HENDERSON, NEVADA

Volume 4, No. 2

November 5, 1954

## FIRST AMENDMENT ADDED TO CONSTITUTION

Constitution of Basic High School was passed by a large majority student vote on October 25. Amendment I changes Article X, Sections I and 2, which is the cheer leading clause.

The clauses, which called for cheerleaders to be elected in the fall, has been amended to read as follows: cheer leading try outs will be held during the third week of the second six week period in the second semester. Any student who wishes to try out will do so individually. Registration will be held during the second week of the second six week period.

This will give the elected cheer leaders all summer to practice together so they will be prepared for the first football game.

Of the students who voted during their first period class, 471 voted "yes", and twenty-five voted "no."

The student council feels that this amendment will overcome many difficulties encountered in the past during fall tryouts.

### Honor Roll Released

Ten freshmen, eight juniors, five seniors, and five sophomores achieved Phi Beta Sigma during the first six-week period. In order to qualify for Phi Beta Sigma a student must make fifteen points in four subjects or nineteen points in five subjects.

Twenty-six sophomores, twenty-four freshmen, twenty-two seniors, and sixteen juniors were named to the "B" Honor Roll. Twelve points in four subjects or fifteen points in five subjects are the requirements for this honor.

Students named to Phi Beta Sigma are: freshmen Nancy Birdler, Katherine Clift, Perry Cordill,

### Donna Bogut Crowned Homecoming Queen

Donna Bogut was crowned queen of the eleventh annual homecoming game October 22, on Basic's field, which was decorated for the occasion by the student council.

The queen and her attendants were driven around the field to the 50 yard line, immediately in front of the grandstand. Here they were met by the captains of both teams. Donna was then crowned by Norman Craft, while Bob Barker pinned gardenia corsages on the attendants.

Linking arms the group marched across the field to their thrones, which had been decorated in blue and white crepe paper.

Basic's band, under the direction of Chapman Wooten, formed a crown while they played a song in tribute to the queen.

### Schools Participate In Education Week

American Education Week will be observed by the Henderson Schools on the evening of Wednesday, November 10, between the hours of seven and nine-thirty p.m. Open house will be held at all schools in the Henderson district. On that evening parents and other guests are extended a cordial invitation to visit the classrooms.

On Wednesday afternoon, November 10, all classes will be dismissed by 3 p.m. Regular transportation facilities will be available to students who usually ride school buses.

Mr. John Tartan, Driver Education instructor, and one of his pupils, Sandra Neighbors are shown with '51 Ford which "Future" drivers propel around the back roads of town.

### Drivers Course Offered at Basic

John Tartan has undertaken the job of Drivers' Training this year. His implement of teaching is a 1951 Ford donated by the Public Service Commission.

This is soon to be replaced by a 1955 model donated by the Lloyd Trittle Company of Las Vegas. A yearly replacement will be made through the generosity of this firm.

Mr. Tartan urges all future aspirants to the class to register for next semester by the second week in November. Students sixteen or over are preferred as this is the age requirements to obtain a beginners' permit.

### Basic Will Observe Veterans Day

Veterans' Day, November 11, will be observed with appropriate exercises by the Basic high school student body and faculty.

School will be dismissed following the program.

### N. R. O. T. C. Tests Held This Month

The examination for NROTC, will be held in the very near future, for the senior boys who wish to take advantage of the opportunity. This program carried on by the Navy, is primarily aimed at getting future officers for the Navy. Those candidates who are successful in passing the mental and physical tests will have the chance to go to any one of 52 designated colleges, which offer NROTC training. For further information please contact Mr. Dooley, as soon as possible.

Steve Lottridge and Jack Norris are now attending Stanford University, and the University of New Mexico on NROTC scholarships.

"From the Blue Jays"

He walked her to the front door she whispered with a sigh, "I'll be home tomorrow night." He answered "So will I."

Gosh! Freshmen are sure small this year!

### Why Should I?

By WAUNITA COMBS

Dear Editor:

Why should I have to pay class dues, buy an annual, or subscribe to the newspaper?

Sincerely—John Doe

Dear John:

In a democracy the people contribute to the support of those mediums giving them a voice in the affairs of government and the welfare of their organizations.

Your class dues correspond to the taxes you will pay in an adult society. Your subscriptions to your paper and annual guarantee their publication; thereby assuring you of a record of your activities while in school. Without your contribution the whole system fails.

