

# WOLVES BATTLE HURRICANE TOMORROW

## MR. BURKHOLDER HAS BEEN HERE SINCE 1943

Lyal Burkholder, recently appointed superintendent of schools at Henderson, Nevada, is not a newcomer to the community. With the exception of time spent as a counselor for the Red Cross, Mr. Burkholder has been principal of Basic High School since 1943.

He began his educational career at Bluffton College, Bluffton, Ohio, receiving his Bachelor of Arts degree from this school in 1926. In 1933, he completed the work for his Master of Arts degree at the Ohio State University.

His first position after graduation from college was that of principal and coach at Oakwood, Ohio. This was followed by the superintendency of schools at Gilboa, Ohio. In 1933 he became superintendent of schools at Delta, Ohio, occupying this position until he came to Henderson in 1943.

Mr. Burkholder gave up his position as principal of Basic High School in the latter part of 1943 to join the Red Cross as a counselor. He was stationed at Umnak, Alaska, working with the U. S. Armed Forces who were stationed there.

Returning to Henderson in 1946 he again assumed the duties of high school principal.

As principal, he has devoted much of his time to a guidance program for the students at the high school. Through his efforts, many students have found their proper place in the community. After graduation, some have been employed by local firms. Others have continued their educations at institutions of higher learning.

## BAND IN SESSION

A sudden quiet settled over the auditorium as Mr. W. C. Wooten stepped to the podium. Everette Witt, past president, was asked to conduct the election of band officers for the current year.

The outcome of the election was as follows: president, Everette Witt; vice-president, George Hargrave; secretary, Rae McEwen; treasurer, Bruce Austin; librarian Gail Smith.

## Principal John A. Dooley Impressed With Our Students and Faculty

"I have been very favorably impressed by the students and faculty of Basic High, and I feel that with such spirit and cooperation we can truly make this school one of the best in the nation." These were the words of John A. Dooley, new principal of Basic High.

Mr. Dooley was born in Anaconda, Montana. He received his Bachelor of Science from Montana State College. He completed graduate study at UCLA in 1945

In 1949 he received his Master of Education at the University of Montana.

He taught English at Montana State College, and was coach and chemistry teacher at Anaconda, Montana. He was also coach and P. E. instructor at Santa Monica, California. Previous to coming here he was counselor and assistant principal for five years at Anaconda.

In College he was a three year letterman in football, and also All Rocky Mountain Guard.

## "Mr. President," Gerald Kizzia Likes His Job as Student Head

When asked how it felt to be student body president, Gerald Kizzia replied, "I love it."

One of his first official duties as president was the acceptance of the new scoreboard on behalf of the student body of Basic high school. Gerald said that it was one of the proudest moments of his life.

This is his fourth year as a student at Basic High School. In his junior year, he was chosen as one of the delegates to Boys' State. He was elected governor of Boys' State, and is very proud of the certificate signed by the

governor of Nevada. Following Boys' State he was elected as a delegate to Boys' Nation, held in Washington, D. C.

When asked about his personal likes and dislikes, he gave the following:

He's crazy about pies, especially his mother's. He likes girls (even his sister.) Baseball is his favorite sport. As favorite singers he lists Doris Day and Vic Damone. As a pastime—he enjoys singing. He loves to laugh and joke with his "side-kick," Everett Witt. Last, but not least, he does not care for Frankie Lane. When not otherwise occupied, he loves to talk.

The Basic Wolves have been going through a rugged practice schedule this week in preparation for Saturday's game with the Hurricane, Utah eleven at Henderson. According to Gary Ramberg, co-captain, "I have a feeling that this game will not be a push-over."

The probable starting line-up will include several players who have shown considerable improvement in their playing. Martin Rymer, Stephen Lottridge, Donald Robinson and Norman Craft will probably play in the Hurricane game.

Teddy Blue is back in the line-up for the first time since the head injury that he received while playing against Needles.

Basic's team's average weight is 164 pounds; line average, 167 pounds; backfield, 158 pounds.

