To: Chairperson
Library Board
Public Libraries
Clark County, Nevada

Dear Chairperson:

On behalf of the Board of Trustees of the Henderson District Public Library, let me invite you to attend a jointly sponsored library board meeting on April 22, 1982 at 7:00 PM at the Henderson District Public Library.

It is the desire of the Board of Trustees of HDPL to meet with the other library boards of Clark County. At this meeting board members will discuss the up-coming state-wide library construction bond issue. As the libraries of Clark County require construction funds to provide adequate and progressive levels of service to the citizens of our communities, it is necessary that the public libraries cooperate in the promotion of this bond issue at the local level. The Board of HDPL is giving over its regular meeting time to accomodate this purpose. We sincerely desire that you and your members attend this meeting and help us to devise a plan of action for local library support through building projects.

Please contact your members and request them to attend the meeting. Further information can be obtained by calling me at 565-8402. Confirmation of attendance should also be referred to this number.

Sincerely yours,

[signed: Tom]
