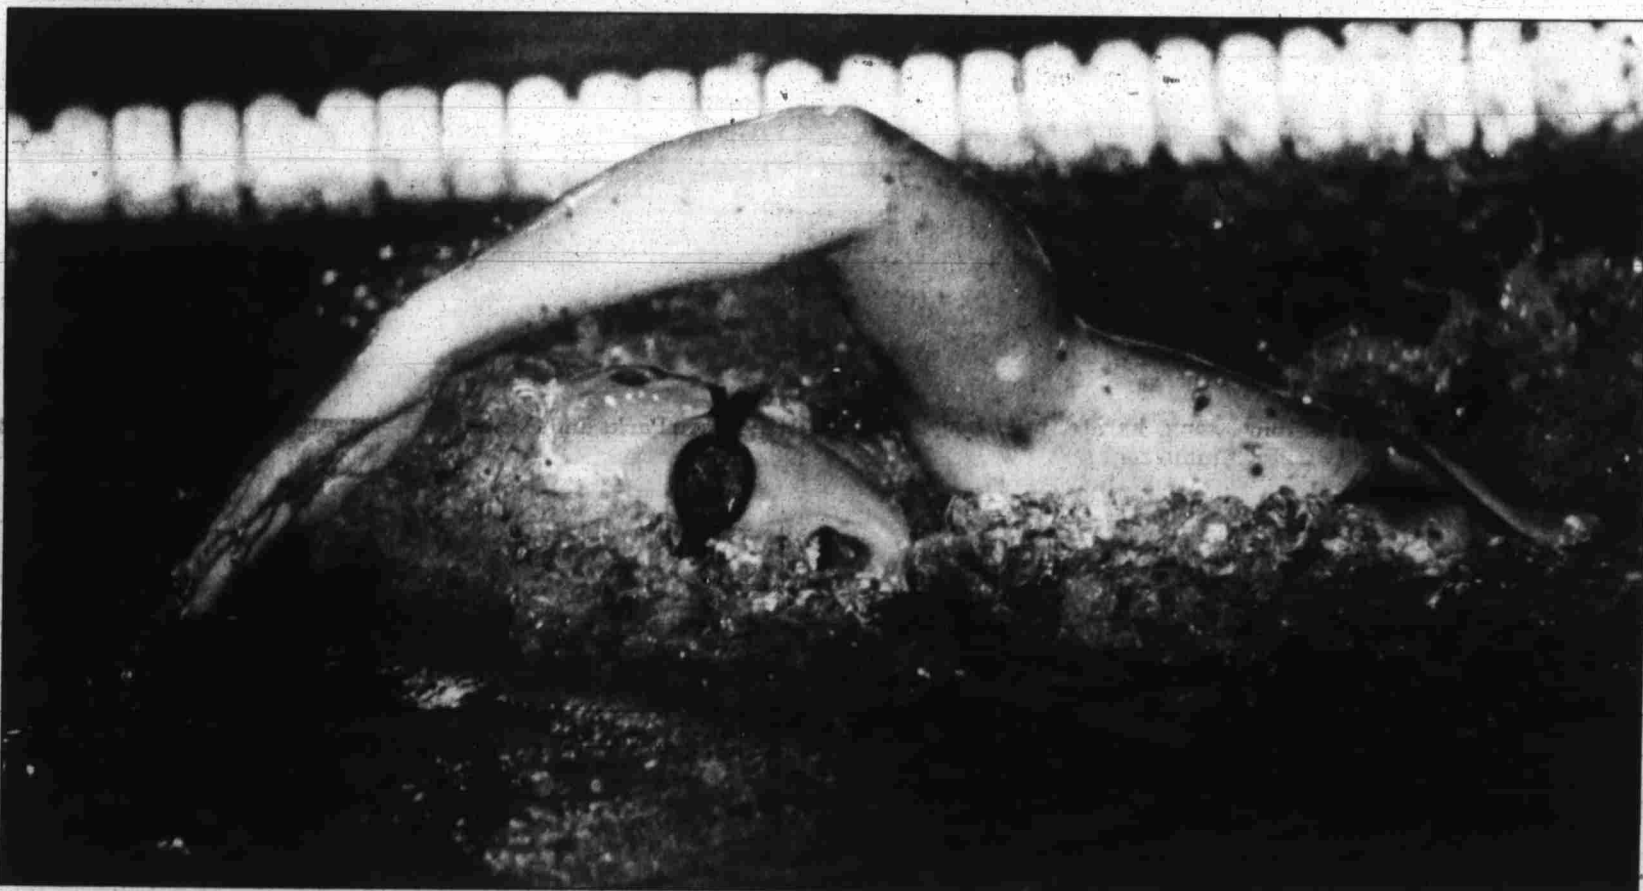

The Gator boys used two wins from senior Bill Handsfield to take the meet 189-123. Handsfield won the 200 free in 1:51.93 and the 100 fly in 55.06.