Class dues afford you the privilege of voting on matters pertaining to student government. They also help to pay for the various functions held throughout the year — the Freshman Frolic, Sophomore Reverse, Junior Prom, and the Senior Ball, not to mention Senior Ditch Day.

Your school paper keeps you informed on the day-to-day happenings of your school. It also serves as a permanent record of your school days in a more detailed form. It is the voice of the student body, and forms a link between the school and the local community.

Only one possible solution occurs to me — pay your obligations to Basic High School and become a full-fledged citizen.

### ALL FOR OUR COUNTRY!

By JOHN STALEY

On October 1, 90 years ago, another state entered the union. A large area with few people — Nevada — instead of looking at Nevada's past. Let's look into the future.

Nevada is the fastest growing state in the nation. High school students of Nevada are on the ground floor of this great growth and many of you will be leaders in its progress and destiny.

For the most part, Nevada is a youthful state, with many young people governing it's progress. The sole representative to congress is one of the youngest men in Washington.

Many of you are new to Nevada and can't understand why your parents ever moved to such a god-for-saken country!

Ask anyone who has lived here for a while—they love it.

1950 marked the turning point for the progress of the state. People were encouraged more to come and live here. And they did!

No state can offer you more opportunities than Nevada, and it is just beginning to develop its vast resources.

You can help form it's progress and future, for you are the future. As the state motto says—"All for our Country!"

### Through the Years

From the October 31, 1945 Lobo News:

From the grammar school we hear that Basic high will soon have several young geniuses, according to the honor roll released by the teachers.

Honor Roll: Third Grade, Room H: Carol Ann Jones, Rodney Blue, Gayle Milne, John Staley.

Honor Roll: Room I: Sheila Brancfield, Harry Lattin, Gene Highfill, Kay Reid, Barton McMillian, Penny Crane.

From the October, 1947 Lobo News:

Things have certainly brightened up around here now that the rumor of getting new field lights has materialized.

Coach McDoniel has hopes that they will be up for the game between Panaca and Basic.

Joke from th November, 1948, Lobo News:

Teacher: What's the head of an Indian tribe called?  
Pupil: The Chief.  
Teacher: And what is his daughter called?  
Pupil: Mischief.

### "To Be or Not To Be!"

By SHEILA BRANCFIELD

"To be or not to be!"

Shakespeare might have "rolled over in his tomb" last week at the interpretation Basic students gave his famous dramas. After viewing "Hamlet" at the Victory Theater, and then studying MacBeth in English IV, many students were sure they could better the Shakespearian actors by far! But did they? By way of comment we direct your attention to the English teachers, who stuffed their ears with cotton so that they might escape the rasping sounds.

All kidding aside — the movie, which Mr. Van Wagenen was kind enough to arrange for the Basic students, was appreciated by all those who attended. Thanks, Van!

And in parting, to you Shakespearians, in the words of Polonius:

"This above all to thine own self be true,  
And it must follow, as the night the day,  
Thou canst not then be false to any man."

### KBMI INVADES BASIC

"The High and the Mighty" .....Mr. Dooley  
"There's No Tomorrow" .....Wishful thought on Sunday night  
"The River of No Return" .....Mr. McDoniel's Office  
"Teach Me Tonight" .....English IV, 1st period  
"They were Doing the Mambo" .....Wait 'till the Bopsters hear of this  
"Forever and Ever" .....Until Graduation  
"Baby It's Cold Outside" .....New rooms Without Heaters  
"How High the Moon" .....Archery Classes  
"Money Burns a Hole in my Pocket".....Then why not buy an annual  
"I Understand" .....Some parents on report card day  
"Dragnet" ..... "Jiggers, the cops"  
"Ragg-Mopp" .....Ken Harris' new Hair Do ?

### Initiation Supper Held

"Hola Senores y Senoritas".  
Initiation of the new "Los Charros" members was held Monday evening, November 1, in room 16. Food, for the supper, was brought by the new members, while the old members just brought themselves to see the fun. Most of the evening was taken up with the initiation, but plenty of time was left to eat the fun filled supper.

Mr. Marlan Walker has given his Spanish classes a "Parliamentary Procedure" to be learned in Spanish. This procedure will also be used for Spanish Club meetings. Students reaction to this — We'll get along if we just remember our "el's" and "la's."

### Band Personality of Week

Sharry McBeath has been named the outstanding personality for the week of October 26 by her fellow band members.

