Other girls who tried out were: Penny Crane, Carolyn Smith, Doris Garcia, Sharon Loose, and Marlene Blakely.
The "runner-ups" in the contest will become charter members of the "Usherette" club.

By ANDY HANSEN

On October 26 the students and faculty of Basic high will move into the new school, which is located near the end of Pacific Avenue.

Decorations and facilities throughout the school are modern in style. The rooms are finished in white pine and have white ceilings. Large windows aid in assuring an adequate amount of light. Students will have ample space for seating arrangement, as the rooms are large enough to accommodate classes of thirty-five or more.
The rooms will be equipped with a two-way communication system. This will consist of a loud-speaker and telephone in each classroom. Announcements, programs, and special reports may be broadcast from the office.
The multi-purpose room, a combination gymnasium and auditorium, has a modern stage that may be used as an adjunct to the regular stage. When not in use, it may be folded under the stationary stage.

Lockers located in the outside corridor are an added convenience. Combinations will eliminate the need for keys.

It is indeed a school that we may well be proud of; and it is the responsibility of every student to see that it remains so, according to Mr . John Dooley, high school principal.

## GROUP INSURANCE PLAN OFFERED TO BASIC STUDENTS

Recently a group plan of accident protection was offered by the school. hThe insurance plan provides liberal benefits for boys and girls injured at school; on the playgrounds; while participating in athletic contests or other interscholastic contests; or while traveling in school buses to and from any school sponosored activity.

A special school child accident plan, for students and teachers, is being offered by the World Insurance Company at Omaha, Nebraska.

## HONOR OUR FLAG!

## By KAYE DAVIS

I wonder, if a test was given in high school on how to honor our flag, how many would pass?

Do you know that you should stand at attention, and salute when it is being raised or lowered, or is being carried past you in a parade? Men in uniform should give a hand salute, and other men should hold their hats over their hearts. Women hold their right hands over their hearts.

No other flag or pennant should be raised above the national flag.

The flag should be displayed every day from or near the main building of every public institution, except on days when the weather is bad.

On Memorial Day our flag honors our war dead. It flies at halfmast from sunrise until noon, after which it is raised to full staff until sunset.

The flag should be present at the unveiling of conuments or statutes, but should never be used as drapery to cover the sculptured works.

## STUDENTS CO-OPERATION NEEDED

## By JIM McCORMICK

"Our goal is to have, and to be recognized as one of the best small high schools in the country," said John A. Dooley at the first assembly this year.

To attain this goal we need the co-operation of every student in Basic high school. This means you, who are new and have constructive ideas! This means you who have attended Basic high in the past! This means you, who have moved up from the elementary school, you may be a freshman, but that doesn't mean that your ideas aren't as good as the next one's.

Being a new student presents somewhat of an obstacle. If you have constructive ideas, let them be known. Most of you will undoubtedly go to Basic high at least one more year. If you want Basic to be a better place, you must make it better. After all a school is only as good as the students make it.

There are various ways in which you may make your ideas known-through your class officers, through your student body officers, and especially your school paper.

The school board, faculty, and school administration, have done, and will do everything in their power to make this dream come true, the rest is up to you and to me, students of Basic high. .

## Chorus Elects Officers

Basic high's chorus of sixty. |licity manager; Juana Williams, seven voices has elected its officers for the school year.

Glenda Clepper is the new pres-- $\rightarrow$ ont. Students taking the other b-sitions 9 re: Mary Church, vice p esident; Kaye Davis, secretary; L. C. Bolden, treasurer; Edith Head, librarian; John Staley, pub-
property manager.
"A good number signed up for chorus," commented Mr. Chapman Wooten, music director. "We have many good voices but could use more basses and tenors."
This group is now beginning to work on Christmas music for the annual concert.

## Boulder Can Do It,

 Why Can't We?By RAY CURETON

Have you seen the new teenage building in Boulder City? Nice, isn't it? I'm sure that you have enjoyed one or more evenings there.

Do you realize that the TeenAge Club, through their own efforts, was able to bring about the Polka Dot Haven? It didn't always look as it does now.
A year ago the present club building was just a dream. They had a building donated by the government but many repairs and additions were necessary before it took on its modernistic appearance. Determined teen-agers and a group of adults who believed in them were the main ingredients of the successful venture.

For the past three years we have met in the same place, a nice place, but wouldn't it be nice to have a place of our own?
There is really no reason why we shouldn't have a club we can call our own.
With a little pushing there should be some adults around town who would be willing to help us get the ball rolling, but it is going to take more than them. It is going to take the teenagers 100 percent.

## Library Remodeled, Houses Offices

## By ANDY HANSEN

The building formerly occupied by the library has been converted into an administration building to house the offices of the superintendent of schools, Mr. Lyal Burkholder, and Mrs. Ruth Ball, high school registrar. A room for the use of the school board members has been added to the original floor plan.
Redwood and mahogany have been used in paneling the rooms. An unusual effect has been achieved in the board room by using African checkerboard mahogany on the walls.