John Beede won the diving competition with a score of 173.05 while Vinicius Barros won the 100 free 49.78.

Joe Todd's 100 backstroke win (1:01.03) and Tait Ecklund's dominance of the 100 breaststroke (1:03.91) rounded out the event winners.

The Gators also won the 200 medley relay in 1:41.40 and the 400 free relay in 3:26.09.

IN MOTION — Green Valley's Jaime Weston races for the Gators in Friday's swim meet against Durango. The GV boys and girls both won.

Green Valley girls win Sunrise track title

Brad Tittington
Staff News Writer

Julie Kyriacou won both the 1600 (5:23.5) and the 3200 (12:06.3) to lead the Gators to a first place victory in the Sunrise Conference Championships on Saturday at Silverado High School.

"Because of the heat, I just wanted to win," Kyriacou said. "I think I ran pretty good. There are a lot of girls out there that are very talented. I feel very confident. I haven't faced the best girls in Nevada yet but I think I have a good chance (at zone)."

Green Valley finished with 209 points to win the meet for the fourth consecutive time. Silverado finished second with 161 points and Basic finished fifth with 54 points.

On the boys side, Oliver Redig set meet records in both the 1600

(4:31.1) and the 3200 (9:59.1) to help Basic to a third place finish.

"I felt pretty good," Redig said. "I was going for PR's but I didn't get any. I guess I'm happy about it. I don't think everyone ran as competitive as they could. (Dustin Hudspeth of Silverado) didn't run as hard as he could. I expect him to be there in the zone."

Las Vegas won the boy's title with 166.5 points as Silverado finished second with 147. Basic finished in third with 85.5 points and Green Valley finished fifth with 49.5.

Here is a look at the meet.

BASIC

Rob Oslund finished third in both the 1600 (4:32.8) and the 1600 (10:14.2) to lead the Wolves to the third place finish.

Zach Adam finished third in the pole vault (12-6) and Scott DeVoge finished fourth in the

3200. Terrance Radford finished fourth in the high jump and fifth in the triple jump and Wes Kramer was fifth in the 800 to add to the Wolves' point total.

DeVoge, Redig, Kramer and Oslund combined to win the 4x800 relay and break the meet record as they ran a 8:05.7. The Wolves also finished fourth in the 4x400 and fifth in the 4x200.

"I thought our kids did very well overall," Wolves coach Larry Burgess said. "I was very pleased with the boys finishing third. Redig's been very consistent and he's running very well. I think the weather kept the times down a little."

On the girls side, Jennifer Randall, Jennifer Bowman, Natalie Hicken and Rochelle Campbell combined to run a 10:11 in the 4x800 as they broke the school record and finished second.

Michelle Weedman finished third in the 3200 (12:57.1), Cheryl Ripp was third in the pole vault (8-0), Jennifer Brown was third in the shotput (29-7 1/4), Hicken wound up fourth in the 3200, Bowman finished fourth in the 300 hurdles and Campbell was fifth in the 800. The Wolves also finished fifth in the 4x400.

"Our girls did as well as we could expect at this time," Burgess said. "Cheryl Ripp did a nice job in the pole vault. She is ready to jump nine feet. Brown did a good job in the shot and discus. It was nice to see her finish that well in the shot."

Basic will run next on Friday at Moapa.

"I don't like to take the whole week off," Burgess said. "The kids can rest the first part of the week, train in the middle and race on Friday."

GREEN VALLEY

The Green Valley had a lot of help in winning the team title.

Jessica Spoto set a meet record in winning the 100 (12.5), Alexya LeBlanc set a meet record in winning the 400 (58.7), Erika Hanson won the 800 (2:26), Sara Townley-Wren won the 100 hurdles (17.2), Nadiyah Jones won the 300 hurdles (50.3) and Laura Twohig won the pole vault (9-1) to lead the Gators.

"Kyriacou, LeBlanc and Twohig were the three biggest," coach Blaine Thompson said. "There were six meet records broken and our girls had four of them. That 58.7 (in the 400) is extraordinary for a sophomore."

Streaking volleyball teams all pick up victories

By the News Staff

All three area volleyball teams are making a stand as the regular season winds down.

Basic, Green Valley and Silverado each picked up victories to close out last week's action.

Basic beat Valley for its ninth

win in a row, Green Valley edged Rancho for its seventh win in eight matches and Silverado beat Eldorado for its eighth straight victory.