She is a junior, and loves to play the drums. Her activities include membership in the Swing Willies, a dance band composed of Basic high band students and playing in an all girl orchestra — she being the only non-professional in the latter group.

Last summer she was one of a group of students, who accompanied Mr. Chapman Wooten to Logan, Utah for an annual music clinic.

Sharry is a native Texan, having been born in El Paso, Texas.

She moved to Henderson when she was in the third grade, and has attended local schools since that time.

Women can keep a secret just as well as men, but it takes three or four times as many of them to do it.

### Commercial Chatter

"This is a hot-dog?"  
"How about a Pom-Pom?"  
"Say, lady, if I go out and collect bottles, will you give me a free bottle of pop?"

These maddening questions and many more were hurled at Commercial Club members as they sold french-fried hot dogs, pom-poms, pop, and coffee at the Homecoming Game, October 22.

Commercial Club is really hopping these days. All of the members are taking a very lively interest in all club projects, according to Penny Crane, president.

The last meeting was spent making the blue and white pom-poms which sold like hot cakes. While tacking crepe paper to wooden pegs, the members also ate ice cream, and talked over future club projects. Much can be expected from this bunch, so keep an eye on them.

### Hutson Orders Skates

Fifteen pairs of roller skates have been ordered for the Rollerettes, according to Miss Pat Hutson, sponsor. Of these, three pairs have been sold, and the other twelve pairs may be purchased by those members desiring them. Get your order in early!

At present the girls are working on "balance." It is hoped that a definite routine can be developed for use during the basketball season.

Examiner at Driver School: "What does it mean when a woman is holding out her hand?"

Male: "It means she's during left, during right, backing up, going to stop, or waving at someone."

### Odd Garb, Odd Gab GAA Initiation

"Good morning, Mr. Water-fountain, sir. May I have a drink" This odd sounding request, coming from a group of peculiar looking girls, caused much wonder and many shocked expressions during GAA initiation. All new members were required to salute each water fountain and ask permission before getting a drink, as well as numerous other stunts.

Yes, those girls you saw running around in "crazy-mixed-up" garbs were the new GAA members. All of the "old" members commented on what good sports the girls were, and what a great success the initiation was.

Oh, by the way! In case you were wondering what happened in the MP room that evening — it's a secret!

But if you join GAA we'll let you in on it next year.

### DeMolay Elects Officers Basic Makes TV Debut

At the October 7 meeting of the Frank E. Sturm Chapter, Order of DeMolay an election of officers was held for the coming six months. They are as follows: Frank C. Porter Jr., master counselor; John Korthius, senior counselor; and John Millick, junior counselor.

Appointed officers include: Don Detomasi, senior deacon; Claude Fenwick, junior deacon; Jerry Kopels, senior steward; Bart McMillion, junior steward; Gary Lee Press, chaplain; Ray Martinez, marshal; Gail Shutt, orator; Charles Korthius, standard bearer; Tony Bastanchury, almoner, and Billy Forshee sentinel.

Perceptors chosen, in their respective order, are: Richard Corn,

### M. P. Room Scene Of F. H. A. Initiation

F. H. A. initiation was held October 13 in the multi-purpose room at 7:00. Eloise Lamereaux, vice president, took charge of the meeting until new officers were initiated.

Acting as Spirit of Home Economics was Margaret Seidlien. The secretary was Nancy Watts; and the guides were Patsy Kizzia, Geneva Gunter, Corolyne Smith, Gloria Wade, Deanna Williams, Mary Ann Purdy, and Janet McCormick.

Initiates were Wuanita Combs, Joleen Bersten, Jessie Cady, Alice Cortez, LaDonna Edwards, Edna Carol Gilliland, Mary Goff, Leonora Grady, Judy Hanly, Monn Tartle, Gayle Herman, Jane Hoppe, oJan Hoppe, Sunny Jackson, Rita James, Marilyn Jessipe, Nancy Knowlton, Patsy Lopeman, Alice Mann, Willia Martin, Gloria Martinez, Rita Mason, Emma Payne, Jacque Perrin, LaVern Pool, Margo Purdy, Linda Somerton, Sharon Staley, Isabel Talbot, Carol Turnbeaugh, Sharon Twitchell, Donna Webb, Marilyn Williams, and Mary Yarbrough.

Charles Salamy, Philip Hicks, Jack Gandrud, Jimmy Pitts, Don Williams, and Gene Highfill.

