'TURN OF CENTURY' THEME OF PRODUCTION

Plans Mapped to Join National Thespian Club

A group of the more aramaticminded students of Basic assembled in Room 12, March 3, 1950, to organize a dramatic club. The following officers were elected: President, Gary Ramburg: Vice-president, Dora Ann Godwin: Sec-retary and Treasurer, Dorene Rauch. The club will be called the Desert Masquers and is open to all students who have taken part in plays or have handled any major backstage job.

Plans are being formulated to

join the National Thespians, CONGRATULATIONS TO THE <u>AQUILA</u> STAFF Basic High extends congratulations to the 1949 Acuila staff of Boulder High on being awarded first prize in the state, printed annual contest.

The "Turn of the Century" comes to life again with the Fourth of July being pushed forward to March 31, when the seniors present Now and Forever. Fire-crackers, flags, lemonade, period costuming, Irish dialect ---- all these combine to set the mood for the play which is in the heaviest schedule of rehearsals at present. Come and celebrate the "Fourth", March 31.

school Board Election Held!!

As a result of the school board elections ehld on Saturday. March 4, Edward M. Joyce was elected to fill the short term. and Preston Austin was reelected to the long term.

Mr. Joyce succeeds Francis Heher in the short term spot.

B.C.H.S. ENTERTAINS WITH EXCHANGE ASSEMBLY

Boulder City High School presented their annual exchange assembly in the Basic auditorium on the afternoon of February 23.

Peter Wartman, M.C., introduced the following acts: We Prefer This to Music, a humorous reading, and several military tap dances. Some outstanding novelty acts were: The Mills Brothers, a comic ballet routine and Western folk songs. In conclusion was an imitation of Al Jolson .

Basic had already given the "Howdy Podner Revue" that morning in Boulder City.

Home Ec., Wood, Machine Shop PREPARE STUDENTS FOR Post-School Life

Yoach McDoniel teaches wood shon. The course emphasizes the fundamentals of carpentry. The students work on various projects. This year the class has construced an extension on the Physics-Chemistry lab, along with other projects. The rest of the year will be seen on building garages. The garages are built at the shoo and transported to the homes of geople ordering them.

Some of the various tools used in the shop are lathes, saws, sanders, planes, and joiners.

The new shop building offers exceptionally good facilities, for instruction.

Coach Pabst teaches machine sho.. ⁴his is a very interesting class that instructs in the basic operations of a machine shop.

The students taking this course work on various projects, such as cutting treads, and making gears. The different machines used are lathes, millers, grinders, and a variety of hand tools.

Machine shop is taught three periods a day, with two credits given.

Mrs. Gorman teaches home economics. There are three classes in home economics: (cont. p.8)

JUNIORS ENTERTAIN ON "GREEN DAY"

In the form of a St. Patrick's Day Dance, the juniors held their annual assembly in the school gym artistically decorated in green and white with shamrocks upon the walls to add to the traditional atmosphere of St. Fatrick.

Mr. Gammenthaler's "Swing Willies" provided the music for dancing.

A very confusing, as well as amusing, performance wasillustrated by Clifford "Red" Hunter and Tom Barilleaux with Hunter on the vocals and Barilleaux on the, shall we say, actions. Marc Wheelock and his quartet harmonized on the popular "Rag Mop." Herman "Shoe Shine" Fayton also added his strictly original arrangement of "The Chattanooga Shoe Shine Roy."

'51 CLASS RINGS ARRIVE

No, all the junior girls haven't become engaged, and all of the boys aren't over friendly; those hand shakes are just to show off their new class rings.

The rings are a Herff Jones creation of pink gold, with the "B" emblem placed upon a diamondshaped mounting. The students" initials along with the year of graduation appear on the band.

SCHOOL COLUMNISTS IN LOCAL PAPER Two members of the senior

Two members of the senior class have developed into fullblown newspaper columnists.

Joan Miller and Chuck Galloway seem to have an inside track on current events in and around Basic, since they began to write for the Henderson nome News.

Joan includes nearly every Basic event of any importance-and some of little or no immortance--in her column. Of course, she occasionally shoulders her little soade and digs us a bit of delicious dirt, but this is added more for spice than meat.

Chuck devotes his entire column to sports and often runs some nice personality sketches of the boys on the various teams.

High Finance

The manager heard that a \$30 a week clerk had a car and asked him how he could afford it, with four children. "Oh, that's easy," said the clerk. "There are 500 of us employed at this factory. I raffle off my wages every week at four bits a chance."

WE EAT!

The family relations class is limited to a small group of seniors who are interested in the problems of social and family life.

