HOME ECONOMICS BUILDING COMPLETED

Program of Stephens College Outlined

Mr. Russell M. Hacker, admission counselor for Stephens College, Columbia, Missouri, spoke to the senior girls on January 10. During the meeting Mr. Hacker outlined the education policy, extra-curricular activities, and answered numerous questions on the institution.

Stephens College is a women's college, and its curriculum is set up with the future women leaders

Seniors Take Homemaking Tests

The All-American Homemaker of Tomorrow may be in our school.

The girl among our seniors scheduled to graduate in the spring who received the highest score in a written examination based on homemaking knowledge and aptitude will be our Homemaker of Tomorrow. She will compete for a college scholarship of at least \$1,500, and possibly \$5,000; a trip to historical Ameri-

(Continued on Page 5)

in mind. It has a balanced enrollment of sixteen hundred women. Here the only required subjects are English, physical education, and religion. Other subjects are elective.

Besides the education facilities the college offers the opportunity for girls from the various parts of the United States to become acquainted with all forty-eight states which are represented, plus twenty foreign countries. The recreational facilities are very complete, and all kinds of social functions are held. Among the facilities are a private golf course and a riding stable. In addition to these, Stephens offers a fleet of ten planes for student pilot-training. This was the first school to offer such a course to women.

Counseling at Stephens is one of the best systems known and used today. Each girl has three counselors, a resident house counselor, faculty advisor, and a "guiding counselor." A "senior sister"

(Continued on Page 4)

Senior Play Set for Monday

No more delays! No more setbacks! The show is going on! The seniors, after many interruptions, are going to present their annual play on Monday, January 24, 1955, 8:15 p.m. The performance will be staged in the multi-purpose room.

The play, "Meet Me In St. Louis," was made into a record-breaking motion picture based on the novel by Sally Benson.

The seniors have been working very hard to produce this play, and hope to have a large turnout.

Since the last edition of the Lobo, two changes have been made in the cast. Shirley Dunn will portray Katie, the maid, and Bob Riggins will act as Papa Smith.

Essay Contest Open to Students

Any student enrolled in Basic High School and carrying a full prescribed course is eligible to compete for awards in the twentieth Annual National Essay Contest sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars of the United States. The subject of the 1955 contest is "What Civil Defense Means to Me."

Local essay contest winners will receive awards from the sponsoring local auxiliary. State winners will receive awards from the State Auxiliary. First and second place winners in state elimination contests will receive silver medals supplied by National Headquarters. Essays winning first honors in state contest are eligible for presentation to the final judges who will decide winners of the following awards: \$1,000 cash and gold medal—first prize; \$500 cash and gold medal—second prize; \$250 cash and gold medal—third prize; \$100

(Continued on Page 5)

After four months of sawing, hammering, and brick-laying, the new red brick Home Economics building has been completed, and is now in use.

Six kitchen units, a living room, and a grooming center are housed in the three sections of the structure. The most modern equipment has been installed for the use of the girls enrolled in this department.

New electrical appliances include: two washing machines, a drier, a dish washer, two refrigerators, six ranges, toasters, and waffle irons. A gas range has been installed in one of the cooking units in order to familiarize the students with this type of cooking! Ventilation in the cooking units is provided by fans set in the ceiling over the ranges. These will carry away all objectionable fumes.

Replacements for the five old sewing machines now in use by the clothing classes are expected in the near future.

Storage space is provided by
(Continued on Page 5)

"Holiday Ahoy" Given To Aid Charioteers

"Holiday Ahoy" was presented in the townsite Elementary School Auditorium at 8:17 p.m. last evening, and will be presented again tonight. Sponsored by the Henderson Junior Chamber of Commerce, this production is being given for benefit of the Charioteers, local hot-rod club.

The show which includes: "Oceans of Fun, Gobs of Gags and Girls, a Shipload of Colorful Costumes, and many of the Top Tunes," stars an all local cast. Freshmen and sophomore girls from Basic High, seventh and eighth grade girls from Townsite Elementary, and members of the Jaycees are combining their efforts to make this as enjoyable a show as the one presented last year.

