FROM THE PRESIDENT'S DESK.....

As many of you are aware, I have just recently been elected the new President of the C.C.N.G.S. for the 1985-86 year, and it is definitely one of the highlights of my lifetime. I am very proud to be a part of the C.C.N.G.S., and it is not only thrilling to be your new President, but it is an honor and privilege to be working with such outstanding people which serve on your Board of Directors, and last but certainly not least, you the membership. Each of you have given me such a warm welcome, and you all are such a delight to know, and I thank you.

I hope that I can full fill your expectations given to me when you elected me as your new President. I realize you can not always make everyone satisfied at the same time, but I will try and I will give a 110% of myself. With the help of such people as Linda McEwen, who by the way was one of the two ladies who started the C.C.N.G.S. in 1976, Naydean Updike with her experience, expertise and great ability to put together such excellent programs, Ramona Duff with her neverending knowledge in the field and many, many more who are too numerous to be mentioned at this time, and the members the C.C.N.G.S. has no choice but to get better.

Your Board of Directors, I feel, has put together an outstanding line-up, and are still gathering great programs for the coming year. I feel you will be missing valuable information if you should miss one. They are a small number of individuals putting these programs together, and the support and help of the membership will be greatly appreciated, so be sure to pitch in whenever you can. Remember, your Society is only as good as it's members.

I would like to encourage everyone who will be reading this quarterly, to join us if at all possible at one of our meetings. They are held the second Tuesday of each month at 7:00 p.m. located at 900 East Karen Street, Suite #A210 (at the south side of Commercial Center in the Carriage Trade Center). If I should miss you at the door, please be sure to come by introduce yourself, and say hello. It would be a pleasure to meet you and hear of your research you are doing. For those of you who may be visiting the Las Vegas area, be sure to come by if you can, who knows you might be luckier at our meeting than at the casinos.

The Board of Directors would like to personally invite all of the original and former members of the Society to come to one of our meetings and join us again. We feel you will enjoy the Society's programs. We were recently honored with the return of a few last month and would like to see more of you return. Hope to see you all at our next meeting and will be looking forward to meeting all of you. Good Luck with your research.

Sincerely,  
  
Patricia A. SAYE Zubia, President

THE WINTER OF '42

There's a place in California  
Where my thoughts do often hie.  
Where the smog's blue-hazed carpet  
Hits the blue-hazed southern sky.

There our little boy was born  
On Christmas Eve 'tis true.  
Early on that December morn  
In the winter of '42.

He was born into a world at war.  
His tiny fists clenched tight.  
I held him close within my arms  
As he yelled with all his might.

Who hears the cry of a fallen soldier?  
Does strength leave a mother's arms?  
Who knows the anguish of a father  
Who lost a son in the war?

I prayed to God in his wisdom  
As my baby started to coo  
Bring peace to this troubled nation  
In the winter of '42.

We live no longer in California  
Our son is tall and true.  
Again I pray to God in heaven  
As I did in '42.
