

Parents of Cub Scouts Invited to Help in Plans

The parents of Cub Scouts and organization meeting to be held tonight in the High School auditorium at 7:30 p.m. A recent survey in the elementary school revealed that there are 150 boys who wish to become Cub Scouts, and the parents of the boys who handed in their names are being contacted personally in this regard.

Mr. Frank Mosher, Field Director, for the Boulder Dam Area Council of the Boy Scouts of America, will outline the Cubbing program and explain the procedure for organizing neighborhood dens; and it is hoped that all parents will turn out for the meeting so that much of the actual organization work can be done at that time.

Whether or not you have been contacted, if you have a boy in the 8 to 10 1/2 year age group, please attend this meeting and help us build a sound Cubbing program for the youngsters.

HENDERSON HEARSAY ---

A big vote of thanks to Fire Chief Paul Zink for his fine help refreshments the order of the evening.

Adele and Asa Todd, 214 Kansas, entertained the Dawson Mankins ... he's Todd's uncle ... from Los Angeles, last weekend. They drove up to break in their new Chevrolet ... and incidentally, to see the night spots.

The BPW is busy making little garments ... for their adopted babies, the older girls at the Clark county juvenile home. The group also voted to contribute \$35.00 to the Community Chest and \$5.00 to the Boy Scout drive. The next meeting will be October 12 ... plans to be announced later.

Looks like another lovely day for the field trip to Quo Vadis gold mine Sunday ... leaving the Pittman post office at 1:45 ... bring candles or flashlights for a short underground trip. Mr. Arthur Terrill promises a view of the tunnel and stopes ... he'll tell you what they are ... on the gold vein ... as well as a look at the amethyst quartz vein which outcrops nearby. Beautiful specimens of amethyst from as far away as Uruguay, South America, will be on display at the Mart.

Evening classes begin at the Mineral Mart on Monday ... no special background is necessary to register ... fine idea for a hobby for husband and wife ... Two hours, two night a week, is the projected schedule ... There'll be Beginner's Mineralogy; Mineral Testing, with emphasis on rapid site determination; Prospecting, including prospecting for Uranium; and Neutronics, probably misspelled, but a most important review of what we may expect in the future concerning the uses of atomic energy.

Wish we could say that we'd see you at the Lucky Bar tonight

By Betty Wilkins

it's grand opening night ... with free spaghetti all around. Homer and Edith Sprague have really worked hard this month refurbishing the place ... drop around and wish them well. As for your correspondent ... our youngest sister sent a gilt-edged summons to her wedding, scheduled for tomorrow morning in San Francisco ... details next week.

Mary Miller Wed To Sgt. Boyles

With her father, Mr. Michael Miller as best man, Miss Mary A. Miller was married to Sgt. Roy C. Boyles last Saturday by Justice of the Peace Charles Dohrenwend in Henderson. Miss Miller, a Boulderite, wore a lovely deep blue dress with matching hat and a corsage of orchids. Mrs. Dorothy Weathers, Boulder City, sister-in-law of the bride, was matron of honor. Mrs. Weather's dress and hat were powder blue, with gardenias as her flowers. Sgt. Boyles is stationed at the Las Vegas Air Force base and the young couple will make their home in Henderson.

Ham Session Set For Basic Tonight

The Southern Nevada Amateur Radio club will meet tonight at 8 o'clock at the Henderson high school. Curtis Eggers of Las Vegas, recently elected president, will have charge.