Hurricane's average weight is 165 pounds; line average, 167 pounds; and backfield, 151 pounds.

The starting line up for Basic will probably be as follows: Gary Ramberg, H. B., Don Bittle, T., Bob Herman, T., Stanley Hickman H. B., George Hargrave, C., Virgil Weese, E., Bill R. Williams, T., Rodney Blue, Q. B., Bud Coleston, E., Donald Fields, G., Donald Warren, G., Robert Miller, F.B.

Hurricane's line-up will include Cal Gubler, Q. B., Merlin Webb, H. B., Lee Gibson, F. B., Carl Jennings, C., Bart Spendlove, T., Anthony Beatly, G., William Herschi, E., Marshal Stout, G., Armond Tweetie, T., Ben Madison, H. B., and Don Fraser, E.

## FRESHMEN WILL CONSTRUCT "B"

The student council under the direction of the student body president, Gerald Kizzia and faculty advisor, Mr. John Dooley, held their first meeting of the year on September 18, 1951.

As an outcome of the meeting, it was decided that the old "hazing" type of initiation for the freshmen was to be replaced by a more constructive type. This year's freshmen are to have the honor of placing a "B" on one of the hills near the school. (Time and place will be announced at a later date. They will be assisted by members of the senior class.

**MY SCHOOL**

"This is my school." Are you proud when you say those words? Does it give you a feeling of pride to look around you at the clean, shining walls? Do you enjoy seeing the corridor posts free of their "totem pole" appearance?

How about the tops of the desks? Do you miss the "gullies" left there by previous tenants? Do you like the clean bulletin boards and walls, or do you secretly long to carve your initials in them?

Last summer a large sum of money was expended for repairs to school property. Students who are entering school here for the first time may not appreciate the looks of things as much as we "old-timers" do; but take our word for it; it is a great improvement.

If you are proud to say, "This is my school." Keep on being proud, don't be an artist and take your "talent" out on the school property. If you like to draw — join the art class. If you like to carve, sign up for woodshop. If you like to throw mud — go back to your playpen.

Above all, remember to consider the other fellow. He has to write on that desk, use those same books, and do his work in the same places that you do. Please give him a break, won't you?

**ARE YOU ONE**

The crowd rocked the stands and filled the air with their shouts of encouragement and rejoicing as the Basic Wolves won the first game of the season. Is that school spirit?

Yes, in a way, it is. It is the expression of all a person feels for his school. It is the way he lets others know how he feels.

School spirit is shown in the way in which students participate in sports and other school activities. It is the drive behind a boy or girl that makes him want to work hard, in order to make a better showing for his school. The one who is always willing to volunteer, even though it means hard work, is the student who really knows what it means to have school spirit.

**FIRE DRILL!**

Clang! Buzz. Buzz! "All students to their stations," shouted Mr. Carl Schroder, as his American Government class jumped at the loud clamor of the fire-alarm.

Quickly assuming the places that had been assigned them, the class broke all previous records for leaving a burning building.

Having reached the comparative safety of the steel fence, a role was taken and the survivors were allowed to return to the affairs of government.

**FORMER STUDENT VISITS AS W.A.C.**

Jeanne Archibald, a member of last year's senior class who is now serving with the WAC's at Fort Bliss, Texas, tells the following story concerning her basic training period.

The first week was taken up by a general orientation course. We were outfitted with uniforms; became acquainted with the other girls and the instructors; learned various chores—making beds, polishing shoes, rolling clothes, and setting up "areas."

For the next eight week, we really worked. We marched from two to four hours per day; and were instructed in the tactics of war. At the end of this time, we graduated and were sent to Texas for further training.

We arrived in Texas in good spirits. On arrival we were told that we might discard our uniforms for civilian clothes, which we really did. (Texas is slightly warm in the summertime.) Since I was to become a dental technician, I entered on a nine weeks course of instruction in the subject. At the end of that time, I was graduated. Following the leave that I am now enjoying, I will report to Fort Bliss, Texas, where I will be stationed permanently.

