## FACTS SHOW HARVEY MACHINE IS GOOD ENUF FOR MONTANA; WILL SUPPLY \$100,000 WEEKLY PAYROLL; McCARRAN ERROR SET TOWN BACK

Remember the Harvey deal? The Company was ready to come here NOW, start building, start hiring men, making aluminum.

Then something happened . . . in Washington, Harvey was turned down.

I have before me two respected, veteran publications. One, the Great Falls (Montana) Tribune of Saturday morning, August 12th. The other, the Pathfinder, August 23rd issue. Both publications are past their 55th year in the business of reporting accurately the news of the nation.

In the Great Falls paper is headline story datelined from Helena, Montana, which reads "Aluminum Pot-Line Plant Assured in Kalispell Area." And the story beneath the headline, written by the world's foremost wire association, the Associated Press, includes these passages:

" . . . A California firm plans to begin work immediately on an aluminum plant near Hungry Horse dam. Sen. James E. Murray and Rep. Mike Mansfield said today."

The office holders wire the Associated Press, "Have just been informed by the munitions board and general services administration that Harvey Machine Co. has been allocated one aluminum pot-line (reduction equipment) from a Riverbank, Calif. plant. Understand company will start construction immediately in the Hungry Horse area in order to get into production at the earliest possible date."

"The company has options on 700 acres in the Hungry Horse dam area. For several months it has been comparing the area . . . with one in Nevada as possible sites for an aluminum reduction plant.

"Harvey, of Torrance, near Los Angeles, is one of the nation's large aluminum fabricators . . . Harvey has been assured power will be available if the plant is within 15 miles of Hungry Horse dam. The Bonneville power administration gives rate reductions to in-

dustrial plants within that radius of federal dams.

"Hungry Horse is slated to be producing power in 1953. Kalispell reports say the aluminum plant probably would have a 2,000 man payroll of \$100,000 a week."

And then the excerpt from the Pathfinder magazine:

" . . . Currently we are making about 700,000 tons of aluminum," Assistant Secretary of the Interior O. Girard Davidson told Pendleton, Oregon, listeners. "We should be making 1.2 million tons . . . aluminum plants can't expand production at present prices unless they get more low-cost power."

"Although the government's sale on Friday of equipment from two surplus plants put two new producers (Chicago's Apex Smelting and California's Harvey Machine), in the aluminum business, and would also boost output at (other plants) this would only boost national output to 840,000 tons."

And in this issue, sound words, solid facts from solid news sources, we in Henderson learn too late how our Senator Pat McCarran had too little on the ball when you and I asked him to go to work—see Harvey Machine for Nevada. The Colorado commission had approved the Harvey Company. The aged senator, playing politics, playing hide and seek with your lives and mine, became too busy, too removed from the issue, to force Washington to approve Harvey. Instead, he was busy selling the nation down the river with wrong thought on Korea, with tieups with Franco, with sending out publicity releases to editors of the McCarran school of propaganda. Most editors are throwing the traps in waste baskets. Most people have caught up with the maneuvering of this threat to Henderson, to Nevada, to the Nation.

He sold us down the river with the Harvey deal—I'd like to but I can't think otherwise after reading the above items.

## V.F.W. Carnival A Big Success

The second annual V. F. W. carnival closed Saturday night with a beauty contest and a dance and Charleston contest at the plant cafeteria building. Officials of the veteran's organization termed the carnival as a big success.

Billie Sue Gaither, daughter of Mr. and Mrs. Chester Gaither, was proclaimed winner of the beauty contest by judges Vern Willis, Bill Belknap, William Doak. Miss Gaither was awarded a diamond studded platinum watch, several merchandise orders, dinner at the Flamingo, and a free chicken dinner at the Swanky Club. Second place was awarded to Peggy Jeffrey and third place went to Shirley Nelson.

The Charleston contest was won by Mr. and Mrs. Sumner Boudrant, and two door prizes were awarded during the evening. The bicycle races, which were held in the morning, were won by Gene Baird, Don Weir, Bobby Riggins, and Wayne Edison.

The Charlestan contest was won

## Governor Sets Chamber of Commerce Straight on Available Power

In a talk to the Henderson Chamber of Commerce last Thursday, Governor Vail Pittman outlined the steps taken at the recent Colorado River Commission meeting, to obtain additional power for the present plant lessees.

Pittman stated that although 261,000,000 kwh of power were available, the present plant occupants would not be able to avail themselves of this power until June 1951, and then not all the power will be forthcoming.

