MILLER SCORES FOR BASIC IN ANNUAL FRAY AGAINST ST. GEORGE

BASIC 19--ST. GEORGE 6

Before a large home crowd the Basic Wolves defeated the St. George Dixie Flyers 19-6 to win the first game of the coming season.

The first T.D. came when Bob Miller in the third play of the game, went off tackle, with very good blocking and went 80 yards.

Then Basic kicked-off and the Flyers took the ball and marched down the field 65 yards for a T.D. Dixie didn't score for the rest of the game.

The second Touch Down for Basic came in the second quarter after a long march up the field Miller carried it over from his 15 yd. line. Basic's third and final T.D. came in the fourth quarter.

Editorials

We are proud to boast about our alumni, the class of 1950.

The University has twelve of our 50 class. They are: Robert Mackie, Alick Mackie, Duane Laubach, Chad Combs, Shirley Swift, Max Gobles, Jeanne Paulson, Joan Miller, Herbert Heher, Marcia Malcolm, Maureen Powell, and a 1949 alumni, Armida Apodaca

Other students going to various colleges are: Dora Ann Godwin, Florida State College; Lucile Haynes, University of New Mexico; Yvonne Clepper, Abilene Christian College, Texas; Barbara Ludwig, Kahlen Hospital of Nursing, Rochester, Minn. Chuck Galloway, Clyde Echols, San Bernardino Valley College.

To those whom we have loved and will always remember, to our class of 1950, this column is dedicated in prayer that these students may find a way to lead the world be peace from the chaotic state of unrest it is today. Over two thousand years ago the torch lit in Greece, forever kept burning by faith and devotion of the people.

That torch, symbolic of freedom itself, is now placed in the hands of these graduates to hold it high and to ever be reminded that the future of the world, as well as the maintenance of every God-inspired principle of life is in their hands.

WEDDING BELLS

In starting the new year we find that some of the student body has left us. It seems that love has bitten quite a few unsuspecting souls this summer. Those who have gotten married are: Bonnie Yeagar to Marc Alton, Faye Mann to Sonny Crunk. Some of the other girls who have gotten married are: Connie King, Margret Gonzales, Eyvonne Olbin, Maryline Baker, Edna Helms, and Carol Elliot.

Good Luck in the years to come.

BAND OFFICERS ELECTED

The newly organized band elected their officers on Friday, Sept. the 15th during their regular fourth period band class.

Officers were: Everitt W., Pres.; Jody G., Vice Pres.; June L., Tres.; Jeanne S., Librarian.

The band plans to present several concerts this year, and at the football and basketball games

MEET THE NEW BASIC TEACHERS

Normen J. Peterson, native of Greeley, Colorado and former machine shop teacher at Pendleton Oregon, is Basic's New head basket ball coach and machine shop teacher.

He plans to start basket ball practice during the month of November, and has quite a few plans for the team.

He attended the state University of Colorado where he received his A.B. degree.

His hobby is skiing and this winter he plan's to spend some time skiing at Mt. Charleston.

Mr. Peterson is married and has one child, and plans to make his home in Basic.

The new band and glee club teacher, Mr. Wooten has started the year right with plans for the band and glee club.

He received his Bachelor's Degree at Brigham Young University in Utah and his Master's Degree at the University of North Carolina.

Mr. Wooten chose Basic as his first teaching assignment because of the good reports he received from people who had been here already. His plans are indefinite as to how long he is going to stay at Basic, but so far he finds the surroundings comfortable.

AMERICAN HISTORY?????

The bell has rung and classes have begun--suddenly, and of the silence comes a loud cry, "Stop throwing those erasers! Get down from the charis! Stop carving on the desks!"

But its nothing to be alarmed about; its just Mrs. Schroeder trying to quiet his second period American History class. This class, without a doubt, is the most active clas of the day.

While Mr. Schroeder is giving out the assignment, all his studious pupils are busy writing notes, vaccinating the student next to him with a fountain pen, or catching up on lost sleep.

When the bell rings, the stampede begins, and Mr. Schroeder sinks back in his seat with a sigh of relief.

OUR PRINCIPLE PRINCIPAL???

Amid the acrid fumes of burning sulpher looms the be-mustached countenance of the most honorable principal of our institution Mr. Burkholder. Balancing sensitive scales, handling dangerous chemicals with reckless abandon, he paces to and fro between the rows of students.

A man of many talents, who besides being Chem. teacher, is also Trig. teacher.

Under his direction the school runs like clock work.

AH! The way he arranged programs on the first day was a sight to behold. With a clear eye and a steady hand. Sharp and crisply the words leapt from his mouth, "You take Chem; You take Art; You take Shop; another year of math for you." Such vigor has never been exhibited by any principal to this day.

May his reign be long and prosperous...A-MEN

They are: Edwin Farnsworth Lehi, Utah; Larry Hollingsworth Midland, Texas; Dorothy Laub, Myssa, Oregon; Peter Lulich, Rock Island, Illinois; Shirley Morgan, Boulder City, Nevada; Phyllis Walker, Wellington, Kansas; and Herbie Weitz, Brooklyn, New York.

