## NEW "B" IS CONSTRUCTED

Sunshine and lots of vigor helped to make the annual 'B' Day a success. The 'B' was reconstructed on a new and more accessible site with the help of the faculty and students. Mr. John Tartan and Mr. Don Smith supervised the stone-laying.

The bucket brigade was made up of all the strong and able-bodied girls, with the Misses Peggy Lunt and Frances Goedde in charge. Senior boys patrolled the job to see that all safety rules were in full swing, and the remainder of the "strong" men did the white-washing.

### FUNNY HAPPENINGS

Some of the funny happenings centered around Mr. Robert Luedtke and his black charger, called "Ford", you could call it, "Model A". Mr. John A. Dooley was fortunate enough to sample this spirited animal.

Who was the mean critter who left that pretty little horse standing in the hot sun? There will be a reward of "five ice-cubes" for anyone having any information dealing with this unforgiven crime.

The happiest moment of the day, was when the water truck arrived. The truck wasn't much to look at, but my oh my! it was real popular. Mr. Estes McDaniel and crew did a fine job and looked like, "a little bit of heaven", to the hot thirsty workers.

We thank Dallen Williams and Norman Walker and others for helping us poor souls through the desert.

Nothing serious occurred in the way of accidents. It must have been the good job the boys did in patrolling? Sorry to say, there was a little lime thrown here and there. Some of the unfortunates got it in their eyes. This could have proved to be quite painful, but with Mrs. May Carpenter's first-aid station just around the corner, with Glenda Clepper and Don Reck on duty, everyone recovered nicely.

## Junior Assembly Provides Television Show

On April 9 the junior class presented a day of telecasting at KBHS to the students in the multi-purpose room.

The first program of the day was "looking and cooking", featuring Barbara Shepherd making a tossed salad.

"How to Apply Make-up", was shown by Maurine Jackson, Colleen Oviatt, and Shirley Walker.

Weather-reporter, Bob Riggins, and sports reporter, Bill Forshee gave forth with the latest happenings in their fields.

An outstanding event was the championship basketball game between the Basic Wolves and Vegas Polecats. Norman Craft, Al Albrechtsen, Jim Miller, Cliff Stafford, Bruce Meeks, and Gordie Weese, referee, played on Basic's team. Jim Swanson, Bob Riggins, Marlin Robinson, Phil Hicks, and Kendall Barnum played for the Vegas Polecats. Barbara Shepherd acted as the Polecats' cheering section. Gayle

## Career Day May 10

Basic will hold its first annual Career Day on Monday, May 10, during the afternoon classes.

Each student selected six occupations in which he was particularly interested. This was done during registration, which was held Thursday, April 22. Schedules will be returned to the students on Career Day. The time and room number where the various informative talks will be held will be indicated on the schedules.

Outstanding speakers in the various occupational and professional fields will tell the students the "Whys" and "Wherefores" of their chosen work. Among those to be presented are: accountant, airplane stewardess, architect, auto mechanic, bank worker, beautician, building contractor and

## SPRING CONCERT TO BE HELD APRIL 29

With the coming of spring, the band and mixed chorus of Basic high, directed by Mr. W. Chapman Wooten, presents its annual spring concert April 29 at 8 o'clock, in the multi-purpose room of the high school.

The band will play these selections—"Rio Grande", "Soiree", "One Beautiful Day", "Kom Suser Todd", "Las Spring, and a novelty number, "Musical Memories."

Wearing flowing choral robes, the mixed chorus will sing "Dark Water," "Czecho-Slovakian Dance Song", "As Torrents in Summer", and "Nursery Rhyme Suite."

To climax the evening, the chorus will sing selections from "The Desert Song" — "The Riff Song", "One Alone", "Romance", "The Desert Song", March Song".

Ninety-four students will take part in the evening's presentation.

"We have enough good talent to put on an excellent concert, provided the students work a little harder," was Mr. Wooten's comment concerning the concert.

## "Golden Touch" Theme of Prom

Glittering gold dust, gilded roses, soft shaded lights, and misty drapery of lavender surrounding the ballroom, captured the theme "Golden Touch", of the Junior Prom held April 10, at the high school.

This original theme depicted the tale of the "Golden Touch" of King Midas.

Climaxing the evening was the crowning of the queen, Florence Prince. Her four attendants Donna Bogut, Arlene Coleman, Penny Crane and Janet Highfill received corsages.

Penny Crane was chairman of the prom committee, with Don Detomasi as prom theme chairman.