## New Seniors Come From Seven States

New seniors at Basic this year come from far and near. States represented include: California, Illinois, Washington, West Virginia, Utah, Oregon, and Oklahoma.

Pennie Sproul joins us from Dixie High in St. George, Utah. She is an old married woman of 17 years of age. She likes Basic, especially the abbreviated schedules on Friday.

From El Monte High, El Monte California, comes Hl Whitfield, a 17-year old senior. He prefers motorcycles to cars and his favorite sport is football.

Transferring from Santa Monica is Loretta Hernandez also. Her favorite pastime is Hawaiian dancing while her ambition is too become a professional dncer.

A new arrival from Paris High, Paris, Illinois, is Ronald Perrish. Ron is 18 and prefers basketball to other sports.

Moundsville, W. Virginia transfer is Mary Jo Campbell, who is 17 an prefers to be called 'Jo.' She likes to dance, especially to Glenn Miller platters.

Another new face at Basic belongs to Connie Hadley, who hails from Gresban, Oregon. She is 17 and especially likes to go horse-back riding.

A possible addition to our basketball tam is 18 year old Melvin Mathewson, who recently moved here from Cedar City, Utah.

A credit to our school is honor student, Wuanita Combs, who joins us from Seattle, Washington. She enjoys all sports and loves to dance.

The friendly attitude of the Basic students has made a great impression on Judith Douglas from Oklahoma. She likes to roller skate in her spare time.

We'd like to welcome all you newcomers to Basic and we hope you like it here.

## T-V PANEL

Saturday, October 16, six local, music-minded teenagers buzzed to Las Vegas to make their debut on the Martin Black TV show.

Rodney Blue, Don Detomasi, Evelyn Royster, Eddie Johnson, Sharon Loose, and Anita Taylor smiled, chattered, and listened their way through half an hour of "decidedly different" music.

Other celebrities appearing on the panel were Cab Calloway, who recently received the George Washington Carver award for his contribution to music, and Chey Reys. Strange as it may seem, these gentlemen didn't seem "hep" to the teenagers' tastes in music.

Unfortunately, comments of the panel members seeped out over the air waves while the control men were attempting to straighten the picture. These were enlightening to say the least. Their relation to music was doubtful.

Eddie's red shirt and Rod's purple one were commented on; while Don's date for the Reverse helped to round out the discussion.

At last the "off the air" signal was given, and an audible sigh of relief breathed through the sation teenagers, celebrities, and control men alike.

"How did I look, Mom" could be heard in six homes following the broadcast, as the experts appealed to their nearest and dearest for criticism.

## Wood Shop Takes Tests

Wood shop students have taken safety tests, instructing them in the operation of all power machines. These tests have proved their worth, since the boys are operating their wood-turning lathes frequently.

The students have built a playhouse for the kindergarten. Their next required project is to construct a saw-horse.

## CHARIOTEERS PLAN MANY EVENTS

By ROD BLUE

With a couple of "thinks" on their minds, the Charioters are a busy group these days. A proposed trip to Los Angles and a matter of jackets are being considered.

"Motorama," a yearly event where all the great custom and "Go" cars in the United States are shown, is the goal of every hot-rodder. This is to be held in Los Angeles in the near future.

Members who have not received their jackets spend most of their time at the meetings lighting fires to keep warm. Let's hope that it doesn't snow before Christmas!

The Charioteers will be the first club in the state to build their own car. With the installation of the motor, which is now on its way from California, the roadster will be ready for action.

To all gear-grinders-a word of advice: take it easy, because dents are hard to take out of broken bodies.

## Students Display Crafts

Projects made by metal shop students have been placed on display in the window at the Nevada Hardware Store. One of the features is a wrought iron coffee table.

Nevada Hardware is carrying the display and taking orders for these as a service to the school shop. Each student is required to make a coffee table, thus providing craftsmanship experience.

For individual work David Howard, Jim Edison, Russell Osiecki, and John Keeth are each constructing a 200-pound cross-bow.

Mr. Robert Luedkte is in great need of three 21 inch wheel hub caps for his Model "A." and is willing to pay top price for them.

## Gibson Advises El Lobo

Mrs. Hazel Gibson, teacher of mathematics and business advisor of the El Lobo, hails from Anthony, Kansas. She is a graduate of Kansas State Teachers College, Emporia, Kansas.