All three schools remain tied for the top spot in the Sunrise with 10-2 records.

Here's a look back at the action.

BASIC

After four matches on the road, the Wolves finally had a chance to play at home and raced to a 15-1, 15-1 victory over Valley on Wednesday.

After a victory over a tough Chaparral team, Basic could have come in less than focused, but the Wolves breezed to the victory.

"We have been doing much better in staying focused for an entire match," Basic coach Darrin Puana said. "We have four more

matches left and we need to take each match one at a time and not look ahead."

Page 13

'Cats shock 'Hawks in softball

Ray Brewer
News Staff Writer

The Silverado girls softball team was taught a valuable lesson on Thursday.

Only time will tell if they learned from it.

The lesson: always come prepared to play and never underestimate any opponent.

The Skyhawks did just that as they were defeated by Las Vegas 3-2 in eight innings in a Sunrise Division game at Silverado High School.

Coming into the game, Las Vegas had won only four conference games and was just 5-10 overall. On the other hand, Silverado, the first place team in the Sunrise, had an impressive 10-1 mark in the division, 25-5 overall.

"The Lady Skyhawks didn't come ready to play with their over-inflated ego," Silverado coach Chuck Pope said. "Las Vegas came in and did a good job. We got our reward today."

Silverado scored one run in the first inning to take a quick 1-0 lead and appeared to be in control.

But, Las Vegas bounced back with two runs in the second to take a 2-1 lead.

Then, the Skyhawks couldn't put any runs on the board.

In the second, Juila Yurek led off the inning by getting hit by a pitch and Tiffany Finateri followed with a single. Sara Buntjer followed with a bunt single to load the bases with one out.

Then, freshman Jaclyn Victoria lined a shot right to the Las Vegas second baseman who easily doubled Buntjer off first.

After that, Las Vegas started to build some confidence.

Silverado's offense stalled as they couldn't get a runner past second in the middle innings of the game.

In the seventh, the Skyhawks plated a run to force the game into extra innings.

Christy Moores advanced on an error to start the rally and Amanda Eshelman was called in to pinch run. Eshelman im-

Gators, Skyhawks breeze in golf; Chaparral clips Basic

By the News Staff

The Green Valley and Silverado golf teams picked up victories to close out last week's action while Basic dropped a tight match.

All three have already qualified for the zone tournament which will be held at Black Mountain Country Club on May 14-15.

Here's a look back at the end of last week's action.

**THURSDAY
Basic**

Despite losing to Chaparral 204-206 at Stallion Mountain, Wolves' coach Dennis Smuskiewicz was impressed with his team's play.

"It was a good close match," Smuskiewicz said. "Our low was 40 and our high was 43 and that's very good."

Perry Anderson topped the Wolves with a 40 while Nick Nelson, Mike LaMarca and Ryan Smuskiewicz had 41s. Richard Ruane came in with a 43. Anderson was one of four medalists as he shared the honor with three Chaparral players.

"It was a very good effort," Smuskiewicz added.

"The truth is, we've never played very well out there. This was probably our best score in the last five years and that was encouraging. It gives everyone something to build on."

Basic is 8-4 in Sunrise play and 10-5 overall. Smuskiewicz said the match was a classic.

"That's the way it should be," he said. "Those are the kind of matches that in the long run make you better. You think about one or two shots and how important they can be."

Green Valley

The Gators posted their 40th straight dual match victory with a 151-196 victory over Rancho at North Las Vegas.

Avi Khitri led Green Valley with a one-over-par 28. Nick Lorenz came in with a 29 while Dallas Massey and Brian Schiffman came in with 31s. Andrew Scott fired a 32.

"It's a tough little course," Green Valley coach Del Sagors said. "The greens are real small. Some of the kids were playing it for the first time and they

had a good time using their sand irons and putters."

The Gators have not lost a dual match in two years.

"Bonanza beat us early in the year [1996]," Sagors said.

Silverado

The Skyhawks scorched Las Vegas National Golf Club in beating Valley 204-228.

"They did real well," Silverado coach Randy Minagil said. "That's a real good score."

Joe Reyes led the Skyhawks with a 38 while Brad Callihan came in with a 39. Derek Ashworth carded a 41 and Cody Clonts and Chad Fralix came in with 43s.

"Everybody's average is coming down," Minagil said. "We still have a tough road ahead of us. There are teams in the other division that have better averages and we just have to go after them."

Minagil said his team is on a roll. "We're starting to bring it down as a team at the right time," he said of his squad's scoring average.

The Skyhawks are 13-3 overall and 10-2 in Sunrise.

WEDNESDAY

The Gators scored a 189-260 victory over Eldorado at Legacy on Wednesday.