This group of seniors seem to be exceptionally hard on their instructors. So far they have been tutored by Mrs. Gorman, Mrs. Maxey, Mrs. Fatterson and now Mrs. Lindesmith. Without a doubt. this must be a most interesting class.

Such interesting highlights as budgeting, sex life, child care, and food preparation are reviewed.

Chefs Allen Cureton and John Elliot take to the kitchen. These two boys have learned well the fundamentals of cooking, and are known to cook up a delicious mess of spaghetti and meat-balls.

At the close of the meals, the dishwashers do their stuff. This crew is under the able direction of Chuck Galloway, who admits he has dishpan hands. James Anderson is official table waiter, and also recites Emily Fost etiquette to the group at mealtime. Darwin Lamb is chief floor mopper and counter of the silverware after each meal. "ther members of this class include Mary Swift, Lucy Garcia, Sally Rufe, Norma Weber, Evelyn Hansen, Wilma Gillette, Varol Elliott, and Dorene Rauch.

This subject is recommended by the writer. Many valuable points are discussed, which will enrich the life of those who take the course. -A.Cureton

LEAVING YOUR MARK

Vandalism means the wanton destruction of property; in other words, destruction for the pure joy of tearing down or defacing any object that may chance to be in your path.

Do you enjoy seeing ugly marks and pictures on the desks and walls of your school rooms? Have you aided and abetted the appearance of these marks? Do you while away the tedious moments by marking on your desk or better yet, whittling on the window frames? Does it give you a feeling of satisfaction to know that you have left your 'mark' at Basic High School? The appearance of your school is a reflection on

you. It is what you make it. Do you want to be judge by the slovenly conditions that you have brought about? If you must whittle, get a stick and cut your 'notches' there.

Let's be more concerned with the scholastics 'mark' that we leave behind us, and less with the momentary thrill of writing on a desk, or whittling on the windows. _Mrs. Carpenter

Exchanges

Get this, kids! In Needles the senior class has been sponsoring noon dances to raise money for the class treasury. Something like that would be fun, don't you think? To say nothing of how the money would help out the various treasuries in Basic. Give it a thought.

In Kingman, according to the Bulldog, many heated discussions have come to the surface concerning the subject of whether girls should wear jeans to school or not. One suggestion was to remove the jeans as soon as they were discovered and then auction them off; the proceeds going to a needy cause. But this and other suggestions, such as changing "Ievi Day" to "Nudist Day", were declared taboo. To quote the paper directly:

"While the girls are demanding their rights, we find all the boys demanding their right to demand their rights, who's right? The right to have rights or the right to curb rights? Anyway?"

The Lobo News staff would like to send along a round of applause to the Little Echo staff in Blythe. Their paper will be printed, instead of mimeographed, from now on. *****

Mrs. Gorman Gets Wilder

The chemistry class has never made an atomic bomb; the physics class has never sent a rocket to the moon the shop classes haven't built a new gymnasium yet, but the home economics and femily relations classes do have a 100% completion of the purpose of their classes -- as far as the teachers are concerned. Miss Teter, former teacher of home ec., got hitched, and now Mrs. Gorman is in double harness. mis name is Martin Charles Wilder from Fallon, Nevada. They were married March 2 1950, in the Community Church. The student body of Basic High congratulates the couple and wishes them happiness.

Students to Enter Contest

The students of the Henderson Elementary School are to participate in the Poppy Poster Contest sponsored by the American Legion. There are three classes; the fourth, fifth, and sixth grades are in first class; seventh, eighth, and ninth grades, second class; and the tenth, eleventh, and twelfth are in the third dass. The highest award is \$100. Many of the students are drawing their designs hoping to win the wonderful prize. There are also prizes in each class for the best one of that class. There is \$7.50 for first prize, and \$2.50 second prize. The contest ends April 1. May the best entries win!

Hear! Hear! Astral Athis starts looking at things in a different light!

After studying stars for a hectic week, Mr. Athis, 7-1's Science and Health teacher, has turned to eyes and ears. We, here in 7-1, have had to draw an eye, complete with all of those layers of jelly-like goo called vitreous h u m or that we see through. Then the dear old retina, and the pupil. (Haven't we enough here at H.E.S.?) Now, March 2, he is giving a slide show on eyes. I gotta' stop now, for it's time to "eye" the show.

Albert Lister has been absent for seven days. He has been suffering from rheumatic fever, and we all hope that he will be well soon, and that the teachers will not betoo generous with the makeup work.

