NANCY DILL

1953 -- HOMECOMING QUEEN -- 1953

Half-time activities of the homecoming game, which was played with Hawthorne on October 30, centered around the crowning of the queen, Nancy Dill. The queen and her attendants, Kaye Davis, Donna Bogut, Dixie Tomlinson, and Gail Mainor, rode to the scene of the coronation in a convertible driven by Bruce Kressler.

They were met by the co-captains of the Basic and Hawthorne teams, Virgil Weese, Grant Swanson, Floyd Justis and Keith Kellison, who participated in the traditional ceremony. A crown of flowers was placed on the head of the queen by Virgil Weese, and corsages were presented to the attendants by the other co-captains. Her majesty and her court were then escorted to her throne, which was situated on the visitors' side of the field.

From a throne built to resemble a huge white football, the queen and her maids-in-waiting ruled over the activities of half-time, and observed the remaining half of the game.

Under the guidance of Mr. Chapman Wooten, the high school band and majorettes participated in the half-time activities by performing several drills, forming an "H" and a "B" in honor of the two teams, and closing the ceremony by playing the school song.

Following the game, a homecoming dance was held in the high school auditorium. This was sponsored by the student council, who had decorated the gym in black and gold and blue and white in honor of the two teams. Black and gold footballs with the names of the Hawthorne team written on them were on one wall, while blue and white ones with the names of Basic's players encribed on them occupied the opposite side of the room.

The queen and her attendants held court from a throne placed between blue and white goal posts, erected at back of the auditorium.

Von Harris' orchestra furnished music for the dance.

This is the eleventh observance of homecoming at Basic High School. This year's student body president, Larry Clark, assisted by school officials, planned and carried out the day's program.

By Bart Meredith

The Basic Wolves thrilled the annual homecoming crowd with a stunning 19-0 upset of the powerful Hawthorne Serpents.

Hawthorne received the opening kickoff, but neither team could muster a drive until late in the first period, when Norman Craft stole a Serpent aerial and sped to the Hawthorne eight yard line, where he was knocked out of bounds. Two plays later Rod Blue bulled over left guard into the end zone for the score. Craft's kick was blocked.

Hawthorne again received and drove to the Basic 42-yard stripe, where Grant Swanson recovered a Serpent's fumble for the Wolves.

The Wolves started another drive that covered 70 yards, and ended with a pass from Weese to Craft, who eluded the Hawthorne safety and scampered the remaining 15 yards to pay dirt. Craft's kick was good, and the first half ended—Basic 13, Hawthorne 0.

The Wolves third tally came in the fourth stanza on a 24-yard pass play from Weese to Craft. The kick was blocked, but the Wolves had chalked up their fifth victory.

The Serpents used a 'sleeper' play on the Wolves that carried to the Basic 7-yard line, only to have the play called back for an offside penalty.

The Wolves meet the Blythe Yellowjackets tonight in what could be the deciding game for the Tri-State championship.

Moving Day Draws Near

After many delays, Basic high school will be moving to its new location the latter part of November. Final inspection of the building was made by the architects and the Federal Government on October 28.

With the installation of the intercommunication system, the building will be complete. Equipment for the classrooms is expected to arrive about November 1.

At the present time, the main

NARCOTIC EVILS EVER PRESENT

By Maurine Jackson

Wherever the dope peddler strikes, be it anywhere or anyone, there follows a seige of crimes and heartbreak.

A family, school, and community can be destroyed by this crime that degrades man's body, mind, and soul.

For the addict, the need for narcotics becomes his only thought. He will commit any crime for the money to get the drugs. For him the drugs are more essential than food or clothing, and sometimes even life itself.

It is a terrible fact that, today, even teen-agers have become victims. To quote Mr. John A. Dooley, Basic high principal: "The reason school and civil authorities become so disturbed by the threat of narcotics being introduced into a community is because it is a proven fact that all narcotic addicts suffer a complete degeneration of mind and body as a result of the use of narcotics."