**STAFF OF EL LOBO SELECTED FOR YEAR**

Members of the El Lobo Staff for 1951-52 were chosen by the student council at a meeting held on September 25.

Miss Joan Handschin will be the faculty advisor for the group.

Sandra, Carol, James, Louise, Penelope, George, Richard, and Helen are newcomers to the El Lobo staff. The remainder are veterans recruited from the 1950-'51 staff.

## P-TA ENTERTAINS PARENTS, TEACHERS

The Henderson P-TA, under the direction of Mrs. Frank Shreck, president, and her committee, entertained the parents and teachers of the local schools at a pot-luck dinner on Thursday evening, September 13. The dinner was held in the patio near the high school auditorium. "An apple for teacher," was the theme carried out in the wall and table decorations.

Following the dinner, Mr. Lyal Burkholder, superintendent of the Henderson schools, introduced the members of his administrative staff, who in turn introduced the faculty of the high school and the elementary schools. Administrators named by Mr. Burkholder were as follows, Mr. John Dooley, high school principal; Mr. Gordon McCaw, elementary school principal; Mr. Robert Taylor, assistant elementary school principal; Miss Bernadine Lyng, primary supervisor; and Miss Inez Jennings, principal of the Carver Park elementary school.

## BASIC BURSTS AT SEAMS

Have you students of Basic high school noticed how full the corridors are between classes before school, and at noon?

If you happen to be walking in the vicinity of Room 8, you'll find it quite difficult to navigate a straight course, as there are over 300 students enrolled in high school this year.

There are 112 freshmen, 99 sophomores, 47 juniors, and 50 seniors at the latest count.

The school is literally "bursting at the seams."

## TICKET BOOTHS NOW GOING UP

The boys from Coach McDaniel's wood shop are building ticket booths for the gates to charge for football games. The booths were finished in time for the Moapa Valley football game. Ronald Hamblin and Lyndel Berry are the "brains" of wood shop. The other boys are: Weese, Williams, Warren, Hargraves, Fields, Bittle, Coleston, Blue, Ramberg, Miller, Hickman.

After two days of scrimmage the Basic Wolves ran a dummy scrimmage in preparation for the Overton game. The Wolves are fresh from a defeat by the Needles Mustangs and are eager for revenge.

Branch Rickey is the unofficial baseball expert for the CBS radio series "Edward R. Murrow with the News."

## Clubs In -- - Action

### G.A.A.

Basketball and volleyball have been chosen as the sports in which the GAA members will participate for the coming six weeks. Teams alternate in the playing of these games each Thursday.

Initiation is always an important subject at this time of the year. At the last general meeting October 4, presided over by Kay Goodale, "Veep," it was decided that the officers and four-year members would plan the initiation for the new members.

A committee is appointed to decorate the goal posts for each game, (first year members, of course.) Kay Goodale is quoted as saying that she thinks this year's new members are the most cooperative that we have had for some time.

"Good going, freshmen, keep up the good work!"

### F.H.A.

Darlyne Bauman and Shirley Gilpen are to attend the state meeting at Winnemucca as delegates from the local organization.

In order to raise the money necessary to cover the expenses of the trip, the club has held a bake sale, sold food at the last 2 foot ball games, and will sponsor a dance, which will be held in the high school auditorium on October 12.

### COMMERCIAL CLUB

The commercial club is planning a "sock-hat" dance. Definite information will be released at a later date.

## CLUBS CHOOSE OFFICERS

According to Mr. John Dooley, our new principal, extra-curricular activities occupy a very important place in the school's curriculum. With the beginning of another school-year, the officers chosen last spring by the various clubs will soon have the years activities under way. Officers of the Letterman's Club, the Girls' Athletic Association, the Commercial Club, and the Future Homemakers of America are as follows:

Lettermen: President, Teddy Blue, vice-president, Stanley Hickman, secretary-treas., Don Warren, Advisor, Mr. E. M. McDaniel.

