## Three Attend DeMolay Convention

Three members of the Frank E. Sturm, Chapter of De Molay, attended the convention which was held in Fallon March 13, 14, 15. Gary Van Horne went as a trustee from the local chapter; with Rayfield Cureton and Harold Holberg as delegates.

State officers were elected and appointed by the Nevada Association of DeMolay on Sunday morning. At this time, Gary was elected to serve as a Junior Counselor, and Rayfield was appointed to serve as a Sentinel.

Friday night the Priory degree was put on by the Knights of the Las Vegas, Boulder City, and Henderson chapters. A party was given on their honor following the ceremony.

Saturday a banquet and dance were held to climax a busy day for the visitors. The morning was taken up by a business meeting which was followed by the banquet and party.

featured in a fashion show to be presented by Loretta Foster, Shirley Gilpin, Elnora Owen, Ruth Hansen, Marlene Blakely and Doris Garcia.

Attention, sophomores juniors! April 17 will be another unhappy day in your '52-'53 school year. The seniors will be gone again for one whole day. Don't feel too bad, though, because in a way it will be happy. The freshmen will be gone, too. The reason for this will be "B-Day". The seniors decided that the freshmen needed to get in shape for next year, which they predict will be a hard one, so they are going to help get them in condition by working on the

Approximately 400 bags of lime will be needed to cover the "B". The seniors are sorry that the highway department has neglected to build a road up Black Mountain, and burros not being available, someone must carry the lime, and confidentially, it is rumored that all seniors are allergic to lime, and wouldn't think of getting within ten feet of a sack, (Oh Yeah!, J. A. D..)

Oh, yes—there's the small matter of a few gallons of water. The senior committee, when interviewed said, "Don't feel bad, though. We're going to let the poor souls rest a few minutes during noon hour. (between trips)"

The seniors, as usual, will do all the work and get the credit. They must stand out in the hot sun all day, and see that the work is done; be sure no one plays hookey that day, and must be responsible for all the other hard work that goes with getting the "B" painted.

George Hargrave and LaMar Culley said, "Of course we won't know if our operation is successful in conditioning these poor souls, until the next day. (If they can still walk, we will have failed) but we think the whole school should appreciate the interest that the seniors of Basic High, put forth in helping condition the freshman for their next year."

#### POOL DESIGNS NEW WOLF HEAD MONOGRAM

After eleven years of waiting our student body finally has a wolf's head to symbolize our school's mascot—the wolf.

The wolf's head was picked from a contest which was held recently. It was picked from forty different sketches.

There were any different types of pictures submitted. Some were funny, some were serious; some looked like dogs—others looked like monkeys.

Since they were unable to pick a single winner, the judges at last norrowed their choice to two which they coulde use. Of those chosen—One is very comical—he has a very long nose, and and a short chin, Ricky Perkins was the genius who created this work of art. The other sketch, which was drawn by Patsy Pool, is a furious looking animal. This is the sketch which will be placed on the fronts of the new band uniforms.

We're very proud of these two winners. Although there is no prize given, these two have given something to their school that possibly, can never be substituted.

Judges for the contest included members of the band, Mr. Chapman Wooten, Mr. John Dooley, and Mr. Lyal Burkholder.

Hats off to Rickey and Patsy !!

## Why Should I Stay in School?

By Margie Mainor

Why should I stay in school? That's the question that's asked by almost all the students during their school year.

Especially the boys! Why should I go to school when I can get a job and earn some real dough? They never stop to think that without at least a high school education, they can never have anything nor be anybody.

They call themselves mature and think they are old enough to be their own bosses, but they never stop to think of the future and what it may bring.

If you asked about marriage, most of them would probably laugh in your face saying, "Oh, who would be that dumb?" But they'd be surprised when that certain girl comes along! Then what can they offer her? Practically nothing! It would be tough going for quite a long while. You'd have to skimp and save to have anything at all, unless you happen to be fortunate enough to get a job that has good pay, and doesn't require too much train-

It's true the service is taking almost all the graduates from high school before they can turn around, but at least those who, when they are drafted, have a high school education, are eligible for training when they return.

The girls, too, are at fault about quitting school before they graduate. Three-fourths of those who quit have the idea of marriage in mind. Their husbands are either in the service of will be drafted soon, then what will they do? Without sufficient education it is just as hard for a girl to get a good job as it is for the man. Some girls may have children by the time their husbands are called into service and it's really hard to support them on the small allotment checks which the wife receives.