Keep this fact in mind, and remember it's always: The people who sell these drugs try to give the first few cigarettes, pills or shots free. For he knows that later on you will pay any price to get more.

Mr. Dooley states: "Students should not accept cigarettes, pills, or drinks from any stranger, as it is very easy to load a standard cigarette or drink with a narcotic. It takes only one exposure to get a person started on a road of complete physical, mental and moral destruction."

Read and think about the bitter and real experiences of a drug addict. Let his misery be a warning to you to chose a way of life where you have a chance for happiness.

WHAT A CAR!!!

What a car! All the shop boys know that "un-souped up" four cylinder job of Mr. Robert Luedtke's. Of 1929 vintage, it is the work horse of the shop teacher. His pride and joy has recently been re-upholstered. It also sports a new paint job. Who did it? Mr. Luedtke, of course. Seat and door covers were her department,

while he wielded the paint brush. Recently, as the story goes, the school bus wouldn't start, and the school pickup couldn't pull it; when along comes Mr. Luedtke and his "Putt-putt." Being a man of action, he soon had "Henry" in position, and had the bus in motion before the onlookers could say "scat"!

MISS MOSS

Miss Mary Louise Moss is a new member of the Basic high school faculty. She teaches algebra and general mathematics, and is co-sponsor of the freshman class.

Her home state is West Virginia. She states that she finds a great difference in the climate of Nevada. On her arrival in Henderson, late in August, she was promised by the local residents that the heat would soon be over. Day after day she waited for this to happen. At last, at the end of October, it finally happened—a cool day.

She has taught in Nebraska, New Mexico, and Wyoming. She finds Basic an interesting place to teach.

Miss Moss did her undergraduate work at Columbia University, New York. Her graduate work includes study at the University at Zurich, Switzerland.

As a member of the armed forces, she was stationed in Italy, near Naples for a period of two years.

After her discharge from the army, she returned to Germany as a civilian employee of the United States Government.

Her favorite food while in Europe was that of the Swiss.

Skiing is her favorite sport.

Havens, Yates To Play in Navy Band

Dennis Haven and Jerald Yates were selected by Mr. Chapman Wooten, music director, to play with the United States Navy Band, during its appearance in Las Vegas, November 5.

"This is an honor that comes to few high school students; and we should be extremely proud to have musicians of this caliber in our school," said Mr. Wooten.

EL LOBO HOLDS FASHION REVIEW

DeMolay Almost Holds Hayride

By Ray Cureton

Sunday, October 25, twenty members of the Frank E. Sturm chapter order of DeMolay piled into cars and were off to the Last Frontier, where they had planned a hayride. It seemed, however, that the horses had a different idea and wouldn't budge.

The management cheerfully refunded the money, and the members left for the D-4-C Ranch for a barbecue.

After searching for the ranch for an hour they finally gave up and built their own barbecue pit in the middle of the desert. Everyone had a good time.

RAY CURETON SAYS:

I have gone through my three years of high school thinking all freshmen were just a bunch of kids who get in the way, until I met Lynn Pfeiffer, a cute freshman who attended Paradise Valley school last year.

Lynn's favorite subject is Spanish, has grown to like Basic very much, but dislikes boys who are inquisitive.

WOLVES RAMBLE TOWARD HONORS

By beating the Needles' Mustangs, the Basic Wolves extended their victories to four straight wins.

Dick Weider was Basic's captain for the game, and offered encouragement and help to the team.

Needles received, but failed to score. The ball was moved several times by both teams, until Norm Craft made a terrific 45 yard punt return for the touchdown. By making the conversion, Norm brought the score to 7-0.

Needles received, but lost the ball on downs.

A combination of plays with Blue, Weese, and Craft brought the ball to Needles' one yard line, and Dick Weider galloped over for a tally—Craft added point.

Jack Large, Needles' main threat, scored after some tricky swivel hipped running.

