Dorothy Dorothy Says -- About Whitney

Did you know that Sgt. "Chuck" Miller was elevated to warrant officer? Did you know that that makes Martie a "lady" even if it did take an act of Congress to make her one? Did you know that Martie is Bert (Whitney Bar) Reed's baby daughter which makes MR. (Capital letters) Miller (as he is now known) the son-in-law? Lady Martie and Warrant Miller live on the Las Vegas Air Field grounds with their two children Tommy and Leanne (maybe it's the other way 'round). Of the fifty-thousand men from all branches of the service, only 5500 were accepted and Chuck was at the top of the list. That's what Whitney does for people.

F. F. Gunn, Ella Kennedy and grand-daughter Jerry Brimm-wald, Mr. and Mrs. Ben DeCorse rolled their sleeping bags and returned to their homes in Ogden after a vacation in Whitney with Blanch and Doc Jenkins. Just as I warned you—there were beds all over that house, even beds under the beds.

Dorothy Gunn and her assistant Kathie Lane have closed their store until school opens this fall. This store helped raise money for the girls' art classes and was operated in the Harry Gunn residence. Dorothy leaves next week for Fairview, Utah, where she will spend her vacation with her grandmother, Ricca Anderson, on the ranch, just like she did last summer and the summer before that.

Graduation in Whitney resulted in six taking vows on the wax rolled paper. Six graduating at once breaks another Whitney record. Twins Leo and Lando Der. 3-roy, Lena (Miss Whitney) Sanderson, Keith Stoddard, Anna Mae Fisher and Albert Cox were given their hard worked for certificates. Mr. Broughton of the Methodist Church in Las Vegas gave a talk to the graduating class and the audience congregated to witness the program. Whitney parents acclaim the ability of principle Mary DeLaney as

USC Professor Features High School Farewell of Seniors

The high school graduation was held last night at the school auditorium. The professional was played by the band under the direction of Kermit Gannenthaler. Rev. George Patterson gave the invocation. Salutatory address was given by Roberta Hamblin and Barbara Hendrickson gave the valedictory address. Paul

Fadshaft Mine, Lead-Zinc Leader, Is Described

One of the West's most promising lead-zinc properties, the Fad shaft of the Eureka Corporation, Ltd., at Eureka, Nevada, is described in a circular just issued by the U. S. Bureau of Mines. Senator Pat McCarran announced today.

Prepared by George W. Mitchell, general manager of the corporation, and A. C. Johnson, chief of the Reno Branch, Bureau of Mines, the report includes data on the cost of sinking the Fad shaft and cost sheets on the plant and equipment.

A free copy of the publication can be obtained by requesting Information Circular 7495, "Shaft-Sinking Methods and Costs and Cost of Plant and Equipment at the Fad Shaft, Eureka Corp. Ltd., Eureka, Nevada," from the Publications Distribution Section, U. S. Bureau of Mines, 4800 Forbes St., Pittsburgh, Pennsylvania.
