RE: Reformation of Agreement

Dear Don:

This letter will confirm receipt of the revised Reformation of Agreement. You have authorized the revised first page of the Reformation of Agreement signed by Dennis Rusk on the 22nd of September, 1986, to be substituted for the first page and given to the Board of Trustees of the Henderson District Public Library.

It is my understanding that there is no agreement as to any interpretation of Section 3.2.2 of the Architectural Services Agreement set forth in the Reformation of Agreement. Please be on record that we take exception to your interpretation of Section 3.2.2. We acknowledge that it is part of the Agreement entered into earlier this year.

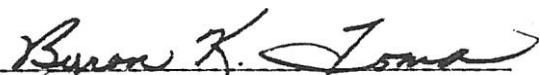

It is my understanding that you have authorization to act in this modification of Reformation of Agreement for your client.

If you should have any questions, please feel free to contact me.

Yours very truly,

ROBERT J. MILLER