Vaughn Harris' orchestra provided music for the dancing.

Iced punch, and cake frosted with gold, were the refreshments served.

It was announced on Friday, April 9, by the University of Nevada Press Club that the Lobo News had, been awarded first place in the state for the best printed high school newspaper for the third consecutive year. Second place went to Sparks high school.

An award will be sent to Basic high school soon.

## Youth Center Funds Increase

Approximately \$7,000 of the \$60,000 required for the building of the proposed Youth Center has been raised to date by individuals and local business concerns. Various school organizations and classes have reached their goals, and have turned in their contributions. Pledges or cash or as follows:

Clubs	Pledge	Paid
FHA	100	100
GAA	100	50
Lettermen	100	100
Band	50	50
Girls' Glee	25	25
Sophomores	25	25
Teen-Age	400	400
Juniors	100	100
Commercial Club	100	50
Student Council	50	50

Labor unions in Las Vegas have offered their services for a donation. Also various clubs in school have contributed nicely, this has been appreciated by the board.

At a recent meeting of the board, the city council notified them that as soon as they could obtain a deed for the land and hire a building superintendent the actual construction will begin, which should be in the near future. This board is definitely a branch of the city government and the building will be a city building, primarily for the youth.

Up to date a site has been donated by BMI. It is just above Basic Road. The plans for the building have been drawn by Mr. Miller with his services donated.

Also a director will be hired for the Youth Center. He will have to have a degree in recreation to qualify and will be paid jointly by the city and the school.

**SPRING IS IN THE AIR**

By Jerry Perkins

Spring is sprung—too tired to do any work, don't give a hoot, breathing the fresh spring air, all of these add up to one thing; that's "spring fever."

"Feel so gay in a melancholy way, that it might as well be spring." Spring fills the air and an old familiar longing for the great outdoors comes into being.

Fresh cut grass, lawn mowing, trimming trees, ugh, what a thought!

A clear day, the fresh cool breeze, the green foliage and that melancholy feeling reminds us once again that spring has finally sprung.

**"WHY I AM GLAD TO BE ALIVE"**

By Suzanne Schwartz

"Why I am glad to be alive."

As a graduating senior, I have hundreds of reasons to be glad that I'm alive. As I look into the future I begin to fully appreciate what high school has done for me; not only the knowledge I've received or the fun I've had but the friendships I've made—friendships which I hope will last for many years to come. Often I have heard it said that these are the friendships which will be tried and found to be true. As a famous poet once said, "These friends are new, these friends are old. The first are silver, but the second are gold."

**A Hopeless Reporter**

I think that I shall never see,  
 an editor like he,  
 Make-up Ed. that's our Dwain,  
 and great honors he will gain,  
 Even though he is my foe, he's  
 wonderful (at least some say so)  
 Never does a day go past, that  
 he doesn't say "Alyce, this is  
 the last"  
 I write and I write, and I try  
 real hard,  
 And yet my stories from the  
 paper, Dwain bars,  
 Well, I'll keep on trying, and  
 who can tell,  
 Maybe he'll give me a by-line,  
 Would that look swell!

**Speech Class Has Picnic**

Speech class members and guests held their annual picnic at Las Vegas Wash on the evening of April 7. Those present were: Miss Gertrude Dedrich, Mrs. Dorothy Taylor, Colleen Taylor, Anita Taylor, Bruce Kressler, Sandra Mathewson, Kim Lawson, Richard Weider, Ramona Church, Sharon Williams, Dell Locke, and Mrs. May Carpenter.

**Inquiring Reporter**

What do you think of the new curtains in the multi-purpose room?

Florence Prince: "Give them back to the Indians."

Shirlee Banks: "Get a stick and kill it."

Olene Kizzia: "At least they are different."

Loretta Foster: "Real Crazy."

Marlene Blakely: "I cannot tell a lie, I really like them."

Dwain Smith: "I wish they were gone, real gone."

Bart Meredith: "Real cool man, real cool."

Jack Johnson: "Keen dad."

**DeMOLAYS ATTEND CONVENTION**

Jack Gandrud, Gene Vanhorne, and Don Williams, delegated for the Frank E. Sturm, Order of DeMolay, attended the fifteenth annual convention at Ely, Nevada on April 9, 10, 11.

Gene Vanhorne was elected State Junior Deacon, and Jack Gandrud was appointed State Deputy. More than 80 boys from these cities attended: Fallon, Sparks, Reno, Ely, Carson City, Las Vegas, and Henderson.

