Archtec, Inc.

Dear Dennis:

Now, that the Interim Finance Committee has made their decision, we can get to the business at hand. Since the scope of the project has changed materially, it will be necessary to equitably adjust your contract. (See architects contract Article 14.7.1)

We will have a Special Board Meeting on April 9, 1986 at 6:00 p.m. to discuss this matter with you. Please let Janet know if you will be able to attend.

Sincerely,

Julia A. Wesson
Chairman of the Board