The additional power may eventually be gotten from the southern Edison Co. or some of the power from Davis Dam may be made available to use here.

The power held there is controlled by the National Defense Board and inasmuch as some of the products produced here are of a defense nature, the leases may be entitled to some of that power.

In conjunction with this, Pittman stated that he does not believe that operations will be hampered by the recent ruling that contracts had to be approved by the National Munitions Board, inasmuch as the plants produce materials necessary to National defense.

In speaking of the financial status of the plant, Pittman praised the work done by the members of the Colorado River Commission, the engineers and managers of the plant. He pointed out that the plant was purchased for \$24,000,000, and of this amount, \$5,000,000 in cash and transfer of material has been repaid.

He stated where the plant has otherwise operated not a loss,

it has prospered under state control.

60,000,000; and Combined Metals, 37,600,000 KWH.

In speaking of the future, Pittman stated that it looked bright, and although 124,000,000 KWH more power will be needed, arrangements may be made whereby the power may be obtained. The additional power may eventually be gotten from the southern Edison Co. or some of the power from Davis Dam may be made available to use here. The power held there is controlled by the National Defense Board and inasmuch as some of the products produced here are of a defense nature, the leases may be entitled to some of that power.

In conjunction with this, Pittman stated that he does not believe that operations will be hampered by the recent ruling that contracts had to be approved by the National Munitions Board, inasmuch as the plants produce materials necessary to National defense.

## Henderson Girls' Nine Wins 14-2

There is no stopping those girls. The Henderson Girl's Softball team breezed through to another win when they defeated the Needles girls 14 to 2 in a game played Wednesday, August 16 at Needles. Home runs were hit by Donna Hansen, Pete Carlson, and Clara Williams. The girls reported that if you think it is hot here, you should go to Needles, then you wouldn't complain of the heat here. The girls making the Needles trip are: Donna Hansen, catcher, Elsa Lee, pitcher; Pat Gandrud, 1st base; Wilma Gandrud, 2nd base; Pete Carlson, 3rd base; Jody Galloway, short stop; Clara Williams, left field; Kay Goodall, center field; Leona White, right field, and Lois Walker, utility player.

## Mrs. Potvin Honored Guest

Mrs. Arthur Potvin was the honored guest at a stork shower at the home of Mrs. M. Dahlager, 20 Ocean Ave., last Friday evening. The affair was held on the Dahlager's lawn which was decorated with Japanese lanterns. Bunco was played during the evening and refreshments were served later. Although the Stork was also in attendance, he gave no forecast of what the future held. Mrs. Potvin received many beautiful and appropriate gifts. Co-hostesses for the affair were Mrs. B. Cowen and Mrs. M. Dahlager. Those in attendance were: Mrs. Arthur Potvin, Mrs. Leo Bryant, Mrs. Dorothy Armstrong, Mrs. Arthur Terrell, Mrs. L. Choate, Mrs. R. Millier, Mrs. R. Pirisenti, Mrs. John Kramer, Mrs. Richard McClanahan, Mrs. Harold Miller, Mrs. B. Cowen and Mrs. M. Dahlager.

## Burton's Birds Thrill Youngsters

Kiddies at Nellis Air Force Base Las Vegas, Nevada, got the thrill of a lifetime when "Burton and his Birds" performed at the local air base theater Saturday, August 11th. Approximately 200 children of Nellis AFB personnel thrilled to the marvelous antics of Burton's birds, "Bill and Coo," the bird-stars of the motion picture of the same, amazed the youngsters throughout the performance.

"Bill and Coo" showed intense interest in the kiddies, too!

## NANCY WEBER ON VACATION

Nancy Weber left last week-end for a three week vacation in Colorado, where she will visit with relatives. Her aunt and uncle, Mr. and Mrs. S. Weber, of San Diego, were taking the trip and Nancy accompanied them. They will visit with Nancy's maternal grandparents, Mr. and Mrs. H. Ulrich, of Greeley, Colorado; her paternal grandparents, Mr. and Mrs. John Weber of Winsor, Colorado; and her aunt and uncle, Mr. and Mrs. Buster Jackson also of Greeley.

## Peaches and Milo Sager Have Party

Pearlie and Milo Sager, age 5 and 2, respectively, were honored at a birthday party given for them at the home of their parents, Mr. and Mrs. Lloyd E. Sager, 34 Magnolia, Glendale, who were being awarded to the winners, were featured during the afternoon, with balloons, favors, and the traditional birthday cake to help make the afternoon more enjoyable for the youngsters.