Admission is \$1.00 for adults and \$.50 for students and children

Basic students have really shown that they use "energy" in their "schoolwork," by the way they eat in the new cafeteria. The program is in full swing, and has proved very popular with the "hungry wolves." On the average, 200 students a day are served from the modern facilities offered at Basic.

The Youth Center

BY ANITA TAYLOR

Doesn't it make you proud everytime you visit the Youth Center site to see the walls of the building going up, and the huge swimming pool in progress? Yes, this dream of years will soon be realized. If we can overcome the few problems left, it will open this Spring when school is out. Now that it is materializing, we are stunned to see our hopes take shape.

Since the building will be used by the community as a whole, certain state building regulations must be adhered to in the most minute detail. However, this is only one of the many problems faced. Up to now, the unions such as cement finishers, electricians, and plumbers have donated their skills; we are now waiting for the brick masons union to start construction of the walls. Another problem is the \$5,000 in unpaid pledges which had been counted on. A number of people also pledged so many hours of work on the building, and as yet have not come through with this much needed labor.

Remember when people stared at you in disbelief when you said \$60,000 was needed to build a Youth Center? Did they ever stop to realize how small this figure was in comparison to the towns size? number of children to benefit by it; much less the various adult activities planned for later? We are now \$20,000 sort of that so called "impossible" goal. Various other means of raising this much needed money will have to go into effect soon, if we are to have our dream fulfilled.

One thing everyone can agree on is that the local youth have put their spirit, money, time and effort into getting the building along this far. The high school has almost reached its pledge of \$1,000, and will have it completed before school is out this year.

"I've done my part, what more do you expect me?" I'll tell you what else is expected of you. Talk about the Youth Center to your parents and your friends; stir up that enthusiasm and spark needed to finish the building for this summers fun; support any Youth Center fund raising projects either at school or within the community. Through the combined efforts of students and the towns people, we can hope to be able to say, "We have accomplished the impossible."

Thro, The Years

From the May 25, 1946 edition of the Lobo News.

For Basic We Suggest:

A larger gym, separate from the auditorium—Conne Burkholder.
Wider variety of classes—Bill Devlin.

A room set aside for eating lunches—Marge Friend.

A better stocked library—Bonnie Williams.

A better looking campus—Bonnie Taylor.

Wouldn't they be surprised now!

From the April 7, 1948 edition of the Lobo News:

April 30th marks the date set for the Journalism dance.

It will be held in the auditorium, starting at 8:00 p.m.

Joke, from October 11, 1947 edition of the Lobo News:

Men's faults are many,
Women have only two.
Everything they say
And everything they do.

Appreciation Expressed

By

"Shutter Bugs

The Shutterbugs would like to thank all who supported the cause and bought pictures at the Sophomore reverse.

They have installed new equipment in their dark room, and are ready to do their own printing and developing.

Mr. Lester Burgwardt and the members of the club would also like to express their appreciation to the parents and the local photographers who helped them in the organization of their club.

"It's Only a Baby!"

"It's a baby, that's all" was the comment Mr. W. Chapman Wooten about the new addition to the family, Randal Mark. Randal was born December 22, 1954, at the Rose de Lima Hospital.

The Wooten children, Carol 7, Kathy 5, Suzann 3, and Michael 1 1/2, welcomed the Christmas present with much enthusiasm.

Feeding of Randal is left to Mrs. Wooten, especially the two o'clock feeding; however, Mr. Wooten has complete charge of the musical education. He assures that Randal won't be singing in the chorus or marching with the band for at least two years.

Mr. Wooten gives the following advice to far-future parents—"Relax."

Divorce Discussed In Human Relations

Marriage and divorce were the subjects discussed when Mr. William Compton visited the fourth period Human Relations class on January 12. Mr. Compton began his talk by recommending that those interested in knowing more about marriage read the treatise on marriage in the Encyclopedia Britannica.