Massy topped the Gators with a one-under-par 35. Other GV scores included: Joey Matyas, 37; Brian Schiffman, 38; Nick Lorenz, 39 and Andrew Scott, 40.

"That's a good score," Sagors said of his team's effort. "The kids are feeling really good about the way they are playing, but they are realistic and know there are some other very good teams out there."

Sagors added the field is tight this year.

"Silverado is coming on and Durango and Bonanza are posting some real good numbers," Sagors added. "Gorman posted a really good number the other day. There are some good teams playing well. Nothing is a given. We have to make sure we go into zone and qualify for state."

BASEBALL

From Page 11

from Chris Duesler, Jason Bitsko and Mike Rose to go along with Craig's double.

Rose's single scored Bitsko in the bottom of the fifth inning to extend the Wolves' lead to 3-1. Then in the sixth inning, Eldorado misplayed a flyball off the bat of Ray Gonzales for a two-base error scoring Basic's final two runs and giving the Wolves the 5-1 cushion entering the last frame.

Alder walked the first two batters to start the seventh before classmate Eric Wise came on to shut the door, retiring the next three Sundevil hitters — including two on strikeouts.

"I knew I had the rock," said Wise about the late innings. "I wanted it more than anything. I wasn't going to let Rancho beat us or Eldorado."

On Thursday, Basic came back from five runs down in the top of the sixth inning to beat the Rams 13-8 and set up the showdown with Eldorado.

"I think everything that happened [Thursday at Rancho] helped us. We knew we had to come back and battle and we did," Wise said. "I think we really came together as a team. More than we have all year."

Jones was of the same opinion. "[Thursday], I saw two things from this group of kids that I've never really seen," Jones said. "One, when we had them down, we stayed on them and kept them down. And two, they showed an intensity and desire we haven't seen."

Basic's Sunrise Division schedule has been up-and-down all season — literally.

Six of Basic's seven losses came

"I think everything that happened [Thursday at Rancho] helped us. We knew we had to come back and battle and we did. I think we really came together as a team. More than we have all year."

Eric Wise,
Basic pitcher

to the other three playoff qualifiers — Green Valley, Silverado and Chaparral — with the other loss coming earlier in the season to Eldorado.

The Wolves lost only two games in a row once during league play and also only posted one two-game winning streak.

However, the two-game winning-streak — to end the regular season — came when it was needed.

"I may not smile a lot so the kids may not think so, but I'm proud of this team," Jones said. "We set a goal of making the playoffs at the beginning of the season and these kids battled and did that."

"Now, it's time to set new goals."

GREEN VALLEY

The Gators closed out the sea-

son with two wins late last week to finish the regular season in first place of the Sunrise Division with a 13-1 conference record, 26-2 overall.

The Gators will open the zone tournament on Thursday with a game against Bonanza. See Thursday's News for a preview of this game and all of the zone action.

"We are going to have to hit the ball to score runs and win," Green Valley coach Rodger Fairless said. "Everyone is going to have to hit."

On Thursday, Green Valley defeated Eldorado 8-3 behind a solo home run from Matt Merrifield.

The Gators erupted for four runs in the first and three runs in the second.

Joe Orloski, who had a run-scoring single in the first, earned the win as he threw a complete game.

On Friday, Green Valley defeated Rancho 10-0 in five innings at Green Valley High School.

A five-run fourth inning elevated the Gators to the win.

In the fourth, Dan Krynzel drilled a grand slam and was followed by a Kyle Reed solo home run.

John Slack added a 2-for-3 performance.

Richard Chatwin went the distance for the win.

SILVERADO

The Skyhawks split in their final two games of the season to finish second in the Sunrise Division with a 11-3 record, 19-8 overall.

Silverado will play Durango on Thursday in the first round of the zone tournament.

Friday, Silverado defeated Valley 13-3 at Silverado High School in five innings.

Ryan Ruiz and James Wickman had three runs batted in to lead the offense.

After giving up a two-run home run in the first inning, Silverado senior Jesse Murray got into a flow to earn the win.

"He just settled down and got

out of trouble," Silverado coach Brian Whitaker said of Murray's performance. "He pitched out of a few jams. It's also nice when your team is scoring."

Thursday, the Skyhawks had their 11-game win streak snapped with a 5-3 loss to Las Vegas at Silverado High School.

"First of all, the other pitcher pitched a great game, he did a good job on us," Whitaker said. "We lost a little bit of our intensity in the beginning and hopefully we

are smart enough to learn from it."

Las Vegas jumped out to a 3-0 lead in the first inning, but Silverado cut the deficit to one when Joe Wickman nailed a two-run home run in the second.

