Gail has been a cheerleader for the past two years, was Senior Prom attendant during her Junior year, and is Treasure of the Senior Class.

When asked how she felt about being elected "Homecoming Queen," Gail replied, "It's really an honor that the football team wanted me as queen and it really makes me feel good----It's one of the happiest times of my life!!"

Four attractive and popular girls were elected by the football players as attendants for Homecoming; The attendants chosen were Merle Bracken, Peggy Jeffery, Cecilia Gongolas and JoAnne Aldridge.

Thursday night, during half-time of the Basic "vs" Kingman Football Game the queen and her attendants were driven out onto the football field in a sleek, black, convertible, chauffeured by Troy Craft. They circled the field to the 50 yard line,

HALLOWEEN DANCE

Gay Halloween decorations covered the Victory Village auditorium, on Oct. 28.

An orchestra from Las Vegas played till 11:30 and then the ever faithful juke box was pulled out.

Although no one showed up in costume, everyone had a gay time.

HOBO DANCE

After the Needles game Friday night practically everyone went to the "Hobo Den" or the High School Gym for the F. H. A. Hobo Dance. Everyone came in jeans including most of the girls. Pop corn and soda pop were sold by members of the Future Homemakers of America.

Many of the Needles players came making the dance a nice large crowd of people.

Even though it was a juke box affair, fun was had by everyone.

The dance was sponsored by the FHA of whom Jo Ann Swartz is president and Evelyn Sherman is vice-president.

HOW ABOUT YOU ???

As the Naval Recruiting officer prepared to leave he asked as the final and deciding question: "You really believe that the boy is reliable and could be depended upon to do as he was ordered."

To which the principal of the high school replied, "Yes, I believe he is dependable. The Recruiter's record shows that he was not only a good scholar but that he also took part in extra curricular activities."

Again a high-school graduate record has played an important role in gaining a position he could not have gained had his record been unsatisfactory.

And here are two more examples of where a good educational record is an asset. Almost all large concerns look up students honesty records when they apply for a job.

Also all prominent colleges never fail to look up an applicant's scholastic record.

Every time the question is asked, "Can this high school graduate be depended upon?" The student's school record is checked and therein lie his opportunities for employment. For if the records are commendable the position is likely to be attained.

And so I urge all readers of this article to pay more diligent attention to their studies. And the extra few hours you devote today may mean years of happiness later.

USE YOUR STUDYHALL !!

We all know him. He is that person who spends the hour in study hall with his book open before him, but never reading it. When he is not gazing at his hands or twiddling his thumbs he is pestering his neighbor.

Sometimes he sings to himself usually poorly. His more industrious neighbor stop their work to turn withering glances at him, but to no avail. When he has finished his song, students nearby hold their breaths, wondering what he will do next. Then he starts again- this time crumpling and crackling paper.

If only he would use the energy he wastes bothering other students near him for something worthwhile! When the bell finally rings, he slams his books together and marches out into the hall

Although this student wastes one precious hour a day, every day he is probably the one who incessantly whines "All the homework those teachers pile on us."

IT CAN HAPPEN HERE !!

It is impossible for an American who has never known anything but complete liberty to comprehend what a dictatorship might mean. Particularly does it seem to us, school children, who live in a world quite apart from the reaches of current history, that the perils of such a government could never take from us that for which our ancestors worked and died.

But it does happen; in the now famous conclusion of Sinclair Lewis's "It Could Happen Here", and it has happened in Germany, Italy and Russia.

When the reports of the strictly controlled educational system are read, an intense relief and satisfaction is felt in being able to turn to our sane being able to turn to our sane

We are not taught like the youthful Nazis that we are a super race. Nor are we instructed as are the Red Children to conquer and indoctrinate everyone to our way of thinking. But we are taught to stand in horror of war and to respect the rights of other nations.

We have much to be thankful for in our teachings when we realize that in the course of a few years we may be the democratic government on earth capable of opposing what would be an incredible disaster. A third world war.