"Basically and fundamentally," Mr. Compton stated, "marriage is a contract for the production and maintenance of children." According to Mr. Compton, marriage has three aspects, all of which are familiar: legal, economical, and social. He says he is against divorce except in cases where it is absolutely necessary.

DISK DATA

By DON HERMAN

The top tune of the nation today is, Mr. Sandman, as sang by the Chordettes.

In the number two spotlight is, Let Me Go Lover, as sung by Sunny Gale.

Falling in number three place is, The Naughty Lady of Shady Lane. This one is by the Ames Brothers.

In the number four slot reigns, Teach Me Tonight, vocal by the Dicastrol Sisters.

In fifth position the very popular I Need You Now, sung by Eddie Fisher.

In sixth place the rage of the bopsters, Heart of Stone, done very nicely by the Fontaine Sisters.

In seventh place is another hit by Eddie Fisher, Count Your Blessings.

Following up in eighth spot is, This Old House, vocal artistry by Rosemary Clooney.

In ninth comes Make Yourself Comfortable, Sarah Vaughan taking credit on this one.

Last but not least, at number ten is, Papa Loves Mambo, recorded by Perry Como.

Here we have a typical Basic student after semester exams. Does this look like someone you know? Be sure and get the next edition of the Lobo News to find if you know this "student"!

CLUBS IN ACTION

Charioteers Hold Drag Races

By ROD BLUE

The first "legal" drag race was held in Henderson, Sunday, January 3d. The strip was wet and slippery, but in spite of the rain, many local hot rodders turned out. All the clubs in Southern Nevada showed up, including the Charioteers, Gamblers, Road Runners, Southern Nevada Rod and Custom, and the Trimmers. It was good to see so many kids interested in one project. Maybe someday we can get a strip of our own.

All the rain-soaked rodders went out and tried to turn on the big machines, but couldn't get any traction, pulling a couple of broadsides. Eventually they would get enough "go" and down the strip they would tear.

The Charioteers have a new plan for helping the members of the club keep their cars in the best mechanical condition. At a given time they will hold an inspection; points are given on the basis of what condition the car is in. All faults must be corrected before the next inspection. The "rodder" with the most points at the end of the year will receive a prize.

The Rubber Burners friendly advice: "Do your fast driving on the drag strips, that's what they are for!"

Pep Band Organized

On January 5 the first rehearsal of the recently formed pep band was held in the new gymnasium, under the direction of Mr. Chapman Wooten. This group will play at basketball games, pep assemblies, and other functions.

The members forming this new organization are: Maurine Jackson and Judy Mathewson, flutes; Jerry Copels, Karen Baird, Colleen Leavitt, Kathleen Slavin, clarinets; Mary Childs, Leon Hamilton, Cookie Schreck, saxophones; Robert Trueworthy, French horn; Tony Bastanchury, Jolleen Bernsten, Kelly Francois, trumpets; Dennis Havens, euphonium; Paul Hicks, Bert Nye, trombones; Fred Nye, bass horn; Sherry McBeath, and David Blakely, drums. At the first showing of the group they proved to be really a "spark" for the team.

Usherettes Sell Basketball Programs

A new project has been taken on by the Usherettes Club—the sale of basketball programs. These programs will sell for ten cents. Half of the money will go to the school and half to the Usherettes.

New uniforms for basketball season have also been discussed at the club meetings. The girls have decided to buy white boy's v-necked sweaters and to wear blue scarves at the throat.

GAA Teams Begin Tourney

"GAA is going to do bigger and better things," according to Miss Pat Hutson, GAA advisor. But this is really not news to many Basicites. All of the student body will agree, we are sure, that the Girls' Athletic Association is one of the most active organizations in school.

The basketball tournament began on Friday, January 7, 1955. Teams have been organized and competition is keen. The seniors only have one team due to their lack of members; the juniors, likewise, Sophomores can boast two teams, while the freshmen lead the list with three.

Team captains are: Sandra Smith, Senior; Evelyn Royster, Junior; Mary Ann Jurdy, Sophomore; Jolleen Bernsten, Sophomore; Madelyn Sullivan, Freshman II, and Nancy Swift Freshman III.