Joe Wickman's home run scored his brother James.

Las Vegas would add runs in the fourth and sixth innings.

Silverado scored its third run on a Ruiz single that scored Vincent Valiente.

Lizards dominate Menudo 10K run

The Henderson-based Lizards dominated the younger divisions of the third annual Menudo 6.2 mile road race.

The Lizards finished first in five different youth divisions.

The 10-under Lizard boys, led by 9-year-old Kurtis Hoppie in a sizzling time of 42.55, swept the top five spots. Second through fifth included: Raphael Rodriguez, Marvin Chee, Nick Colwell and Juan Salcido.

The 11-14 Lizard boys were even more dominant, sweeping the top seven spots. Leading the way was Agustin Luna with a time of 38.54. He was followed by: Patric Swick, Eric Chee, Jason Speer, Joel Chee, Galen Smith and Jeris Chee.

The girls also made an impact. In the 11-14 division, Yolonda Chee led her teammates to a sweep of the top five spots. Chee's time was 43.51. She was followed by: Deann Bradshaw, Mina Hudspeth, Autumn Kaminski and Michelle Chee.

The Lizard girls also had first place finishers in the 10-under in Jodi Chee and the 15-19 age group in Shanna Gale.

The Lizards also had great success in the two-mile fun run with Jackie Corda, Erin Whitesitt and Catrina Chaykin taking the first three spots for female runners and Chris Hoppie finishing first for the boys.

For more information on the Lizards, call 456-7339.

VOLLEYBALL

From Page 11

The victory helped the Wolves keep pace with Green Valley and Silverado, which also posted victories.

Puana credited the play of Kevin Cecil and Brant Stewart with crisp passing and a solid defensive effort. Nathan Muaina also turned in a solid performance at the net.

GREEN VALLEY

The Gators traveled to Rancho and escaped with a 16-14, 16-14 victory.

The match was closer than expected and Green Valley coach Caroline Carpenter said the team has to stay focused.

"We have stressed to our kids the importance of playing each match one at a time," Carpenter said. "We have four more matches prior to the zone tournament and we need to focus our attention to

the matches on our schedule."

Wednesday, the Gators will meet the Skyhawks at Green Valley High School in a key match.

Green Valley's 10-2 record leaves them tied for the top spot in the Sunrise with Basic and Silverado.

SILVERADO

The Skyhawks won to keep pace with the Gator and Wolves, beating Eldorado 15-11, 15-8.

"We can still improve our court techniques and overall play," Silverado coach Pam Sloan said. "We can't be satisfied with our recent success. I am proud of our ability to improve the team play in recent weeks."

Andy Saggiomo had 13 kills and nine blocks for the Skyhawks while Victor McCraney had nine kills and 10 blocks. Sergio Palacios dished out 24 assists in the match.

Basic rallies past GV

Editor's note: Because of a faxing transmission problem, the Basic-Green Valley volleyball match was inadvertently omitted from last week's coverage.

By the News Staff

The Basic Wolves are on a roll, having won five straight matches.

Basic traveled to Green Valley in a recent match and rallied for an impressive a 14-16, 15-6, 16-14 victory.

"This was a big win for our club especially since we lost the first game and had to come back for the match victory," Basic coach Darrin Puana said. "Our kids are becoming more focused each week. Maintaining the discipline to stay within our game plan is essential for us to play our best team volleyball."

Prior to the match, the Wolves were a game behind Chaparral, Green Valley and Silverado in the standings and a loss to the Gators would have made it very difficult for the Wolves to have a shot at the Sunrise title.

With the victory, the Wolves moved into a share of the lead heading into the final few matches.

TRACK

From Page 11

The Gators also set meet records in the 4x200 (1:46.5) and the 4x400 (4:07.3). Alana LeBlanc, Amelia Dawson, Spoto and Alexya LeBlanc combined to win the 4x200 and LeBlanc, LeBlanc, Christina Colwell and Twohig combined to win the 4x400. The Gators also won the 4x800 (10:07.7).

Other girls results included: 200 — 2. Alexya LeBlanc, 26.8; 5. Dawson (no time available); 400 — 2. Twohig, 1:00.8; 800 — 3. Jenny Eskin, 2:31; 1600 — 3. Hanson, 5:27.3; 100 hurdles — 3. Jones, 17.5; 300 hurdles — 2. Sara Frei, 51.1; Long jump — 5. Spoto (no mark available); High jump — 4. Townley-Wren (no mark available); Pole vault — 2. Michelle Muscato, 8-0; Shotput — 4. Tiffany Rash, (mark unavailable); Discus — 5. Marie Edgar, (mark unavailable).

The Gators also finished fifth in the 4x100.

