

Dorothy Dorothy Says -- About Whitney

When two hams get together here for the fireworks. It was you will always find a couple of eggs DX-ing SV Greece for cooking ZE Salisbury or TA Turkey or something else on the front burner. (That's not Greek, it's ham.) It happened at the Silver City Hotel when May and Godfrey (W6AXQ) Burkhardt and their friends, Velma and Herbert MacDonald came to Whitney for the fire cracker holiday to visit Dale (W7CTK) Dorothy. Those two hams smacked their chops over the success of receiving new foreign countries as clear as if they were in the next room (the country, not the hams or chops). The Burkhardts and MacDonalds have been vacationing in Big Bear, California, and decided to give a dash of desert seasoning while exchanging static with Dale.

Little Cynthia Bray moved her soakers and safety pins from the Rose de Lima Hospital to her parents' home in Whitney. Little Cynthia looks like Bonnie who looks like papa Freddie. Mrs. Cook is visiting with daughter Dorothy and Freddie is getting acquainted with the brand new granddaughter.

Joe, Bernice, Dianna Jo and Deanna Kay drove over Los Angeles way for the holiday. Bernie took an extra day from work to give them a leisure prune picking trip. I'll bet there was the only car headed south over that weekend. At any rate, it looked as though most of California was

here for the fireworks. It was nice to see them, too.

Bob and May Harris are Californians who have been roaming all over Nevada, learning the history, seeing the sights, and making inquiries. They are now residents of Whitney, living in the Monterey Court, seriously looking for a location.

Mabel McDougal has now finished helping hubby Roy "Mac" renovate the Monterey Courts (her vacation) and has returned to renovate her own place in San Pedro. No! Roy is not going to go down and help her. But listen to this: Mabel told me confidentially (so don't breathe it to a soul) that she is planning on selling out down by the ocean and will then build a large dwelling on their property right here in the heart of Whitney.

Harry (Associated) Gunn has kept his service station open 24 hours a day since gas went up. Another price rise in gas and he would probably put in another pump.

See you next week. . . .

Over the Fourth the Lavers were members of a party that included Dr. and Mrs. Compton, Mr. and Mrs. William Compton, and daughter Marcia, and Mrs. Charles Collins, Mrs. Lucy Compton's brother. Leaving Sunday morning they toured both Bryce and Zion Canyons, and returned Monday evening.

Fourteen Henderson Girl Scouts Enjoy Week at Mt. Charleston

It was an early breakfast for 14 Girl Scouts in Henderson yesterday, when they left for Mount Charleston and one week's camp. After a check-up by the doctors Wednesday, the girls left on a 8.00 o'clock bus from Las Vegas, well supplied with citronella and sunburn cream.

amount of their camp fee, others have earned a large part of it.

VISITORS FROM ILLINOIS

Mr. and Mrs. C. E. Brown of 246 South Texas, were surprised by the Earl Hancock of Steelville, Ill., last week, when they arrived home to find their friends sitting on the front porch. On their way to Long Beach for a short vacation, with their children Elaine and Stephen, Mr. and Mrs. Hancock stopped overnight with the Browns.

Pat Boardwell, popular Basic winner of this year's scholarship offered by the Reno Beauty College writes that she's having a wonderful time and working very hard, too.