Guests at the party were: Eddie Sanders, Sylvia Hastings, Scarlet Kemp, Gary Swanson, Joye Saunders, Joyce Swanson, and Dorothy Muldoon. Assisting Mrs. Sager were Mrs. Mel Hastings, Mrs. Leon Swanson, Mrs. Ken Saunders and Mrs. Jack Muldoon.

## Boyce-Robinson Married in L. V.

Mrs. Dorothy Pevey was married to Charles K. Robinson of Topeka, Kansas, at the Little Church of the West, Wednesday, August 16, in a ceremony attended only by members of the family.

Mr. Robinson has been an employee of the Bell Telephone company for many years, but has resigned his position to make his home in Nevada. He attended the Kansas State University and was in the signal corps during the war.

Mrs. Robinson, who has been teaching at the Basic High School for the past two years, plans to continue teaching here this year. She is a graduate of the University of Kansas City.

## Baby Girl Born To Ed Walshs

Mr. and Mrs. Ed. Walsh, 253 Basic Road, are the proud parents of a baby girl born at the Las Vegas hospital, Wednesday, August 16.

### DIRECTORS TO MEET

The Henderson Community Chest Board of Directors will meet Tuesday evening at 7:30 in the Language room of the high school. All board members are urged to be present.

## Prizes Awarded to Children Participating in Reading Program

Mrs. David Malcolm, librarian, announced that 138 children attended the party given at the library lawn last Friday. The party was given for the youngsters who had participated in the summer reading program, and considering that 157 children had enrolled for the summer, the party was well attended. Refreshments were served and the prizes for the winners of the reading contest were awarded.

Frank Schreck was awarded the first prize for the first grade, Foster Church, second grade; Pauline Stephens, third grade; Gloria Martinez, fourth grade; Ione Fitzgerald, and Carol Meats were tied for the fifth grade

## L.D.S. Mutual Assoc. to Hold Western Dance

The LDS Mutual Improvement Association is planning an apron, overall or western attire dance at the high school auditorium August 29. This will be the official opening of the fall season of the organization and a large crowd is expected to attend.

A special program of musical numbers, and skits is being planned for the event under the direction of Mrs. John Pulsipher.

## Chas. Goodrich Passes Away

Charles W. Goodrich, 53, a resident of Nevada for 44 years and one of the oldest employees at BMI in the point of years of service, passed away last Friday morning in the Las Vegas hospital, following an operation which was performed on Thursday. Goodrich, who had been confined to the hospital for a week, failed to improve and an operation was performed in an attempt to restore his health. Masonic funeral services were held for Goodrich last Tuesday from the Bunker Brothers' chapel and interment was at the Woodland Cemetery.

Goodrich was born in Afton, Colorado, January 23, 1897. He came to Nevada when he was a young man and engaged in mining at Goldfield and later entering the merchandising business. He enlisted in the army during World War I and saw service in France. He moved to Henderson in 1942 when he has been employed at the plant since his arrival.

Goodrich is survived by his widow, Mrs. Nellie Goodrich of Henderson; a son Kenneth of Portland, Oregon; two sisters, Mrs. Joseph Michael of Portland and Mrs. Charles Smith of Grants Pass, Oregon.

## Wiley Would Get Plant in Operation, He Explains in Radio Talk

Roland H. Wiley, lawyer-rancher, and Democratic candidate for governor, this week in a radio talk called upon the Public Service Commission to be "more active," as well as the Colorado River Commission.

Wiley, former district attorney of Clark County, said "as governor," he would "request the Commissions to conduct immediate hearings and make necessary orders to provide adequate service and work to meet the needs of the people, whenever and wherever these facilities are lacking."

He emphasized that he would

## Community Pool Up for Discussion

Earl Keenan, president of the Henderson Coordinating Council announced that the national park service official have notified the council that if plans go as anticipated, Vegas Wash will be able to have the same facilities which people enjoy at Boulder Beach. The park officials stated that they hope to include in their appropriations, requests for sewage and lights at Vegas Wash. It was estimated that approximate cost of the proposed plans would be somewhere in the neighborhood of \$50,000. The proposed improvements are the result, in part, of several requests from the council to have Vegas Wash equipped with lights, as it is considered by many to be a better beach than Boulder Beach and is used by as many, if not more, people. It has also been pointed out that the lack of lights presents a definite hazard for teenagers and other young people using the beach.