Basic received after half-time and marched in eight plays to the Needles 2 yard line. L. C. Bolden smashed through the line to score for Basic. Craft's kick was good and the Wolves were leading 21-7.

Needles received, but lost the ball on a fumble after several unsuccessful plays.

Basic took over on Needles' 42, and assisted by some fine well placed blocking, Weese scored the fourth touchdown.

Two plays after Needles received, Jack Large scored on another run, bringing the score to: Basic, 27—Needles, 14.

In the last minute of play Virgil Weese pegged a short strike to Norm Craft for the final touchdown and another victory for Basic.

Craft's toe was really smoking, making four out of five of his conversion kicks.

BASIC DUMPS NEEDLES 34-14

By Bart Meredith

Coach Gus Braun's varsity machinery has begun to roll on its own, with conference honors looming as one of the major goals.

Las Vegas and Ely downed Basic from the C.I.F. If White the worst because it disqualified Basic from the C.I.F. If White Pine loses its conference game, Basic will be qualified. And at the season's close, providing there is still a tie, a coin will tell who wins the HH division.

The Basic gridiron fortified itself and drove to four well earned victories in this order: Kingman, Panaca, Kingman (practice) and Needles.

The Panaca game was much needed. After extensive grid drills during the prevailing week, Basic met Panaca and downed them 24-0.

On defense Gordon Weese, L. C. Bolden, Jerald Yates, Jim Miller, and Larry Clark proved to be hard hitting tackles for Basic.

Both the Kingman games sparked by the Nava brotchers were fine contests. The latter proved exciting when Kingman began to march and scored on a blind quarter-back sneak around their own right end.

The Wolves have proved themselves as a fighting squad, and a hard one for any pennant seeker to beat.

GAME RESULTS

- Basic, 7; Las Vegas, 52.
- Basic, 13; White Pine, 24.
- Basic, 23; Kingman, 13.
- Basic, 24; Panaca, 0.
- Basic, 33; Kingman, 7. (practice).
- Basic, 34; Needles, 14.

BASIC VS. BLYTHE IN TOUGH CIF TILT

By Dwain Smith

Tonight the Basic Wolves will meet the Blythe Yellowjackets at Ben Church Memorial Field. With five straight wins under their belt the Wolves have been prepping for the sixth.

Blythe has won seven straight with no losses and they are the defending tri-state champions.

Basic played a tough game against Hawthorne and came out on the winning end. The week's practice has been rugged and scrimmages were held on Tuesday and Wednesday.

This game will probably be the deciding factor for the Tri-State championship. Blythe has never been scored on more than seven points and has had wins over Boulder, Needles and Kingman, all with respectable scores.

Coach Braun informs us that if we beat the Blythe game we will be eligible for the CIF playoff in California, which is an honor that Basic has never had the privilege of winning.

The probable starting lineup for the Wolves will be: G. Weese, N. Craft, ends; L. Clark, K. Har-

JayVees Take Opener, 19-0

By Dave Caulkins

The junior varsity chalked up a 19-0 victory over the Boulder City jay vees in the Wolves season's opener.

Joe Hornyak scored the first touchdown for the Wolves on a five yard jaunt through the line. In the third quarter (little) Jim Miller threw a thirty yard pass to Harry Duty in the end zone for the second TD.

In the fourth quarter Miller threw a pass to Don Detomasi in the end zone for the final touchdown. The extra point was added by Joe Bills.

On defense, Bernard Cannon, Richard Heitbrink, and Jerry Kopels turned in a good game:

ris, tackles; F. Nye, D. Smith, guards; G. Yates, center; R. Newman quarterback; R. Blue, fullback; V. Weese, K. Barnum, halfbacks; G. Swanson and Dancer will be our defensive specialists.

Other boys should they be needed are: Linemen, Miller, Detomasi, Caulkins, Taney, Sloan, Sendlien, Hall, and Salamy. Backs: Meredith, Porter, Anderson, Barker, Bolden and Weider.