**Library Gets Scores of New Books**

Do you have a library card? If not you are in the minority and missing out on a lot of good reading. Since Mrs. Martha Millick officially opened the library for business, 326 cards have been issued. At that rate someone must be reading.

But then, you are probably one of these people we say, "I don't like to read." So this article is of no interest to you. Before you do turn the page, will you answer one question? How do you know you don't like to read? Maybe you have never enjoyed it because you didn't happen to have the right book. There is such a variety of books in the library that it would be impossible to name even part of them. Furthermore, there are 192 more new books on the way.

The boys seem to like the sports stories and science fiction best. But just because you are a boy doesn't mean you have to read these books. And that goes for the girls, too. Most of the gals are reading stories on careers and the lives of other teen-agers, but you can certainly make your own choice.

Perhaps historical novels are among your favorites. Well, you aren't alone there, either.

If you happen to have an interest in science, you may be very pleased to know that there is a new set of reference books called The Book of Popular Science. There are ten volumes containing information on everything from the Universe to household science.

If you need information on a certain country and its people, you will find the seven books of Lands and Peoples just what you are looking for.

The 1954-1955 edition of "Who's Who in America" has arrived, too. Anyone you care to know more about?

You sport-minded boys who like to browse through the Field and Stream magazine have an unknown friend. Someone has sent the library a subscription to this magazine. There is also a new Nature Encyclopedia of America for you nature lovers.

All in all, the library has quite a variety of literature. The next time you have nothing to do in study hall—don't go to sleep. Take a look around, you may be surprised when you find something to interest you.

Students who don't have study hall in the library aren't out of luck. If you are in one of the divided study halls, you may get a pass slip to the library. If you don't have a study hall, Mrs. Martha Millick is in the library for at least twenty minutes each day after school.

**Looks Like There's Competition**

Get in line girls, there's a new boy in school, and his name is Mario Rose.

He was born in Rome, Italy in 1934, and left there when he was 12 years old. He tells some mighty strange facts about this city across the ocean. The students there are required to take twelve solids per day! Also, the girls aren't allowed to date or wear lipstick until they are of age. After she turns 18, she may date if her little brother or sister accompanies her.

Last year Mario attended Boone high school in Orlando, Florida.

He is 5'5" tall, has blonde hair, brown eyes, weighs 145, and is 19 years old.

He is a proud member of the sophomore class and his favorite subject is chorus.

He enjoys playing the harmonica, and we understand he's quite good.

Wherever there's the scent of fried chicken, you'll find Mario.

He enjoys playing the harmonica, and we understand he's quite good.

A few years back, the German troops took over Rome, Italy, and made some air bases there so the students were unable to attend school.

**Save My Child!**

"Fireman, Save My Child," pleaded a loud voice from the multi-purpose room.

A passerby, on rushing to the rescue of the poor child, found the voice to be that of Anita Taylor, noted for soft tones, practicing for her part in the Masquer's play, which will be presented May 5 for the elementary school. Proceeds will be donated to the Youth Center Fund.

Intent on a scoop, the Lobo News reporter set about the grim task of interviewing the members of the cast.

Choosing her first victim at random, "Scoop" Francois questioned a medium sized girl with long brown hair and an innocent face who stood nearby.

"Your name?"

"Betty VanSickle."

"What part do you play in this melodrama?"

"I'm Mrs. Julie Quengle"—

"Can you give me a description of her?"

"She's a sweet looking woman in her late fifties; her hair is snow white, and her complexion smooth", (Ponds—you know!)

Next suspect was a slight blonde boy of tender years.

"Who do you portray—the villain or the hero?"

"The hero!" "What are you

## CAR CLUB

An invitation to participate in the annual Industrial Days Parade, May 7, 8, 9, has been accepted by the Charioteers.

Following the parade, the better customized cars will be parked in the roped-off space where the public can examine them at close range.

On April 15, the Charioteers began a course in first aid, under the instruction of Mr. M. C. Hudson.

This course is also being given to the Henderson police department.

Recently the Charioteers and guests enjoyed a picnic at Mo-have Lake.

Two mishaps were reported. One member ended up on the wrong side of the lake, and another broke a radiator hose while going up Railroad Pass.

## Shop News

For the past six weeks the machine and woodshop students have been busy working on their assigned class projects. Both shops helped with the work on the new baseball field. An arc-welder has been added to the machine shop equipment.