Tentative plans for GAA include a Playday with Las Vegas and Boulder City, February 5. This would probably include a basketball tournament, some sort of entertainment (in the old GAA style), and, of course, food.

Sweatshirts with emblems on them have been suggested for the members. It would be a very practical shirt and one which would afford a lot of wear. Naturally, the girls would purchase their own sweaters!!

"We're Always For the Student"

Rollerettes

The Rollerettes have been working hard and steadily for the past two months. Their aim is to perfect their skating abilities, and to become well known as a skating team in Nevada schools.

They practice to music, and hope to be performing at school events by the end of the school year.

Miss Huson stated, "It's something that can't be done overnight."

Band Personality Of The Week

Maurine Jackson, senior, was chosen by the members of the Basic high school band as the personality of the week. Maurine was born on December 4, 1936, in the neighboring state of Utah, the town of Toquerville.

She has played the flute for five years, and has been in the band for the last three years. Maurine, among her musical activities, has been soloist in many numbers, as well as accompanist, she includes playing the piano among her many musical accomplishments. She acts as accompanist for the mixed chorus, as well as solos played by other members of the band.

Cupid Hits Hard!

Although Mr. John A. Dooley claims that this isn't a marriage bureau, little Dan Cupid has been busy. Two marriages and several engagements have been revealed over the holidays.

One of our favorite coaches, Don Smith, walked the altar-path December 26 in Reno with the former Virginia McClure. The new Mrs. Smith is a primary teacher at the grade school.

A surprise to everyone was the marriage of Alice Helmbolt and Bob Briggs on New Year's Eve. Nice way to start the New Year!!

Miss Sue Youngblood, the typing and shorthand teacher, is proudly wearing a very pretty engagement ring given to her by Air Force 2nd Lt. Bob Oehmcke. They plan to be married sometime next September.

Among the students who are sporting shiny new rings are: Ginger Sherman, Flora Williams, Mary Anne Parvin, Hatie Cannon, Carolyn Smith, Erma Killabrew, Joyce Burton, Eloise Lamoreaux, Hazel Flack, Mary Jose Campbell, and Shirley Dunn.

Congratulations and best wishes to all you lucky people.

As for the rest of us old maids—we're still waiting!!!

Stephens College

(Continued from Page 1) is provided for each girl in order to acquaint her with the school, students, and surrounding territory. Acceptance qualifications are as follows; a good background in English; an outstanding citizenship record; a home conference to acquaint the parents with school policies and aims; and a recommendation from your high school principal.

HOMETOWN NEWSPAPER

Come Back in 1961!

By SANDRA MATHEWSON

The morning of January 7, 1955, dawned bright—and white. While Henderson, and the surrounding territory glistened with this new fallen snow, the students of Basic High decided to return to nursery school. The fun was on as snowmen shot into the air; and snow balls flew past Mr. John A. Dooley, rolled in the wonder of real, honest-to-goodness snow.

Since throwing anything, of any type, is restricted, the school students gathered on the far side of the tracks, and the snow balls flew with all the vigor of a bunch of five year olds. Mrs. May Carpenter stood guard to see that no one trespassed with a flying missile. A crowd of the lazier ones gathered to watch the fun.

The makers of "Snowmen" finished their works of art, and threatened everyone in hearing distance not to touch.

Eddie Johnson stepped out of the car, and—wham!!! If anyone was wondering what the washing hanging out of room 15 was, it was Eddie. Like he said, "I did have a suede coat."

Then like all good things, it was soon over and the following Monday not a trace was left. But come around in another six years, and—"Duck," Mr. Dooley—Don Herman, I told you not to save any of those snowballs. That is not the use intended for the home economics refrigerators.

Fashion Footnotes

By MARY JO CAMPBELL

With all the engagements announced over the holidays, the biggest fashion news is all the pretty rings all the girls are sporting.