HOW GREEN ARE OUR FRESHMEN????

At 3:45, Friday, September 22 the student body was excused to attend an assembly held in the auditorium for the purpose of answering to the age old question, "Are Freshmen Really People?"

Janet Van Valey presided over the assembly and she was able as is

The first number on the agenda was a musical quintet composed of 5 freshmen singing YOU ARE MY SUNSHINE.

The tempo of the assembly was then changed by Frank Gorin, Jerry Goodale, and two other nameless freshmen doing a spicy can-can dance.

Betty Hostetler was then called upon to propose to Mr. Peterson. The proposal went as follows "A, A, Mr. Peterson, A, will you marry me?" "No" "A, A, Please, A" "No" "I'll support you" "----" You talked me into it."

Darlene Huffman caught the lovebug next and rushed up on the stage to ask Mr. Burkholder for his hand in marriage. Her frantic gesturing convinced Mr. Burkholder to say "Yes."

A melancholy drama was presented next, with Edward Blankenship playing the helpless, lovely young maiden, that romantic heart-breaker Leroy Hamilton as the hero and last but not least Richard (blackhearted) McGough as the villain.

Next Franklin Heatley, Morris Crunk, Ralph Furton, and Olene Kizzia, held a sucker eating contest but before one of these ambitious freshmen could eat their way to fame a pencil rolling contest was in progress. Gail Mann, Elnora Owens, Nadine Chambers, and Petty Beyers entering. Betty Beyers kept her nose to the grindstone (oops, pencil that is) and won by an eraser.

Trudy Fisher, Mary Church Louise Roden, four potential cheer leaders, led the freshmen in a few yells for the seniors.

About this time Shirley Banks pulled Harry Wolberg up on stage, sat him on her lap and un-mindful of anyone else, sang right from her heart I LOVE YOU SO MUCH IT HURTS.

Shirley had just finished this soul stirring rendition when Elnora Owens, came tearing up on the stage, she seized the microphone and made this startling statement "I love all senior boys, especially Manuel."

After all this excitement Robert Weideman and a fellow housewife charmed the audience, while they sang ROCK A BY BABY and rocked their dolls.

Jim McCromick finally got up enough courage to make mad love to Basic's prettiest teacher, Miss Handschin. Miss Handschin, who really stole the whole show, tried to put Jim off by acting bored and telling him, he just wasn't her type, but accepted his offer of marriage when he offered a fur coat in the deal.

Sue Leming and Florence Prince were called up on stage to do a soft shoe dance.

The assembly ended after JoAnne Aldrich asked Mr. Schroeder for his hand in marriage, Mr. Schroeder, naturally accepted.

But to answer the question this assembly was held to answer, "Are Freshmen People" Well after seeing the program, we aren't even sure "Freshmen are Freshmen."

BASIC RETURNS TO VICTORY

Friday, September 29, the Basic Wolves travelled to Panaca to engage the Lynx in a tightly fought football game, with Basic at the long end of a 13-6 score.

The first score came when Pete Horlacker, the Lynx quarterback led a hard drive up the field and scored going over from the ten yard line. The hard-fighting wolves scored in the second quarter after a forty yard march up field when with thirty seconds left Miller threw a long pass to Craft for the tally and Hunter went around end for the extra point.

Basic's second score came in the fourth quarter. After a long drive Miller went off-tackle and with good blocking in the line he went fortytwo yards for the final T. D. Hunter tried for the extra point, but was stopped.

The standouts for Basic were Hunter, Miller and Jones, while Pete Horlacker starred for the Lynx.

NEW GYM FLOOR

The new gym floor which was acquired from the old Moana Vally gym will serve the Basic Wolves in their 1950 Basketball Season.

The old floor, after eight long years of wear and tear was in very bad shape and in need of repair. The student body is very well pleased with the new floor, and hope that it will contribute for a few victories this coming season.

A Fitting Tribute

Prison Warden: "I've had charge of this prison for ten years. We're going to celebrate. What kind of a party do you boys suggest?"
Prisoners: "Open house."

HUNTER ELECTED PREXY OF LETTERMAN'S CLUB

A Letterman's Club Meeting was held last Sept. 19, for the election of officers. Clifford Hunter was voted President, Aaron Morris, Vice-Pres. and Sid Pickar was elected combination Sec. and treasurer.

None of the Letterman's Club functions have been discussed for the year, but the Letterman are selling license plate ornaments consisting of a plastic backing with the lettering "Basic Wolves, Henderson, Nevada" inscribed upon them. The plaques sell for \$1.00.

"Red" Hunter, Pres. announced that although no definite program has been scheduled as yet, the Letterman's Club will have an active as well as prosperous school term.

CHEERLEADERS ELECTED

Out of a field of 14 girls that tried out for cheerleaders, these four were elected: Billie Gaither, Gail Chase, Jody Galloway, and Pat Reeves.

The voting was so close that it was difficult to choose them.