On the boys side, Jamar Glasper finished second in the 300 hurdles (42.0), Justin Carro finished second in the pole vault (12-6), Errol LeBlanc was third in the triple jump (44-5), Robbie Wiatt wound up third in the shotput (12-6) and Jon Eskin was fifth in both the 1600 and 3200 to lead the Gators to a sixth place finish. The Gators also finished fifth in the 4x800.

"I expected to be in the top five," Thompson said. "We have a very young team on the boys side. I think they responded very well."

The Gators next run at the zone championships at Cheyenne High School with the prelims starting a week from Wednesday and the finals on the following Saturday. The girls are defending zone champions.

"On the boys side we will have three or four individuals," Thompson said. "We are not looking past that realistically."

"The girls need to take care of business like they did Saturday."

"We did real well. We were just a little out-manned. We did very well in the field events. Green Valley was just too strong for us on the track. We didn't have an answer for them."

Bill Walker, Silverado track coach

They have to elevate again. We are going to do real well in some events."

The Gators have run all season without All-American distance runner Abby Miller.

"No team can afford to lose one of their kids," Thompson said.

SILVERADO

Lara Saye won the shot put (32-11 1/2) and set a meet record in the discus (121-5 1/2) to lead the Skyhawks to a second place finish. She also finished fourth in both the long jump and triple jump.

"She's just been terrific," coach Bill Walker. "She is undefeated in the discus. She seems to set one type of record or another every time she throws. She had 30 points by herself."

Other girls results included: 100 — 4. Nikki Wright (no time available); 400 — 5. Wright (no time available); 800 — 4. Lindsey Appulgiise (no time available); 1600 — 4. Ashley Pierce, (no time available); 3200 — 2. Pierce, 12:20.7; 110 hurdles — 2. Bron Walker, 17.4; Triple jump — 3.

— 3. Jordan Reed.

Other girls results: 200 free — 2. Jennifer Martin, 3. Sarah Larson; 200 IM — Tanya Gabriele, 3. Jennifer Petchsaiprasert; 50 free — 2. Meghan Matte, 3. Shannon Ward; diving — 2. Kate Oiness, 3. Jamie Chainin; 100 fly — 2. Jennifer Petchsaiprasert, 3. Megan Cederburg; 100 free — 2. Amy Northrup, 3. Meghan Matte; 500 free — 2. Jennifer Martin, 3. Abby Miller; 100 back — 2. Jamie Weston, 3. Amy Northrup; 100 breast — 2. Tanya Gabriele, 3. Shannon Ward.

Other swim results were not available when the News went to press.

Correction

Because of a typesetting error, Green Valley's Abby Miller was omitted as having won the 500 freestyle in a recent swim meet. Miller's time was 6:05.75. Also, Rachael Taber won the 100 free with a time of 1:05.80.

SWIMMING

From Page 11

The girls used their edge in depth to beat Durango 176-149 despite not winning a single swimming event.

Aubrie Cropper had the only win for the Gator girls, a 270-85 performance in the diving competition.

"They've got first place swimmers, but we are superior in depth," Green Valley coach Joe Sill said. "We swam great and got 2-5 in most events."

The meet marked the last in preparation for the division championships this weekend.

"I think this will set us up well for the post-season," Sill said. "This is what we've worked toward all year."

Other boys results: 200 free — 3. Jarrett Wade; 200 IM — 2. Tait Ecklund, 3. Chris Atfield; 50 free — 2. Joe Todd; 3. Brian Connors; diving — 2. Cody Treesc, 3. Ben Dacko; 100 free — 3. Brian Connors; 500 free — 2. Jordan Reed, 3. Jarrett Wade; 100 breast

Baseball team looking for players

The Nevada Boys of Summer baseball team is looking for more players. The team, ages 10, 11 and 12, is going to make a trip to Cooperstown, N.Y., on July 4-10 to play in a national tournament. Anyone interested in playing should call 454-2313. Players must have been born after Aug. 1, 1985.

Softball league signups under way

Registration for the 1998 Youth RBI Softball League is under way. There are four divisions for players and registration is open until May 8:
 • Girls fast pitch, 12-14 year olds.
 • Girls fast pitch, 15-18 year olds.
 • Boys fast pitch, 12-15 year olds.
 • Boys fast pitch, 16-18 year olds.
 Cost is \$25 and all games will be played at the Henderson Boys & Girls Club at 401 Drake Street. For more information, call 565-6568.

Pop Warner football signups set

Southern Nevada Youth Football has started signups for players. Signups will be held on May 16, June 6 and June 20 from 10 a.m.-5 p.m. at the league office located at 4064 Schiff Drive (Spring Mountain and Valley View). A birth certificate and proof of residence is needed to sign up

players or cheerleaders. Coaches and assistant coaches are also needed. For more information, call 873-4096.