# SPEAKERS SPARK ASSEMBLY IN YEAR'S FIRST GATHERING

The first general assembly of the student body of Basic High School was held in the auditorium on October 7, 1951 at 11:00 o'clock. Gerald Kizzia, student body president, introduced Jody Galloway secretary who led the group in the Flag Salute. Following this, the Star Spangled Banner was sung, the accompaniment being played by George Hargrave.

Joyane Sayer was the first speaker of the day. She told the students and faculty about her recent trip to Norway. It was not a rich uncle who made it possible for her to travel to this far away place, she explained. Her father is been employed to aid in the reconstruction of vital plants destroyed in the late war. She and her family joined him in Norway for the summer; but it was thought advisable that she return to this country to finish her high school education.

In speaking of the Norwegians, she said that they were a friendly people, much more so than any of those that she encountered in the other countries of Europe. Their educational systems is much like ours, but much more rigid in its requirements.

Joyane said that the children were not allowed to start to school until they are seven years

old. In order to attend college, they must maintain an "A" average throughout their four years of high school. She emphasized the fact that we should appreciate the opportunities that are offered to us in our educational system. In America, anyone may go to college if he so desires.

New York was wonderful, and Europe was fascinating, but Joyane said that she was very, very happy to be in America, and most of all to be at Basic High.

Gerald Kizzia was the second speaker of the day. He reported on his trips to Boys' State and to Boys' Nation. He praised his co-representatives to Boys' State — Everett Witt and Teddy Blue. According to his report, Teddy was the "spark-plug" of his "county," and Everett Witt was the financial "wizard" of the entire group.

Gerald told of the many historical sights that he was privileged to see in Washington, D.C., He said that eastern boys were much like western boys, with the exception of the idea that the West was still "wild and wooly."

In closing, Gerald stressed the great privilege and educational benefits that are in store for some junior boys this year. They have only to make himself worthy of receiving the honor.

## TEACHER WEARS A TOPPER

By Caryln Yeager

What is it? No, it can't be! It isn't possible? Are there more to come? We have been invaded by hats. Yes, that is right, HATS. Have you seen them?

They were first noticed at the pep rally held for cheerleaders' tryouts. Suddenly, out of nowhere Miss Joan Handschin appeared. Perched on her head at a jaunty angle was a bright blue HAT.

This was only the beginning. A few days of calm weather, and then "Tex" (to her friends) appeared on the campus. A one-gallon, super-deluxe, 1952 model Stetson was the head gear chosen for the occasion.

Question of the year: "Are there more to come?"

Leany, and Don Bittle. Advisor, Mrs. Judith Warner.

F.H.A.: president, Darlyne Bauman, vice president, Shirley Gilpin, secretary, Elnora Owen, treasurer, June Edmundson, parliamentarian, Shirley Banks, historian, Betty Hostetler, song leader, Olene Kizzia, and Nadine Chambers as reporter. Mrs. Beula Reid and Mrs. Margie Chambers will act as parent-sponsors for the two chapters. Mrs. Marjorie Peck is the faculty advisor.

## FRESHMAN INVASION

The clomp-tromp of feet on the sidewalks, once again announces the opening of a new school year. If you care to count them, you'll learn that over one-third of those feet belong to freshmen. No doubt about it—the jammed classrooms are proof enough that the freshmen have practically taken over BHS "lock, stock and barrel."

We're all hoping that the invasion will be an asset to our school. So—the upperclassmen can really be of help — if they will "kinda" guide the "frosh" in the right direction.

....**Warning to all upper classmen!** Those kids had better be guided—unless, of course, you want to be lost in the stampede.

Orrie Hancock, producer of the CBS Radio "Second Mrs. Burton" series, is studying the Hindustani language.

## NEW ELECTRIC SCOREBOARD IS WONDERFUL GIFT TO BHS

The football game between Basic and Panaca marked the first game in which the new electric scoreboard was put into operation.