Mrs. Gibson enjoys teaching, and likes Basic High School. Her students will testify to the fact that she believes in thoroughness in all things, especially algebra. No "short cuts" for her.

Her hobbies include photography and cooking. She not only can take pictures, but can develop them, as well! According to faculty gourments, she heats a mean oven.

Her husband, formerly of the United States Air Force, is a member of the Las Vegas Heights faculty.

## Shaw Likes Nevada

John M. Shaw, the new chemistry and physics tacher, is a native of Illinois and was graduated from Western Illinois State College.

He has been a teacher since 1939. Among his most interesting experiences were the two years he spent in France, where he taught the children of army personnel. Although he enjoyed his stay over-seas, he is happy to be back in the United States, with all our modern conveniences.

## "THIS IS THE LIFE"

By SANDRA MATHEWSON

How do you wake up in the morning? "To the soft lulling music of your portable radio as the dvertisements say, or is it with a little more vim and vigor that the household arises. Something more like, this:

As the sun peeks over the hills, a bass horn and a flute sound off together. Just one thing—"Taps" and "All Star" don't seem to fit together.

At this point, whether to cover the "music" or add to the general bedlam, two parakeets and one canary add their trills, screeches, and chatter to this early morning lull(?). It's almost 6:45 now

In the following fifteen minutes, one black cocker hits the back door at full speed. It's time everyone was up, or so she says From outside the bedroom window. There is a soft Thumping. (The house only shook six inches), one white rabbit demands that someone come and say, "Good morning to him.

There are a few mutterings hat sound suspiciously like, "For Pete's sake, let that dog out."

"Someone shut that rabbit up." "Do you have to pound on the floor as well as blast on those horns"

At ast — there is one longggg ringgggg — 7:00, and we all rise after a nice long restful sleep.

Before you fall in love with a pair of bright eyes, be sure it isn't the sun shining through the back bright.

of her head that makes them "NOW" is the time for all good men to come to the aid of their country by going to South America to work so that they can make more money so that they can come back to the U. S. to pay more taxes.

## With The Council

On October 20, the student council met in room 9 for the first time. To the surprise of several representatives, tables had been placed in the room for the use of the council.

Every Wednesday when they meet, they will have proper space to carry out their business.

The special committees for Homecoming deserve a pat on he back for their fine work on the hrone, half-time ceremony, and dance.

Many students who have been around for quite some time thought the Homecoming ceremonies the best yet.

Last year, dances were held in the multi-purpose room at noon hour on Friday. The council brought up the proposition of continuing them this year.

If you like the idea, tell your representative, who is your voice in student government.

On the subject of class representatives . . . they represent you if there is to be good student government everyone must participate. Tell your representative your suggestions, and your opinions. We are all working for the common good of the school, and airing your views may help to better our school life.

## Dance Held At Youth Center

Fall blew in and swept the recent Youth Center Foundation Dance off its feet, October 23. At the last minute the Basic elementary school multi-purpose room was secured for the dance.

The purpose of the dance was to show the town's people the progress on the Youth Center. However, high winds caused the change of plans.

Music for the dance was furnished by Musicians Local Union 369. Members contributing were Chapman Wooten, Basic high music director; Duane Fuller, Elementary music director; Bob Calkins; and Jack Foy.

Food and drink were furnished by local businessmen. Serving booths, public address systems, lights and piano were all in place before the dance.

As no other dance of this type is scheduled for the near future, Mrs. Jo H. McBeath, chairman of the Henderson Recreation Board, has invited all those who wish to visit the Youth Center to see the progress.

## HERE AND THERE

Interesting excerpts from exchange papers received by the Lobo News since the beginning of school include the following:

Beaumont Digest, St. Louis, Missouri — It seems like a long time since last June when sixty-four students hit the top in grades in all their subjects.

The Wasp, Tombstone, Arizona —An assorted group of bewildered freshmen were shown the ropes of Tombstone Union High School September 23, when a general clean-up andn while wash of the "T" was begun.

The Laconic, Panaca, Nevada —Miss Mary Neilson was seleted as Queen of the Sweetheart Ball. Having been queen last year, she stepped down in order to give another girl a chance at the throne.

Astor Post, Astoria, Oregon — Nineteen boys have applied for membership in that exclusive organization of masculine domesticity, the Bachelor's Club. In other words — home economics class. There were so many applicants that it became necessary to divide it into two semesters.