Billie and Gail were elected for the second time while Jody and Pat were elected for their first time. Billie, Gail, and Pat are all seniors while Jody is a junior.

YELLOW JACKETS TROMP WOLVES

Blythe mauled Basic by a score of 27 to 5, in a game played at Blythe on September 22.

Blythe used a five man line on defense and a single wing on offense that left the Basic team dazed.

The stand outs for Basic were Hunter and Jones; for Blythe they were Mack, Martin and Crowder. That evens the won and lost column at 1 and 1 for the year. The Blythe game was supposed to be one of the hardest of the season.

BITES THE HAND THAT FED HIM!!!

Dick Sisler is by far the most disrespectful son that any father ever had. Last Sunday, in front of 30,000 people he purposely

hit a home run that crushed the Brooklyn Dodgers--Sisler's father is a hardworking Dodger Scout barely eking out a living at \$29, 000 per year.

The Elder Sisler, who once was a big league star in his own right, taught Dick just about all he knows about baseball. It mus now face such a betrayal from his own son--literally biting the hand that fed him. Adding insult to injury, Young Sisler hit the homer off Don Newcombe, who his father had diligently coached during the beginning of the season.

Slight Mistake

In a small church a child was brought forward to be baptised. The young minister, taking the little one in his arms, said: "Beloved hearers, no one can foretell the future of this little child. He may grow up to be a great businessman like Henry Ford, or a great labor leader like J. H. Thomas, and it is possible he might become the Prime Minister of England."

Turning to the mother, he inquired: "What is the name of the child?"
"Mary Ann," was the reply.

"SOCK HOP"

The Commercial Club sponsored a "Sock Hop" September 30. All of the kids present wore brightly colored socks and they all wore jeans. There were all types, colors, and sizes. Bobbie Herman had a shirt and socks to match. Both were flueresunt pink. He didn't win any prize however, the lucky two who won the prize were: Bonnie Jenkins and Virgil Weese. Both of their stockings had bows on them of all different colors. They received a sucker and danced the following dance. There was an assortment of dances; Snow Ball, Broom Dance, Ladies Choice. The dance was a big hit in bear feet and we all hope to have more like it.

She moved to Henderson at the beginning of her freshmen year. After graduating from high school, she plans on studying to be a beauty consultant. June is devoting most of her time to the study of the French Horn, which she is attempting to master in the school band.

MEN FROM MARS???

It all started 2nd period, Thursday, September 28. Everything was going on as usual when suddenly, in front of the auditorium, there appeared a small group of strange looking creatures, dressed in long gray clothing. They were carrying odd shaped, colored objects with great care--suddenly--without warning, they launched these objects into the air. They seemed to float in the air--quiver for a few seconds--and rise slowly up into the sky,--higher and drift out of sight.

As we watch this strange phenomena, we begin to wonder if we have discovered the answer to the mystery of the flying saucers. Then Mr. Burkholder's voice is heard calling in the distance, and as if in a trance, these creatures turn and begin to leave. We see that they are only dressed in long gray, rubber aprons. Because we are so close to solving this mystery, we follow them. They enter a small building on the edge of the campus. As we look inside the lights go on suddenly---the mystery is solved.

Its just the chemistry class making hydrogen and filling balloons with it and letting them go outside to drift away. After all the chemistry class has to have fun sometimes, too.

DON'T LOOK NOW-- THE BUILDING'S CHANGED

Art to some people is a very difficult thing, but some of the students think that Basic High is a nice school, but the students in Miss Blackburns art class is adding a few modern touches.

They think the building would look a little more attractive with a few changes, such as slanting doors and antigolben windows, the bulletin board on the roof, and the cooler in the office.

By the end of the year Basic may end up in Vegas, because in sketching you can move the different objects around in the picture and their minds may wander on a nice fall morning.

WHOT

HOPPENED????????

This morning as I was passing Room 12, first period, I heard weird, unearthly noises inside, I went closer and listened again, yes they were coming out of room 12 all right. Unable to satisfy my curiosity any other way, I opened the door and stepped inside. Holy Bananas!!! What had I walked into?? Janet VanValey, Billie Sue Gaither and Sherry Hostetler were sitting on a table in the front of the room making faces and wailing strange sounds at the rest of the class. Sherwood Clark was running around waving a yardstick and with a wild look in his eye shouting "here shall I hide my bloody sword?" As I stood there spellbound, Judy MacNeil rushed up to me waved her hands in my face and screamed "Will my hands never be clear? Here's the smell of blood still; Oh, Oh, Oh!" As I stepped sideways to get away from Judy, I tripped over something on the floor. I looked down and there was Jack McGinty lying on the floor with a very dead expression on his face—Good Heavens what was all this? I turned around and quickly ran out the door.---- Bang—I ran right into Miss Handschin. After one look at my green face she said "What's the matter? Did my Senior English Class scare you? Now if you'll stop shaking I'll explain it to you. You see We're studying Shakespeare plays and what you just saw was the class acting out MacBeth.