Wide circular skirts seem to be the rage these days, and a good example of this is the baby blue quilted corduroy that Barbara Leavitt is wearing. Geneva Gunter's aqua felt skirt is one of the prettiest around. Jane Boyce is modeling a pastel pink felt skirt that really is the "most."

Flora Williams' hubby-to-be gave her a beautiful royal blue coat for Christmas, while Bobbie Cadys' Santa Claus presented her with a white leather jacket trimmed in angora.

Many pretty sweaters have been seen, among them being Shirley Walkers' green Jantzen with a buttoned down semi-turtle neck. Gwen Kerns' lavender angora looks just luscious with her full black felt skirt. Anita Taylor received a grey cashmere (the lucky gal)—imported yet!!!!

The boys certainly have gone colorful with their slacks of mint-green, baby-blue, violent-violet, and shocking pink. Santa surely was lavish with the shirts and sweaters too. Rodney Blue, Jimmy Swanson, and Sherry Gilbertson were all gifted with the last word in sweaters—heliotrope—quite the eyecatchers!! John Staley has a sharp plaid weskit that makes him look every bit the executive type.

Everyone was dressed in the best at the New Year's Eve dance. The affair was a big success and no wonder as all of us were certainly in the holiday spirit.

Especially noticeable among all the party new dresses was Connie Gortons' red faille with the low low neckline outlined in pearls. Rosemary Balleuw and Betty Brown wore identical outfits of striped taffeta made in the peasant style.

From the looks of everything, we all had a very Merry Christmas and have started a Happy New Year complete with snow and all the mischief that goes with it.

That's all for now, be back again next issue with more news and nonsense . . .

"GUESS WHAT I RESOLVED?"

Everyone some time in their life has the "urge" to make New Year's resolutions. Some of these resolutions will quickly rid their makers of ever resolving anything agains!

Donna Newton—I resolve, not to skip school after next year.

Derrill Price—I'm going to see how many girls' hearts I can break.

Lupe Garcia—I resolve to pay off all my debts.

Don Browning—To pass in all my classes.

Anita Lansing—Resolved, not to make any more resolutions, and not to cut my hair.

Bob Hall—To work at my school work after May 22.

Martha McIntyre—To get married before 1956.

Don Detomasi—I'm going to be a good boy. (?)

Paula Zimmerman—To quit picking on Mickie Sager in Sociology and English.

Heber Loveland—Resolved, never to shine spotlights in cop's eyes and also to get married.

Pauline Gonzalas—Resolved, to quit falling so much when she skates.

Jimmy Swanson—To go out with more girls from California and to get married.

P.E. Department Plans Exhibit

Mr. Don Smith and Mr. Charles Razmic, physical education teachers, are organizing a gymnastic exhibit to be held in February or March.

With the facilities of the physical education department as they are now, more activities can be planned.

The show will include tumbling, hand stands, rolls, dives and other gymnastic tricks.

The department will probably perform at the Parent-Teachers Association meeting in February. Many students have expressed a desire to participate in the program.

Betty Crocker

(Continued from Page 1)

can shrines; and the biggest award of all, the opportunity to become the **Bety Crocker All-American Homemaker of Tomorrow**.

There will be fun and prizes right from the beginning of this project which General Mills has sponsored to focus public attention on what our school is doing to prepare our young women for the future and to demonstrate how homemaking can be as rewarding and glamorous as any other career.

Participants took the 50-minute examination which was given simultaneously in all schools January 12. This examination will be graded by Science Associates of Chicago.

Our Homemaker of Tomorrow will receive a golden pin and a cook book. Her examination paper will be entered in state competition.

The state winner will receive a \$1,500 scholarship, a golden jeweled pin, a complete set of the Encyclopedia Britannica for the school and a trip with her school advisor to the national award dinner in Philadelphia April 21 which will also include a tour of Washington, D. C., and colonial Williamsburg, Virginia.

The scholarship of that state winner selected at the Betty Crocker All - American Homemaker of Tomorrow will be increased to \$5,000, and she will receive a specially designed diamond-studded gold pin.