Seybert is shining on the diamond

Denny Seybert, a 1996 graduate of Basic High School, is currently having a solid season at Saddleback College in Mission Viejo, Calif. Seybert is batting .374 in helping his team earn a 29-9 overall record and 15-7 mark in the Orange Empire Conference. Seybert, who has scored 50 runs this season, will have three-regular season games and at least two post-season games to reach Saddleback's records of runs scored in a season, which is 58. He has played in all 38 games this season, starting 36 of them. Seybert has 13 doubles, a team-high three triples and one home run.

Morgan honored in swimming

J.P. Morgan, who swims for the Boulder City-Henderson swim team, was recently honored at the National Swimming Top-16 Banquet in Buena Park, Calif. Each year, the top 16 swimmers in each event are honored. Morgan placed in the top-16 in six different events, making him overall No. 1 in Southern Nevada. Morgan, who currently competes in the 11-12 year old division, was honored for his efforts in the 9-10 year old division. He placed second in the 50 freestyle (26.25), second in the 100 freestyle (56.73), sixth in the 50 backstroke (30.42), sixth in the 100 backstroke (1:05.91), fifth in the 50 butterfly (29.19) and 12th in the 100 yard butterfly (1:05.86).

SOFTBALL

From Page 11

mediately made it to second on a passed ball and Buntjer followed with a single that pushed Eshelman to third. With one out, Kristen Toner laid a bunt down the first base line. Las Vegas tried to throw Toner out at first and Eshelman scored on the play to tie the game at two. Still with one out, Buntjer, who represented the winning run was on third. But, back-to-back fly outs ended the threat. Las Vegas scored the go ahead run in the eighth to take the lead for good. The Skyhawks went down in order in their half of the eighth.

their record to 16-11 overall, 8-4 in the Sunrise Division. This past Thursday, Jen Redding pitched a two-hitter in leading the Wolves to a 7-1 win over Rancho at Rancho High School. Redding added a 3-for-3 performance at the plate which included a three-run home run. Vanessa Marquez went 2-for-4. The Wolves scored three runs in the third and four runs in the sixth. Friday, Basic traveled to Clark and was defeated by the Chargers 6-5 in a non-conference meeting between the two schools. Clark scored the winning run in the bottom of the seventh inning. Candice Rizzi started for Basic and Redding was called into

duty after Clark roughed up Rizzi for three runs in the fourth inning. Redding ended up taking the loss. "We made a zillion errors for both pitchers," Basic coach Aly Cerrone said. "It was an ugly game all around." Marquez and Carly Lucas had run-scoring singles in the second inning. Redding also tripled and scored in the game. The Wolves, who have already clinched a playoff berth, have two more regular season games left. "It would be ideal to win the next two," Cerrone said. "We are capable of doing that, the team has to show up ready to play."

GREEN VALLEY
 In its last two games, the Green Valley softball team avenged two of its three conference defeats. This past Tuesday, they took care of Basic 2-0, making up for an earlier 1-0 loss. Then, on Thursday, Green Valley shut out Eldorado 4-0 at Green Valley High School to make up for an earlier loss to the Sundevils. Nicole Truax was solid, striking out seven batters in a complete game, four-hit game effort. The Gators manufactured four runs in the second inning and never looked back.

Scoreboard

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Henderson, Nevada, will hold a public hearing on May 14, 1998, at 7:00 p.m., in the City Council Chambers, City Hall, 240 Water Street, Henderson, Nevada, to consider the following application.

CPA-19-98—NORTH PITTMAN PLAN
APPLICANT: CITY OF HENDERSON

Request to amend the Land Use Policy Plan from Public and Semipublic, Low Density Residential, Commercial, and Business/Industry, to incorporate an Employment Center plan which eliminates the Low Density Residential use classification, retains the Public and Semipublic, Commercial, and Business/Industry uses, and adds Business/Industry (Light), on approximately 558 acres, generally bounded by Boulder Highway and Burns Road on the west, Pabco Road on the east, Sunset Road on the south, and the north property lines of the Henderson municipal treatment facility and Henderson Horsemen's Association parcel on the north, in the Pittman planning area.

ANY AND ALL interested persons may appear before the Planning Commission, either in person or by counsel, and may object to or express approval of this application, or may, prior to the public hearing, file with the Planning Department written objection thereto or approval thereof. For additional information, call 565-2474.
DATED: April 30, 1998

/s/ Daniel Sanders, Chairman
Henderson Planning Commission

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Henderson, Nevada, will hold a public hearing on May 14, 1998, at 7:00 p.m., in the City Council Chambers, City Hall, 240 Water Street, Henderson, Nevada, to consider the following application.