If you are old enough to think about marriage and supporting a family, you should have enough intelligence to be able to plan the future and the advantages which should be in store for you.

It may be hard now, but it will be worth it in the long run.

#### Reck, Lottridge Participate In Zone Speech Contests

Donald Reck took part in the Lions zone of eech contest, which was held at the Silver Slipper last night. As a preliminary to this event, he was judged first in a Lions club speech contest held at the Swanky club on March 16. His opponents for this contest were Caryn Yeager and Bruce Kressler. The topic of their discussion was "Man's Search for Security". Mrs. Dorothy Robinson, speech instructor, coached the three contestants.

Stephen Lottridge represented Basic High School at the annual American Legion oratorical contest which was held in Las Vegas on March 13. Students from the Overton, Boulder City, Las Vegas, and Basic High Schools competed for the honor of representing this district in the state contest.

James Marshall was declared the winner by the judges. He is a student at the Las Vegas High School. Patricia Whalen, Boulder City, and Boyde Brynin of Overton, were the other contestants. Information upon request.

#### CHORALETTES FEATURED IN ST. PAT'S DAY ASSEMBLY

By CARYNE YEAGER

Music by the Las Vegas high school choralettes, under the direction of Mrs. Marjorie Dickinson, was featured at the St. Patrick's Day assembly.

Mr. George Harris, principal of Las Vegas High School, sent this message to our student-body: "Please give them our best wishes, and I hope they're entertained."

Twelve year old David Brenner, representing the spirit of "St. Pat," added much to the program with his rendition of "An

Irish Lullaby" and "When Irish Eyes Are Smiling."
Although the whole program was impressive, the students seemed to enjoy "The Little China Figure" and "Night and Day"

more than most.

The program was opened with Mallotte's "Lord's Prayer," The rest of the program was as follows:

The Heavens are Declaring Prayer of Thanksgiving

The group was organized in September, 1952 and with less than seven months of practice, Mrs. Dickinson has developed an excellent choral group. All applicants must audition with Mrs. Dickinson.

They have sung at Nellis Air Force Base, and took part in the recent Rythmette Review.

#### Junior Class Rings Arrive

March 9, was the eventful day. The junior class rings arrived. Some were set with blue stones, and the others were solid gold. There was much discussion on which was the prettier.

To' the seniors and underclassmen they were all the same. But to the juniors, each one was different.

After almost two months of waiting the class was beginning to think their rings would never arrive. The class has something to be proud of. Good luck to the class of '54.

#### Advice to the Girls

#### GAA REVERSE HELD

The Basic High School Gym was the scene of a festive rags and riches dance on the evening of Saturday, March 14, This night, which had been planned by the G. A. A. for weeks, was a happy event.

Enjoying the danceable music of the Basic High School "Swing Willies" Band were approximately one hundred happy people.

Gayly decorated booths where refreshments were sold added to the festivity of the affair.

During the intermission the crowd was entertained by several of Eddie Blankenship's "western style" guitar numbers, and George Hargrave's rendition of the lovely "Smoke Gets in Your Eyes."

Prizes for the best "rags" and the "dizziest pair" went to Leon Potter and Sandra Smith, and Audrey Pefferle and Marjorie Perrin, respectively. The "riches" prize went to Alice Helmbolt and Rodney Blue.

It was considered that, all in all, the 1953 G. A. A. Reverse was a big success.

By Jane Lottridge.

#### Art Class in Review

"The emphasis in these classes is on sketching and drawing from life," stated Mr. Warren Frank head of the art department, when interviewed by the reporter. "We have been working on portraits, charcoal still life, and poster work in our classes and the results have been satisfactory," he also stated.

Mr. Frank receives excellent co-operation from the members of his class, but sometimes things don't run smoothly. For instance, twenty-four posters were designed for the operetta, only to have the operetta canceled.

Needles pushed across four runs in the second and four in the irthd while the Wolves scored twice in the second inning on a long foul line double. The track has been graded and rolled.

New blue sweat suits have arrived and there is plenty of equipment for everyone.

Coach McDowell reported that another meet has been scheduled at St. George and if he could get more boys out and form a team it might be possible to go to the BYU relays.

So fellows see Coach McDowell about a uniform. There are all kinds of events for you.
