"PRESERVING FOR POSTERITY"

FROM THE PRESIDENT'S PEN.....

One of the big thrills of my genealogical life was being appointed the President of this Society, and then being able to carry on in the same capacity after last fall's election of officers. Due to a radical change of circumstances, I am not seeking re-election this fall.

The last few months have taken a severe drain on me, emotionally and also physically. I divorced my husband, moved three times, and changed jobs twice since May. I therefore feel it in the best interests of the Society to elect a new President. I will continue to support and assist in any manner which will benefit the Society.

I would like to encourage each and every one of you to contribute articles of genealogical interest to our new "Prospector" editor, Joan Clarke. Her phone number is 645-7792. The more contributions that we receive from the members will make much better reading than if only a couple write the entire quarterly. We are very interested in printing Bible records, old letters, military papers, and of course, queries.

It has recently come to my attention that one of our members, Keotah Fannin, was the individual who designed our Society's emblem. This emblem appears on the page containing the names of the officers and committee heads. Our thanks to you, Keotah. Further along in this issue, you will have the pleasure of reading on of Keotah's lovely poems.

We have decided to change the months in which the "Prospector" is published. The months of issue will now be March, June, September and December. Any articles for publication, from either out-of-town members, or Societies with whom we exchange, will please put them attention of Joan Clarke, P. O. Box 1929; Las Vegas, NV 89125.

There is a vote to be taken at the September meeting, but in all likelihood our membership dues will be going from \$8.00 to \$10.00 for individuals, & from \$10.00 to \$12.00 for couples. This will enable us to mail the quarterly to all of those who do not attend the meeting at which the issue is distributed, not just to those individuals who live out-of-town. We will also be starting a "quarterly only" subscription rate, which does not include membership in the Society, of \$5.00 per year. We also have a lifetime membership of \$120.00

Our program director, Naydean Updike, has done an absolutely fantastic job of producing both good programs and good speakers. She and I traveled to the Jamboree put on by the Southern California Genealogical Society, in Glendale, Calif on 28 April. Naydean was busily talking to as many individuals as possible, securing speakers for our meetings. Anyone wishing to address our Society on a particular topic, or knowing of someone who would be interested in presenting a program, please contact Naydean. Her phone number is 454-6192.

In ending my column, I wish to thank all of those in the Society who have helped me so very much in the last few months. Were it not for them, this quarterly might not have made it to the printers!

SOME EARLY LAS VEGAS LAND OWNERS.....by Laura Folk

In our last issue, I wrote about the early settlement of Las Vegas up until the land auction of 1905. At that time, the Las Vegas township was in Lincoln County; the county seat was, and still is, Pioche.

C. O. WHITTLEMORE, president of the Townsite & Water Company; Frank A. WATERS; Horace BETTIS, Vice-president of the Company and auditor of the railroad; R. M. GRACE, secretary of Vice-president J. Ross CLARK; Ferdinand K. RULE, treasurer of the Company, and several clerks comprised the Los Angeles party in charge of the sale.

The Townsite Company and the railroad reserved no lots in the business center for themselves, in order to allow the people the best opportunity to secure the lots they wanted.

Following is a list, by no means complete, of individuals and businesses purchasing lots at the auction:

First State Bank - a corner on 3rd & Fremont; \$3000 paid for 2 lots.  
Bankers from Arizona - corner of 1st & Fremont.

BOYER, Harry W. - a mining man from Goldfield, NV.

GARDNER, J. B. - Salt Lake City, UT, capitalist.

HOLMES, Gus - owner of the Knightsford Hotel in Salt Lake City, UT, & former owner of the Hotel Angeles in Los Angeles, CA.

KUHN, Norman A. - of Kuhn Merchantile Co., bought 3 central lots for a store.

LADD, J. H. - bought numerous lots in various blocks.

LEAVITT, Joe - of Kansas City.

LEE, Mrs. Alice - one of two ladies from Los Angeles, who bid shrewdly and secured good lots.

LOWE, W. M. - of the Las Vegas Light Co., was a liberal investor.

PRITTLE, John C. - of Los Angeles. Bought lots for himself and his associates. He held stock in the Las Vegas Hotel Co. and the Las Vegas Trading Co., and some of the lots were used by both corporations.

PULSIFER, Chauncey - bought lots at Clark Avenue & 4th Street, on which to build a theatre and resort buildings. Also bought lots at Wilson Avenue & 4th Street for a hotel.

SMILEY, Miss Jessie - the other shrewd lady bidder from Los Angeles.

WEIGHT, M. H. - Ex-mayor of Pasadena. He was a half-brother to W.

M. LOWE.

IN LOVING MEMORY OF MY MOTHER  
EVA MAY AUSTIN SOLLARS

A YELLOW ROSE FOR MOTHER'S DAY

On Mother's Day some children wear  
a rose of red with pride.  
While others sit with frightened eyes  
and wear their badge of white.

It isn't a happy day for those  
whose lives are filled with dread.  
For tiny tots whose white rose  
is in honor of their dead.

This pagan rite - a sacrifice  
upon the Day of Rest  
makes those with a red rose  
to be the only blest.

On Mother's Day the white rose  
is a sign of tragedy.  
Worn by those who mourn their loss  
for all the world to see.

Why not a single rose?  
Golden yellow be the color  
and those who wear it do so  
in the honor of their Mother.

SOME DATES TO REMEMBER:

The 2nd Tuesday of each month; our meetings begin at 7:00 P.M.

We have a new location, the Draw Bridge, in Commercial Center. This is in the Carriage Trade Center, inner section, on the upper level overlooking the central parking area of the Center. We will have signs posted for those of you not familiar with the shopping center.

\*\*\*\*\*

The 4th Tuesday of each month; the Board of Directors meeting is held at 7:00 P.M. The minutes of the meeting will be posted at the next general meeting, in case you wish to read them.

\*\*\*\*\*

The last Saturday of each month, there is a workshop held at Naydean Updike's home. Naydean has a very lovely genealogical library which you may look through. We set up a table for those of you just getting started in your research. The workshop starts at 10:00 A.M. until ?. Please bring a sandwich if you intend to stick around for awhile, as well as the materials that you are currently working on. The Society holdings are being kept at Naydean's house, and you are free to browse through them, also. If you have not been to Naydean's home before, call 454-6192 for the directions.

For our December meeting, we are planning on having a Christmas party. It would be nice to have a small program put on by the members, perhaps telling us of some family traditions which are in the Christmas spirit. Anyone having any ideas, or desiring to give a short account of their traditions, please contact Naydean Updike. For myself, Christmas is a very special time of year, and I would like to see our December meeting reflect that. The contributions of the membership is what makes this Society GO!!