Just before the kickoff, Lyal Burkholder introduced Mr. E. J. Brothers who spoke briefly, then in turn introduced Mr. N. D. Van Wagenen and Post Comander Frank Morrell of the American Legion Post No. 40. E. C. Hickman, Preston Austin and Ed Joyce members of the school board, were also introduced.

After the game a dance was held and the proceeds turned over to the score board fund.

The people we have to thank for this wonderful addition to our school include: Earl J. Brothers, N. D. Van Wagenen, and the American Legion Post No. 40, who are responsible for the start of the campaign and raising the donations and the following list of people who contributed to the cause: American Legion, Baird Auto Service, Bank of Nevada, Basic Amusement Center, Brown-

## JUNIOR VARSITY CLIPS EAGLE WINGS

Basic's Junior varsity defeated the Boulder City eleven 19-7, at the latter's homefield, Saturday afternoon.

Getting off to a good start, Basic scored early in the first quarter with Rodney Blue crossing the goal line and also making the extra point.

Late in the second quarter, Ronald White dropped back for a punt, and assisted by Norman Craft's blocking, raced 90 yards to a touchdown.

After the rest at the half the Jr. Varsity came back fighting, with Boulder City scoring their only T.D. of the game, and Basic's Joe Hornjak making another Basic score.

The fourth quarter was evenly played with neither team scoring.

### LINCOLN COUNTY

Basic's opening game of the season, September 14, against the Lincoln County Lynx, saw the Wolves win 39 to 12.

Stan Hickman opened the way to Basic's first touchdown, backing the Lynx up against their goal line. The Wolves fumbled, Lincoln recovering the ball. Left tackle, Don Little, grabbed a Lynx fumble to give Basic the ball on Lincoln's 20 yard line. Hickman caught the ball and went over for the first score. Miller carried the ball over for the extra point.

Lincoln scored when Phillips, the Lynx halfback snagged the ball and went over the line. The extra point was missed and Basic led 7 to 6 at the end of the first quarter.

During the second quarter, Basic scored 19 points, Lincoln none. Weese scored on a pass from Miller, giving Basic six points as the extra point failed. Miller went over from the 12 yard line and the score stood at 19 to 6. Miller scored again later in the quarter and also made the extra point.

The new electric scoreboard advertised a score of 26 to 6 in Basic favor as both teams took advantage of the rest period during the half time. The Basic Band provided several marches through out this period and the duration of the game.

During the third quarter Weese sprinted across for the first score of the second half. The extra point was missed. Miller smashed across for the final touchdown and Heatley, substituting for Miller, made the extra point.

Players were freely substituted, giving the Lynx a chance to score on a pass from quarter back Don Rowan.

### NEEDLES

Although Basic was defeated by the Mustangs with a score of 6-2, in their recent encounter with the Needles team, they consider them one of the best opponents that they have played up to this time.

According to the Basic players they are a hard and fast team,

with a lot of determination. Their brand of football is tricky, and their teamwork is excellent.

DeWoody, a Needles' player, made their only touchdown; while Ronald Hamblin of Basic scored a touchback to bring the final score to 6-2, in favor of Needles.

### MOAPA

Bob Miller again led the Basic Wolves to victory over a small, but scrappy Moapa Valley High School team, Friday, October 5, at the local high school field. The score at the end of the fourth quarter was 27-12.

The Wolves scored after the first four plays of the game and appeared ready to "white-wash" the little team from northern Clark County. However, the Wolves, as well as about 500 fans, were drastically surprised. Although Miller scored one touchdown and passed to Coleston, for another in the first half, the Wolves failed to show any superiority over the Pirates.

The half ended with a score of 13-6, after fifty yards of penalties assessed against the Wolves set up a touchdown for Moapa.

"The shower house is still ringing with the pep talk which Coach McDoniel gave his players at the half," according to one of the Basic players.

In third quarter, Gary Ramberg, Stan Hickman and Bob Miller managed to bring the score to 27-12 by carrying the ball for two fast touchdowns.