Two large paintings by Mr . Warren Frank are displayed on the walls of Mr. Burkholder's office.

Picture windows, fluorescent lighting, and modern office furniture help to make this one of the most outstanding buildings on the campus.

## Ben Church <br> Memorial Field <br> Being Remodeled

Bleachers, refreshment stands and the ticket booths are a few of the projects being completed by the Woodshop classes during the first six weeks of the first semester.

With the approach of our first home football game Mr. Alex Kennedy is having his shop classes repair the bleachers. The refreshment stands and the ticket booths are being readied as quickly as possible for the football games.
Boys working on the projects are: Morning class: Dave Anderson, George Birkby, Bob Bordwell, Leroy Bushone, Jim Demsey, George Guthrie, Don Herman, Norman Littlefield, Richard Robinson, David Rowe, Billy Slocum, Larry Sullivan, Don Vincent, and John Walters; afternoon class: Marvin Yoss, Jim Gunnels, Narmin Ruth, David Kuhn, Leroy Helms, Jim Abbot, Joe Hornyak, Don Jackson, Marlin Robinson, Dave Shoemaker, Gene Vanhorne, Arthur Walker, and Milford Wilkinson.

## THE SACRED <br> ANGEL

## By ALICE FRONCOIS

As I lay in bed one night praying to God with all my might, I seem to see a candle flame shining, shining, so very bright. . . . Above that candle, above that light, I saw an angel so very bright, a beautiful angel, who was so fair, she seemed to have star dust in her hair.

And I heard her say in a real soft voice, "You, my dear, have got a choice, you are God's child, this is true, you are God's child and he loves you. You to him, are like a lamb, who seems to have lost his way, and yet almighty God forgives you, day by day.

God is your refuge and your protector, God is your preacher and your elector.
Let the beauty of our Lord, dwell in us forevermore.
And I said to the angel of thine, meaning God, whom I hope is mine; 'I'm poor, but I want to succeed, in order to do this I really need, the help of the Lord and the angels above, also the help of the one I love."
"And as I walk the last mile of the way, on that sacred Judgment Day, I only pray that God will see that I'm trying, and accept me ... into his Holy House."

Members of the Basic high band met September 11 to elect officers for the school year 1953-54.

Jerald Yates is president; Maurine Jackson, vice president; Ramona Church, secretary; Andy Hansen, treasurer: Glenda Clepper, librarian; Mary Childs, assistant librarian; Gayle Scott, publicity manager; Jerry Kopels, property manager.

Five seniors, two juniors, and one freshman are represented in this group, whose duty it is to help the band function properly.

The newly elected officers have met with Mr. Chapman Wooten, the band director, for their first officers' meeting.

Mr. Wooten announced that the varsity band now has thirty-two members as compared to twentyseven last year.

Band uniforms will be issued to its members the third week of school.

## P. T. A. News

In the absence of Mrs. William Compton, president of the P.T.A. Mrs. Frank Brancfield had charge of the arrangements for the annual get acquainted dinner held in the patio of the high school on the evening of September 25.
Members of the elementary and high school faculties were introduced by Mr. Lyal Burkholder.

Entertainment was under the direction of Mrs. Marjorie Dickerson, vocal director of the Las Vegas high school. The Mellotones and Choralettes performed for the group.

Car (?) For Sale
Are you interested in a bargain?
Gary Vanhorne is trying to get rid of a '47 Oldsmobile convertible. It has one good tire, the top will not go down, but that is of no consequence-you may look out the holes in the roof.
It doesn't need seat covers-just seats. The gears are all right (all three reverses work perfectly). Paint job is satisfactory.

Gary hates to get rid of the car but for $\$ 500$ dollars he will make the sacrifice.

## F.H.A. Holds First Meeting of Year

Forty girls met at the home economic cottage on Wednesday, September 23, for their first meeting and pot luck dinner.

They discussed plans for the program and projects of the year.
The projects for this year, 195354 , are:To develop greater understanding among the homes of the world; and to give emphasis to better understanding of other countries and of the different cultural groups within the community.
This year's officers are: Doris Garcia, president; Olene Kizzia, secretary; Floetta Archibald, treasurer; Ruth Hansen, parliamentarian; Dolly Garcia, song leader; and Marjorie Perrin, reporter.
Mrs. Marjorie Peck and Miss Peggy Lunt are advisors of the group.

## Lottridge Heads DeMolay Chapter

Stephen Lottridge, senior class president, is now serving as master counsilor for the local chapter of the Order of DeMolay. He succeeded Rayfield Cureton at the last meeting.