'Champion 4-H'er' Teaches At Basic

Being chosen champion twice in 4-H, and teaching a boys' home economics class are two of the most outstanding incidents in the life of Mrs. Margaret Weltz, Home Economics I teacher.

When Mrs. Weltz was in high school in Arizona, she won the championships in the canning and dairy divisions of the 4-H Club. As prizes, she was awarded a free trip to Chicago in two consecutive years. Both trips were for one week. Since she was brought up in a small town, it was quite a thrill.

In her eight years of teaching, Mrs. Weltz has spent two years teaching a boys' home economics class. She states that she would not wish to do it again.

Mrs. Weltz is a graduate of the University of Arizona with a Bachelor of Science degree. She came to Basic from San Bernardino, California, and finds she likes it very much, especially since the new department is finished.

Home Economics

(Continued from Page 1)
an ample number of cupboards and closets.

Tables and chairs built by the Haywood Wakefield Company feature the latest in style and comfort. They are finished in plastic and cannot be marked or scratched.

The "tote tray" is one of their most interesting parts, it may be used for the materials needed in sewing or other classes, making them available by pulling out the tray, which is arranged on runners under the table.

Mrs. Marjorie Peck will now have the facilities to instruct her advance classes in management of the home, and home nursing, in the care of the sick. These will be taught in the living room, where the equipment for a play school will be available. In the grooming center they will have child care, family living, and food and clothing management. Many of these courses could not be taught in the old cottage. Mrs. Peck says that she has so much room now compared to the old cottage that she feels lost, but is very happy!

The F.H.A. is raising money by washing the towels for both school cafeterias in the new automatic washing machine and drier.

What Did You Get?

We asked the following question to several students: "What was the best thing you got for Christmas?" As you will see we got some very interesting answers.

Eddie Johnson got a turkey, while Norm Craft got a goose. Crazy presents, no? Should have kept their stomachs happy anyhow! Sheila Branchfield got an alarm clock so she can get up in time for those early eight o'clock senior play practices. Bill Forshee evidently didn't have any use for a clock as he said he got plenty of sleep.

From all reports Connie Gorton, Gail Scott, Barbara Leavitt and everyone else in school had plenty of fun at all the parties. On the calmer side Edith Head, Betty Ware, and Lillian Bauer had all their families together; a really wonderful present. Connie Hadley took a trip to Oregon while Sandra Mathewson had a visitor from Los Angeles to make her holiday season complete.

Rosine Lindsey is ready and waiting for Helldorado with her brand new western outfit. It seems a long time away though, especially with Colleen Oviatt wishing for more snow from Utah! Wuanita Combs got a typewriter on which she can bang out more of those "A" term paper for Sociology.

So that gives me an idea—this relic I'm using is ready to give out. How about giving our staff a belated Christmas present and let us use your new one???

Basic Sets Record Beating Kingman

An 86 to 52 score brought the Basic Wolves back into the win column at Kingman, January 15. After three miserable showings, the Wolves really clicked in this Tri-state encounter.

Big gun for the Wolves was Norm Craft, who dropped in 23 counters to lead in scoring, and also did a tremendous job rebounding. Right behind him was Ray Martinez, with 20.

The Wolves jumped to an early lead with the buckets by Craft and Mich'l. Leading at the half by a score of 42-21, the Wolves pulled even farther ahead during the second half, with the reserves going into the game during the fourth quarter.

A school record for points totaled in one game was broken by the Luntmen with 86 in this game. The previous high was 85, scored against Blythe last year.

Coach Bob Lunt's only comment was that it was the first all team effort put forth by the team.

The Basic Cagers for the 1954-55 season are: standing, left to right, B. Guthrie, manager, B. Jamieson, A. Walker, N. Craft, D. Ross, R. Mich'l, A. Albrechtsen, Mr. Robert Lunt, coach. Kneeling, left to right, J. Miller, R. Martinez, B. Meeks, E. Johnson, F. Porter, B. Fumagalli. Lobo photo

Vegas Hands Wolves Defeat

With the Wildcats on top, 59-46, Basic was handed its first defeat of the 1955 season, at the new recreation center before a record breaking crowd. Basic took off to a fast start, and held the Cats scoreless until halfway through the first period. Finishing fast, the Cats took a commanding, 16-7, first period lead.