WOLVES MAUL BULLDOGS

Those up and coming Basic Wolves romped over a much heavier Kingman eleven 41-6.

Basic kicked off and Kingman returned the ball to their thirty yard line where they fumbled and Basic recovered. In two plays Hunter carried the ball around the left end and went over for the first touchdown. Rostine faked an extra point.

Basic's second T.D. came in the same quarter when Rostine faked an end run and threw a long pass to Blue and scored Basic's Second Tally. The attempt for the extra point was no good.

The score at the end of the first quarter was 20-0 after Hunter completed the third tally of the evening.

The first part of the second quarter went rather slow till Basic got going and on a beautiful off-tackle play Hunter went 45 yards for his third touchdown, Rostine flipped a pass to Ramberg who went over for the extra point.

Basic's fifth hand off to Jones was blocked through the line, but skirted his own left end for the fifth tally. Rostine converted, leaving the score 34-0.

At this point Coach McDoniel inserted the second string and this is when Kingman scored their lone tally, on a drive down field when Fred Covarrubias went over for the T.D.

Basic's sixth and last score came in the second half when Kingman kicked off and Basic walked the ball down to the four yard line where Miller carried it over. Hunter made the conversion which was good. Basic was ahead 41-6.

BASIC POUNDS PIRATES

The Basic Wolves playing their fourth game of the season rolled over the hard-fighting Moapa Valley Pirates 28 to 0.

The Pirates had command of the second quarter with four minutes to go; Jones with a hand-off from Barilleaux went over from the ten yard line. The Wolves second score came a few minutes later when after a short march up field; Miller heaved a long pass to Craft who snagged it easily and went over. Rostine converted a fifteen yard pass to Barilleaux who fell over the goal line for the Touch Down.

Jones, Basic's Gaurd, from another hand-off from Barrilleaux, in the fourth quarter, went over for the last Basic score. Rostine again went over for the extra point.

Waite and Ozaki stood out for the Pirates while it was Rostine and Jones for the Wolves.

WOLVES DROP HEART BREAKER

Friday the 13th proved to be a very unlucky day for the Basic Wolves, who were crushed by Las Vegas 41 to 20 in a hard fought game.

Vegas received the opening kickoff and after several minutes of line play Freddy Martin went over for the first touchdown.

Basic received the next kick-off and returned it to the 32 yd. line where Hunter broke loose and rumbled for a T. D. but it was called back for a clipping penalty, that seemed to broke the spirit of the Basic team for a while. Las Vegas then pushed over 3 quick touchdowns which made the score 28 to 0 at half time.

At the beginning of the second half Las Vegas kicked off to Basic who made a determined drive toward the Las Vegas goal line where from about 37 yards out, Miller passed to Morris for a touchdown. The extra point was good.

Vegas again kicked off to Basic and they then started their drive which brought Rostine over for another touchdown.

Basic kicked off to Las Vegas where Martin took the ball started another drive which ended up by James making the touchdown.

Basic took the kick-off and were stopped on their own 10 yd. line. Bill Stit caught the ball in full stride and out raced everybody for a touchdown making the score 41 to 20 when the game ended.

MONKS WALLOP CATS

In a hard fought game Thursday night the Mona's Monkeys won a decisive 15-0 victory over Kay's Kats and 3 honest (?) officials.

The game was fast moving right from the 40 yd. Kickoff. Mona's Monkeys received and Jolting Jody Galloway carried the ball down to the 30 yd. line where she was brought down by 12 players. On the next play Jolting Jody then shot a bullet pass to Vulgar Van Valey who caught it in her mouth. After retrieving the ball, play was resumed and after a statue of liberty play where Gruesome Gorin carried the ball to the 5 yd line On a sneaky quarter-back sneak Jolting Jody carried the ball over. Conversion to Muscles Gaiter failed when she was smothered by 11 Kat Players. The Kay's Kats never scored and the rest of game was a series of clever (?) brilliant plays on both sides.

