good number will become public Henderson is optimistic.

## **Pastors Blast at McCarran As DP** Obstructionist

At a meeting held in the North Las Vegas Community Church on January 12th, the Clark coun-Ministerial Association headty ed by Rev. George Patterson of the Henderson Community the Church, took strong issue with Nevada's senior Senator on the growing there is plenty to resubject of his continued opposition to the admission into this country of displaced persons. The Association unanimously adopted the following rseolution:

"On humanitarian grounds, we deplore and condemn the obstructionist tactics of Nevada's U. S. Senator McCarran which has blocked legislative action designed to permit the admission of a larger number of displaced persons into this country."

When interviewed by a "new reporter, Reverend Patterson said that the members of the Association took up this matter solely on the basis of human rights and that their action had no political meaning.

## **Radio Amateurs Meet Tonight**

The Southern Nevada amateur radio club will hold its regular bi-monthly meeting in the basic school tonight at 8 p.m. Members from Las Vegas, Hend-erson and Boulder City will attend and take part in an auction of radio equipment, Mark Alton. of Silver street, Henderson, who recently received his amateur radio license, will be welcomed into the club as a ful member. The speaker of the evening has not been announced. At the last meeting, Dr. David E. Heming-ton, of Henderson, gave a very interesting talk on the subject of socialized medicine. All interested persons are invited ti attend.