PUBLIC HEARINGS
a. CPA-15-98—COMPREHENSIVE PLAN AMENDMENT
b. Z-25-98—ZONE CHANGE
c. AR-85-98—ARCHITECTURAL REVIEW FOR HILL-SIDE PLAZA

APPLICANT: VEGAS INVESTMENT PROPERTIES

Request to amend the Land Use Policy Plan from Medium Density Residential and Low Density Residential to General Commercial; review of a reclassification request from RS-2 (Single Family Residential) district to CC (Community Commercial) district; and review of a commercial shopping center on 10.3 acres, generally located at the southwest corner of Paseo Verde Parkway and Gibson Road, in the McCullough Hills planning area.

ANY AND ALL interested persons may appear before the Planning Commission, either in person or by counsel, and may object to or express approval of this application, or may, prior to the public hearing, file with the Planning Department written objection thereto or approval thereof. For additional information, call 565-2474.
DATED: April 30, 1998

/s/ Daniel Sanders, Chairman
Henderson Planning Commission
H—May 5, 1998

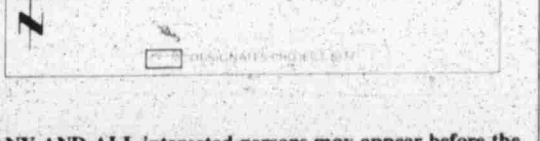

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Henderson, Nevada, will hold a public hearing on May 14, 1998, at 7:00 p.m., in the City Council Chambers, City Hall, 240 Water Street, Henderson, Nevada, to consider the following application.

PUBLIC HEARINGS
a. Z-21-98—ZONE CHANGE
b. U-70-98—USE PERMIT
c. AR-77-98—ARCHITECTURAL REVIEW FOR BJ'S GLASS AND MIRROR

APPLICANT: BJ'S GLASS AND MIRROR
OWNER: ROLLIE AND BARBARA BURROUGHS

Review of a reclassification request from CC (Community Commercial) district to CD (Downtown Commercial) district; request to allow temporary reduction of required parking and to allow existing residence to remain; and review of reconstruction and an addition to an existing building on 3 acre, located at 69 East Basic Road, in the Townsite planning area and Redevelopment area.

ANY AND ALL interested persons may appear before the Planning Commission, either in person or by counsel, and may object to or express approval of this application, or may, prior to the public hearing, file with the Planning Department written objection thereto or approval thereof. For additional information, call 565-2474.
DATED: April 30, 1998

PROFESSIONAL SERVICES

NOTICE TO READERS
By law, companies that contract to locally move your household goods must hold a certificate from the Nevada Public Service Commission. This requirement ensures that the company carries proper insurance, complies with government safety standards and charges only approved rates. Nevada law also requires these "full service" movers to print their PSC number on their trucks in their advertising. For more information, the PSC can be reached at 486-2600. Chapter 624 of Nevada Revised Statutes makes it unlawful for any person to engage in the business or act in the capacity of a contractor within this State without having a State Contractor's License. All advertising by a licensed contractor shall include the license number. Should a question arise regarding licensed contractors, contact the Nevada State Board of Contractors, 486-1100.

The Earned Income Tax Credit (EITC) could mean

\$\$\$ in your pocket if you qualify!

The EITC is based on your earned income and the number of children you have living with you. If you don't have a child, you may still qualify for a limited EITC.

To claim the EITC on your 1997 tax return, you need income of less than:

- \$29,290 - and two or more qualifying children,
- \$25,760 - and one qualifying child, or
- \$9,770 - and no qualifying children.

Remember: you, your spouse and your children must have Social Security numbers to get the EITC.

If you expect to qualify for the EITC in 1998, ask your employer about advance EITC payments. You could get part of the credit with your pay now, instead of waiting until after you file your 1998 tax return.

Ask the IRS or your tax professional about the EITC. You can call 1-800-829-3676 to get free IRS Publication 596, Earned Income Credit, or download IRS forms and publications from the Internet at www.irs.us/etcc.

Beware! False EITC claims could prohibit you from getting the credit for up to 10 years.

WE CAN GET RID OF UNWANTED COLOR LOSS SPOTS ON YOUR CARPET, FAST!

Our exclusive Prism™ carpet spot color repair system restores and matches the original dye color perfectly—makes your carpet look like new.

- The Prism™ System is the most advanced method of dye application on the market.
- Dye colors are permanent like your carpet's original color.
- No waiting. Walk on carpets immediately after color repair.

Call today for a free estimate.