Other matters discussed at the meeting were the possibility of having to take the suggestion back to various organizations for consideration; Plans and suggestions, for the establishment of a community center where the various organizations could meet and various club activities be carried on, were also asked for by the council.

## Hallums Have Visitors

Mr. and Mrs. Wm. E. Hullum, and their niece Darlene, of Van Nuys, California, have been visiting with their son and daughter-in-law, Mr. and Mrs. Jimmy Hullum, 25-A Victory Village. Jimmy's folks have been in Wichita Falls, Texas, where they attended a family reunion. From there, they journeyed through Colorado up to Yellowstone National Park. From Yellowstone, they came on through Utah, seeing Bryce and Zion National Parks on the way, then arrived here last Saturday. They will leave here late today, in order to enable the elder Hullum to get back to his work at Universal Studios, where he has been employed for the past 15 years.

## G.O.P. Women Meet Friday

The Henderson Republican Women's Club will meet this evening at the home of Mrs. John Winlow, 111 Silver Street. Guest speaker for the evening will be Charles Russell, Republican candidate for governor. All Republicans are cordially invited to attend, and Republican candidates for office are especially urged to attend.

## Townsite Urges Pest Control

Preston Austin, townsite manager, announced that the townsite Victory Village and Carver Park were sprayed with insecticide early Friday morning. The spray, which is manufactured by Stauffer, has been very effective in controlling insects in the area. The cooperation of the townspeople is again being asked, in helping to control pests of all types. Residents are asked to wrap all garbage before disposing of it, and to keep a cover on the garbage cans.

## Fourth Graders Have New "Marm"

Ben Church, Superintendent of Schools, announced that Miss Rachael Bailey has accepted the position of fourth grade teacher, thereby filling the vacancy which existed there. Miss Bailey, who is a native of Palisade, Nevada, is a graduate of the University normal school and has been teaching in Elko, prior to coming here.

## School Building Broken Into

The Carver Park School and rest rooms were broken into last Monday evening, with several items being taken and damage being done to a pane of glass. It is believed that entrance to the building was attained by working the lock in the door with a knife. Evidence of attempts to gain access through windows by loosening the putty, was found. The articles missing were listed as two glass cutters, a hammer and a pair of pliers. School officials stated that they have been very fortunate this summer inasmuch as this is about the only evidence of vandalism around all the school buildings during the entire vacation period.

## L. V. Police Chief Lions Speaker

Las Vegas Chief of Police Roy Maxwell is slated to be the guest speaker at the Lions Club meeting this coming Monday night. Maxwell, who has many varied experiences, should prove to be a most entertaining speaker. Maxwell was born on a cow ranch in Arizona, where he spent most of his boyhood. Later he moved to Flagstaff where he went into government service, soon to become Deputy Supervisor of Forestry Service in that area. From Flagstaff, Maxwell went to Montebello, California, where he joined the police force, remaining with the force for 25 years, 22 of which he spent as chief of police. With a background of that type, it should prove to be a most interesting evening for the Lions.

### CHURCH'S VISITORS

Mr. and Mrs. Anthony Church and their two children, Norman and Barbara, of Omaha, Nebraska, have been house guests at the Ben Church residence, 222 South Texas. The visitors arrived Wednesday, August 16, and left last Tuesday. Anthony, who is Ben's brother, is Broadcast engineer for radio station KFAB in Omaha. Their reaction for Henderson was "It's Hot."

## Basic Plant High on Bombing List Fire Chief Discusses Civilian Defense

In a meeting at the high school, where it was pointed out that Boulder Dam and the Basic Magnesium plant were high on the bombing list, Fire Chief Paul Zink, reported on the aims and

purposes of the civilian defense program and the work done so far by the county set up. Zink stressed that inasmuch as we were on the bombing list, all necessary precautions should be taken.

The county wide plan, of which Henderson is a part, includes the setting up of committees to handle air raid warnings, traffic and direction, American Red Cross disaster committees, communications such as radio, newspapers and telephones; food and supplies, subversive control, fire prevention, medical care, and health and sanitation.

One of the greatest problems that this area will have to face in case of an attack will be the handling of refugees from California and other West Coast regions. Zink stated that many people fleeing the coast, will be leaving without sufficient gasoline, food or water and the highways into this area will be literally choked with stranded persons. It would be up to the people of this area to assist those people on their way east by supplying rations and gasoline. Also, it would be necessary to locate camping places where an available water supply exists. First aid stations would have to be established away from dangerous areas so that they would not be destroyed in case of an

air raid. Zink explained, that in case of an atomic attack, the first aid stations should be at 17,000 yards away from the danger area. Walking blood banks should be set up, as blood transfusions are one of the best ways of combating radiation.

