IT PAYS TO ADVERTISE IN THE BOULDER CITY NEWS WANT ADS

Dorothy Dorothy Says - - - About Whitney

Just call him great-granddad. It sounds impossible, it's hard to believe, but that good looking Whitney farmer with the premature gray hair known as Ira Carter is an honest to goodness great-granddad which makes Lucille a great-grandmamma. It's true and the Carters are bragging about it. Son Harold and wife, Marie, spent the Decoration day holiday with ma and pa; have a daughter, Marion Uglow, who has a brand new baby girl by the name of Dana Marie who sent word to her great-granddad from Sherman Oaks, California. Son Harold is president of the Los

Angeles City Council, Wilshire district.

Elizabeth (Skinny) Scott gave herself a birthday present of a trip by air to San Francisco. She took off through the clouds into the blue and won't be back until the spirit moves her to use up the other half of the round trip ticket. She isn't mad, just homesick.

Happy birthday to Kaye Ann Rowland who (stop me if I am wrong) has moved back to Whitney. Same greetings to Maurice

The Ysmanette club held the last meeting of the season in the Silver City Hotel on Thursday where all activities of the club were voted to be discontinued until fall. Hostess Bernice Riggs served refreshments to President Rae Rogers, Blanch Jenkins Georgia Sanderson, Myrtle Dorothy, Helen Bray and yours truly. Not a very big gathering but we got a lot of work done. (It's vacation time you know.) Our biggest job was to try and stretch a red figure to pay leaders and current bills. Try it sometime.

Spring came just before the thunderstorm. When tourists stop, spread out their lunches on the tables and sprawl on the benches in our middle-of-the-highway park, it's summer. So, it was summer and the first picnickers were having such fun cooling their smoking ankles when it started to thunder and rain. What a haven that park is for our tourists during the summer!

There is a terrific epidemic of vacationitis in town. I've got the fever, too, so I'm off to Las Vegas. See you later.