## Roving Reporter

Recently I asked a few students this question, "If you could have one wish, what would it be?" Here are the results I got.

Edith Head — Happiness and security.

Betty Wrae — A certain him(?)  
Judy Douglas — Happiness.

Colleen Oviatt — Utah and a million dollars.

Barbara Leavitt — a brand new 1955 green and white Olds equipped with ???

Geneva Gunter—A certain senior boy (R.B.?)

Dixie Tomlinson — something to fit my fourth finger, left hand.

Jan Lee Pipes — 20 new boys at Basic.

Mary Childs — Beat Vegas in football.

Arlene Coleman — "I wish people who make bets wouldn't pay off in colds."

Lillian Baurer — World Peace.

Mary Jo Campbell — A beat-up green Ford with a certain someone inside.

That's all for now. Next issue the same question will be asked to the boys. The difference should be quite interesting.

### Basic Blasts Needles At Homecoming Game

Basic's title hungry Wolves rolled to their fourth straight victory as they blasted the Needles Mustangs 47-19 in their Homecoming tilt.

Basic made their last showing of the '54 gridiron season an impressive one, as they racked up 21 points in the first period against a surprised Mustang crew.

Opening the second period Bob Barker took a handoff from Eddie Johnson and romped 56 yards to paydirt.

Basic's big left end, Norm Craft, scored the final TD of the half for the Wolves as he snagged a Johnson aerial and outran Needles speedster, Art Large, to the Promised Land. Half time score — 33-13.

Art Large, the Mustangs main threat, was stopped cold during the second half as the Wolf Pack went on to win their fifth encounter of the present campaign.

Seniors playing their last home game for the Blue and White were Norm Craft, Don Detomasi, John Korthious, Ken Harris, Dwain Smith, Gordon Weese, Heber Loveland, Rod Blue, and Eddie Johnson.

Co-captains for the Homecoming tilt were, Bob Barker, and Norm Craft.

### Kingman Bumped By Basic, 27-0

Basics' eleven bumped off Kingmans' Bulldogs with a score of 27-0 on October 15 for the Wolves fourth win of the season.

Eddie Johnson racked up two TD's in the first period, and Norm Craft booted a conversion making it 13-0.

The next six points came from Craft when he snagged a Johnson pass. Basics' last touchdown was added when Bob Barker broke loose for a 58 yard jaunt down to paydirt. Craft converted both TD's.

Heber Loveland and Rod Blue were game co-captains.

# ★ ★ Sports ★ ★

Basic's Rod Blue (13) takes off with the ball on the Hurricane 45 yard line. Shown trying to halt his advance are: Darrel Wright (50), Murry Wright (13) Grand Woodbury (18) Le Roy Hirsch (17), all of Hurricane.

### WOLVES TROUNCE HAWTHORNE

Basic Wolves trounced the Hawthorne Serpents 40-7, racking up their fifth victory in succession at Hawthorne, Friday October 29.

Rodney Blue and Russell Williams took the running honors with 45 yard jaunts to paydirt.

Co-captains for the game were Dave Anderson, and Don Detomasi.

Said a newly-wed husband to his father-in-law, "I wish you'd talk with my wife. She's hardly spoken to me for days.

"So" replied the father-in-law with obvious surprise in his voice. "And you think I can improve a situation like that?"

### Basic Plays Big One At Blythe, Tonight

Basic Wolves face the Blythe Rellowjackets tonight, in what might be the tri-state championship game. At present both teams are leading the pack with perfect records in league play. It will be one of the hardest battles of the season for the Wolves. Wolf pack supporters are hoping they do not review last year's game with which Blythe walked away 39-7.

The Razmicmen's big headache will be speedster, Ray Martin. However,, he will not be their only worry as there will be ten other men on the field, also.

Basic, riding high after five

### ★ ★ ★ ★ ★ ★ ★ ★ J. V. Downs Boulder 34-8

Basic's JV's downed the Boulder JV's by a score of 34-8. The hard running of Charles Cottam and Russell Williams helped to defeat the Eagles. Two touchdowns were scored by Cotom, Williams. Don Wilson and Ray Ware each scored one.

Captain for the game was Richard Vincent.

straight victories, is set for the biggest game of the season. After putting in their worst showing of the season last Friday night against the Hawthorne Serpents, they will have to show a lot more battle and desire if they want to knock out the Yellowjackets.

The bitter battle will be played in Blythe Friday, November 5.