The Wolves had trouble hitting in the first half, as the Wildcats hit at will, with the score mounting up to a 33-15 score at the half time. Putting on a third period rally, sparked by All-Stater Norm Craft and Bernie Fumagalli, the Wolves closed in to a 40-32 third period score. Basic's hopes were dampened in the fourth period when Al Albrechtsen, Basic's great rebounder, fouled out. A 19, point last period splurge, put the game in ice for Las Vegas, as Ernie Brooks, Don Ashworth, and Overton Curtis, hit the double figures, 18, 11, 12 points respectively. Norm Craft tallied 14 points, Ray Martinez 10, Bernie Fumagalli 10, to take the top scoring honors for the Wolves.

Lynx Upset BHS

A scrappy crew of Lincoln County Lynx upset the Basic Wolves 59-58, to mar the Wolves effort to open their new gym with a win. After getting off to a bad start the Basic Wolves rallied to lead 17-16, as the first period ended. Behind some hot shooting by the Lynx's Gillens, Reese, and Dale McGhie, they pulled to a commanding lead at 28-23 at halftime.

The game looked like a run-away for the Lincoln boys as the third period began, the Lynx being ahead 40-29. Then Duain Ross, Al Albrechtsen and Bernard Fumagalli hit the cords to pull in front 48-46. Lincoln's Jim Rice countered to even up the score. The Lynx then jumped into the lead again on a long shot by Lincoln's Reese and a pair of free throws by Jim Rice. Wolfeman Ross fired a jump shot through before the final gun, making the score 59-58.

Rice was high point man for the evening with 27 points. Albrechtsen led the Wolves with 16 counters.

In the preliminary contest, Coach Charles Razmic's junior varsity squad romped to a 56-46 victory over the junior Lynx. Tom McGinty with 16 points was high man for Basic, while Don Goodwin led the visitors with 17.

Intramural Basketball Program Organized

An intramural basketball league is Basic's newest addition to their athletic program. This new league is directed by Mr. Edward Shellinger. It consists of seven teams: The Bears, Tigers, Rams, Wildcats, Lions, Eagles, and Ducks.

Members of the Bears are: Fred Darnell, Gary Sherrill, Jack Pherigo, Joe McMillin, Harry Reid, Bill Witt, and Ken Harris.

Members of the Tigers are: Harley Parvin, Wayne Castleberry, Gene Powell, Larry Coleman, Tony Peavy, Dick Keys, Rod Blue, and Don Vincent.

The Rams are: Duane Rulffson, Jim Balk, Carl Fawcett, Mike Murphy, Jack Barnett, David Rothwell, Bill Forshee, and Larry Hornyak.

The Wildcats are: Gren Barton, Bill Horne, Jim Bidwell, Ben Guthrie, David Stevenson, Don Caldwell, Don Detomasi, and Dick Dolin.

The Lions are represented by Edgar Randall, Dean Hall, Jerry Brooks, Robert Oviatt, Garry Harper, Gary Barnum, John Korthis, and Gary Lindsey.

The Eagles are: Jeff Reid, Richard Spatz, Gary BeDunnah, Dean Ware, Sheridan Gilbertson, Gordon Weese, Jim Swanson, and Wayne Richards.

The Ducks, the last formed team in the league, consists of Chuck Korthis, Arthur Kester, Joe Talbot, Ronnie McAllister,

JV's Downed By JV Junior Cats

After a hard fought struggle the Basic JV's were handed a second defeat by the Vegas JV's January 7, in the Las Vegas City Gymnasium.

When the final gun went off, the hustling Basicites could only scrape together 40 points, with Russell Williams contributing 23 and McGinty and Foster with 9 and 8; while Vegas came out with 64 points.

The JV's learned their lesson too late, after being out-scored in the second and third quarters they came back to out-score the junior cats, 14-11 in the last quarter.