The Kats stopped the Monkeys, with a triple reverse which baffled everyone including the Kats.

Mona's Monkeys were penalized 17 times for ungentlemen-like conduct on the field by Weak-eyes Witt, 15 yd. Penalty Barilleaux, and Whistle Happy Hunter. The Monkeys however were not too discouraged because the cheerleaders Peaches Pickard, Lucious Leany, and Bubbles Blue were giving their all in cheers for the team.

BASIC ELEVEN SQUEEZES BY NEEDLES

WIN KEEPS BASIC IN TRI-STATE RUNNING

Before a large home crowd the Basic Wolves rolled up their fifth win, against two defeats, by winning a hard fought game from the Needles Mustangs last Friday night.

Needles was first to score. After receiving the kick-off, DeWoody after two pass plays and a first down, took a hand off from Thompson, went off tackle and ran eighty yards for pay-dirt. The attempted conversion was blocked.

Basic retaliated in the same quarter a few minutes after Tasker kicked off for Needles. Basic tried 2 ground plays that netted them no yardage. On a back end run Rostine heaved a long pass to Morris who went over for the tying score. Conversion was no good.

In the third quarter Needles kicked off to Basic as the Wolves were held for downs. The second play after Needles had the ball,

went off tackle for fifty-five yards for a T.D Tasker converted leaving the score 13-6.

In two plays after Needles kicked-off Miller broke through tackle and raced fifty-three yards to another score for Basic. Rostine converted, the score tied 13-13.

Basic scored twice in the third quarter but one was called back.

Hunter scored the other after a series of passes from Rostine to Craft and Morris who carried the ball down to the Needles fifteen yard line. Hunter went over with the winning score and also made the conversion. The rest of the game Basic had the ball but was unable to score.

Miller and Morris were star for Basic while DeWoody and Thompson stood out for Needles.

Can the Basic Ramrod beat down the stone wall. Well the Boulder jüggernaught continue undefeated.

Now it would be erroneous to say we are favored, however don't sell us short. We have a good team of boys that will fight hard.

True they average 10 pounds heavier on the line but remember it's how a team blocks not only what they block with.

Man to man we are on a par with them however, they have a thirty man squad where as we have only twenty-two and there is the difference. If our boys can hold up them we can win if not...

UNITED NATION'S DAY PARTY

On Tuesday, October 24, United Nation's day, Mrs. Robinsons Sociology Class had a United Nations Party—and what a party!!

Students wandering past the math room during lunch hour wondered if the strange and delectable odors and intriguing music the sociology class has brought for their party were figments of their over-worked imaginations.

Each student brought his own lunch with some kind of foreign dish in it.

A few of the foreign foods were Norwegian kippers, Russian Rye bread, South American bananas, Swiss Cheese, Italian Salami, Danish pastry, Mexican Fritos, Chinese fortune cakes, and French bread.

While they were eating Mrs. Robinson played a collection of foreign records which included Spanish, Russian, French, German, and Italian music, and last but not least Sid Pickards collection of American corn.

The queen accompanied by the Wolfe's Co-captains and her attendants accompanied by the Kingman Bulldog's Co-captains crossed the field toward the stands. In front of the bleachers Gail received a corsage of red roses and Merle, Cecilia, Joanna and Peggy were given beautiful white chrysanthe mums corsages with small B's in the center. Gail was then presented with a lovely crown of white chrysanthemums. then came the moment we had all been waiting for. Gail was offically crowned and bussed by Basic's Co-captains, a very red-faced George Rostine and red-headed Clifford Hunter. The group walked back acrossed the field and ascended a blue and throne where remained for the rest of the game.

After the game a Homecoming Dance was held in the school gym. The Student Council had done a wonderful job decorating the gym with a border of black foot-balls around the wall, inscribed with the names of the football players. Minature cartoon figures and black and white crepe paper streamers decked the walls too. Tommy Nelson's orchestra played for the dance which was one of the most successful held this year.