FIFTH GRADE PRESENTS OPERETTA

The fifth graders are busy working on an operetta. The name of the operetta is "The Magic Bean Stalk". It will be presented April 14, in the high school gym.

The cast is as follows: Jack, Paul Stout; Captain Kiad, Deane Ware; Jack's mother, Gail Manior; Juliana the Cow, Bernard Cannon and Leo Garcia; Annuncer, Ronald Anderson; Gipsy Ann, Janet McCormick; Foolemesi th e Magician, Clyde Ellict; Blunderbuss th e Ogre, Richard Burt; and a chorus of Villagers, Pirates, Entertainers, and Magic Beans.

We are sure to enjoy this operetta, and we wish them much luck and success.

Julia Hedgecock, a student of the Elementary School is moving. All of the students in her class are sorry to see her go. We all hope she will return and visit us soon.

As far as we know, she is going Saturday, March 1, 1950. She is moving to Little Rock, Arkansas, hoping she will have fun while she is there.

Billy Fatton, Jerry Ferkins, and Sammy Zuber are the absentees from 8-2. Jerry came back March 2, 1-50, after having a bad cold. Sarmy fell and broke his leg. No one knows what is the matter with Billy Fatton; he has not yet returned.

7-2's reporter, Betty Lou Ware was absent March 2, but is fully recovered now. Glad you're back, Betty Iou.

SPORTS

Last Friday, if you heard a lot of noise at about 1:30 p.m., I hope you thought nothing of it, because it was only seventeen of the eighth grade girls going to Kingman for the tournament. Coach Moran and Mrs. Harry Domina were the chaperones. They went in the sheriff's posse truck. The girls left at 1:45 p.m. and returned at 10:00 p.m. From what I've heard they all had a good time. (I wonder why---humanmammara?)

Henderson Elementary School basketball team was invited to Pioche for a tournament. The first game was against Pioche, and Pioche won by a score of 21 to 18. H.P.M. was Franklin Heatley with 5 points; Fordwell had 4 points; Crunk, 3 points; Weese, England and Vanhorne, all had two. Total: 18 points.

Pioche's H.P.M. was Bleak, with 6 points; Wimsatt had 5 points; Delew and Stever had h points each, and Gillens 2. Total score: 21 points. It was a close game and Pioche won, but Henderson played a good game.

JUNIOH HIGH TAKES CONSOLATION CUP

Henderson went for the consolation prize by defeating Galiante 3h to 32. For Henderson, Bordwell was H. F. M. with 10 points, Weese with 9, Heatly with 8, England with 1, Crunk with 2, and Shearin with 1 point. Total: 3h.

Coliante gave us a good hard game with Love as H.F.M. Love had 9 points, Baily had 8, Race had 7, Rice had 1, Forcyth and Rotabal had 2 points each. Total: 32 points. Mr. Robert "Coach" Taylor and Mr. McCaw were happy when their boys won. It was close and a hard and fast game. The boys were tired, but they were all happy.

Holding the title of Tri-State champions of 1919 in baseball, the boys start their 1950 season with much enthusiasm. Coach McDoniel reports that Basic will regain most of their former players. The games scheduled for the years season so far are:

Majorettes

The three pretty little girls who have been entertaining the basketball fans between the halves with their high stepping rhythmic routine are: senior, Yvonne Clepper: junior, Faye Mann; and freshman, helen Riggins. The girls were picked to be majorettes by Mr. Gammenthaler. For Fasic's home game, which was played in Vegas, the majorettes teamed up with the cheerleaders to put on a well organized performance.

Southern Zone Tournament

Coach Babst and the boys entered the zone tournament only to bump up against the hard scrapping Vegas Wildcats for their first fray.

Russ Walter who literally stepped out into a one man shooting spree, hit 25 of the 67 points which Vegas grabbed with ease. Basic managed to obtain 18 points.

Recovering from the previous loss to the Vegas Wildcats, the Basic cagers copped their third victory of the season from the Overton Pirates. This game was the Pirates' second loss, eliminating them from the tournament.

The following night the Wolves tangled with the Lincoln Lynx. It was a closely played game with the score ending Lincoln County 36, Basic 32. The weary Wolves were then eliminated from the tournament.

Cats Take Second Game

The second Basic-Vegas game was played in practically the same manner as the first one with Basic showing some possibility of offering stiff competition against the powerful Wildcats. As the boys came out for the second half they appeared to be a completely different team. The score was 19 to 16 in favor of Vegas. By the time Basic had sunk three additional points, Vegas had chalked up 24. The game ended with Vegas holding 50 points to Basic's 22.

What happens to the mighty Wolves in the second half of all their games remains a mystery.
