Editor's Notes....

First, I want to wish all of you
a HAPPY HOLIDAY SEASON!

Our society is growing. Welcome to the many new
members and guests who are attending our classes and programs.

Thanks to the members who have contributed material for publication. As I
prepared this edition, I read the conclusion of Edward Dowling's diary. It is
such a window to the past, to the 'common man' of the Union (or any) Army. I
hope more of our members will share some of the items they learn about their
past.

I am still looking for members who would like to help with or have ideas for THE
PROSPECTOR. If you are interested in working with our quarterly, or have some
ideas regarding material, please get in touch with me.

Continuing thanks, of course, to Dayla Fillmore, Ginny Mangus, and Elizabeth
Parker, members of Cadette Girl Scout Troop 361. Their help means a lot to me
personally, and to CCNGS as a whole.

BEST WISHES IN THE NEW YEAR!

Boots Parker

FROM THE PRESIDENT'S PEN....

Hello again to everyone. I certainly hope everyone had a very Happy Thanksgiving Day. Our family had a very special one this year. Now that this special day has passed, we can look forward to the Christmas Holidays. I would like to wish each of you a very special Merry Christmas and a very prosperous New Year. I hope that all of your holiday travels will be safe and enjoyable for you.

Your Executive Board is presently working to put together another Annual Seminar for the 1987 year. They are also striving to present some excellent speakers for the next year who will be of value to our members and guests. So, we do hope that all will be able to attend our programs.

Our booth at the JayCee Fair was a great success and the recent newspaper articles and TV promotions have been a great value to the Society. For the last two months our guests have outnumbered our members in the attendance at our meetings. Several of those who attended are now members. We all welcome you to CCNGS and do hope you will enjoy the Society.

We have had a great success with our classes and feel this will continue to be a learning experience for you.

The Board would like to welcome Mr. Frank Lang as a Director on the Executive Board. He is the Representative of our membership at large. Should a member have any questions or suggestions, Frank will be happy to help you as well as the rest of the Board.

Again....

MERRY CHRISTMAS AND A HAPPY NEW YEAR TO ALL!
