MEMO TO: Public and Academic Library Directors
FROM: *Joan G. Kerschner*
Joan G. Kerschner, State Librarian
SUBJECT: Annual Meeting

There are a number of pressing issues that should be discussed by the library directors as soon as possible. They include reviewing our options on development of a certification plan for the legislature, report on the status of negotiations with University of Arizona for the MLS program, report on continuing education planning, development of a legislative proposal for reimbursement for interlibrary loans and reciprocal borrowing, and review of proposals for changing service patterns in University of Nevada, Reno. We also must set the course for planning for a legislative initiative for state aid.

I have arranged for us to meet in Carson City on December 12 at the Carson City Nugget from 10:00 a.m. to 4:00 p.m. For lunch we will join the Public Administrators Group to hear Senator Richard Bryan speak. The cost for coffee, lunch, and afternoon sodas is \$12 per person. Please RSVP and send your check in advance if possible. Thanks.