Zink appointed a committee to work on the civilian defense with the selection a chairman left up to the group. Those serving on the committee are: Larry Trumbull, Father Albert Stephens, Ed Joyce, Mrs. Velta Shay, Judge Charles Dohrenwend, William Compton, Robert Campbell, Charles Goodrich, Mrs. O. R. Lindesmith, C. H. Elstner, W. O. Haines and Jimmie Hullum. The air raid committee will be appointed the next meeting, the date of which will be announced in the near future.

In a letter to Ed Joyce, Congressman S. Baring explained his reasons for blocking passage of the bill which would control the interstate shipment of gambling devices. The bill, which was known as Senate bill No. 3357, provided that slot machines or other similar devices may not be shipped from state to state.

In his letter to Joyce, Baring stated that the bill did affect Nevada, inasmuch as it made no provisions for owners of slot machines in Nevada, to allow the shipment of defective machines back to the original manufacturer for repair or replacement.

ment.

Baring stated, "I went before the House Committee on Interstate and Foreign Commerce, on May 4, at which time I introduced an amendment which I asked to be submitted to the Senate in order that it may be attached to Senate Bill No. 3357." The amendment read: "Providing, that the provisions of this Act shall not apply to the transportation involving the return to the original consignor of a gambling device by the original consignee who resides in a State or subdivision thereof, where such devices are licensed." To date, no further action has been taken on the amendment offered by Baring.

## A Million Dollars Can Be Saved

ED BENDER, Republican Candidate for the nomination for Governor, says his goal will be the saving of at least one million dollars to Nevadans during his term if elected. "If the Governor of Utah can do it, so can I. Regardless of political consequences, I will make every effort to save the people's money without neglect to necessary state functions. I will also do my level best to provide good, clean, honest, efficient government — a government of integrity," says Mr. Bender. A vote for ED BENDER is a vote for your pocketbook as well as for good government. Ed Bender can win in November.

## Here's Answers to Foot Troubles

Daniel J. Hurley, M. D.  
State Health Officer

You don't have to be in the infantry to appreciate the value of healthy feet. If we walked only two miles a day our lifetime mileage afoot would be twice the length of the equator.

Chinese women deformed their feet for centuries, binding them

to keep them fashionably small. Our own styles were not much more sensible until recently, but today we are showing some common sense in footwear.

Ventilated shoes in warm weather are highly recommended. True, they let in dust along with air, but they keep the feet from sweating profusely and they help to prevent fungus infections which have become so widespread.

In open or closed shoes a person can keep his feet in healthy condition. Due attention to washing the feet and changing to

FRESH SOCKS FREQUENTLY—that's the routine. Any sign of arch trouble should get prompt attention, for flat feet aren't very serviceable, no matter how carefully they are washed.

Broad-toed shoes may not look as fancy as pointed ones, but they will serve you a lot better. Socks have to be large enough, too, for they can cramp your toes in the same way that tight shoes can.

"New Leadership  
To Get Things Done"

## The Wiley Story

The issues in my program were those most frequently pointed out by hundreds of people—in all walks of life—and in all parts of the state.

These points are closest to the hearts of the people; therefore, this is properly called a "People's Program," for which I will work hard to accomplish.

I believe that this program represents a constructive alternative to a "Do Nothing" policy, and only can be accomplished by electing a governor with vision and leadership.

### ROLAND H. WILEY

Democratic Candidate for Governor

## WILEY for GOVERNOR

\* 46 Years Old \* 22 Years a Nevada Lawyer  
★ An Outstanding District Attorney  
★ Cattle Ranch Developer and Owner

Water...Industry...Jobs

## THE PEOPLE'S PROGRAM FOR NEVADA'S FUTURE

★ Aggressive effort to help the miners and mining industry of this state.

★ Provide intelligent administration of all state institutions.

★ Provide economy in all government operations.

★ Work actively for full cooperation between the Governor and members of the State Legislature.

★ Resist any attempt by Communists to undermine our government or our educational institutions.

★ A labor-management policy, one in which employee and employer as well as the public benefit.

★ Bring the governor's office closer to the people and keep it open to satisfy the needs of all the people.

★ Remain a free and independent man, and put an end to the influence and control of selfish political cliques.