Assisting Steve in his new duties will be Gene Vanhorne, senior councilor, and Frank Porter, who will act as junior councilor.

Plans for the annual Thanksgiving dance are now being considered.

## FROM THE SIDELINES

## By TOM ANDREWS

Coach Gus Braun is badly in need of reserve strength for the football squad. If you Big Bruising, Drug-store Cowboys, who if given the chance, would have beaten Vegas, kindly report to the Shower House any afternoon after school. Coach Gus Braun would gladly let you show how, "You would have done it."

After looking oyer the crop of likely candidates around the school, it seems that more of the big boys would take their strength out on the dummies and other teams rather than local pool tables and soft drinks.

Rodney Blue, the Wolves' fullback and signal caller, will be out indefinitely, due to a bruised hip. Blue was one of the main figures in Coach Braun's attack this year. He will be missed by the team.

Norman Craft, the Wolves' big Junior right end, is making a very good showing for himself. The Weese to Craft combination is showing up very well. In fact, it was the only way the Wolves could gain against the very powerful Wildcats. After receiving a kickoff from the Ely Bobcats, big Norm ran 89 yards for a touchdown. This was nullified because he stepped out of bounds. If big Norm keeps up with his present showing, he could very well make Tri-State, or even All-State. However, his success is worthless without his teammates and their all important blocks.

## New Baseball Coach

Is John Tartan

## By DWAIN SMITH

Mr. John Tartan, our new biology teacher and baseball coach, comes from Ruth, Nevada. He was graduated from Ely high school, where he was very active in sports.
Immediately after graduating he joined the Air Force where he went to pilots' school.

Following his discharge he entered Utah State College at Logan, Utah, where he majored in physical education and minored in business administration.

He lettered three years in baseball and was captain of the baseball team in his senior year. He won the skyline batting championship during his junior year.

After his graduation on December 19, 1952, he taught school in Ely, Nevada, for two months. At this time he was recalled to the Air Force as a second lieutenant, where he served until July, 1953 Mr. Tartan is married and has two children.

## Ely Dumps Basic, 24-13

By BART MEREDITH Sports Editor

Ely was just a shoe string ahead of the Basic Wolves throughout the contest and managed to end it victoriously.
Kick runbacks, line plunges; and various passes were the main ground gainers for Basic. However, the Ely Bobcats organized its defense and held the Wolves to a minimum.

At one time the Wolves moved ahead to lead the Ely team 13 to 12 , but lost it on one 80 yard run by Ely, and a series of other plays that the Wolves were unable to stop.
The team captain is chosen from senior varsity players by the varsity squad before each game. Jerald Yates was Basic's captain for the Ely game.

## New Bleachers

## Ready in Time

For Panaca Tilt
New bleachers will be erected in time for the Basic Wolves' first home football game. The additional bleachers will seat 1200 ,and the adult fans will have first choice of the reserve section, between the forty-yard lines.
The tickets will be $\$ 5.00$ for five home games; otherwise the adults will have to go under "the first come, first serve" policy.
Mr . Estes McDoniel has also announced that the new student identity cards will be issued in the very near future. After they are issued the students will have a chance to purchase athletic cards for $\$ 3.00$, which will let them into all home football and basketball games for the $53-54$ season.

## WOLVES DROP OPENER, 52-7

Although the Wolves lost their season opener to the Vegas Cats 52-7, they hope to make a better showing in future games.
Blocking assignments, offensive ball handling, and defensive strategy were obviously on the loose considering the score was 52-7 (mostly compiled in the first half).

However, the Wolves benefited from this game by thoroughly testing the squad on defense and offense as shown by the 33-0 first half compared with $19-7$ second half.

Virgil Weese and Larry Clark were the Wolves' co-captains.
Good luck, Wolves.

## Mighty Lettermen Elect Officers

By RAY CURETON

Jerald Yates was elected president of the Lettermans Club at its first meeting of the year.

Assisting Yates in his new office will be Norman Craft, (last year's treasurer); Kent McBeath, secretary; and Larry Clark, treasurer.

## Wolves Meet <br> Unbeaten Lynx in First Home Game By TOM ANDREWS

Basic Wolves play their first home game tonight against the Lincoln County Lynx.

The Wolves were defeated by the Ely Bobcats $24-13$, two weeks ago. The Wolves can still take Southern Zone "AA" bracket by defeating Panaca tonight, and Boulder City on November 13. If either one of these teams are victorious over the Bobcats, then Ba sic would be eligible.

If the student body would get behind their team and support them through thick and thin, the Wolves could go all the way. A school that won't be beat, can't be beat, but the players can only do their part and no more. The students themselves must make the players proud to represent their school; a player is no good unless he has a goal to strive for; a fan cannot yell unless he has something to yell for. The solution is to take more interest in the football team, if you don't know anything about the sport, have your favorite boy teach you something, but above all support your Wolves!