## Spanish Club

Caramba! Quick, the punch! The tortillas, frijoles, and tamales served at the Spanish club dinner brought such cries from a few unsuspecting students, as they had their first taste of Mexican food. They soon cooled their burning throats with the punch, made with Mr. Marlan Walker's special "formula".

April 1 was the date, and Gilbert Hall the scene of the dinner.

During the dinner, a background of Mexican music provided the atmosphere to go with the Spanish food.

Spanish club members, Faculty members, and high school students were those attending.

For the program, Mr. Walker sang and played his guitar, Ramona Church sang several numbers, and Maurine Jackson played a piano solo.

After the program, records provided music for dancing.

## COMMERCIAL CLUB

Commercial clubs from Las Vegas and Boulder City will be the guests of the Basic commercial club at a tea today, April 23, at 4 p.m., in the multi-purpose room of the new high school.

BHS Usherettes are writing a constitution for their club.

This constitution contains many rules — for example: President must be a two year member; (2) the club will contain only 25 members; (3) all members must be upper classmen; (4) and they must attend three-fourths of the meetings in order to win a pin.

Ice cream is being sold at noon and after school in the home economics department, to raise money for their Youth Center pledge.

Activities of their first year include ushering for the Las Vegas Band concert, junior play, and school assemblies.

Mr. Walker and his wife, Colleen, have two small sons, Randall 9 months, and Marlan Jr. 3.

The Sun states, "Walker, as a teacher is liked, respected and thoroughly enjoyed by his students at Basic high school."

Mr. Walker has a five year background of Old Mexico. The article goes on to state, "Walker brings the color of gay Mexico to his students as he plays caballero style music and sings songs in the native Mexico tongue to them."

The article also told of the plan he inaugurated to take pupils to Mexico for a trip, and of the trips' advantage to the students.

All television studios must have a private detective, and this one produced Sam Shovel, alias Don Detomasi.

Louella Parsley, Sheila Brancfield, had to listen to Penny Crane's "hog call".

A scene, "From Here to Eternity", depicted Rodney Blue as St. Peter; Norman Craft, Gabriel; John Korthis, Mr. Smith; Kendall Barnum, Coach Lunt; Phil Hicks, Mr. Gallinger; Jim Gunnels, Mr. Walker; and Don Detomasi as Mr. Dooley.

Starring in a night club debut were the "Four Jokers"—Dwain Smith, Jim Miller, Eddie Johnson, and Don Detomasi. In the same night club scene were Colleen Oviatt and her accordion; a baseball reading by Shirley Dunn; Juana Williams and her steel guitar; Lillian Bauer portrayed "The Little Match Girl"; Gayle Scott, Donna Bogut and Alyce Hembolt did a dance entitled "Mint Juleps", followed by a coronet solo by Tony Bastanchury.

George Guthrie and Bob Rigins were in charge of props.

### BASIC TRACKSTERS PLACE FOURTH AT DIXIE

Twenty-six points were amassed by the Basic Wolves as they took fourth place in the Dixie Relays at St. George, Utah, April 3.

Kim Lawson won both dash events with a 10.4 in the hundred and a 23.5 in the "220". Other trackmen adding to the cause were: Bruce Meeks taking third in the "880", Bob Barker, second place in the "440", and Dick Weider winning a fifth place in the century. John Korthius finished second in the mile.

### Vegas Edges Wolves 2-3

Leading the Las Vegas 'Cats by two runs, top of the 7th inning, April 20, the Basic Wolves encountered trouble. When the dust cleared, and the stands quieted—the Vegas 'Cats were found gloating in their dugout, after stealing their second win in Southern Zone competition by a score 3-2.

With two down, and men on first and second, Overton Curtis dribble to Ray Martinez, who threw the ball into right field, and McCann scored the winning run.

### Blythe Scores Double Up-Set

Blythe YellowJackets took double victories by downing Basic 10-9 in baseball and sweeping a victory out of the Wolves' hands by taking a first in the last event to net 53½ points to Basic's 50½.

Basic received its third loss in six starts as a hard blow for CIF, the game being important was thus played hard and fast but the Wolves failed to stop Blythe's winning streak.

### Virgil Weese Leads Basic Batting Average

With the baseball season well under way, three Basic hitters, Virgil Weese, Eddie Johnson, and Doug Lottridge, are batting well over the 400 mark.

Leading in the R. B. I. department are: V. Weese with six, D. Lottridge with 5, R. Blue with 3, and E. Johnson with 2.

Rod Blue, Steve Lottridge, and Virgil Weese have all poked circuit clouts.

Team averages are as follows:
